3. All capitalized terms that are used but not defined in this affidavit are intended to bear their meanings as defined in the Melnychuk Affidavits.

I. Introduction and Relief Sought

4. On April 23, 2021, IFH, International Fitness Holdings LP and World Health North LP (collectively, the "**Applicants**") each filed a Notice of Intention to Make a Proposal ("**NOI**") pursuant to subsection 50.4(1) of the *Bankruptcy and Insolvency Act* (the "**BIA**", and such proceedings, the "**NOI Proceedings**") and appointed KPMG Inc. as its proposal trustee (the "**Proposal Trustee**").

5. As a result of filing the NOI, all proceedings against the Applicants and their assets were automatically stayed for an initial period of thirty (30) days (i.e. until May 23, 2021) (the "**Stay Period**").

6. On May 5, 2021, this Honourable Court pronounced an order (the "**Initial Order**"), which, *inter alia,* (i) extended the Stay Period for an additional period of five (5) days (i.e. until May 28, 2021, and (ii) authorized the Applicants to obtain and borrow under a debtor-in-possession credit facility from First Canadian Cardio-Fitness Clinics Ltd. (the "**Lender**") in an amount of up to $10,000,000.00 (the "**DIP Facility**").

7. For the reasons further described herein, the Applicants hereby seek from this Court an Order, inter alia:

   (a) abridging the time for delivery of this Application and deeming service of this Application to be good and sufficient;

   (b) an order further extending the Stay Period for an additional thirty-three (33) days from the expiry of the Stay Period (i.e. until June 30, 2021);

   (c) approving and authorizing the transaction (the "Transaction") contemplated by the Asset Purchase Agreement dated April 23, 2021 (the "**Transaction**") between Ayrfit West Inc. Ayrfit Alberta Inc. and Ayrfit Edmonton Inc. (collectively, the "**Purchasers**") and the Applicants and Spa Lady (West) Inc. (as vendors), and as amended by Amending Agreement dated May 20, 2021 (collectively, the "**APA**"), a redacted copy of which is marked as **Exhibit "A"** and an unredacted copy of which is marked as **Exhibit "B"** (the "**Confidential Exhibit**") to this affidavit;

   (d) ordering that, upon delivery by the Proposal Trustee to the Purchasers of the certificate contemplated in the proposed form of Sale Approval and Vesting Order, all

of Applicants' right, title and interest in and to the Purchased Assets shall vest in the Purchasers in the manner contemplated in the APA and set out in the Sale Approval and Vesting Order, free and clear of all Claims (as defined in the Sale Approval and Vesting Order); and

(e) a sealing order with respect to the Confidential Exhibit and the First Confidential Supplemental Report (the "**Confidential Supplemental Report**") to the second report of the Proposal Trustee, until three months after the closing of the Transaction contemplated in the APA (the "**Sealing Order**").

8. I am advised by the Proposal Trustee and do verily believe that the Proposal Trustee supports this Application.

Background

9. As set forth in the First Melnychuk Affidavit, the Applicants are part of an enterprise which operated twenty-one (21) fitness centres in Edmonton and Calgary (the "**IFH Group**").

10. Since the onset of the COVID-19 pandemic in February and March 2020 and the various closures of its facilities mandated by the provincial and other governments and health authorities, the IFH Group has been presented with considerable operational and financial challenges. In response, the IFH Group implemented strategies to mitigate its losses, all of which were aimed at positioning the business for reopening, even on a reduced basis, once provincial health restrictions were eased. These efforts included:

(a) renegotiating its leases and negotiating deferral arrangements with landlords of its facilities;

(b) reducing staff and streamlining its operations;

(c) accessing the Canada Emergency Wage Subsidy program ("**CEWS**") and the Canada Emergency Commercial Rent Assistance Program ("**CECRA**"); and

(d) engaging the services of MNP Ltd. ("**MNP**") to lead a strategic process, including a possible sale of the IFH Group's assets. From this process, one potential viable transaction arose involving the Purchasers, the approval for which is being sought in this Application.

11. Despite the foregoing, the IFH Group reported net losses on a consistent basis. The Applicants' secured debt exceeds $72 million, which is far in excess of the fair market value of its assets,

and the Applicants are in default with their secured lenders, who have indicated they are no longer willing to continue financing the Applicants under their current structure.

Restructuring Efforts post-NOI Filing

12. Following the commencement of these NOI Proceedings, the Applicants have continued to pursue activities aimed at restructuring and streamlining its operations, including:

(a) consulting with the Proposal Trustee and its legal advisors on the various cost-saving measures available to the Applicants in the context of a formal restructuring process;

(b) finalizing discussions with the Purchaser in connection with the APA (as described below), which contemplates the sale of substantially all of the Applicant's business on a going concern basis;

(c) working with the Purchaser to identify those leases which the Purchaser intends to assume, and liaising with the Purchaser and various landlords regarding new lease agreements for certain fitness locations where the Purchaser intends to carry on business, and disclaiming leases for eight (8) locations (the "**Disclaimed Locations**");

(d) communicating with sub-tenants of the Disclaimed Locations;

(e) working with the Lender in respect of cashflows and advances under the DIP Facility;

(f) working with the Proposal Trustee and counsel to prepare a cash flow projection and to identify issues with respect to their financial condition and the status of their creditors;

(g) engaging with the IFH Group's employees, including holding a town hall meeting on April 25, 2021, regarding the NOI Proceedings, providing weekly updates, and scheduling another town hall meeting on May 28, 2021;

(h) working with the Purchasers to develop new employee compensation plans for those employees of the IFH Group anticipated to employment agreements with the Purchasers following the closing of the Transaction;

(i) streamlining operations;

(j) communicating with IFH Group's members regarding the status of their memberships and the operation of its fitness centres, and with further communication to members on May 28, 2021;

DS ND

DocuSign Envelope ID: 9D49A7F3-B31F-4B9D-B42D-3276DE1AE050

(k) continuing to engage with governmental authorities in connection with the CEWS and CECRA programs; and

(l) communicating with various lienholders and claimants regarding the status of their claims against the Applicants under the present NOI Proceedings.

13. Since the Initial Order, the Applicants have borrowed from the Lender a total of $500,000 under the DIP Facility in order to continue operations during the stay extension period, and in order to support the fees of the Proposal Trustee and counsel involved in the restructuring process

The Asset Purchase Agreement

14. On April 23, 2021, the Applicants entered into the APA, as amended on May 20, 2021, pursuant to which the Purchasers will acquire certain of the Applicants' assets as a going concern sale of the business. The APA was amended to address primarily the involvement of two purchasers to acquire the Calgary and Edmonton related assets. Any references to the APA herein, refers to the APA as amended. I understand that some of the key terms of the APA include:

(a) the purchase price consists of cash considerations, a promissory note, Purchaser consideration shares, and the value of assumed liabilities under the APA. The particulars of the purchase price (including the mechanism by which the Purchase Price is determined), are releasable upon the closing of the Transaction;

(b) the APA has closing date of June 18, 2021 (the "**Closing Date**");

(c) on the Closing Date the Purchasers will acquire certain of the Applicants' assets as a going concern and free and clear of all encumbrances, including personal property, equipment, inventories, accounts receivable, intellectual property, books and records, good will of the Applicants, contact information for the Applicants' members, and all rights to deposits and prepaid expenses;

(d) the Purchasers will also assume all of the Applicants' liabilities under Assumed Leases and Purchased Contracts (each as defined in the APA), and all amounts owing by the Applicants under the DIP Facility less any adjustments calculated pursuant to the terms of the APA;

(e) excluded assets from the Transaction include all outstanding loans to the Applicants' management investors; all employment contracts and benefit plans offered to employees; certain loan agreements with management and other investors described at

DS ND

Schedule 2.2 of the APA; promotional and certain corporate memberships; and personal training contracts;

(f) the conditions of closing include that:

(i) the Purchasers waive all conditions in respect of the Assumed Leases by May 19, 2021, which the Purchasers have so waived; and

(ii) the Court approves the APA, vesting the purchased assets in the Purchaser free and clear of any encumbrances;

(g) the Purchasers are finalizing their review of employee requirements for the locations being assumed pursuant to the APA, which allows the Purchasers the option to make new offers of employment to the Applicants' employees within five (5) days of the Closing Date.

Approval of the Sale and Vesting Order

15. The Applicants did not conduct a Court-supervised sales process for the Purchased Assets, as an extensive sales process was conducted prior to the NOI filing, and the Applicants did not have the financial resources or the time to run an additional process post-filing The Applicants worked closely with MNP and with the Applicants' secured lenders over the course of many months, and we believe that MNP thoroughly canvassed the market and the Transaction represents a positive outcome that ensures that the Applicants' business remains a going concern without interruption in service to its members

16. The Applicants did not obtain a formal valuation of their business, other than a liquidation analysis of the used fitness equipment in its facilities. Due to the special nature of the business, and especially due to the current conditions during the global pandemic and its particular effect on the fitness industry, it was impossible to obtain such a valuation. However, we believe that the efforts of MNP and the APA which was extensively negotiated over the course of many months, represents the best indication of the value of the underlying business, and the best offer available in the circumstances.

17. As a result of the Transaction, it is anticipated at least fourteen (14) of the IFH Group's fitness facilities will remain open, which will result in the continued employment of certain of IFH Group's employees. Additionally, the IFH Group's permanent (i.e. non-promotional) members will retain their membership status with the Purchasers. The Sale and Vesting Order provides that the purchased assets located in Edmonton and those located in Calgary will be acquired by different Purchaser entities.

DS ND

DocuSign Envelope ID: 9D49A7F3-B31F-4B9D-B42D-3276DE1AE050

18. Furthermore, given that the Transaction is a going concern sale of certain of the Applicants' assets and business, it is a positive outcome for many of Applicants' stakeholders and other parties with which the Applicants have commercial relationships, including certain landlords, service providers, suppliers and vendors.

19. The Applicants' secured lenders have actively participated in the pre-filing sales process and strategy to monetize the Applicants' assets. The secured lenders, who are owed in excess of $72 million, and who will be suffering a significant shortfall on their secured debt, continue to support the Transaction being completed.

20. With respect to assumed and assigned leases, negotiations have been ongoing between the Applicants, the Purchasers and landlords. As of the date of my Affidavit, there are eight (8) Disclaimed Leases, and the leases in respect of three (3) locations are anticipated to be assigned to the Purchasers by way of Court Order if terms of the assignment cannot be negotiated with landlords. The Applicants and Purchasers anticipate returning to Court in June of 2021 to seek Assignment Orders, as may be required.

Extension of the Stay of Proceedings

21. As outlined above in paragraph 12, since the filing of the NOI, the Applicants have been working diligently and in good faith toward a restructuring of their affairs for the benefit of their stakeholders, employees and members.

22. While the Applicants anticipate that, subject to Court approval of the APA, closing of the Transaction will occur on or about June 18, 2021, the requested stay extension to June 30, 2021 will allow for the closing of the Transaction and for the Applicants and the Proposal Trustee to attend to any post-closing matters, including applying for a further Assignment Order or Distribution Order, as required. I have been advised that the Proposal Trustee supports the requested extension of the Stay Period.

23. I believe that the Applicants have been acting in good faith and with due diligence in these NOI Proceedings. I believe it is in the best interests of the Applicants and all of their stakeholders that the Stay Period be extended to allow for the closing of the Transaction, and that such an extension is appropriate in the circumstances.

24. I am not aware of any material prejudice to any of the Applicants' creditors as a result of the proposed extension of the Stay Period.

Cash Flow Projections

DS ND

DocuSign Envelope ID: 9D49A7F3-B31F-4B9D-B42D-3276DE1AE050

25. Attached as Exhibit ""C" is a true copy of the cash flow forecast for the period from May 28, 2021 to June 30, 2021.

26. The Applicants' cash flow forecast projects that it will have sufficient cash to fund its projected operating costs until June 30, 2021.

27. The DIP Facility as approved in the Initial Order contemplated a May 31, 2021 maturity date, to align with an earlier May 31, 2021 closing date and provided an initial available amount of funding of up to $2 million. On May 20, 2021, the Lender and Applicants entered into an amending agreement with respect to the DIP Facility, which extends the closing date to June 30, 2021, and increases the amount available to the Applicants under the DIP Facility to $3 million (the "**DIP Amending Agreement**"). Attached hereto and marked as Exhibit "D" is a copy of the DIP Amending Agreement.

28. The Proposal Trustee has reviewed the cash flow forecast and, I understand, is supportive of the same. I expect that the Proposal Trustee will report on the forecast in the Proposal Trustee's Second Report.

Sealing Order

29. The Confidential Exhibit will contain an unredacted copy of the APA. I believe that the APA contains information of a highly sensitive commercial nature, namely the Purchase Price (and the mechanism for its determination) and personal information. I also believe the Confidential Supplemental Report contains highly sensitive commercial information regarding the marketing process and efforts that MNP undertook prior to the Applicants' filing of the NOI (the "**Marketing Process**").

30. Publication of the Purchase Price and Marketing Process before the approval and closing of the Transaction could result in serious commercial damage to the Applicants as it could prejudice any future sales process, in the event that the Transaction does not close, to the detriment of the Applicants' stakeholders.

31. I believe the sealing order being sought is the least restrictive means possible to prevent disclosure of the confidential and commercially sensitive information regarding the Transaction and from disclosing confidential personal information.

Conclusion

32. I swear this affidavit in support of the Applicants' application for an order (i) granting a sale and vesting order in respect of the Transaction, (ii) extending the Stay Period to June 30, 2021, and (iii) granting a sealing order for the Confidential Exhibit and Confidential Supplemental Report, and for no other or improper purpose.

6.4 Transfer of Documentation.

On the Closing Date, the Vendors shall deliver, and shall cause to be delivered, to the Purchaser the Books and Records and all documents (except, in the case of those required by Applicable Law to be retained by the Vendors, copies thereof) and other data, technical or otherwise, which are owned by the Vendors and in the possession or control of the Vendors at the Closing Date, relating to the Business or the Purchased Assets. The Purchaser shall preserve all those documents delivered to it in accordance with the Purchaser's document retention procedures or for such longer period as is required by Applicable Law. The Purchaser shall permit the Vendors and their authorized Representatives reasonable access to those documents while they are in the Purchaser's possession or control solely to the extent that access is required by the Vendors to perform their obligations under this Agreement or under Applicable Law, but the Purchaser shall not be responsible or liable to the Vendors for, or as a result of, any loss or destruction of or damage to any such documents and other data unless that destruction, loss or damage is caused by the Purchaser's negligence or wilful misconduct. The Vendors shall be responsible for all reasonable out-of-pocket costs and expenses incurred, directly or indirectly, by the Purchaser in connection with any access contemplated by this Section 6.4.

6.5 Personal Information.

(a) The Vendors and the Purchaser shall:

(i) at all times, use and disclose the Personal Information under its control solely for the purposes for which the Personal Information was collected or permitted to be used or disclosed, unless to the extent required by Applicable Law, the Vendors or the Purchaser, as the case may be, has obtained the consent of or has given notice to the individual to whom the Personal Information relates of the additional purposes for which the Personal Information is to be used or disclosed, or such additional purposes are permitted or authorized by Applicable Law;

(ii) protect the Personal Information using security safeguards that meet or exceed industry standards, taking into account the sensitivity of the Personal Information; and

(iii) give effect to any withdrawal of consent by the individual to whom the Personal Information relates where the Personal Information was collected with consent.

(b) The Purchaser shall, to the extent required by Applicable Law, notify the individuals to whom the Personal Information relates that the Transaction has been completed and of the disclosure of their Personal Information to the Purchaser.

(c) In the event that the Transaction is not completed, the Purchaser shall, within a reasonable period of time, return the Personal Information to the Vendors or, in its discretion, destroy it and provide a certificate of a senior officer of the Purchaser to that effect to the Vendors.

6.6 Risk of Loss.

(a) If, before the Closing, any material portion of the Purchased Assets or material portion of the Business is lost, damaged or destroyed or is appropriated, expropriated or seized by any Governmental Authority, and the loss, damage, destruction, appropriation, expropriation or seizure cannot, in the reasonable opinion of the Purchaser, be restored

within 45 days from the date of loss, damage, destruction, appropriation, expropriation or seizure, then the Purchaser may either:

(i) terminate this Agreement; or

(ii) reduce the Purchase Price by the amount of the replacement or repair cost of the Purchased Assets and/or the Business which were lost, damaged, destroyed, appropriated, expropriated, or seized, in which case any insurance proceeds or other compensation paid or payable with respect to such loss, damages, destruction, appropriation, expropriation, or seizure shall be retained by the Vendors and shall be deemed to be an Excluded Asset; or

(iii) elect to complete the Transaction, in which case any insurance proceeds or other compensation paid or payable with respect to such loss, damage, destruction, appropriation, expropriation or seizure of Purchased Assets will be assigned or paid by the Vendors to the Purchaser.

6.7 Employees.

(a) The Vendors shall provide to the Purchaser such information with respect to the Employees as may be reasonably required for the Purchaser to comply with its obligations under this Section 6.7 or as otherwise requested by the Purchaser, acting reasonably.

(b) The Purchaser may make offers of employment to certain of the Employees no later than five Business Days before the Closing Date which offers shall be conditional upon Closing, effective as of the Effective Time and on terms and conditions determined by the Purchaser. Immediately prior to the Closing (and/or at any earlier time prior thereto as may be agreed by the Purchaser, acting reasonably), the applicable Vendor will provide notice to the Employees of such Vendor (other than Hired Employees) of the termination of their employment, conditional on Closing and effective immediately before the Effective Time.

(c) If Closing occurs, without limiting the obligations of the Purchaser in respect of Hired Employees on and after the Effective Time, the Purchaser shall be responsible for:

(i) all liabilities for salary, wages, bonuses, commissions, vacation pay, benefits and other compensation related to the employment of Hired Employees on and after the Effective Time;

(ii) all liabilities for claims for injury, disability, death or workers' compensation arising from or related to the employment of Hired Employees in the Business on and after the Effective Time; and

(iii) all employment-related claims, penalties and assessments in respect of Hired Employees arising from or related to matters that occur on and after the Effective Time, including claims, penalties and assessments in respect of occupational health and safety,

(the preceding Sections 6.7(c)(i) through 6.7(c)(iii) collectively the "**Hired Employee Costs**"), provided that, the Purchaser shall not be responsible for any Excluded Employee Costs nor any liabilities, including severance payments, damages for wrongful dismissal, statutory notice of termination, common law notice of termination, or employee benefits plans related to the prior service of the Hired Employees, and with respect to any Employees who are not Hired Employees, the Purchaser shall not be responsible for any liabilities of the Vendors related to such Employees.

(d) For greater certainty, unless the Purchaser elects to make an offer of employment to any Employee that is on temporary layoff, leave of absence, disability or other non-active status and that offer of employment is accepted by that Employee, the relevant Vendor shall remain responsible for and the Purchaser is not assuming any liability or obligation with respect to that Employee. Notwithstanding the foregoing, nothing herein shall require the Purchaser to set up or make available to the Hired Employees pension and employee benefit arrangements or to provide pension and employee benefits.

(e) The Vendors shall be responsible for all liabilities and obligations with respect to all Employees other than the Hired Employees and with respect to the Hired Employees up to the Closing Date, including liabilities and obligations under all Statutory Plans and related to any required notice of termination, termination or severance pay (required under Applicable law or by contract), salary or wages, statutory holiday pay, overtime pay, payroll or employer health taxes, commissions, bonuses, employee benefit plan payments or contributions, vacation entitlements or expense reimbursements.

6.8 Employee Plans.

The Purchaser is not assuming, nor will it have any liability for, any of the employee benefit plans, arrangement, schemes or policies offered by the Vendors. The Hired Employees shall cease to accrue any further benefits under any of employee benefit plan, arrangement, scheme or policy offered by the Vendors from the Effective Time.

ARTICLE 7
GENERAL

7.1 Public Announcements.

(a) Subject to Sections 7.1(b) and 7.1(c), if a Party intends to issue a press release or other public disclosure of this Agreement, the terms hereof or the Transaction, the disclosing Party shall provide the other Parties with an advance copy of any such press release or public disclosure with sufficient time to enable the other Parties to review such press release or other public disclosure and provide any reasonable comments. The disclosing Party shall not issue such press release or other public disclosure without the prior written consent of the other Parties, such consent not to be unreasonably withheld.

(b) Notwithstanding Section 7.1(a), this Agreement may be filed by the Vendors with the Court and the Transaction may be disclosed by the Vendors to the Court, subject to redacting confidential or sensitive information as permitted by Applicable Law and rules. The Parties further agree that the Vendors and their professional advisors may prepare and file such reports and other documents with the Court containing references to the Transaction contemplated by this Agreement and the terms of such Transaction as may reasonably be necessary to obtain the Sale Approval Order and to complete the Transaction contemplated by this Agreement or to comply with their obligations to the Court.

(c) Notwithstanding Section 7.1(a), where public disclosure of this Agreement, the terms hereof or the Transaction is required by Applicable Law or a Governmental Authority, except where compliance with Applicable Laws or stock exchange rules would not permit the Party required to make the disclosure to do so, the Party required to make the disclosure shall:

(i) use commercially reasonable efforts to provide the other Parties with a draft of any such proposed public announcement or press release at least 24 hours prior to the proposed release thereof; and

(ii) to the extent reasonably possible, incorporate any reasonable amendments to the proposed public announcement or press release that one or more of the other Parties request sufficiently prior to the release thereof in order for the Party making such public announcement or press release to review and evaluate such proposed amendments.

7.2 Expenses.

Each Party shall pay all expenses (including Taxes imposed on those expenses) it incurs in the authorization, negotiation, preparation, execution and performance of this Agreement and the Transaction, including all fees and expenses of its legal counsel, bankers, investment bankers, brokers, accountants or other representatives or consultants.

7.3 No Third Party Beneficiary.

This Agreement is solely for the benefit of the Parties and no third party accrues any benefit, claim or right of any kind pursuant to, under, by or through this Agreement.

7.4 Entire Agreement.

This Agreement together with the other agreements to be entered into as contemplated by this Agreement, including the DIP Financing Facility (the "**Other Agreements**"), constitute the entire agreement between the Parties pertaining to the subject matter of this Agreement and the Other Agreements and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral, including the letter of intent dated February 22, 2021, as amended March 25, 2021, executed by Ayrshire Real Estate Management Inc. and IFHI. Except as specifically set out in this Agreement or the Other Agreements, there are no representations, warranties, conditions or other agreements or acknowledgements, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or the Other Agreements or which induced any Party to enter into this Agreement or the Other Agreements. No reliance is placed on any representation, warranty, opinion, advice or assertion of fact made either prior to, concurrently with, or after entering into, this Agreement or any Other Agreement, or any amendment or supplement hereto or thereto, by any Party to this Agreement or any Other Agreement or its Representatives, to any other Party or its Representatives, except to the extent the representation, warranty, opinion, advice or assertion of fact has been reduced to writing and included as a term in this Agreement or that Other Agreement, and none of the parties to this Agreement or any Other Agreement has been induced to enter into this Agreement or any Other Agreement or any amendment or supplement by reason of any such representation, warranty, opinion, advice or assertion of fact. There is no liability, either in tort or in contract, assessed in relation to the representation, warranty, opinion, advice or assertion of fact, except as contemplated in this Section 7.4.

7.5 Time of Essence.

Time is of the essence of this Agreement.

7.6 Amendment.

This Agreement may be supplemented, amended, restated or replaced only by written agreement signed by each Party; provided that the Parties agree that the Purchaser may, in its sole and absolute discretion, propose an alteration to the transaction structure contemplated by this Agreement to address any economic, commercial, tax, accounting, regulatory, governmental programs or securities law objectives of the Purchaser, and the Vendors shall cooperate with the Purchaser to amend this Agreement to reflect any such changes; provided that (i) the aggregate amount and allocation among the existing types of consideration paid by the Purchaser does not change or decrease, (ii) the costs and expenses of the altered transaction structure and its implementation (including to amend this Agreement and the incremental costs and expenses of the Vendor (including its professional fees, filing costs, etc.) are borne by the Purchaser,

DS ND

(iii) the DIP Financing Facility is expanded and extended under the same terms to cover the additional time to a new Closing Date (and the operating costs during that time period), and (iv) the proposed altered transaction structure does not otherwise materially adversely affect the Vendors or impede, materially delay or prevent the consummation of the transactions contemplated by this Agreement.

7.7 Waiver of Rights.

Any waiver of, or consent to depart from, the requirements of any provision of this Agreement is effective only if it is in writing and signed by the Party giving it, and only in the specific instance and for the specific purpose for which it has been given. No failure on the part of any Party to exercise, and no delay in exercising, any right under this Agreement operates as a waiver of that right. No single or partial exercise of any such right precludes any other or further exercise of that right or the exercise of any other right.

7.8 Jurisdiction.

The Parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the Courts in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.

7.9 Governing Law.

This agreement is governed by, and interpreted and enforced in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in Alberta, excluding the choice of law rules of that province.

(d) Any Party may change its address for notice by giving notice to the other Parties.

7.11 Assignment.

No Party may assign or transfer, whether absolutely, by way of security or otherwise, all or any part of its rights or obligations under this Agreement to any Person, provided that the Purchaser may assign its

obligations in whole or in part to one or more wholly-owned subsidiaries of the Purchaser, provided that (i) such assignment shall not release the Purchaser of its obligations hereunder to the extent the subsidiaries fail to perform such obligations, (ii) such assignment may not assign the Purchaser's obligation to issue the Purchaser Consideration Shares or the Secured Promissory Note, (iii) such wholly-owned subsidiaries provide full, irrevocable and unconditional guarantees of the Purchaser's obligations under the Secured Promissory Note in favour of the holder of the Secured Promissory Note (in a form satisfactory to IFHI, acting reasonably), and (iv) such wholly-owned subsidiaries grant security over their assets such that the holder of the Secured Promissory Note holds at least the same level and ranking of security interest with respect to those subsidiaries as such holder holds with respect to the Purchaser (and in a form satisfactory to IFHI, acting reasonably).

7.12 Further Assurances.

Each Party shall promptly do, execute, deliver or cause to be done, executed or delivered all further acts, documents and matters in connection with this Agreement that any other Party may reasonably require, for the purposes of giving effect to this Agreement.

7.13 Severability.

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision will, as to that jurisdiction, be ineffective only to the extent of that restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of that provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances. The Parties shall engage in good faith negotiations to replace any provision which is so restricted, prohibited or unenforceable with an unrestricted and enforceable provision, the economic effect of which comes as close as possible to that of the restricted, prohibited or unenforceable provision which it replaces.

7.14 Successors.

This Agreement is binding on, and enures to the benefit of, the Parties and their respective successors.

THIS ASSUMPTION AGREEMENT (this "**Agreement**) is entered into as of the [●] day of [●], 2021 by and among International Fitness Holdings Inc., a body corporate subsisting under the laws of Alberta, International Fitness Holdings LP, a limited partnership formed under the laws of Alberta, World Health North LP, a limited partnership formed under the laws of Alberta, and Spa Lady (West) Inc., a body corporate subsisting under the laws of Alberta (collectively, the "**Assignors**") and 2819066 Ontario Inc., a company incorporated under the laws of Ontario (the "**Assignee**"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Purchase Agreement (as defined below).

RECITALS

WHEREAS, the Assignors and the Assignee have entered into an asset purchase agreement dated the 23rd day of April, 2021 (the "**Purchase Agreement**"), pursuant to which the Assignors have agreed to sell, transfer and assign to the Assignee, and the Assignee has agreed to acquire and assume from the Assignors, all of the Assignors' right, title and interest in and to the Purchased Assets, free and clear of all Encumbrances, and the Assumed Liabilities, in each case, on the terms and subject to the conditions set forth in the Purchase Agreement.

AND WHEREAS, in accordance with the terms of the Purchase Agreement, the Assignors and the Assignee have agreed to enter into this Agreement to effect: (a) the sale, transfer, conveyance and assignment from the Assignors to the Assignee of all of the Assignors' right, title and interest in and to the Purchased Assets, and the acceptance of such sale, transfer, conveyance and assignment by the Assignee, and (b) the assumption by the Assignee of the Assumed Liabilities.

AGREEMENT

NOW THEREFORE, in consideration of the premises and agreements covenants and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Purchased Assets; Excluded Assets. To the extent not otherwise transferred, assigned or conveyed by separate instruments of transfer or other agreements or documents, the Assignors hereby sell, transfer, assign, convey and deliver to the Assignee all of the Assignors' right, title and interest in and to the Purchased Assets, free and clear of all Encumbrances, and the Assignee hereby accepts such sale, transfer, assignment, conveyance and delivery from the Assignors. For the avoidance of doubt, except for the Purchased Assets, the Assignee purchases, acquires and accepts no other assets from the Assignors, including the Excluded Assets, and the Assignors retain the Excluded Assets.

2. Assumed Liabilities; Excluded Liabilities. To the extent not otherwise assumed by separate agreements or documents, the Assignee hereby assumes the Assumed Liabilities. 3. Further Assurances. At all times hereafter, the Assignors and the Assignee will, at the reasonable request of the other and without further consideration, do and perform or cause to be done and performed all such further acts and things, and execute or cause to be executed all such further deeds, documents, writings or other instruments and give all such further assurances as may be required by the other party to give full effect to the provisions of this Agreement and the Purchase Agreement.

DS ND

4. Conflicts with Purchase Agreement. To the extent there is a conflict between the terms and provisions of this Agreement and the Purchase Agreement, the terms and provisions of the Purchase Agreement will govern.

5. Interpretation.

   (a) Words in this Agreement imparting the singular number only shall include the plural and vice versa, and words imparting gender shall include all genders.

   (b) The division of this Agreement into Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement.

   (c) All references in this Agreement to any “Section” are to the corresponding Section of this Agreement unless otherwise specified.

   (d) As used in this Agreement, the word “including” or any variation thereof means “including, without limitation” and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it.

   (e) The parties hereto have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

6. Governing Law; Disputes. This agreement is governed by, and interpreted and enforced in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in Alberta, excluding the choice of law rules of that province. The parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the courts of the Province of Alberta sitting in Calgary in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.

7. Entire Agreement; Amendments and Waivers. This Agreement and the Purchase Agreement (including the schedules and ancillary documents thereto) represent the entire understanding and agreement between the parties hereto with respect to the subject matter hereof, and can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the party or parties against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

8. No Third Party Beneficiaries. Subject to the second sentence of Section 11, this Agreement is not intended to, and shall not, confer upon any other Person any rights or remedies hereunder.

DS ND

9. Notices. All notices, requests and other communications to any party hereunder shall be in writing and shall be deemed to have been received pursuant to and in accordance with the provisions of Section 7.10 (Notice) of the Purchase Agreement.

10. Severability. If any term or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal, void or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the Transaction is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner in order that the Transaction is fulfilled to the extent possible.

11. Assignment; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties hereto without the prior written consent of the other parties hereto. Subject to the preceding sentence, this Agreement shall be binding upon, enure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 11 shall be null and void.

12. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by electronic transmission in .PDF format or by facsimile shall be sufficient to bind the parties to the terms and conditions of this Agreement.

The Escrow Agent is in no way bound to enquire as to the veracity, accuracy or adequacy thereof or call for further evidence (whether as to due execution, validity or effectiveness, or the jurisdiction of any court, or as to the truth of any fact), and is not responsible for any actions, proceedings, losses, liabilities, costs, claims, damages, expenses (including legal fees and expenses) and demands that may be occasioned by its failing to do so.

5.4 If the Escrow Agent becomes involved in any arbitration or litigation relating to this Agreement, the Escrow Agent may comply with any decision reached through such arbitration or litigation.

5.5 In the following circumstances, the Escrow Agent may (i) refrain from taking any action under this Agreement until it is authorized or directed otherwise in writing by both the Vendors and the Purchaser (provided that, for greater certainty, if the circumstances involve instructions, claims or demands from a third Person with respect to any matter under this Agreement, which, in its opinion are in conflict with this Agreement, the Escrow Agent shall not be obligated to take any actions that are authorized or directed otherwise in writing by the Vendors and the Purchaser), or by an order of a court of competent jurisdiction from which no further appeal may be taken or (ii) deposit the Escrowed Property with a court of competent jurisdiction in Calgary, Province of Alberta:

RESIGNATION, REMOVAL OF ESCROW AGENT

7.1 The Escrow Agent may resign and be discharged from all further duties and liabilities under this Agreement at any time after giving ten days' written notice to the Vendors and the Purchaser or such shorter notice as the Vendors and the Purchaser may accept as sufficient. The Vendors and the Purchaser may jointly remove the Escrow Agent from its office at any time by not less than ten days' written notice to the Escrow Agent.

7.2 If the Escrow Agent resigns or is removed, the Vendors and the Purchaser have ten days to jointly appoint a successor and the Escrow Agent shall deliver the Escrowed Property as the Vendors and the Purchaser direct.

7.3 If a successor is not appointed in accordance with Section 7.2, then the Escrow Agent shall cease its function at the expiration of the notice period referred to in Section 7.1 and deposit the Escrowed Property with a court of competent jurisdiction in Calgary, Province of Alberta.

7.4 This Agreement terminates and ceases to be of any further force and effect with respect to the Escrow Agent on the date on which the Escrow Agent delivers the Escrowed Property to a successor or deposits it with a court in accordance with this Article 7, except that Article 6 and all other provisions of this Agreement relating to the protection of the Escrow Agent survive the resignation or removal of the Escrow Agent.

7.5 Once the Escrow Agent resigns or is removed, it shall execute such further assurances or documents as, in the opinion of the Purchaser and the Vendors, may be necessary or desirable to vest in the new escrow agent the same powers, rights, duties and responsibilities as if the new escrow agent had been originally named as Escrow Agent under this Agreement.

GENERAL MATTERS

10.1 Amendments

This Agreement may only be amended, supplemented or otherwise modified by written agreement signed by all of the parties.

10.2 Residence of the Purchaser and the Vendors

The Vendors represent and warrant to the Escrow Agent that they are not a "non-resident" as defined in the *Income Tax Act* (Canada). The Purchaser represents and warrants to the Escrow Agent that it is not a "non-resident" as defined in the *Income Tax Act* (Canada).

10.3 Entire Agreement

Subject to the applicable provisions of the Purchase Agreement, this Agreement constitutes the entire agreement between the parties with respect to the transactions contemplated in this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the parties. There are no representations, warranties, covenants, conditions or other agreements, express or implied, collateral, statutory or otherwise, between the parties in connection with the subject matter of this Agreement, except as specifically set forth in this Agreement and the applicable sections of the Purchase Agreement. The parties have not relied and are not relying on any other information, discussion or understanding in entering into and completing

the transactions contemplated by this Agreement. If there is any conflict or inconsistency between the provisions of this Agreement and the provisions of the Purchase Agreement the provisions of this Agreement will govern.

10.4 Enurement and Assignment

This Agreement becomes effective when executed by all of the parties. After that time, it will be binding upon and enure to the benefit of the parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights or obligations under this Agreement may be assigned or transferred, in whole or in part, by any party without the prior written consent of the other parties.

10.5 Severability

No waiver of any of the provisions of this Agreement will constitute a waiver of any other provision (whether or not similar). No waiver will be binding unless executed in writing by the party to be bound by the waiver. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right it may have.

10.7 Further Assurances

The Purchaser and the Vendors will at any time and from time to time, upon the request of the other or the Escrow Agent, execute and deliver such further documents and do such further acts as the other or the Escrow Agent may reasonably request in order to evidence, carry out and give effect to the terms, conditions, intent and meaning of this Agreement and to establish and protect the rights, interests and remedies intended to be created in favour of the Escrow Agent.

10.9 Expenses and Liabilities of the Vendors and the Purchaser

Nothing in this Agreement or its execution, delivery or performance (a) derogates from, or modifies in any respect, any of the provisions of the Purchase Agreement, or (b) directly or indirectly limits any liabilities of the Vendors or the Purchaser to the other under the Purchase Agreement.

3. All capitalized terms that are used but not defined in this affidavit are intended to bear their meanings as defined in the Melnychuk Affidavits.

I. Introduction and Relief Sought

4. On April 23, 2021, IFH, International Fitness Holdings LP and World Health North LP (collectively, the "**Applicants**") each filed a Notice of Intention to Make a Proposal ("**NOI**") pursuant to subsection 50.4(1) of the *Bankruptcy and Insolvency Act* (the "**BIA**", and such proceedings, the "**NOI Proceedings**") and appointed KPMG Inc. as its proposal trustee (the "**Proposal Trustee**").

5. As a result of filing the NOI, all proceedings against the Applicants and their assets were automatically stayed for an initial period of thirty (30) days (i.e. until May 23, 2021) (the "**Stay Period**").

6. On May 5, 2021, this Honourable Court pronounced an order (the "**Initial Order**"), which, *inter alia,* (i) extended the Stay Period for an additional period of five (5) days (i.e. until May 28, 2021, and (ii) authorized the Applicants to obtain and borrow under a debtor-in-possession credit facility from First Canadian Cardio-Fitness Clinics Ltd. (the "**Lender**") in an amount of up to $10,000,000.00 (the "**DIP Facility**").

7. For the reasons further described herein, the Applicants hereby seek from this Court an Order, inter alia:

   (a) abridging the time for delivery of this Application and deeming service of this Application to be good and sufficient;

   (b) an order further extending the Stay Period for an additional thirty-three (33) days from the expiry of the Stay Period (i.e. until June 30, 2021);

   (c) approving and authorizing the transaction (the "Transaction") contemplated by the Asset Purchase Agreement dated April 23, 2021 (the "**Transaction**") between Ayrfit West Inc. Ayrfit Alberta Inc. and Ayrfit Edmonton Inc. (collectively, the "**Purchasers**") and the Applicants and Spa Lady (West) Inc. (as vendors), and as amended by Amending Agreement dated May 20, 2021 (collectively, the "**APA**"), a redacted copy of which is marked as **Exhibit "A"** and an unredacted copy of which is marked as **Exhibit "B"** (the "**Confidential Exhibit**") to this affidavit;

   (d) ordering that, upon delivery by the Proposal Trustee to the Purchasers of the certificate contemplated in the proposed form of Sale Approval and Vesting Order, all

of Applicants' right, title and interest in and to the Purchased Assets shall vest in the Purchasers in the manner contemplated in the APA and set out in the Sale Approval and Vesting Order, free and clear of all Claims (as defined in the Sale Approval and Vesting Order); and

(e) a sealing order with respect to the Confidential Exhibit and the First Confidential Supplemental Report (the "**Confidential Supplemental Report**") to the second report of the Proposal Trustee, until three months after the closing of the Transaction contemplated in the APA (the "**Sealing Order**").

8. I am advised by the Proposal Trustee and do verily believe that the Proposal Trustee supports this Application.

Background

9. As set forth in the First Melnychuk Affidavit, the Applicants are part of an enterprise which operated twenty-one (21) fitness centres in Edmonton and Calgary (the "**IFH Group**").

10. Since the onset of the COVID-19 pandemic in February and March 2020 and the various closures of its facilities mandated by the provincial and other governments and health authorities, the IFH Group has been presented with considerable operational and financial challenges. In response, the IFH Group implemented strategies to mitigate its losses, all of which were aimed at positioning the business for reopening, even on a reduced basis, once provincial health restrictions were eased. These efforts included:

(a) renegotiating its leases and negotiating deferral arrangements with landlords of its facilities;

(b) reducing staff and streamlining its operations;

(c) accessing the Canada Emergency Wage Subsidy program ("**CEWS**") and the Canada Emergency Commercial Rent Assistance Program ("**CECRA**"); and

(d) engaging the services of MNP Ltd. ("**MNP**") to lead a strategic process, including a possible sale of the IFH Group's assets. From this process, one potential viable transaction arose involving the Purchasers, the approval for which is being sought in this Application.

11. Despite the foregoing, the IFH Group reported net losses on a consistent basis. The Applicants' secured debt exceeds $72 million, which is far in excess of the fair market value of its assets,

and the Applicants are in default with their secured lenders, who have indicated they are no longer willing to continue financing the Applicants under their current structure.

Restructuring Efforts post-NOI Filing

12. Following the commencement of these NOI Proceedings, the Applicants have continued to pursue activities aimed at restructuring and streamlining its operations, including:

(a) consulting with the Proposal Trustee and its legal advisors on the various cost-saving measures available to the Applicants in the context of a formal restructuring process;

(b) finalizing discussions with the Purchaser in connection with the APA (as described below), which contemplates the sale of substantially all of the Applicant's business on a going concern basis;

(c) working with the Purchaser to identify those leases which the Purchaser intends to assume, and liaising with the Purchaser and various landlords regarding new lease agreements for certain fitness locations where the Purchaser intends to carry on business, and disclaiming leases for eight (8) locations (the "**Disclaimed Locations**");

(d) communicating with sub-tenants of the Disclaimed Locations;

(e) working with the Lender in respect of cashflows and advances under the DIP Facility;

(f) working with the Proposal Trustee and counsel to prepare a cash flow projection and to identify issues with respect to their financial condition and the status of their creditors;

(g) engaging with the IFH Group's employees, including holding a town hall meeting on April 25, 2021, regarding the NOI Proceedings, providing weekly updates, and scheduling another town hall meeting on May 28, 2021;

(h) working with the Purchasers to develop new employee compensation plans for those employees of the IFH Group anticipated to employment agreements with the Purchasers following the closing of the Transaction;

(i) streamlining operations;

(j) communicating with IFH Group's members regarding the status of their memberships and the operation of its fitness centres, and with further communication to members on May 28, 2021;

(k) continuing to engage with governmental authorities in connection with the CEWS and CECRA programs; and

(l) communicating with various lienholders and claimants regarding the status of their claims against the Applicants under the present NOI Proceedings.

13. Since the Initial Order, the Applicants have borrowed from the Lender a total of $500,000 under the DIP Facility in order to continue operations during the stay extension period, and in order to support the fees of the Proposal Trustee and counsel involved in the restructuring process

The Asset Purchase Agreement

14. On April 23, 2021, the Applicants entered into the APA, as amended on May 20, 2021, pursuant to which the Purchasers will acquire certain of the Applicants' assets as a going concern sale of the business. The APA was amended to address primarily the involvement of two purchasers to acquire the Calgary and Edmonton related assets. Any references to the APA herein, refers to the APA as amended. I understand that some of the key terms of the APA include:

(a) the purchase price consists of cash considerations, a promissory note, Purchaser consideration shares, and the value of assumed liabilities under the APA. The particulars of the purchase price (including the mechanism by which the Purchase Price is determined), are releasable upon the closing of the Transaction;

(b) the APA has closing date of June 18, 2021 (the "**Closing Date**");

(c) on the Closing Date the Purchasers will acquire certain of the Applicants' assets as a going concern and free and clear of all encumbrances, including personal property, equipment, inventories, accounts receivable, intellectual property, books and records, good will of the Applicants, contact information for the Applicants' members, and all rights to deposits and prepaid expenses;

(d) the Purchasers will also assume all of the Applicants' liabilities under Assumed Leases and Purchased Contracts (each as defined in the APA), and all amounts owing by the Applicants under the DIP Facility less any adjustments calculated pursuant to the terms of the APA;

(e) excluded assets from the Transaction include all outstanding loans to the Applicants' management investors; all employment contracts and benefit plans offered to employees; certain loan agreements with management and other investors described at

DS
pm

Schedule 2.2 of the APA; promotional and certain corporate memberships; and personal training contracts;

(f) the conditions of closing include that:

(i) the Purchasers waive all conditions in respect of the Assumed Leases by May 19, 2021, which the Purchasers have so waived; and

(ii) the Court approves the APA, vesting the purchased assets in the Purchaser free and clear of any encumbrances;

(g) the Purchasers are finalizing their review of employee requirements for the locations being assumed pursuant to the APA, which allows the Purchasers the option to make new offers of employment to the Applicants' employees within five (5) days of the Closing Date.

Approval of the Sale and Vesting Order

15. The Applicants did not conduct a Court-supervised sales process for the Purchased Assets, as an extensive sales process was conducted prior to the NOI filing, and the Applicants did not have the financial resources or the time to run an additional process post-filing The Applicants worked closely with MNP and with the Applicants' secured lenders over the course of many months, and we believe that MNP thoroughly canvassed the market and the Transaction represents a positive outcome that ensures that the Applicants' business remains a going concern without interruption in service to its members

16. The Applicants did not obtain a formal valuation of their business, other than a liquidation analysis of the used fitness equipment in its facilities. Due to the special nature of the business, and especially due to the current conditions during the global pandemic and its particular effect on the fitness industry, it was impossible to obtain such a valuation. However, we believe that the efforts of MNP and the APA which was extensively negotiated over the course of many months, represents the best indication of the value of the underlying business, and the best offer available in the circumstances.

17. As a result of the Transaction, it is anticipated at least fourteen (14) of the IFH Group's fitness facilities will remain open, which will result in the continued employment of certain of IFH Group's employees. Additionally, the IFH Group's permanent (i.e. non-promotional) members will retain their membership status with the Purchasers. The Sale and Vesting Order provides that the purchased assets located in Edmonton and those located in Calgary will be acquired by different Purchaser entities.

DS
PM

DocuSign Envelope ID: 157A3193-27CF-4183-9D28-12923C789901

18. Furthermore, given that the Transaction is a going concern sale of certain of the Applicants' assets and business, it is a positive outcome for many of Applicants' stakeholders and other parties with which the Applicants have commercial relationships, including certain landlords, service providers, suppliers and vendors.

19. The Applicants' secured lenders have actively participated in the pre-filing sales process and strategy to monetize the Applicants' assets. The secured lenders, who are owed in excess of $72 million, and who will be suffering a significant shortfall on their secured debt, continue to support the Transaction being completed.

20. With respect to assumed and assigned leases, negotiations have been ongoing between the Applicants, the Purchasers and landlords. As of the date of my Affidavit, there are eight (8) Disclaimed Leases, and the leases in respect of three (3) locations are anticipated to be assigned to the Purchasers by way of Court Order if terms of the assignment cannot be negotiated with landlords. The Applicants and Purchasers anticipate returning to Court in June of 2021 to seek Assignment Orders, as may be required.

Extension of the Stay of Proceedings

21. As outlined above in paragraph 12, since the filing of the NOI, the Applicants have been working diligently and in good faith toward a restructuring of their affairs for the benefit of their stakeholders, employees and members.

22. While the Applicants anticipate that, subject to Court approval of the APA, closing of the Transaction will occur on or about June 18, 2021, the requested stay extension to June 30, 2021 will allow for the closing of the Transaction and for the Applicants and the Proposal Trustee to attend to any post-closing matters, including applying for a further Assignment Order or Distribution Order, as required. I have been advised that the Proposal Trustee supports the requested extension of the Stay Period.

23. I believe that the Applicants have been acting in good faith and with due diligence in these NOI Proceedings. I believe it is in the best interests of the Applicants and all of their stakeholders that the Stay Period be extended to allow for the closing of the Transaction, and that such an extension is appropriate in the circumstances.

24. I am not aware of any material prejudice to any of the Applicants' creditors as a result of the proposed extension of the Stay Period.

Cash Flow Projections

DS
PM

DocuSign Envelope ID: 157A3193-27CF-4183-9D28-12923C789901

25. Attached as Exhibit ""C" is a true copy of the cash flow forecast for the period from May 28, 2021 to June 30, 2021.

26. The Applicants' cash flow forecast projects that it will have sufficient cash to fund its projected operating costs until June 30, 2021.

27. The DIP Facility as approved in the Initial Order contemplated a May 31, 2021 maturity date, to align with an earlier May 31, 2021 closing date and provided an initial available amount of funding of up to $2 million. On May 20, 2021, the Lender and Applicants entered into an amending agreement with respect to the DIP Facility, which extends the closing date to June 30, 2021, and increases the amount available to the Applicants under the DIP Facility to $3 million (the "**DIP Amending Agreement**"). Attached hereto and marked as Exhibit "D" is a copy of the DIP Amending Agreement.

28. The Proposal Trustee has reviewed the cash flow forecast and, I understand, is supportive of the same. I expect that the Proposal Trustee will report on the forecast in the Proposal Trustee's Second Report.

Sealing Order

29. The Confidential Exhibit will contain an unredacted copy of the APA. I believe that the APA contains information of a highly sensitive commercial nature, namely the Purchase Price (and the mechanism for its determination) and personal information. I also believe the Confidential Supplemental Report contains highly sensitive commercial information regarding the marketing process and efforts that MNP undertook prior to the Applicants' filing of the NOI (the "**Marketing Process**").

30. Publication of the Purchase Price and Marketing Process before the approval and closing of the Transaction could result in serious commercial damage to the Applicants as it could prejudice any future sales process, in the event that the Transaction does not close, to the detriment of the Applicants' stakeholders.

31. I believe the sealing order being sought is the least restrictive means possible to prevent disclosure of the confidential and commercially sensitive information regarding the Transaction and from disclosing confidential personal information.

Conclusion

32. I swear this affidavit in support of the Applicants' application for an order (i) granting a sale and vesting order in respect of the Transaction, (ii) extending the Stay Period to June 30, 2021, and (iii) granting a sealing order for the Confidential Exhibit and Confidential Supplemental Report, and for no other or improper purpose.

(b) The cash portion of the Purchase Price shall be reduced by an amount equal to the amount of rent paid after the date of the NOI Filing in connection with disclaiming a lease with respect to a location where the landlord seized equipment and such equipment ultimately does not form part of the Purchased Assets actually conveyed to the Purchaser.

(c) The Closing Date Deficiency Adjustment used at Closing will be based initially on the best estimates ("**Best Estimate**") of the Vendors, acting reasonably, for such amount delivered at least one Business Day prior to Closing (along with reasonable details of the amounts used in reaching such estimate), and will be further adjusted post-Closing as per this Section 2.7(c).

(iv) If the Purchaser does deliver a written disagreement within that time period, then the Purchase and the Vendors shall work together in good faith to resolve such disagreement, and such agreed revised Closing Statement shall become binding upon the Vendors and the Purchaser.

If the Closing Date Deficiency Adjustment amount under the Closing Statement is less than the Closing Date Deficiency Adjustment amount under the Best Estimate, then the difference shall be paid by the Vendors (directly or through funds held by the Proposal Trustee on behalf of the Vendors, which funds shall be releasable by the Proposal Trustee at the direction of the Vendors to the Purchaser without any further direction from the Purchaser) to the Purchaser. In either case, the required payment will be paid within five Business Days of the Closing Statement becoming binding upon the Vendors and the Purchaser.

5.3 Termination Events.

By notice given prior to or at Closing (or such earlier time as specified below), subject to Section 5.4, this Agreement may be terminated as follows:

(a) by the Purchaser or the Vendors pursuant to Section 6.6(a)(i), in which case, the Purchaser shall receive the full refund of the Deposit;

(b) by the Purchaser if the Court requires a new sales process to be commenced for the sale of the Purchased Assets and sets aside this Agreement, in which case, the Purchaser shall receive the full refund of the Deposit;

(c) by the Purchaser unless it is in material breach of this Agreement or by the Vendors unless the Vendors are in material breach of this Agreement, if the Purchaser has delivered a written notice to the Vendors prior to 5:00 pm on May 19, 2021, that the condition contained in Sections 5.1(a)(vi) and 5.1(a)(vii)(G) has not been met to the Purchaser's satisfaction (and if the Purchaser terminates this Agreement pursuant to this Section 5.3(c), then the Purchaser shall receive the full refund of the Deposit);

(d) by mutual consent of the Purchaser and the Vendors, in which case, the Purchaser shall receive the full refund of the Deposit; or

(e) by the Purchaser unless it is in material breach of this Agreement or by the Vendors unless the Vendors are in material breach of this Agreement, if the Closing has not occurred on or before the Outside Date (and if the Purchaser terminates this Agreement pursuant to this Section 5.3(e), then the Purchaser shall receive the full refund of the Deposit).

5.4 Effect of Termination.

Each Party's right of termination under Section 5.3 is in addition to any other rights it may have under this Agreement or otherwise, whether at law, in equity or otherwise, and the exercise of that right of termination is not an election of remedies. If this Agreement is terminated pursuant to Section 5.3, all obligations of the Parties under this Agreement will terminate except that the obligations contained in this Section 5.4 will survive and the Deposit shall be governed by Section 2.5.

5.5 Waiver of Conditions of Closing.

If any of the conditions set forth in Section 5.1 have not been satisfied, the Purchaser may elect in writing to waive the condition and proceed with the completion of the Transaction and, if any of the conditions in Section 5.2 have not been satisfied, the Vendors may elect in writing to waive the condition and proceed with the completion of the Transaction. Any such waiver and election by the Purchaser or the Vendors, as the case may be, will only serve as a waiver of the specific closing condition and the other Party will have no liability with respect to the specific waived condition.

6.2 Conduct of Business Prior to Closing.

The Vendors covenant that, during the Interim Period except as otherwise provided in this Agreement or with the consent of Purchaser (not to be unreasonably withheld) or the DIP Lender, or as required by applicable law (including applicable public health measures) or pursuant to an order of the Court, the Vendors shall:

(a) use commercially reasonable efforts to regain control of any Purchased Assets that have been seized by any landlords for any Business locations and to transfer control of such Purchased Assets to the Purchaser at Closing (it being agreed that commercially reasonable efforts shall not require the Vendors to incur costs to recover such Purchased Assets that exceed the liquidation value of such Purchased Assets);

(b) use commercially reasonable efforts to conduct the Business and its operations in the ordinary course of business in substantially the same manner as the Business has been carried on in the 12-month period preceding the commencement of the Interim Period, including maintaining without change the methodology used to sell and finance its membership contracts and personal training contracts, and in compliance in all material respects with all applicable Law and the requirements of all Contracts to which it is a party, but in all cases subject to and taking into consideration COVID 19 and the requirements of any public health measures and orders of any Governmental Authorities;

(c) use commercially reasonable efforts to maintain its relations and goodwill in all material respects, with all suppliers, members, landlords, licensors, licensees, Employees and other Persons having business relationships with the Vendors in respect of the Business, but in all cases subject to and taking into consideration COVID 19 and the negotiations with landlords being coordinated by (or on behalf of) the Purchaser and the planned termination of Employees and of other relationships as a result of the Transaction, the NOI Filing and other matters contemplated hereunder;

(d) give to Purchaser, Purchaser's solicitors, Purchaser's advisors and other representatives of Purchaser, reasonable access during normal business hours to management, properties, contracts, commitments and records of the Vendors relating exclusively to the Business, provided such access does not unreasonably interfere with the operations of the Business;

(e) use commercially reasonable efforts to keep in full force and effect insurance in relation to the Business;

(f) not enter into nor modify, amend or terminate any material Contracts nor waive, relinquish or assign any material Contracts or rights or claims under any material Purchased Contract, pertaining to the Business, but in all cases subject to and taking into consideration COVID 19 and the planned termination of Employees and of other relationships as a result of the Transaction, the NOI Filing and other matters contemplated hereunder;

6.3 Access.

During the Interim Period, upon reasonable request by the Purchaser:

(a) the Vendors shall promptly make available to the Purchaser and its Representatives copies of all documents and information concerning the Purchased Assets, Assumed Liabilities and Business as the Purchaser may reasonably request and which are in the Vendors' possession or control;

provided that, for greater certainty, the Purchaser acknowledges and agrees that all due diligence has been completed as at the date of the Agreement and such access and meetings (and any requirement for satisfactory conclusions therefrom) are not a condition of the transaction.

6.4 Transfer of Documentation.

On the Closing Date, the Vendors shall deliver, and shall cause to be delivered, to the Purchaser the Books and Records and all documents (except, in the case of those required by Applicable Law to be retained by the Vendors, copies thereof) and other data, technical or otherwise, which are owned by the Vendors and in the possession or control of the Vendors at the Closing Date, relating to the Business or the Purchased Assets. The Purchaser shall preserve all those documents delivered to it in accordance with the Purchaser's document retention procedures or for such longer period as is required by Applicable Law. The Purchaser shall permit the Vendors and their authorized Representatives reasonable access to those documents while they are in the Purchaser's possession or control solely to the extent that access is required by the Vendors to perform their obligations under this Agreement or under Applicable Law, but the Purchaser shall not be responsible or liable to the Vendors for, or as a result of, any loss or destruction of or damage to any such documents and other data unless that destruction, loss or damage is caused by the Purchaser's negligence or wilful misconduct. The Vendors shall be responsible for all reasonable out-of-pocket costs and expenses incurred, directly or indirectly, by the Purchaser in connection with any access contemplated by this Section 6.4.

6.5 Personal Information.

(a) The Vendors and the Purchaser shall:

(i) at all times, use and disclose the Personal Information under its control solely for the purposes for which the Personal Information was collected or permitted to be used or disclosed, unless to the extent required by Applicable Law, the Vendors or the Purchaser, as the case may be, has obtained the consent of or has given notice to the individual to whom the Personal Information relates of the additional purposes for which the Personal Information is to be used or disclosed, or such additional purposes are permitted or authorized by Applicable Law;

(ii) protect the Personal Information using security safeguards that meet or exceed industry standards, taking into account the sensitivity of the Personal Information; and

(iii) give effect to any withdrawal of consent by the individual to whom the Personal Information relates where the Personal Information was collected with consent.

(b) The Purchaser shall, to the extent required by Applicable Law, notify the individuals to whom the Personal Information relates that the Transaction has been completed and of the disclosure of their Personal Information to the Purchaser.

(c) In the event that the Transaction is not completed, the Purchaser shall, within a reasonable period of time, return the Personal Information to the Vendors or, in its discretion, destroy it and provide a certificate of a senior officer of the Purchaser to that effect to the Vendors.

6.6 Risk of Loss.

(a) If, before the Closing, any material portion of the Purchased Assets or material portion of the Business is lost, damaged or destroyed or is appropriated, expropriated or seized by any Governmental Authority, and the loss, damage, destruction, appropriation, expropriation or seizure cannot, in the reasonable opinion of the Purchaser, be restored

(i) terminate this Agreement; or

(ii) reduce the Purchase Price by the amount of the replacement or repair cost of the Purchased Assets and/or the Business which were lost, damaged, destroyed, appropriated, expropriated, or seized, in which case any insurance proceeds or other compensation paid or payable with respect to such loss, damages, destruction, appropriation, expropriation, or seizure shall be retained by the Vendors and shall be deemed to be an Excluded Asset; or

(iii) elect to complete the Transaction, in which case any insurance proceeds or other compensation paid or payable with respect to such loss, damage, destruction, appropriation, expropriation or seizure of Purchased Assets will be assigned or paid by the Vendors to the Purchaser.

6.7 Employees.

(a) The Vendors shall provide to the Purchaser such information with respect to the Employees as may be reasonably required for the Purchaser to comply with its obligations under this Section 6.7 or as otherwise requested by the Purchaser, acting reasonably.

(b) The Purchaser may make offers of employment to certain of the Employees no later than five Business Days before the Closing Date which offers shall be conditional upon Closing, effective as of the Effective Time and on terms and conditions determined by the Purchaser. Immediately prior to the Closing (and/or at any earlier time prior thereto as may be agreed by the Purchaser, acting reasonably), the applicable Vendor will provide notice to the Employees of such Vendor (other than Hired Employees) of the termination of their employment, conditional on Closing and effective immediately before the Effective Time.

(c) If Closing occurs, without limiting the obligations of the Purchaser in respect of Hired Employees on and after the Effective Time, the Purchaser shall be responsible for:

(i) all liabilities for salary, wages, bonuses, commissions, vacation pay, benefits and other compensation related to the employment of Hired Employees on and after the Effective Time;

(ii) all liabilities for claims for injury, disability, death or workers' compensation arising from or related to the employment of Hired Employees in the Business on and after the Effective Time; and

(iii) all employment-related claims, penalties and assessments in respect of Hired Employees arising from or related to matters that occur on and after the Effective Time, including claims, penalties and assessments in respect of occupational health and safety,

(the preceding Sections 6.7(c)(i) through 6.7(c)(iii) collectively the "**Hired Employee Costs**"), provided that, the Purchaser shall not be responsible for any Excluded Employee Costs nor any liabilities, including severance payments, damages for wrongful dismissal, statutory notice of termination, common law notice of termination, or employee benefits plans related to the prior service of the Hired Employees, and with respect to any Employees who are not Hired Employees, the Purchaser shall not be responsible for any liabilities of the Vendors related to such Employees.

(d) For greater certainty, unless the Purchaser elects to make an offer of employment to any Employee that is on temporary layoff, leave of absence, disability or other non-active status and that offer of employment is accepted by that Employee, the relevant Vendor shall remain responsible for and the Purchaser is not assuming any liability or obligation with respect to that Employee. Notwithstanding the foregoing, nothing herein shall require the Purchaser to set up or make available to the Hired Employees pension and employee benefit arrangements or to provide pension and employee benefits.

(e) The Vendors shall be responsible for all liabilities and obligations with respect to all Employees other than the Hired Employees and with respect to the Hired Employees up to the Closing Date, including liabilities and obligations under all Statutory Plans and related to any required notice of termination, termination or severance pay (required under Applicable law or by contract), salary or wages, statutory holiday pay, overtime pay, payroll or employer health taxes, commissions, bonuses, employee benefit plan payments or contributions, vacation entitlements or expense reimbursements.

6.8 Employee Plans.

The Purchaser is not assuming, nor will it have any liability for, any of the employee benefit plans, arrangement, schemes or policies offered by the Vendors. The Hired Employees shall cease to accrue any further benefits under any of employee benefit plan, arrangement, scheme or policy offered by the Vendors from the Effective Time.

ARTICLE 7
GENERAL

7.1 Public Announcements.

(a) Subject to Sections 7.1(b) and 7.1(c), if a Party intends to issue a press release or other public disclosure of this Agreement, the terms hereof or the Transaction, the disclosing Party shall provide the other Parties with an advance copy of any such press release or public disclosure with sufficient time to enable the other Parties to review such press release or other public disclosure and provide any reasonable comments. The disclosing Party shall not issue such press release or other public disclosure without the prior written consent of the other Parties, such consent not to be unreasonably withheld.

(b) Notwithstanding Section 7.1(a), this Agreement may be filed by the Vendors with the Court and the Transaction may be disclosed by the Vendors to the Court, subject to redacting confidential or sensitive information as permitted by Applicable Law and rules. The Parties further agree that the Vendors and their professional advisors may prepare and file such reports and other documents with the Court containing references to the Transaction contemplated by this Agreement and the terms of such Transaction as may reasonably be necessary to obtain the Sale Approval Order and to complete the Transaction contemplated by this Agreement or to comply with their obligations to the Court.

(c) Notwithstanding Section 7.1(a), where public disclosure of this Agreement, the terms hereof or the Transaction is required by Applicable Law or a Governmental Authority, except where compliance with Applicable Laws or stock exchange rules would not permit the Party required to make the disclosure to do so, the Party required to make the disclosure shall:

(i) use commercially reasonable efforts to provide the other Parties with a draft of any such proposed public announcement or press release at least 24 hours prior to the proposed release thereof; and

(ii) to the extent reasonably possible, incorporate any reasonable amendments to the proposed public announcement or press release that one or more of the other Parties request sufficiently prior to the release thereof in order for the Party making such public announcement or press release to review and evaluate such proposed amendments.

7.2 Expenses.

Each Party shall pay all expenses (including Taxes imposed on those expenses) it incurs in the authorization, negotiation, preparation, execution and performance of this Agreement and the Transaction, including all fees and expenses of its legal counsel, bankers, investment bankers, brokers, accountants or other representatives or consultants.

7.3 No Third Party Beneficiary.

This Agreement is solely for the benefit of the Parties and no third party accrues any benefit, claim or right of any kind pursuant to, under, by or through this Agreement.

7.4 Entire Agreement.

This Agreement together with the other agreements to be entered into as contemplated by this Agreement, including the DIP Financing Facility (the "**Other Agreements**"), constitute the entire agreement between the Parties pertaining to the subject matter of this Agreement and the Other Agreements and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral, including the letter of intent dated February 22, 2021, as amended March 25, 2021, executed by Ayrshire Real Estate Management Inc. and IFHI. Except as specifically set out in this Agreement or the Other Agreements, there are no representations, warranties, conditions or other agreements or acknowledgements, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or the Other Agreements or which induced any Party to enter into this Agreement or the Other Agreements. No reliance is placed on any representation, warranty, opinion, advice or assertion of fact made either prior to, concurrently with, or after entering into, this Agreement or any Other Agreement, or any amendment or supplement hereto or thereto, by any Party to this Agreement or any Other Agreement or its Representatives, to any other Party or its Representatives, except to the extent the representation, warranty, opinion, advice or assertion of fact has been reduced to writing and included as a term in this Agreement or that Other Agreement, and none of the parties to this Agreement or any Other Agreement has been induced to enter into this Agreement or any Other Agreement or any amendment or supplement by reason of any such representation, warranty, opinion, advice or assertion of fact. There is no liability, either in tort or in contract, assessed in relation to the representation, warranty, opinion, advice or assertion of fact, except as contemplated in this Section 7.4.

7.5 Time of Essence.

Time is of the essence of this Agreement.

7.6 Amendment.

This Agreement may be supplemented, amended, restated or replaced only by written agreement signed by each Party; provided that the Parties agree that the Purchaser may, in its sole and absolute discretion, propose an alteration to the transaction structure contemplated by this Agreement to address any economic, commercial, tax, accounting, regulatory, governmental programs or securities law objectives of the Purchaser, and the Vendors shall cooperate with the Purchaser to amend this Agreement to reflect any such changes; provided that (i) the aggregate amount and allocation among the existing types of consideration paid by the Purchaser does not change or decrease, (ii) the costs and expenses of the altered transaction structure and its implementation (including to amend this Agreement and the incremental costs and expenses of the Vendor (including its professional fees, filing costs, etc.) are borne by the Purchaser,

(iii) the DIP Financing Facility is expanded and extended under the same terms to cover the additional time to a new Closing Date (and the operating costs during that time period), and (iv) the proposed altered transaction structure does not otherwise materially adversely affect the Vendors or impede, materially delay or prevent the consummation of the transactions contemplated by this Agreement.

7.7 Waiver of Rights.

Any waiver of, or consent to depart from, the requirements of any provision of this Agreement is effective only if it is in writing and signed by the Party giving it, and only in the specific instance and for the specific purpose for which it has been given. No failure on the part of any Party to exercise, and no delay in exercising, any right under this Agreement operates as a waiver of that right. No single or partial exercise of any such right precludes any other or further exercise of that right or the exercise of any other right.

7.8 Jurisdiction.

The Parties irrevocably and unconditionally attorn to the exclusive jurisdiction of the Courts in respect of all disputes arising out of, or in connection with, this Agreement, or in respect of any legal relationship associated with it or derived from it.

7.9 Governing Law.

This agreement is governed by, and interpreted and enforced in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in Alberta, excluding the choice of law rules of that province.

obligations in whole or in part to one or more wholly-owned subsidiaries of the Purchaser, provided that (i) such assignment shall not release the Purchaser of its obligations hereunder to the extent the subsidiaries fail to perform such obligations, (ii) such assignment may not assign the Purchaser's obligation to issue the Purchaser Consideration Shares or the Secured Promissory Note, (iii) such wholly-owned subsidiaries provide full, irrevocable and unconditional guarantees of the Purchaser's obligations under the Secured Promissory Note in favour of the holder of the Secured Promissory Note (in a form satisfactory to IFHI, acting reasonably), and (iv) such wholly-owned subsidiaries grant security over their assets such that the holder of the Secured Promissory Note holds at least the same level and ranking of security interest with respect to those subsidiaries as such holder holds with respect to the Purchaser (and in a form satisfactory to IFHI, acting reasonably).

7.12 Further Assurances.

Each Party shall promptly do, execute, deliver or cause to be done, executed or delivered all further acts, documents and matters in connection with this Agreement that any other Party may reasonably require, for the purposes of giving effect to this Agreement.

7.13 Severability.

If, in any jurisdiction, any provision of this Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, that provision will, as to that jurisdiction, be ineffective only to the extent of that restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement, without affecting the validity or enforceability of that provision in any other jurisdiction and, if applicable, without affecting its application to the other Parties or circumstances. The Parties shall engage in good faith negotiations to replace any provision which is so restricted, prohibited or unenforceable with an unrestricted and enforceable provision, the economic effect of which comes as close as possible to that of the restricted, prohibited or unenforceable provision which it replaces.

7.14 Successors.

This Agreement is binding on, and enures to the benefit of, the Parties and their respective successors.

5.1 The Escrow Agent has no duties or responsibilities other than those expressly set forth in this Agreement, which the parties agree are purely administrative in nature, and no implied duties or obligations may be read into this Agreement against the Escrow Agent. For greater certainty, the Escrow Agent is not bound by any agreement, arrangement or understanding relating to or arising out of the matters provided for in this Agreement, except as expressly set forth in this Agreement.

5.2 The Escrow Agent is not liable for any action it takes or omits to take in good faith and in the exercise of its own judgment, for any error in judgment made in good faith or for any mistake of fact or law, except for its own bad faith or fraud.

5.3 The Escrow Agent may rely on, and is protected in acting upon, any judgment, order, notice, demand, direction, certificate or other instrument, paper or document which it may receive (including by e-mail) in connection with its duties under this Agreement and may accept them as sufficient evidence of the facts stated in them. The Escrow Agent is in no way bound to enquire as to the veracity, accuracy or adequacy thereof or call for further evidence (whether as to due execution, validity or effectiveness, or the jurisdiction of any court, or as to the truth of any fact), and is not responsible for any actions, proceedings, losses, liabilities, costs, claims, damages, expenses (including legal fees and expenses) and demands that may be occasioned by its failing to do so.

5.4 If the Escrow Agent becomes involved in any arbitration or litigation relating to this Agreement, the Escrow Agent may comply with any decision reached through such arbitration or litigation.

5.5 In the following circumstances, the Escrow Agent may (i) refrain from taking any action under this Agreement until it is authorized or directed otherwise in writing by both the Vendors and the Purchaser (provided that, for greater certainty, if the circumstances involve instructions, claims or demands from a third Person with respect to any matter under this Agreement, which, in its opinion are in conflict with this Agreement, the Escrow Agent shall not be obligated to take any actions that are authorized or directed otherwise in writing by the Vendors and the Purchaser), or by an order of a court of competent jurisdiction from which no further appeal may be taken or (ii) deposit the Escrowed Property with a court of competent jurisdiction in Calgary, Province of Alberta:

(a) The Escrow Agent is uncertain as to its duties or rights under this Agreement,

(b) The Escrow Agent receives instructions, claims or demands from any party to this Agreement or from a third Person with respect to any matter under this Agreement which, in its opinion, are in conflict with this Agreement,

(c) There is a disagreement between any of the parties to this Agreement which, in the reasonable opinion of the Escrow Agent, may result in adverse claims or demands with respect to the Escrowed Property,

(d) Any of the Purchaser or the Vendors provide written notice to the Escrow Agent that the Purchase Agreement has been terminated or the Escrow Agent, acting reasonably, believes that the Purchase Agreement has terminated (including if the Closing has not occurred by the Outside Date),

5.6 Upon the Escrow Agent depositing the Escrowed Property with a court in accordance with Section 5.5, the Escrow Agent will be released from its duties and obligations under this Agreement.

ARTICLE 6

6.1 The Vendors and the Purchaser shall jointly and severally indemnify and save harmless the Escrow Agent and each of its shareholders, partners, directors, officers, employees, agents, representatives and their respective affiliates, of and from, and shall pay for, all actions, proceedings, losses, liabilities, costs, claims, damages, expenses (including legal fees and expenses) and demands that may be made or brought against it or any of them or which it or any of them may suffer or incur as a result of, in respect of, or arising out of or in connection with this Agreement, the performance or non-performance by the Escrow Agent under this Agreement or any transactions contemplated by this Agreement, except such as shall result solely and directly from its own bad faith or fraud.

ARTICLE 7
RESIGNATION, REMOVAL OF ESCROW AGENT

7.1 The Escrow Agent may resign and be discharged from all further duties and liabilities under this Agreement at any time after giving ten days' written notice to the Vendors and the Purchaser or such shorter notice as the Vendors and the Purchaser may accept as sufficient. The Vendors and the Purchaser may jointly remove the Escrow Agent from its office at any time by not less than ten days' written notice to the Escrow Agent.

7.2 If the Escrow Agent resigns or is removed, the Vendors and the Purchaser have ten days to jointly appoint a successor and the Escrow Agent shall deliver the Escrowed Property as the Vendors and the Purchaser direct.

7.3 If a successor is not appointed in accordance with Section 7.2, then the Escrow Agent shall cease its function at the expiration of the notice period referred to in Section 7.1 and deposit the Escrowed Property with a court of competent jurisdiction in Calgary, Province of Alberta.

7.4 This Agreement terminates and ceases to be of any further force and effect with respect to the Escrow Agent on the date on which the Escrow Agent delivers the Escrowed Property to a successor or deposits it with a court in accordance with this Article 7, except that Article 6 and all other provisions of this Agreement relating to the protection of the Escrow Agent survive the resignation or removal of the Escrow Agent.

7.5 Once the Escrow Agent resigns or is removed, it shall execute such further assurances or documents as, in the opinion of the Purchaser and the Vendors, may be necessary or desirable to vest in the new escrow agent the same powers, rights, duties and responsibilities as if the new escrow agent had been originally named as Escrow Agent under this Agreement.

ARTICLE 8
TERMINATION OF AGREEMENT

the transactions contemplated by this Agreement. If there is any conflict or inconsistency between the provisions of this Agreement and the provisions of the Purchase Agreement the provisions of this Agreement will govern.

10.4 Enurement and Assignment

This Agreement becomes effective when executed by all of the parties. After that time, it will be binding upon and enure to the benefit of the parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights or obligations under this Agreement may be assigned or transferred, in whole or in part, by any party without the prior written consent of the other parties.

10.5 Severability

If any provision of this Agreement is determined to be illegal, invalid or unenforceable by an arbitrator or any court of competent jurisdiction from which no appeal exists or is taken, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

10.6 Waiver

No waiver of any of the provisions of this Agreement will constitute a waiver of any other provision (whether or not similar). No waiver will be binding unless executed in writing by the party to be bound by the waiver. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right it may have.

10.7 Further Assurances

The Purchaser and the Vendors will at any time and from time to time, upon the request of the other or the Escrow Agent, execute and deliver such further documents and do such further acts as the other or the Escrow Agent may reasonably request in order to evidence, carry out and give effect to the terms, conditions, intent and meaning of this Agreement and to establish and protect the rights, interests and remedies intended to be created in favour of the Escrow Agent.

10.8 Expenses

The Vendors and the Purchaser will each pay for their own expenses incurred in connection with this Agreement and the transactions contemplated by it.

10.9 Expenses and Liabilities of the Vendors and the Purchaser

Nothing in this Agreement or its execution, delivery or performance (a) derogates from, or modifies in any respect, any of the provisions of the Purchase Agreement, or (b) directly or indirectly limits any liabilities of the Vendors or the Purchaser to the other under the Purchase Agreement.

10.10 Time

Time is of the essence in this Agreement.
