

Government Incentives:

Unlock the funding to scale

September 2021

Enhancing your government funding benefits in a manner aligned with your strategic priorities

KPMG Australia can assess your business' entitlement to government funding for growth, and assist in developing strategies to help you generate the best value and return on investment.

How we can assist to enhance your funding opportunities

Workshop – funding needs analysis	Strategic program analysis	Discretionary applications	Application assistance
<p>Conduct a workshop to understand your business, current needs and future plans for growth.</p> <p>We can develop a strategic roadmap to help articulate your investment priorities and create a funding requirement framework and return on investment matrix.</p> <p>Once we understand your business, we can contact you when new opportunities arise that are relevant to your business.</p>	<p>Conduct a comprehensive analysis of available programs to identify relevant opportunities.</p> <p>We can develop a funding overview with detailed analysis of programs of interest, and assist you to prioritise these opportunities.</p>	<p>Raise awareness with government bodies to seek discretionary support where existing programs aren't applicable.</p> <p>We can arrange meetings with appropriate government contacts and assist with developing presentation material to best present the project to a government audience.</p> <p>We can work with you to develop Economic Impact Assessments or financial modelling as required.</p>	<p>KPMG's approach to assisting with funding applications is flexible, and tailored to your specific needs.</p> <p>Our assistance can include:</p> <ul style="list-style-type: none">• Working with you to draft responses to assessment criteria and other submission requirements• Review of application documents drafted by you• Assistance preparing mandatory supporting documents such as; project plans, business cases, risk management plans, procurement plans and others.• Grant administration support and acquittal support
