

Future. Proof.

KPMG Powered Enterprise | Finance
enabled by Microsoft

To disrupt you must transform

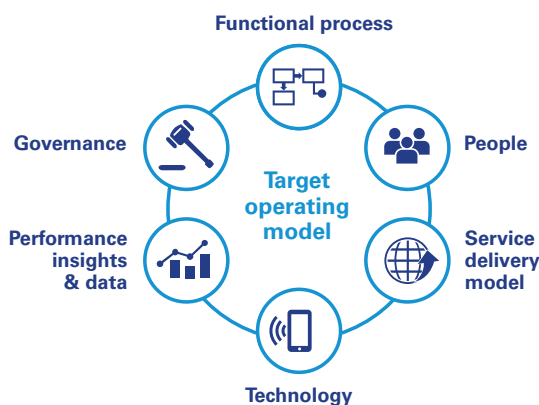

71%¹ of CEOs plan to radically transform their organisations' operating model – and more than half say that acting with agility is the new currency of business. CFOs have a crucial role to play in delivering these new strategic priorities.

CFOs have important questions

- How does the finance function need to change to enable business agility?
- How do I help my people embrace the change?
- How do I get more value from my data?
- How do I provide the insight and control to oversee wider innovation and transformation?

Powered Enterprise accelerates finance transformation

At the heart of KPMG Powered Enterprise | Finance is a pre-built target operating model that complements Microsoft in the cloud.

Powered Finance enabled by Microsoft is the outcome-driven transformation solution that helps prepare your business for the future.

1: KPMG CEO Outlook Survey, KPMG International, 2018

KPMG teams understand the human factors involved in business transformation. We can help inspire and empower your people and partners to embrace change, as you align your workforce transformation with industry disruption.

A pre-configured Microsoft cloud solution, embedded with years of leading practice and enhanced with automation, Powered Finance enables you to quickly transform and aims to derive maximum value from your move to the cloud.

It's not what you put into the cloud that matters, but what you get out of it

Powered Enterprise | Finance provides:

- A jump start to your digital transformation
- Immediate access to leading practices and processes
- Validated solutions with proven real-world usability
- Reduced implementation risks and enhanced ROI
- High-touch change management and employee experience
- A solid platform for continuing evolution and progress

Powered enables us to see the future, relate it to what we have today and move forward with leading practice.

– A multinational hospital

KPMG was a perfect fit for us, bringing the tools and experience necessary for us to make a complete and smooth transition to the cloud.

– A US building material company

Going beyond efficiency gains

Powered Finance focuses on the future agility of your business. It reaches beyond efficiency gains from traditional finance-related tasks by using automation, predictive analytics and cognitive learning to extend the role of finance. This will not be a legacy you need to discard in five years' time.

What's in the box?

Powered Finance provides a formidable combination of leading practices and processes, proven technology solutions and a next-generation delivery framework.

- The **Powered operating model** shapes how transformation plays through every layer of your organisation;
- the **Powered execution suite** is an integrated platform of next generation tools to help deliver functional transformation;
- and **Powered managed services** provides access to specialised resources to drive continuing evolution.

The Powered Enterprise operating model
