

# Future. Proof.

**KPMG Powered Enterprise | Finance**  
enabled by Workday

## To disrupt you must transform

71%<sup>1</sup> of CEOs plan to radically transform their organisation’s operating model and more than half say that acting with agility is the new currency of business. CFOs have a crucial role to play in delivering these new strategic priorities.

### What you might be thinking about

- How does the finance function need to change to enable business agility?
- How do I help my people embrace the change?
- How do I get more value from my data?
- How do I provide the insight and control to oversee wider innovation and transformation?

### Accelerate your business transformation

KPMG Powered Finance enabled by Workday is the outcome-driven transformation solution that prepares your business for the future.

A pre-configured cloud solution, embedded with years of leading practice enables you to quickly transform and derive maximum value from your move to the cloud.

At the heart of Powered Finance is a pre-built target operating model that complements Workday Financials Cloud.

It’s not what you put into the cloud that matters, but what you get out of it

- A jump start to your digital transformation
- Immediate access to leading practices and processes
- Validated solutions with proven real-world usability
- Reduced implementation risks and enhanced ROI
- High-touch change management and employee experience
- A solid platform for continuing evolution and progress

**This is the legacy you don’t discard in five years’ time:** what you build today creates the context for what you need tomorrow. What’s more, KPMG teams understand the human factors involved in business transformation, so we can help inspire and empower your people to embrace change.

“ **Powered Finance enables us to see the future, relate it to what we have today and move forward with leading practice.** ”

– A multinational hospital

“ **KPMG was a perfect fit for us, bringing the tools and experience necessary for us to make a complete and smooth transition to the cloud.** ”

– A US building material company
