

# Reconciliation Action Plans

Turning good intentions into measurable actions

## KPMG Indigenous Services

A formal commitment to Reconciliation will enable you to strengthen your social impact within a nationally recognised and measurable framework. It provides a pathway for First Nations inclusion and opportunity. We can work with you to design your RAP to ensure it is meaningful, creates shared value and is embraced by key stakeholders.

### Our best practice approach:

#### Discovery

A process intended to define your reconciliation ambition and build strong foundations on which to build your RAP. Option to use our *KPMG RAP Diagnostic Tool* to baseline your current reconciliation activities.

#### Accelerator workshop

A comprehensive and highly impactful workshop with your key internal stakeholders. You will define a collective vision for reconciliation and develop your RAP framework.

#### Community engagement

We work with you to identify and start building relationships with Indigenous RAP partners who will play a key role in working with you to reach your RAP ambitions.

#### RAP development

Leveraging our RAP leadership position, we will guide you to develop your own practical and sustainable RAP informed by best practice.

# Why choose KPMG Indigenous Services

**As a market leader in Reconciliation and three-time Elevate RAP holder,** we understand how to display a demonstrated commitment to reconciliation and develop meaningful outcomes that meet key stakeholder expectations.

**We adopt a rights-based approach and understand the critical importance of cultural context.** We have developed Indigenous consultation principles to work respectfully and effectively to achieve shared value outcomes. Our approach is based on the principles of the UN Declaration on the Rights of Indigenous Peoples.

**We have a trusted and deep network with Indigenous stakeholders across Australia.** We provide access to this network to our clients so they can build their own relationships with Indigenous partners to achieve their reconciliation vision.

**We have deep experience in developing bespoke best practice RAPs that meet broader strategic commitments.** We have worked alongside clients across industries and helped them embed their RAP commitments into BAU operations and ensure performance is measured. We can help you make sure your RAP is aligned to your broader ambitions in **sustainability and social impact**.
