1 Introduction

Morgan Kelly, Phil Quinlan and Stewart McCallum were appointed as Administrators of the Company on 27 November 2018 pursuant to Section 239I of the Companies Act 1993 (the **Act**). The appointment followed the appointment of the same Administrators to the Australian entity, being Halifax Investment Services Pty Limited (**Halifax AU**) on 23 November 2018.

At the watershed meeting held on 22 March 2019, creditors resolved that the Company be wound up pursuant to Section 239ABA of the Act and that the Administrators be appointed as Liquidators of the Company. As previously advised, Stewart McCallum has since resigned as Liquidator of the Company effective from 9 May 2019.

For the purposes of this Report, the Company and Halifax AU are collectively referred to as the Halifax Group. Investor clients of the Halifax Group are referred to as Investors.

4 Current position

4.1 Matters addressed during the liquidation

During the reporting period the primary focus of the Liquidation has been:

- The implementation of the Investor Portal to manage the distribution process to Investors in accordance with the outcome of the Client Money proceedings.
- The distribution in specie of eligible shares to Category 3 and Category 5 Investors.
- An interim cash distribution to Investors.
- The investigation of potential recovery actions including the potential for proceedings against third-party advisors.

4.1.1 Liabilities

No secured creditors have filed claims since our last report. It is not necessary for preferential or unsecured creditors who have already lodged a proof of debt to lodge another proof of debt at this stage. No distributions have been made to unsecured or preferential creditors.

Total preferential creditors are estimated to be \$116,360. Unsecured creditors are estimated to total \$10,968, however this amount includes approximately 2,100 contingent (Investor) creditors of the Company for the value of \$1. A list of preferential and unsecured creditors is provided at **Annexure F**. A list of contingent creditors is provided in the Liquidators' first statutory report at:

<https://app.companiesoffice.govt.nz/companies/app/service/services/documents/040842DEC6D7567469635D94121C7D35>

4.2 Summary of receipts and payments

A summary of receipts and payments for the period 27 November 2018 to 22 September 2022 is provided at **Annexure A**. Please note that this relates only to the Liquidators' operating account which includes all operating receipts and expenses for the Voluntary Administration and Liquidation period and excludes any receipts and payments from the pre-appointment trust accounts and pre-appointment accounts controlled by Halifax NZ on appointment which are summarised at **Annexure B** and **Annexure C** respectively.

A list of the receipts and payments for the period 27 November 2018 to 22 September 2022 for all other accounts opened subsequent to the appointment of the Voluntary Administrators which contain funds held in segregated accounts is provided at **Annexure D**.

5 Investigation into the Company's affairs

5.1.1 Investigation

The Liquidators are currently investigating the conduct of the Company's director, former directors and various third-party advisors to determine whether there are potential recoveries available to the Liquidators.

The Liquidators have identified a number of claims against former lawyers and auditors who provided professional services to Halifax AU. The claims arise out of services provided to Halifax AU before the Liquidators' appointment which the Liquidators consider caused loss to the Halifax Group.

The Liquidators have sought funding to pursue claims against Halifax AU's former auditors and former solicitors. They have executed a funding agreement with a litigation funder to fund Halifax AU's proceedings to pursue those claims.

A Statement of claim was filed with the Federal Court of Australia on 5 September 2022.

As some of the claims outlined above are currently the subject of litigation and before the Courts at some stage, further details of our investigations remain confidential at this stage.

For further details please refer to the Liquidators' Investor Updates dated 16 August 2022 and 24 August 2022:

<https://assets.kpmg/content/dam/kpmg/au/pdf/creditors/halifax-investment-services/halifax-update-to-investors-16-august-2022.pdf>

<https://assets.kpmg/content/dam/kpmg/au/pdf/creditors/halifax-investment-services/halifax-investor-faqs-24-august-2022.pdf>

In the event of a successful outcome, recoveries from claims may contribute to the pool of funds of Halifax AU and Halifax NZ available for distribution to Investors after payment of agreed costs and expenses associated with the proceedings including the funding of the proceedings.

5.1.2 Court Application

The Liquidators applied to the Federal Court of Australia for judicial advice and / or directions as to how to distribute the commingled investor funds held by Halifax AU. The Liquidators also filed a mirror application to the High Court of New Zealand in respect of funds held by Halifax NZ, including in their capacity as trustees appointed by the Financial Markets Authority pursuant section 246(2) of the Financial Markets Conduct Regulations 2014. The Liquidators sought a joint sitting of the New Zealand High Court and Federal Court of Australia to provide consistent directions on the distribution of investor funds.

Proceedings commenced in the Federal Court of Australia (**FCA**) on 3 July 2019 and the High Court of New Zealand (**NZHC**) on 25 September 2019 in respect to the aforementioned applications. The FCA and the HCNZ agreed to coordinate the conduct and hearing of the Australian proceedings and the New Zealand proceedings. The final hearing was set down for 30 November 2020.

Their Honours Justice Markovic and Justice Venning of the FCA and the HCNZ respectively handed down their judgments and made consequential orders in the client money proceedings on 19 May 2021. Their Honours determined that Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The First Defendant filed a Notice of Appeal in mid-June 2021. The position taken by Mr Loo in the Appeal was that their Honours erred in concluding that the Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The Appeal was held on 23 September 2021. On 26 October 2021, both Courts delivered their judgments and ordered that the Appeal should be dismissed. As a result, the date on which the proportionate entitlements of Investors to the assets of Halifax AU and Halifax NZ should be calculated remains as 27 November 2018.

7 Distribution and future estimated distribution

7.1 Distribution of Investor funds

	Note	Number of Claims	%	Value of Claims AUD \$m	%
Interim distribution paid	1	4,088	87	162.5	90
Verification completed (payment pending)	2	344	7	9.4	5
Verification pending or in progress	3	296	6	9.4	5
Total claims received		4,728	100	181.2	100

Notes:

1. *The Interim Distributions being paid to Investors are half of the claim amounts shown in the above table.*
2. *Verification of claim has been completed. Ready to progress to next available payment batch.*
3. *Verification is either in progress, subject to dispute, or pending receipt of further information from the Investor.*

In addition to the above, approximately 3,427 claims with a combined value of AUD14.6m remain unclaimed as at the date of this update. The Investor Portal remains open for the submission of late claims and we request all Investors to finalise their claims as soon as possible.

We currently estimate that a second distribution will be paid towards the end of 2022. The timing of subsequent distributions is subject to a range of factors which impact the calculation of distributions payable to Investors, including:

- the finalisation of total investor claims;
- resolution of a small number of Investor disputes; and,
- realisation of residual open positions remaining within the Halifax Portfolio.

For further details please refer to the Liquidators' Investor Update dated 8 September 2022.
