## 1 Introduction

Morgan Kelly, Phil Quinlan and Stewart McCallum were appointed as Administrators of the Company on 27 November 2018 pursuant to Section 239I of the Companies Act 1993 (the **Act**). The appointment followed the appointment of the same Administrators to the Australian entity, being Halifax Investment Services Pty Limited (**Halifax AU**) on 23 November 2018.

At the watershed meeting held on 22 March 2019, creditors resolved that the Company be wound up pursuant to Section 239ABA of the Act and that the Administrators be appointed as Liquidators of the Company. As previously advised, Stewart McCallum has since resigned as Liquidator of the Company effective from 9 May 2019.

For the purposes of this Report, the Company and Halifax AU are collectively referred to as the Halifax Group. Investor clients of the Halifax Group are referred to as Investors.

## 4 Current position

### 4.1 Matters addressed during the liquidation

During the reporting period the primary focus of the Liquidation has been:

- Work associated with the Client Money Proceedings in Australia and New Zealand for directions to enable the distribution of funds to Investors as soon as possible, specifically with respect to the appeal filed by the First Defendant.
- The deployment of an Investor Portal to manage the distribution of cash to Investors in accordance with the outcome of the Client Money proceedings.
- The return of shares to Category 3 and Category 5 Investors.
- The investigation of potential recovery actions including the potential for proceedings against current and former directors and third-party advisors.

#### 4.1.1 Status of the Client Money Proceedings

The final hearing commenced on 30 November 2020 and concluded on 9 December 2020.

Their Honours Justice Makovic and Justice Venning of the Federal Court of Australia and the High Court of New Zealand respectively, handed down their judgments and made consequential orders in the client money proceedings on 19 May 2021.

The First Defendant filed a Notice of Appeal in mid-June 2021. The position taken by Mr Loo in the Appeal was that their Honours erred in concluding that the Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The Appeal was held on 23 September 2021. On 26 October 2021, both Courts delivered their judgments and ordered that the Appeal should be dismissed. As a result, the date on which the proportionate entitlements of Investors to the assets of Halifax AU and Halifax NZ should be calculated, remains 27 November 2018.

#### 4.1.2 Liabilities

No secured creditors have filed claims since our last report. It is not necessary for preferential or unsecured creditors who have already lodged a proof of debt to lodge another proof of debt at this stage. No distributions have been made to unsecured or preferential creditors.

Total preferential creditors are estimated to be \$116,360. Unsecured creditors are estimated to total \$10,968, however this amount includes approximately 2,100 contingent (Investor) creditors of the Company for the value of \$1.

A list of preferential and unsecured creditors is provided at Annexure F. A list of contingent creditors is provided in the Liquidators' first statutory report at:

<https://app.companiesoffice.govt.nz/companies/app/service/services/documents/040842DEC6D7567469635D94121C7D35>

##### 4.1.2.1 Contingent creditors (trust beneficiaries)

Given the deficiency in Investor funds, it appears that there is likely to be a shortfall to Investors from trust assets, however at this stage it is likely that all Investors will receive a substantial portion of their money back. Investors should refer to Section 7 of this report for an estimated timeframe for distributions.

## 4.2 Summary of receipts and payments

A summary of receipts and payments for the period 27 November 2018 to 22 March 2022 is provided at **Annexure A**. Please note that this relates only to the Liquidators' operating account which includes all operating receipts and expenses for the Voluntary Administration and Liquidation period and excludes any receipts and payments from the pre-appointment trust accounts and pre-appointment accounts controlled by Halifax NZ on appointment which are summarised at **Annexure B** and **Annexure C** respectively.

A list of the receipts and payments for the period 27 November 2018 to 22 March 2022 for all other accounts opened subsequent to the appointment of the Voluntary Administrators which contain funds held in segregated accounts is provided at **Annexure D**.

## 5 Investigation into the Company's affairs

The Liquidators are currently investigating the conduct of the Company's director, former directors and various third-party advisors to determine whether there are potential recoveries available to the Liquidators.

In considering the merits of proceeding with any recovery action, a liquidator must have regard to the costs and benefits together with the prospects of success and the financial ability of defendants to meet claims. Recovery actions are often expensive and can involve lengthy delays if court proceedings are required.

A high-level summary of the potential recovery actions being considered by the Liquidators is provided on page 26 of the Report to Investors and Creditors dated 31 August 2020 (link below):

<https://assets.kpmg/content/dam/kpmg/au/pdf/creditors/halifax-investment-services/halifax-report-to-investors-creditors-31-august-2020.pdf>

It is possible that some of the claims outlined above will be subject to litigation and before the Courts at some stage and accordingly, further details of our investigations remain confidential at this stage. A further update to Investors in respect of our investigations will be provided in due course.

## 6 Professional fees and internal disbursements

The hourly rates of the Liquidators and their team members, as follows:

Position	Hourly Rate AU\$

The Liquidators have incurred fees of AU\$1,974,270.18 for the period 22 March 2019 to 30 June 2021, representing an average hourly rate of AU\$544. The remuneration incurred by the Liquidators for the period 1 April 2021 to 30 June 2021 has been approved but not yet paid. A detailed analysis of fees paid is included in Annexure E.

The remuneration incurred by the Liquidators for the period 1 July 2021 to 22 March 2022 has not yet been approved or paid but is estimated to be approximately AU\$110,000.

## 7 Conduct and estimated timeframe for a distribution

At this stage, it is likely that an interim distribution will be paid to Investors in the first half of 2022. This timeline is an estimate only and is subject to change. Please note that there is likely to be an interim distribution of funds to Investors, with a final distribution to follow once various matters are finalised. Events which, if they occur, may delay the payment of the distribution include:

- The possibility of a large number of Investors disputing their account balance as at 27 November 2018;
- The possibility of Investors making an application to the Courts in relation to their account balance which would have the effect of delaying payment to all Investors; and
- Issues which may arise with the operation of the Investor Portal including difficulties with verifying the identities of Investors.

We will continue to provide updates to Investors including details of any delays or changes to this document.

For further details please refer to the Liquidators' Investor Update dated 21 February 2022:

<https://assets.kpmg/content/dam/kpmg/au/pdf/creditors/halifax-investment-services/halifax-investor-portal-21-february-2022.pdf>

## 8 Reporting obligations

The Liquidators are obligated to evaluate the actions of management, review antecedent transactions and if necessary, report any adverse findings to the appropriate authorities and/or institute proceedings for recovery of funds dissipated.

Should you have any information that you believe would benefit our enquiries then please set out details in writing, attaching copies of all documentary evidence, and send it to the Liquidators. Please note that the Liquidators can only act on written information as undocumented information is deemed to be hearsay only and is inadmissible in court.

## 9 Future reporting

Reports on the conduct of the liquidation and on proposals for completion of the liquidation will be prepared and distributed six monthly in accordance with section 255 of the Act. A final report will also be prepared and distributed in accordance with section 257 of the Act at the completion of the liquidation.

## 10 Queries

Questions regarding the Liquidation should be directed to the Liquidators via email at [halifax@kpmg.com.au](mailto:halifax@kpmg.com.au).
