## 1 Introduction

Morgan Kelly, Phil Quinlan and Stewart McCallum were appointed as Administrators of the Company on 27 November 2018 pursuant to Section 239I of the Companies Act 1993 (the **Act**). The appointment followed the appointment of the same Administrators to the Australian entity, being Halifax Investment Services Pty Limited (**Halifax AU**) on 23 November 2018.

At the watershed meeting held on 22 March 2019, creditors resolved that the Company be wound up pursuant to Section 239ABA of the Act and that the Administrators be appointed as Liquidators of the Company. As previously advised, Stewart McCallum has since resigned as Liquidator of the Company effective from 9 May 2019, and Peter Gothard was appointed joint and several Liquidator of the Company upon the resignation of Morgan Kelly on 15 December 2022.

For the purposes of this Report, the Company and Halifax AU are collectively referred to as the Halifax Group. Investor clients of the Halifax Group are referred to as Investors.

## 4 Current position

### 4.1 Matters addressed during the liquidation

During the reporting period the primary focus of the Liquidation has been:

- the application of the Investor Portal to manage the distribution of funds to Investors in accordance with the outcome of the Client Money proceedings;
- responding to a large volume of Investor queries via email and phone in relation to the operation of the Investor Portal, claim submission process and distribution process generally;

- dealing with disputes relating to recorded Investor account balances as at 27 November 2018 and Investor account ownership;
- closing the Investor Portal to the submission of new claims;
- corresponding with the Financial Markets Authority (**FMA**) to provide an update on the status of the liquidation and court proceedings on foot; and
- progressing claims against third parties including liaising with the legal team in relation to litigation strategy and evidence preparation.

In particular, the Liquidators commenced the Third Interim Distribution in June 2023 and have continued to progress payment of the First and Second Interim Distributions, which commenced in May 2022 and November 2022, respectively.

#### 4.1.1 Liabilities

No secured creditors have filed claims since our last report. It is not necessary for preferential or unsecured creditors who have already lodged a proof of debt to lodge another proof of debt at this stage. No distributions have been made to unsecured or preferential creditors.

Total preferential creditors are estimated to be \$116,360. Unsecured creditors are estimated to total \$17,592, however this amount includes approximately 2,100 contingent (Investor) creditors of the Company for the value of \$1.

A list of preferential and unsecured creditors is provided at Annexure F. A list of contingent creditors is provided in the Liquidators' first statutory report at:

<https://app.companiesoffice.govt.nz/companies/app/service/services/documents/040842DEC6D7567469635D94121C7D35>

## 4.2 Summary of receipts and payments

A summary of receipts and payments for the period 27 November 2018 to 22 September 2023 is provided at **Annexure A**. Please note that this relates only to the Liquidators' operating account which includes all operating receipts and expenses for the Voluntary Administration and Liquidation period and excludes any receipts and payments from the pre-appointment trust accounts and pre-appointment accounts controlled by Halifax NZ on appointment which are summarised at **Annexure B** and **Annexure C** respectively.

A list of the receipts and payments for the period 27 November 2018 to 22 September 2023 for all other accounts opened subsequent to the appointment of the Voluntary Administrators which contain funds held in segregated accounts is provided at **Annexure D**.

## 5 Investigation into the Company's affairs

### 5.1.1 Investigation

As previously advised, the Liquidators are assessing potential recoveries available in review to the conduct of the Company's director, former directors and various third-party advisors.

The Liquidators have identified a number of claims against former lawyers and auditors who provided professional services to Halifax AU. The claims arise out of services provided to Halifax AU before the Liquidators' appointment which the Liquidators consider caused loss to the Halifax Group.

The Liquidators have executed a funding agreement with a litigation funder to fund proceedings to pursue those claims. A Statement of claim was filed with the Federal Court of Australia on 5 September 2022.

As some of the claims outlined above are currently the subject of litigation and before the Courts at some stage, further details of our investigations remain confidential at this stage.

For further details please refer to the Liquidators' Investor Updates dated 16 August 2022, 24 August 2022 and 19 April 2023, and the report to Investors and creditors dated 17 March 2023:

<https://assets.kpmg/content/dam/kpmg/au/pdf/creditors/halifax-investment-services/halifax-update-to-investors-16-august-2022.pdf>

<https://assets.kpmg.com/content/dam/kpmg/au/pdf/creditors/halifax-investment-services/halifax-report-to-investors-creditors-17-march-2023.pdf>

During the reporting period, the Liquidators have continued with the preparation of evidence and document discovery to support the proceedings.

In the event of a successful outcome, recoveries from claims may contribute to the pool of funds of Halifax AU and Halifax NZ available for distribution to Investors after payment of agreed costs and expenses associated with the proceedings including the funding of the proceedings.

### 5.1.2 Court Application

The Liquidators applied to the Federal Court of Australia for judicial advice and / or directions as to how to distribute the commingled investor funds held by Halifax AU. The Liquidators also filed a mirror application to the High Court of New Zealand in respect of funds held by Halifax NZ, including in their capacity as trustees appointed by the Financial Markets Authority pursuant section 246(2) of the Financial Markets Conduct Regulations 2014. The Liquidators sought a joint sitting of the New Zealand High Court and Federal Court of Australia to provide consistent directions on the distribution of investor funds.

Proceedings commenced in the Federal Court of Australia (**FCA**) on 3 July 2019 and the High Court of New Zealand (**NZHC**) on 25 September 2019 in respect to the aforementioned applications. The FCA and the HCNZ agreed to coordinate the conduct and hearing of the Australian proceedings and the New Zealand proceedings. The final hearing was set down for 30 November 2020.

Their Honours Justice Markovic and Justice Venning of the FCA and the HCNZ respectively handed down their judgments and made consequential orders in the client money proceedings on 19 May 2021. Their Honours determined that Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The First Defendant filed a Notice of Appeal in mid-June 2021. The position taken by Mr Loo in the Appeal was that their Honours erred in concluding that the Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The Appeal was held on 23 September 2021. On 26 October 2021, both Courts delivered their judgments and ordered that the Appeal should be dismissed. As a result, the date on which the proportionate entitlements of Investors to the assets of Halifax AU and Halifax NZ should be calculated remains as 27 November 2018.

## 6 Professional fees and internal disbursements

The hourly rates of the Liquidators and their team members, as follows:

Position	Hourly Rate AU\$
Partner	695
Director	625
Associate Director	575
Manager	525

Executive	475
Analyst	375
Support Staff	225

Professional fees totalling AU\$3.01m, plus any applicable GST, has been approved by the HCNZ and paid in the liquidation of Halifax NZ for the period 22 March 2019 to 31 December 2022. A detailed analysis of fees paid is included in **Annexure E**.

Professional fees incurred by the Liquidators for the period 1 January 2023 to 22 September 2023 which have not yet been approved or paid, are estimated to be approximately AU\$310,000.

## 7 Distribution and future estimated distribution

### 7.1 Distribution of Investor funds

As at the date of this Report, the Liquidators have paid a combined total of AU\$181.8m in the First, Second and Third Interim Distributions to eligible Investors, representing approximately 99.5% of verified, submitted claims by value.

The Liquidators are continuing to work through remaining review and verification tasks to finalise First, Second and Third Interim Distribution payments.

As at the date of this report, approximately 118 submitted claims remain unverified for various reasons including:

- abandoned or incomplete Investor Portal claim submissions;
- claim is subject to an unresolved dispute;
- supporting documentation (including trust deeds and identification documents) not provided; and
- legal and statutory matters including deceased estates and deregistered corporate account holders.

In addition to the above, approximately 3,248 claims with a combined value of AU\$12.0m remain unclaimed as at the date of this Report. As set out in Liquidators' Investor Update dated 19 April 2023, the Investor Portal has been closed to the submission of new claims.

The timing of subsequent distributions is subject to a range of factors, however it is likely that a Final Distribution will be paid once the outcome of the Liquidators' recovery actions is known, and provisions held for unsubmitted claims and unresolved disputes have been unwound.

For further details please refer to the Liquidators' Report to Investors and Creditors dated 17 March 2023 and Investor Update dated 19 April 2023.

### 7.2 Distribution of Investor shares

As at the date of this report, the Liquidators have distributed shares totalling AU\$27.6m (valued at the date of transfer) in-specie to eligible Category 3 and Category 5 Investors. This resulted in a reduction of total Investor account balances as at 27 November 2018 of AU\$16.9m.
