## 1 Introduction

Morgan Kelly, Phil Quinlan and Stewart McCallum were appointed as Administrators of the Company on 27 November 2018 pursuant to Section 239I of the Companies Act 1993 (the **Act**). The appointment followed the appointment of the same Administrators to the Australian entity, being Halifax Investment Services Pty Limited (**Halifax AU**) on 23 November 2018.

At the watershed meeting held on 22 March 2019, creditors resolved that the Company be wound up pursuant to Section 239ABA of the Act and that the Administrators be appointed as Liquidators of the Company. As previously advised, Stewart McCallum has since resigned as Liquidator of the Company effective from 9 May 2019, and Peter Gothard was appointed joint and several Liquidator of the Company upon the resignation of Morgan Kelly on 15 December 2022.

For the purposes of this Report, the Company and Halifax AU are collectively referred to as the Halifax Group. Investor clients of the Halifax Group are referred to as Investors.

## 4 Current position

### 4.1 Matters addressed during the liquidation

During the reporting period the primary focus of the Liquidation has been:

- The application of the Investor Portal to manage the verification of claims submitted and distribution of cash to Investors in accordance with the outcome of the Client Money proceedings.
- Ongoing communications with Investors including in relation to operation of the Investor Portal and claim submission process.
- Attendance to operational tasks including trade-on management, processing receipts and payments and attending to statutory lodgements. Other administration tasks included general correspondence, document maintenance, file review, insurance matters, internal meetings and bank account administration.

#### 4.1.1 Liabilities

No secured creditors have filed claims since our last report. It is not necessary for preferential or unsecured creditors who have already lodged a proof of debt to lodge another proof of debt at this stage. No distributions have been made to unsecured or preferential creditors.

Total preferential creditors are estimated to be \$116,360. Unsecured creditors are estimated to total \$17,592, however this amount includes approximately 2,100 contingent (Investor) creditors of the Company for the value of \$1.

A list of preferential and unsecured creditors is provided at **Annexure F**. A list of contingent creditors is provided in the Liquidators' first statutory report at:

<https://app.companiesoffice.govt.nz/companies/app/service/services/documents/040842DEC6D7567469635D94121C7D35>

#### 4.2 Summary of receipts and payments

A summary of receipts and payments for the period 27 November 2018 to 22 March 2025 is provided at **Annexure A**. Please note that this relates only to the Liquidators' operating account which includes all operating receipts and expenses for the Voluntary Administration and Liquidation period and excludes any receipts and payments from the pre-appointment trust accounts and pre-appointment accounts controlled by Halifax NZ on appointment which are summarised at **Annexure B** and **Annexure C** respectively.

A list of the receipts and payments for the period 27 November 2018 to 22 March 2025 for all other accounts opened subsequent to the appointment of the Voluntary Administrators which contain funds held in segregated accounts is provided at **Annexure D**.

### 5 Investigation into the Company's affairs

#### 5.1.1 Investigation

The Liquidators are pursuing recoveries against various parties. Further details of our investigations remain confidential at this stage.

In the event of a successful outcome, recoveries from claims may contribute to the pool of funds of Halifax AU and Halifax NZ available for distribution to Investors.

#### 5.1.2 Court Application

The Liquidators applied to the Federal Court of Australia (**FCA**) for judicial advice and / or directions as to how to distribute the commingled investor funds held by Halifax AU. The Liquidators also filed a mirror application to the High Court of New Zealand (**HCNZ**) in respect of funds held by Halifax NZ, including in their capacity as trustees appointed by the Financial Markets Authority pursuant Section 246(2) of the Financial Markets Conduct Regulations 2014. The Liquidators sought a joint sitting of the HCNZ and FCA to provide consistent directions on the distribution of investor funds.

Proceedings commenced in the FCA on 3 July 2019 and the HCNZ on 25 September 2019 in respect to the aforementioned applications. The FCA and the HCNZ agreed to coordinate the conduct and hearing of the Australian proceedings and the New Zealand proceedings. The final hearing was set down for 30 November 2020.

Their Honours Justice Markovic and Justice Venning of the FCA and the HCNZ respectively handed down their judgments and made consequential orders in the client money proceedings on 19 May 2021. Their Honours determined that Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The First Defendant filed a Notice of Appeal in mid-June 2021. The position taken by Mr Loo in the Appeal was that their Honours erred in concluding that the Liquidators of Halifax AU and Halifax NZ were justified in adopting 27 November 2018 as the date at which the proportionate entitlements of Investors are calculated.

The Appeal was held on 23 September 2021. On 26 October 2021, both Courts delivered their judgments and ordered that the Appeal should be dismissed. As a result, the date on which the proportionate entitlements of Investors to the assets of Halifax AU and Halifax NZ should be calculated remains as 27 November 2018.

## 6 Professional fees and internal disbursements

The hourly rates of the Liquidators and their team members, as follows:

Position	Hourly Rate AU\$
Partner	695
Director	625
Associate Director	575
Manager	525
Executive	475
Analyst	375
Support Staff	225

The Liquidators have incurred fees of AU\$3.65 million for the period 22 March 2019 to 30 September 2024, representing an average hourly rate of AU\$492. This remuneration has been approved by the HCNZ.

The remuneration incurred by the Liquidators for the period 1 October 2024 to 22 March 2025 has not yet been approved or paid but is estimated to be approximately AU\$62,500.

## 7 Distribution and future estimated distribution

### 7.1 Distribution of Investor funds

In respect of Investor distributions for the Halifax Group, as at the date of this report:

- The Liquidators have distributed over AU\$216.3 million to 4,799 Investors;
- 4,962 claims have been received totalling AU\$184.9 million of Investor account balances as at 27 November 2018;
- 4,799 Investors have received a first interim distribution of an amount equal to 50% of their account balance as at 27 November 2018 totalling AU\$91.8 million;
- 4,778 Investors have received a second interim distribution of an amount equal to 50% of their account balance as at 27 November 2018 totalling AU\$91.7 million;
- 4,730 Investors have received a third interim distribution of an amount equal to 10% of their account balance as at 27 November 2018 totalling AU\$18.3 million;
- 4,678 Investors have received a fourth interim distribution of an amount equal to 8% of their account balance as at 27 November 2018 totalling AU\$14.5 million; and
- 3,197 claims with a combined value of AU\$11.3 million of Investor account balances as at 27 November 2018 have not yet been submitted.

For the avoidance of doubt, all references to percentage distributions (including first, second, third and fourth interim distributions) are made in reference to Investor account balances as at 27 November 2018. This is not reflective of each Investor's beneficial entitlement, but rather to provide an indication of the amount Investors have received. It is important to note that the beneficial entitlement of Investors, or the amount to which Investors are entitled as a result of the Client Money Orders is not capped at their 27 November 2018 account balance.

The timing and amount of any subsequent distributions is subject to a range of factors which impact the calculation of distributions payable to Investors, including:

- future recoveries from claims against third parties; and
- the release of funds held as a contingency in respect of unforeseen claims or legal disputes.

For further details please refer to the Liquidators' Report to Investors and Creditors dated 17 March 2023 and Investor Update dated 28 May 2024.
