Background

8 Kalium Lakes is a publicly listed company registered on the Australian Securities

holding company of KL Infrastructure, KL Potash, Magnesium Lakes Pty Ltd
(ACN 641 584 134) (**KL Magnesium**) and Carnegie Potash Pty Ltd (ACN 627
461 278) (**KL Carnegie**) (collectively the **Kalium Lakes Group**).

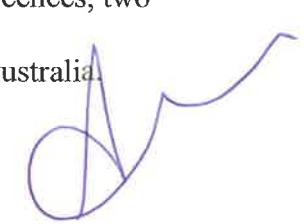

9 Annexed hereto and marked "MDW-1" is a corporate diagram of the Kalium
Lakes Group.

10 Annexed hereto and marked "MDW-2" is a true copy of a bundle of current and
historical company extracts in respect of the Kalium Lakes Group of companies
obtained from the records maintained by ASIC on 25 August 2023.

11 KL Magnesium and KL Carnegie are not subject to external administration and
are still under the management and control of the directors of those companies.

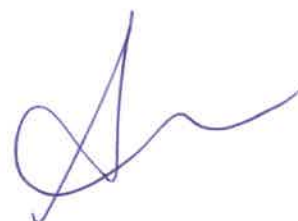

12 Kalium Lakes is an exploration and development company, focused on producing
Sulphate of Potash (**SOP**) from the wholly owned Beyondie SOP Project in
northern Western Australia for domestic and international markets. The
Beyondie SOP Project is operated by Potash.

13 The Beyondie SOP Project comprises 16 granted exploration licences, two
mining leases and several miscellaneous licences in Western Australia.

Appointment of Voluntary Administrators and Receivers to the Companies

- 14 On 3 August 2023, the directors of the Companies resolved to appoint the Administrators as administrators of each of the Companies pursuant to section 436A of the Act.
- 15 Annexed hereto and marked:
- 15.1 “MDW-3” is a true copy of the instruments of appointment of the Administrators executed 3 August 2023; and

- 16 On 3 August 2023, Robert Conry Brauer, Jason Preston and Robert Michael Kirman of McGrathNicol were appointed as Receivers and Managers of the Companies (**Receivers**) by Westpac Administration Pty Limited as Security Trustee pursuant to a General Security Deed dated 14 November 2019 granted in its favour by Kalium Lakes.
- 17 The Receivers assumed control of the Companies’ assets and are continuing to operate the Beyondie SOP Project and the Companies’ operations on a business as usual basis while an urgent assessment of the options for the sale and/or recapitalisation of the Companies is undertaken.
- 18 Annexed hereto and marked “MDW-5” is a true copy of the ASX announcement issued by McGrathNicol on 4 August 2023 as published on the Kalium Lakes website <http://www.kaliumlakes.com.au/>.

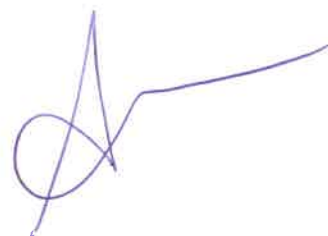

Update on the Administration of the Companies

19 Since the appointment of the Administrators, the Administrators' focus has been on understanding the financial position of the Companies, attending to all necessary statutory notifications, engaging with various stakeholders and convening the first meetings of creditors of each of the Companies, pursuant to section 436E of the Act.

20 Specifically, the Administrators have:

- 20.1 attended to statutory duties including informing ASIC of the appointment of the Administrators to the Companies;
- 20.2 gave notice of their appointment to the directors, employees, secured creditors and creditors who appear on the books and records of the Companies as being owed an amount by the Companies;
- 20.3 reviewed the available books and records of the Companies and liaised with the directors for the purposes of understanding the business, property and affairs of the Companies;
- 20.4 commenced a review of the financial position of the Companies;
- 20.5 requested that each of the directors complete a Report on Company Activities and Property (**ROCAP**);
- 20.6 prepared for and conducted the first meetings of creditors of the Companies on 15 August 2023, at which:
 - 20.6.1 no creditors of the Companies raised any objections to the appointment of the Administrators; and

20.6.2 the creditors of Kalium Lakes and KL Potash resolved to appoint Committees of Inspection (**COI**);

20.7 convened concurrent meetings of the COI on 23 August 2023 (**COI Meetings**); and

20.8 attended to other incidental matters.

21 At the COI Meetings the Administrators sought the views of the relevant COI in respect of the Administrators' intention to seek an extension of the convening period of the second meetings of creditors of the Companies for a period of three months.

22 At the COI Meetings, the relevant COI resolved to acknowledge and consent to the Administrators' application pursuant to section 439A(6) of the Act to the Court to extend the convening period from 1 September 2023 for a period not exceeding 3 months.

23 Annexed hereto and marked "MDW-6" is a true copy of the minutes of the first meeting of the Companies' creditors dated 15 August 2023.

24 Annexed hereto and marked "MDW-7" is a true copy of the minutes of the COI Meetings held on 23 August 2023.

25 Based on the preliminary assessment of the Companies' financial records, the Administrators are of the view that the Companies have incurred debts of over \$216,000,000.00.

26 Annexed hereto and marked "MDW-8" is a true copy of the summary of the Companies' debts as at 3 August 2023.

Update on the status of the proposed sale or recapitalisation of the Companies and business

27 I am informed by the Receivers and verily believe:

27.1 that a sale process commenced on 20 June 2023 (being prior to the appointment of the Administrators and Receivers) when the Board of Kalium Lakes engaged Argonaut to explore a sale or recapitalisation of Kalium Lakes;

27.2 that Argonaut commenced a campaign to identify and contact parties that might have an interest in a sale or investment in the Kalium Lakes Group;

27.3 Argonaut identified 116 prospective parties and sought non-binding indicative offers by 3 August 2023;

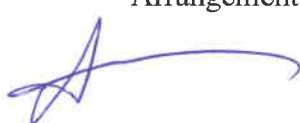

27.4 following the appointment of the Receivers:

27.4.1 the Receivers have re-engaged Argonaut to continue to manage the ongoing sale process in conjunction with the Receivers;

27.4.2 Argonaut have received:

- (a) one conforming non-binding indicative offer; and
- (b) four written expressions of interest or non-conforming offers, which suggest that a transaction would likely involve a Deed of Company

Arrangement (**DOCA**);

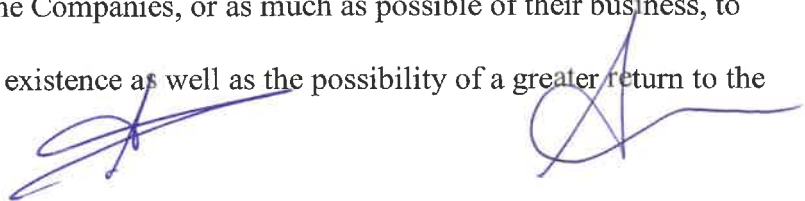

- 27.5 Argonaut has continued to engage with all parties that submitted expressions of interest;
- 27.6 Argonaut and the Receivers have set a deadline of 25 August 2023 for the receipt of binding final offers, from which a preferred party will be nominated to pursue a transaction to completion;
- 27.7 that due to the size and complexity of the Beyondie SOP Project they consider that there is no scenario where a sale can complete within the statutory timeframe to convene the second meetings of creditors of the Companies;
- 27.8 the Receivers expectation is that any transaction is likely to be structured through a DOCA;
- 27.9 the Receivers anticipate that a period of up to three months is required to allow for:
- 27.9.1 the preferred bidder to:
- (a) complete their due diligence; and
 - (b) arrange finance or raise capital to fund a transaction;
- 27.9.2 negotiation of legal documents and commercial terms;
- 27.9.3 satisfaction of any conditions precedent in advance of the second meetings of creditors; and
- 27.9.4 the Administrators to complete their Report to Creditors of each of the Companies, including an analysis of any DOCA by the preferred party as against a liquidation scenario.

Extension of Convening Period

- 28 Pursuant to section 439A(5)(b) of the Act, the convening period applicable to the Companies ends on 1 September 2023, being 20 business days from the date after the appointment of the Administrators.
- 29 Further, pursuant to section 439A(2) of the Act, the Administrators are required to convene the second meetings of the creditors of each of the Companies within 5 business days after the end of the convening period, being on or before 8 September 2023.
- 30 Pursuant to rule 75-225 of the *Insolvency Practice Rules (Corporations) 2016* (Cth), when convening a meeting under section 439A of the Act, the notice must be accompanied by:
- 30.1 a report to the creditors of each of the Group Companies in relation to business, property, affairs and financial circumstances; and
 - 30.2 a statement expressing the Administrators' opinion on, among other things, whether any DOCA proposals, made by interested parties and proposed to creditors at the second meeting of creditors, would be in the best interests of the creditors.
- 31 The Administrators have formed the view that an extension of the convening periods of the second meetings of creditors of the Companies is required having regard to:
- 31.1 the limited progress of the investigation into the business, property, affairs and financial position of the Companies (referred to at subparagraphs 20.1 to 20.8 above);

- 31.2 the appointment of the Receivers who have control of the business and are conducting the sale and / or capital realisation process of the Companies;
 - 31.3 the time required by the Receivers to evaluate final offers to pursue a transaction to completion;
 - 31.4 the size and complexity of the Beyondie SOP Project and the Receivers view that there is no scenario where a sale can be completed within the statutory timeframe to convene the second meeting of creditors;
 - 31.5 where the Receivers have formed the view that a transaction is anticipated to occur by way of a DOCA; and
 - 31.6 the prospect of an immediate winding up of the Companies in circumstances if the convening periods of the second meetings of creditors of the Companies are not extended, which in the Administrators' preliminary view is not in the interests of the creditors of the Companies where a sales campaign is underway.
- 32 Having regard to the matters outlined above, the Administrators consider that it is in the interests of the Companies that there be a three month extension of the convening periods to allow:
- 32.1 the Administrators to finalise their investigations into the business, property and affairs of the Companies; and
 - 32.2 for the Receivers to finalise an orderly and fulsome realisation process, which outcomes will maximise, in the Administrators' views, the chance of the Companies, or as much as possible of their business, to continue in existence as well as the possibility of a greater return to the

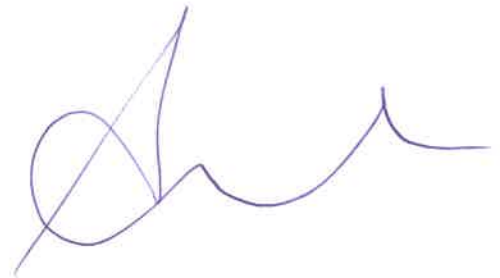

majority of the creditors of the Companies than would result from an immediate winding up.

- 33 The Administrators do not believe that any creditor or interested person will be unfairly prejudiced by the extension of the convening periods.
- 34 In circumstances where the sale and recapitalisation processes mentioned in paragraph 24 above conclude earlier than anticipated, the Administrators will seek to hold the second meetings of creditors of the Companies prior to any extended deadline ordered by this Honourable Court.

For each class of shares issued by a proprietary company, ASIC records the details of the twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database.

Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

For each class of shares issued by a proprietary company, ASIC records the details of the twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database.

Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

For each class of shares issued by a proprietary company, ASIC records the details of the twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database.

Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

For each class of shares issued by a proprietary company, ASIC records the details of the twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database.

Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

Kalium Lakes Potash Pty Ltd	601 436 060
Kalium Lakes Infrastructure ty Ltd	631 042 450

6 Notice of Meeting

The Chairperson advised that the first concurrent meeting of creditors for the Companies has been called in accordance with the notice of meeting dated 4 August 2023, the meeting having been advertised on the ASIC Insolvency Notices website on 4 August 2023, in accordance with IPR 75-40.

The Chairperson advised that he chose to hold the meetings concurrently to allow for efficient communication to all stakeholders with common interests and in order to minimise costs and generally allow an efficient Administration process without prejudicing creditor rights.

7 Convening the meeting

The Chairperson advised that, in accordance with IPR 75-30, the meeting was being held at a date, time and place convenient to the majority of persons entitled to receive notice of the meeting.

8 Purpose of the meeting

The Chairperson advised that the purpose of the meeting was to determine:

- Whether to appoint a Committee of Creditors and, if so, who are to be the committee members; and
- Confirm the appointment of the Administrators
- Any other business.

9 Declaration of Independence, Relevant Relationships & Indemnities (DIRRI)

The Chairperson advised that in the circular to creditors of the Companies dated 4 August 2023, the Administrators made a declaration of all of their relevant relationships and indemnities in connection with the Companies and the administration.

That declaration confirmed that:

- i. the appointment was referred to us by the Companies who contacted us on 17 July 2023. We provided an overview of the VA process and explained the various options to the Companies. This led to our appointment on 3 August 2023.
- ii. the Administrators, and our firm, have assessed their independence and are not aware of any reasons that would prevent us from accepting the appointment.
- iii. the Administrators, and our firm did **not** have, or have had within the preceding 2 years relationships with the Companies as disclosed in the DIRRI, which would prevent us from accepting the appointment
- iv. there have been no update to that declaration.

10 Company Information and Voluntary Administration process

The Chairperson then discussed PowerPoint slide numbers 8 to 11 attached in **Annexure "B"** (of 17 pages) which gave creditors an overview of the Companies' group structure and voluntary administration process.

The meeting was then opened for discussion.

11 Questions from creditors

The Chairperson then asked whether there were any questions which creditors wished to raise and requested that questions be directed to the Chairperson in the first instance and that questioners identify themselves and the creditors they represent. The Chairperson also advised questions in relation to creditors' specific circumstances can be discussed on a separate call if required.

There were no questions from creditors in attendance.

12 Resolutions

The Chairperson advised that pursuant to IPR 75-110(1) and IPR 75-75(3), votes taken at virtual meetings must be taken:

- on a poll if:
 - (a) The notice of meeting specifies that votes taken at the meeting must be taken on a poll; or
 - (b) A poll is requested by the person presiding at the meeting or by a person participating and entitled to vote at the meeting; or
- otherwise, on a show of hands using electronic mechanisms (including clicking a raise hand or similar button on a virtual meeting computer program or by verbally indicating how a creditor wishes to vote if dialling in to the meeting on the telephone)

The Chairperson advised that a resolution by poll is carried if:

- A majority of creditors voting (whether in person, by attorney or by proxy) vote in favour; and
- The value of the debts owed by the corporation to those voting in favour is more than half the total debts owed to all creditors voting (IPR 75-115).

13 Voting and use of casting vote

The Chairperson noted that:

- In accordance with IPR 75-115, the Chairperson may exercise a casting vote if no result is reached for or against. The Chairperson's decision to exercise this vote is subject to review by the Court upon application by a creditor (Sections 75-42 and 75-43 of Schedule 2 to the Act).
- A secured creditor may vote with respect to the whole of its debt or claim, without being required to estimate the value of its security (IPR 75-87).
- The Administrator will abstain from exercising any general proxies in his favour to vote on any resolutions where the Administrator have any financial interest in the outcome of the resolution.
- A related party is permitted to vote as a creditor at the meeting, provided its claim has been admitted by the Administrator for the purposes of voting (IPR 75-100).
- Where a debt claimed by a related creditor (within the meaning of Section 75-41(4) of Schedule 2 to the Act) has been assigned to that related creditor, the value for the purposes of voting is to be determined by taking the value of the assigned debt to be equal to the value of the consideration given by the related creditor for the assignment of the debt (IPR 75-110(7)).

- Proofs of debt have been admitted in full for voting purposes where the amounts claimed agree to the company's records, or where additional documentation was provided by the creditor to support their claim.
- A resolution will be proposed for each individual company within the group.

14 Alternative Administrators

The Chairperson advised that pursuant to the Instrument of Appointment dated 3 August 2023 Matthew Woods, Clint Joseph and himself were appointed Administrators of the Company.

The Chairperson also advised that in accordance with Section 90-35 of Schedule 2 to the Corporations Act 2001, creditors may, by resolution, appoint someone else as Administrator of the Companies.

The Chairperson noted that there were no other nominations for Administrator and announced that the Companies' appointment stands and accordingly, Matthew Wood, Clint Joseph and himself remain as Administrators of the Companies.

15 Committee of Inspection (COI)

The Chairperson advised that the functions of the COI are:

- To consult with the Administrators about matters relating to the Administration; and
- To receive and consider periodic updates and reports by the Administrators.

The Chairperson advised creditors that Section 80-55 of Schedule 2 of the Act provides that a member of a COI must not directly or indirectly derive any profit or advantage from the external administration of the Company unless creditors resolve otherwise. Section 80-55(2) of Schedule 2 of the Act provides that a member of a COI is taken to derive a profit or advantage from the external administration of the Company if:

- the member directly or indirectly derives a profit or advantage from a transaction (including a sale or purchase) entered into for or on account of the Company; or
- the member directly or indirectly derives a profit or advantage from a creditor of the Company; or
- a related entity of the member directly or indirectly derives a profit or advantage from the administration of the Company.

In the event that the Administrators enter(s) into any transaction with a member of the COI that may result in that member deriving a profit or advantage from the external administration of the Company, it will be necessary for creditors to consider a separate resolution to consent to that arrangement.

The Chairperson stated given the scale of the Companies operations and number of creditors, his view is that a COI would be beneficial. The Chairperson then read out and tabled nominations received for the COI and called for any additional nominations from those in attendance before moving on to the following resolutions:
