I, Jr-Neng Chang, of care of No. 2, Innovation Road II, Hsinchu Science Park, Hsinchu 300, Taiwan, Vice President Finance, affirm as follows:

- 1 I am also known as Eric Chang.
- 2 I am an Accountant by profession and also qualified as a Certified Public Accountant (**CPA**) and as a Certified Securities Investment Analyst in Taiwan.
- 3 I am employed as the Vice President Finance of the plaintiff, Realtek Semiconductor Corporation (**Realtek**) and duly authorised to affirm this affidavit on behalf of Realtek.
- 4 Now produced, shown to me and marked "JNC-1" and annexed hereto is a true copy of a company search of Realtek dated 30 August 2024.

Jr-Neng Chang

- 5 I make this affidavit in support of Realtek's application seeking an order from the Court to extend the time to register Realtek's security on the Personal Property Securities Register (**PPSR**) bearing registration number 202403150083941 (**Security**) to 15 March 2024 pursuant to section 588FM of the Corporations Act 2001(**Act**) for the purpose of section 588FL(2)(b)(iv) of the Act (**Application**).
- 6 The contents of this affidavit are true and correct to my own knowledge unless otherwise stated, in which case they are true and correct to the best of my knowledge, information and belief and the source of my knowledge, information and belief is stated.
- 7 The defendants are the joint and several administrators of Nuheara Limited Nuheara Limited (ACN 125 167 133) (Administrators Appointed) (**Nuheara**)
- 8 Now produced, shown to me and marked "**JNC-2**" and annexed hereto is a true copy of a company search of Nuheara dated 30 August 2024.

#### **Realtek**

- 9 Realtek is a company incorporated in Taiwan and was established in 1987.
- 10 I have been employed by Realtek for about 21 years and I have held my current position as Vice President Finance since June 2021.
- 11 Realtek is a technology company principally in the business of designing, developing and selling integrated circuit technology products for use in a broad range of technology applications.
- 12 Realtek is headquartered in Taiwan, and it has sales or research and development personnel in China, Singapore, the United States, Japan, and South Korea.
- 13 Realtek does not have any offices or employees in Australia.
- 14 I have worked solely in Taiwan for my whole career. I have never worked in Australia.

#### **Subscription Agreement**

- 15 On or about June 2022, Justin Miller (**Mr Miller**), the then Managing Director of Nuheara requested Realtek to provide finance to Nuheara.
- 16 Realtek at that time agreed to subscribe and then held approximately 14,166,667 of the shares in the Nuheara.
- 17 On 7 September 2022, Realtek and Nuheara entered into a Convertible Note Subscription Agreement dated 7 September 2022 (**Subscription Agreement**) by which Realtek subscribed for, and the Company agreed to issue 2.5 million Convertible Notes for the Subscription Amount of AUD \$2.5 million dollars on the terms of the Agreement.

- 18 Now produced, shown to me and marked "JNC-3" and annexed hereto is a true copy of the Subscription Agreement.
- 19 Under the terms of the Subscription Agreement (clauses 10.1 and 10.2), Nuheara granted the Security as a first ranking security in and lien of the present and future assets of the Nuheara to Realtek subject to the approval of the shareholders of Nuheara.
- 20 The draft of the Subscription Agreement was provided to me by Mr Miller after it had been prepared by solicitors acting for Nuheara, Thomson Geer Lawyers.
- 21 In Realtek, I was the main person who was involved in negotiating and agreeing the terms of the Subscription Agreement.
- 22 Due to the urgency of this case, Mr James Shiao (**Mr Shiao**), in-house counsel of Realtek was temporarily requested to assist me in reviewing the draft of the Subscription Agreement.
- 23 The changes Realtek made to the draft of the Subscription Agreement were mainly around the Security and its being a first ranking security.
- 24 Realtek did not seek legal advice from law firm in Australia regarding the draft of the Subscription Agreement.
- 25 When I formed the view that terms of the draft Subscription Agreement were acceptable to Realtek and after it was signed, I did not know there was a legal requirement in Australia to register the Security within 20 business days of signing the Subscription Agreement.
- 26 I am informed by Mr Shiao and verily believe to true that at the time he reviewed the draft of the Subscription Agreement and after it was signed, he did not know of any legal requirement to register the Security in Australia until about 13 March 2024.
- 27 No one told me that Realtek was required to register the Security in Australia until about 13 March 2024.
- 28 On 8 September 2022 Nuheara made a public announcement on the Australian Securities Exchange (**ASX**) to the effect that it had signed the Subscription Agreement and provided a summary of the key terms which included the Security.
- 29 Now produced, shown to me and marked "JNC-4" and annexed hereto is a true copy of the Nuheara ASX announcement dated 8 September 2022.
- 30 On 29 November 2022, the shareholders of Nuheara approved the Security.

Tr-Nam Olong

31 Now produced, shown to me and marked "JNC-5" and annexed hereto is a true copy of the Nuheara's AGM announcement of the results of the AGM dated 29 November 2022.

### Security Registration

32 On or about 12 March 2024, Yean-Shao Liu (also known as Leroy Liu) of Realtek and also a non-executive director of Nuheara was introduced to Mr David Sanders (**Mr Sanders**), Corporate Counsel of Bennett for the potential of providing advice to Realtek regarding Nuheara's financial circumstances after it had entered into a safe harbour.

33 On 13 March 2024, Mr Sanders advised Realtek that the Security had not been registered and recommended that the Security be registered as a priority.

34 Prior to Mr Sanders' advice on 13 March 2024, I was not aware of any legal requirement for Realtek to register the Security in Australia.

35 On 14 March 2024, Realtek retained Bennett to register the Security as a matter of urgency.

36 On 15 March 2024, Bennett registered the Security on the PPSR.

37 Now produced, shown to me and marked "JNC-6" and annexed hereto is a true copy of the application to register the Security dated 15 March 2024.

38 Now produced, shown to me and marked "JNC-7" and annexed hereto is a true copy of a grantor PPSR search summary dated 26 August 2024.

### Necessity of application

39 On 1 August 2024, Mr Miller sent an email on behalf of Nuheara to the President of Realtek, which amongst other things, asserted that the Security sufficiently protected Realtek's interests.

40 Now produced, shown to me and marked "JNC-8" and annexed hereto is a true copy of the email from Mr. Miller dated 1 August 2024.

41 On 7 August 2024, the defendants were appointed as Administrators of Nuheara.

42 On 20 August 2024, Thomson Geer, on behalf of the Administrators, sent a letter to Bennett in which the Administrator conveyed the view that Security conferred by the Subscription Agreement vested in the Administrators immediately before their appointment on 7 August 2024 and accordingly Realtek was:

42.1 an unsecured creditor of Nuheara; and

42.2 unable to enforce the Security.

Tr-Neng Chang

43 Now produced, shown to me and marked "JNC-9" and annexed hereto is a true copy of a letter from Thomson Geer to Bennett dated 20 August 2024.

44 On 27 August 2024, Bennett sent a letter to Thomson Geer in which, amongst other things, Realtek stated that:

44.1 it is necessary for the Court to make an order in favour of Realtek under section 588FM(2) of the Act to extend the time for the registration of the Security to 15 March 2024 for the purposes of 588FL(2)(b)(iv) of the Act;

44.2 there are reasonable and proper grounds for the Court to make an order extending the registration of the Security to 15 March 2024;

44.3 the failure by Realtek to register the Security was due to inadvertence within the meaning of section 588FM(2)(a)(i) of the Act; and

44.4 there were several discretionary factors which weighed in favour of the Court granting the extension.

45 Now produced, shown to me and marked "JNC-10" and annexed hereto is a true copy of a letter from Bennett to Thomson Geer dated 27 August 2024.

46 On 2 September 2024, Thomson Geer sent a letter to Bennett in which the Administrators, amongst other things, stated that:

46.1 the Subscription Agreement conferred on Realtek a security interest within the meaning of the Personal Property Securities Act 2009 (Cth);

46.2 it was the mutual intention of Realtek and Nuheara the Security was to be secured by way of registration on the PPRS and the Security was specifically approved by the shareholders of Nuheara at the annual general meeting held 29 November 2022, the results of which were published on that day; and

46.3 no party had, at least until 2 September 2024, asserted any claim as a secured creditor of Nuheara which could be prejudiced by an order under section 588FM of the Act; And

46.4 they neither consent nor oppose the application for an order under section 588FM of the Act.

47 Now produced, shown to me and marked "JNC-11" and annexed hereto is a true copy of a letter from Thomson Geer to Bennett dated 2 September 2024.

 Number of Shares Issued: 268619705  
 Total Amount Paid / Taken to be Paid: \$88,810,036.67

The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database. Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

**PERTH, AUSTRALIA: Nuheara Limited (ASX:NUH) (Nuheara)** is pleased to announce a follow-on round of funding from strategic cornerstone investor Taiwan based Realtek Semiconductor Corporation (**Realtek**).

By way of a signed Convertible Note, the terms of which are attached to this announcement in Annexure 1, Nuheara has raised \$2.5 million from Realtek, which follows a \$1.7 million placement from Realtek on 1 July 2022. These funds further strengthen the Nuheara and Realtek partnership, designed to develop chipset (Integrated Circuits or ICs) and technology solutions to globally penetrate multiple hearing related markets. These include the global True Wireless Stereo (TWS) with Personal Sound Amplification Product (PSAP) chipset market and the regulated Over The Counter (OTC) Hearing Aid market. Funds will be used for product research and development, Medical Device/Hearing Aid market and regulatory development, and working capital. The Convertible Note will be issued under the Company's Listing Rule 7.1 placement capacity.

Commenting on the strategic partnership, Managing Director Justin Miller said, "The recent FDA publication of Over-The-Counter (OTC) hearing aid regulations has drawn significantly more attention to our hearing related technology and our subsequent market opportunities. As such, we are delighted to be working with Realtek in developing turnkey solutions to fit. We truly appreciate Realtek's ongoing financial support, industry experience, and overall commitment. It is an exciting time to be building hearing solutions that embed elements of our hearing technology into Realtek's ICs, specifically designed for the broader hearing device market."

主旨: RE: Letter from the President of Realtek

External mail.

Dear Mr Yen,

On behalf of Ms. Edwardes, the Board and the executive team, I thank you for your timely response and your offer of support, as time is now critical for us to reach our respective short-term goals.

Firstly, I need to query what additional security that Realtek would be considering for extending the date of the current convertible note (per point 2 of your response). Could you please detail your thinking on this? Given the security this convertible note has is already a first-ranking security & lien over all the assets of the company (which would continue on any extension of maturity date).

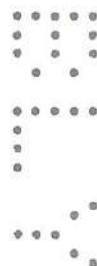

I had remained hopeful that Realtek would extend the date of the convertible note (whilst preserving all other rights), particularly as we have only just received the final version of the chipset in May of this year and have not yet therefore had the opportunity to obtain any financial benefit from this co-development. I would also respectfully point out that Nuheara has invested much more than the face value of this convertible note over the past 2 years in getting this chipset to work as a hearing chip. We too trust that you understand that this has been very tough for us.

With that investment in mind, it is imperative that we get the commercial agreement signed as soon as possible to enable us to raise capital and meet all short-term objectives including having sufficient funds for any prospective repayment of the convertible note to Realtek. The Board has determined that we need at least 30 days to conduct a capital raise prior to the maturity of the convertible note, and therefore we require an executed commercial agreement by 4pm Tuesday 6th August. Per your offer to expedite, and the fact that the agreement has already been in Realtek's hands since July 4, we trust that this will be possible from your team's perspective, and we and our legal advisors are available over course of the next few days, as required.

Thank you in advance for your prompt attention.

Kind Regards,

Justin

Dear Sir

**Nuheara Limited (Administrators Appointed) - Realtek Semiconductor Corporation**

As you are aware, on 7 August 2024, Messrs Martin Jones, Matthew Woods and Clint Joseph were appointed as joint and several administrators (**Administrators**) of Nuheara Limited (Administrators Appointed) (**Company**).

We act for the Administrators.

We understand that, prior to the Administrators' appointment, you acted as the local legal representative of Realtek Semiconductor Corporation (**Realtek**), and that you represented Realtek at the first meeting of the Company's creditors on 19 August 2024. For that reason we write to you in relation to the matters below rather than your client directly.

A search of the Personal Property Securities Register for the Company discloses, amongst other things, a registration made 15 March 2024 in favour of Realtek being Registration Number 202403150083941 (**Registration**). You are listed as the service address for the Registration.

For the reasons that follow, the Administrators consider that any security interest Realtek held in respect of the Company, had vested in the Administrators immediately prior to their appointment on 7 August 2024. The Administrators were concerned to put this to Realtek and its advisers as soon as they reached this conclusion and to invite Realtek, if it wishes to do so, to put anything in response to what is said below.

Meanwhile, the Administrators can only proceed on the basis that the security taken by Realtek has vested and cannot be relied on by Realtek.

**1 Background**

- 1.1 The Company and Realtek are parties to a Convertible Note Subscription Agreement dated 7 September 2022 (**Agreement**) by which Realtek subscribed for, and the Company agreed to issue, 2.5m Convertible Notes for the Subscription Amount, being AU\$2.5m. The Convertible Notes were issued on the Note Conditions being the terms and conditions contained in Schedule 2 to the Agreement (**Conditions**). The Conditions included that, subject to shareholder approval, Realtek would have a security interest in the "Collateral" as defined in the Conditions as security for the

performance by the Company of its obligations under the Agreement. In substance the Collateral is all of the Company's present and after acquired property.

- 1.2 The Subscription Amount was received on or about 9 September 2022.
- 1.3 An ASX release by the Company dated 29 November 2022, states that shareholders had resolved to approve the grant of security to Realtek, thus making the grant of security in favour of Realtek unconditional.
- 1.4 On 18 March 2024, Realtek registered an interest as against the Company on the Personal Property Securities Register being the Registration which is an "All-PAP" registration. Based on the Administrators' review of the Company's books and records, the Registration could only be in respect of the Agreement, there being no other known grant of any security interest by the Company to Realtek. However, if they are mistaken about that please let us know, as it may be relevant to the Administrators' position. The balance of this letter is premised on the assumption that the Registration is made in respect of the security interest conferred by the Agreement and there is no other agreement which is relevant to the issues referred to in this letter.
- 1.5 Prior to 18 March 2024, Realtek did not have possession or control of the Collateral as defined in the Agreement and, as noted above, on 7 August 2024, the Administrators were appointed to the Company (and its two subsidiaries).

## 2 Vesting of security interest

- 2.1 The Agreement confers a 'security interest' in 'personal property' on Realtek within the meaning of sections 12 and 10 of the *Personal Property Securities Act 2009* (Cth) respectively.
- 2.2 Realtek did not perfect its security interest until it lodged the Registration on or about 18 March 2024, because until 18 March 2024 Realtek did not have possession or control of the personal property defined in the Agreement as the Collateral.
- 2.3 Section 588FL of the *Corporations Act 2001* (Cth) applies in this situation because:
  - (a) of the appointment of Administrators to the Company on 7 August 2024 such that s 588FL(1)(a)(ii) is engaged; and
  - (b) for the purposes of s 588FL, the 'critical time' is 7 August 2024 being the date on which Administrators were appointed to the Company. As at 7 August 2024:
    - (i) Realtek held a security interest under the Agreement which was enforceable against third parties under the law of Australia. That is because as at that date:
      - (A) the security interest had attached to the goods (being the Collateral) because:
        - (I) the grantor (the Company) had rights in the Collateral; and
        - (II) value was given for the security interest being payment by Realtek to the Company in accordance with the Agreement;
      - (ii) Realtek did not possess the Collateral, or perfect the security interest by controlling the same;
      - (iii) a security agreement (the Agreement) covered the Collateral in accordance with subsection 20(2) of the *Personal Property Securities Act 2009* (Cth) because the Agreement is evidenced by writing signed by the Company which contained either a statement that Realtek took a security interest in either all of the Company's present and after- acquired property; and
    - (c) the security interest was perfected by the Registration, and by no other means (that is, not by possession or control);

- (d) the registration time for the Collateral (18 March 2024) is after the latest of the following:
- (i) 6 months before the critical time (which would be on or about 7 February 2024) being 6 months prior to the appointment of the Administrators;
  - (ii) the earlier of 20 business days after the Agreement came in to force (7 September 2022 being 7 October 2022), or the critical time (being 7 August 2024) (that is, for the purpose of this requirement the relevant date is 7 October 2022 and not the date of appointment of Administrators);
  - (iii) a date only relevant to agreements in force under foreign laws;
- that is the registration time (18 March 2024) occurred after the latest of the above dates being 7 February 2024; and

- (e) none of the exceptions to the vesting of interests in s 588FN of the Corporations Act apply.

2.4 The effect of the above, is that the security interest conferred by the Agreement vested in the Administrators immediately before their appointment on 7 August 2024. Accordingly Realtek is:

- (a) an unsecured creditor of the Company; and
- (b) is unable to exercise any of the rights which the Agreement purported to grant in its favour in respect of the enforcement of any security, which Realtek might consider it held under the Agreement.

### 3. Conclusion

The Administrators consider it prudent to allow Realtek a period of time to consider this issue and put any submissions to them as it might wish in relation to the matter, which they will consider. If Realtek wishes to do so the Administrators ask that it do so within 14 days.

However, in dealing with Realtek as creditor of the Company, the Administrators are obliged to consider it to be an unsecured creditor of the Company.

If you wish to discuss the matter, please do not hesitate to contact us.

Yours faithfully

Dear Mr Barrett

## Nuheara Limited (Administrators Appointed) – Realtek Semiconductor Corporation

- 1 We refer to your letter to Bennett dated 20 August 2024 and confirm that Bennett act for Realtek Semiconductor Corporation (**Realtek**).
- 2 The purpose of this letter is to seek the Administrators consent and/or position regarding Realtek's proposed application for an extension of time to register a security interest pursuant to section 588FM of the *Corporations Act 2001* (**Act**) for the purpose of section 588FL(2)(b)(iv) of the Act.
- 3 Our instructions are set out below.
- 4 Realtek is incorporated in and operates from Taiwan. Realtek does not have any offices or employees in Australia.
- 5 Nuheara Limited (ACN 125 167 133) (**Administrators Appointed**) (**Company**) and Realtek are parties to a Convertible Note Subscription Agreement dated 7 September 2022 (**Agreement**) by which Realtek subscribed for, and the Company agreed to issue 2.5 million Convertible Notes for the Subscription Amount of AUD \$2.5 million dollars on the terms of the Agreement.
- 6 Under the Agreement, the Company granted a first ranking security in and lien on the Collateral (being all of the present and future assets of the Company) to Realtek subject to the approval of the shareholders of the Company (clauses 1.1, 10.1, 10.2) (**Security**).
- 7 On 8 September 2022 the Company made a public announcement on the Australian Securities Exchange (**ASX**) to the effect that it had signed the Agreement and provided a summary of the key terms which included the Security and the requirement by the Company to obtain shareholder approval for the Security by 30 November 2022.
- 8 On 29 November 2022 the shareholders of the Company approved the Security, and the Company made a public announcement on the ASX to the effect that shareholders of the Company approved the Security.

- 9 On 12 March 2024 Realtek sought advice from Mr David Sanders, Corporate Counsel of Bennett regarding the Company's financial circumstances.
- 10 On 13 March 2024, Mr David Sanders advised Realtek that the Security had not been registered on the PPSR against the Company and recommended that the Security be registered as a priority.
- 11 On 14 March 2024, Bennett offered to enter into a retainer with Realtek to register the Security and on the same day Realtek retained Bennett to register the Security.
- 12 On 15 March 2024, Bennett registered the Security as an "All-PAP" security interest on behalf of Realtek against the Company on the Personal Property Securities Register (PPSR) bearing registration number 202403150083941 (**Registration**).
- 13 Realtek accepts that it is necessary for the Court to make an order in favour of Realtek under section 588FM(2) of the Act to extend the time for the Registration of the Security to 15 March 2024 for the purposes of 588FL(2)(b)(iv) of the Act in order to avoid the consequence that Security vested in the Company when the Administrators were appointed.
- 14 Realtek considers there are reasonable and proper grounds for the Court to make an order extending the Registration of the Security to 15 March 2024.
- 15 Firstly, the power of the Court to make an order extending the time for Registration of the Security is enlivened for the following reasons:
- 15.1 the failure by Realtek to register the Security within time was due to inadvertence within the meaning of section 588FM(2)(a)(i) of the Act;
- 15.2 the meaning of inadvertence is settled: It is sufficient to note for present purposes that inadvertence is demonstrated if there is failure to understand the requirement for registration within the specified period or there is an innocent error in the sense of failure to register the security due to ignorance of the legal requirement to do so;
- 15.3 as stated in the letter above, Realtek is a Taiwanese company and the relevant member of staff of Realtek (namely, Jr-Neng, Chang also known as Eric Chang for email communications) who was dealing with the Company in relation to the Agreement is based in Taiwan and has no experience in Australian securities law;
- 15.4 the relevant member of staff of Realtek (namely Jr-Neng, Chang also known as Eric Chang for email communications) did not know of the legal requirement to register the Security in Australia on the PPSR until 13 March 2024 when Realtek was advised by Mr David Sanders; and
- 15.5 accordingly, the failure to register the Security was due to Realtek not understanding the legal requirement to register the Security within 20 business days of the Agreement in order to protect its position.
- 16 Secondly and if the power to grant the extension is enlivened, the following discretionary factors weigh in favour of granting the extension:
- 16.1 upon being advised of the legal requirement in Australia to register the Security on 13 March 2024, Realtek retained Bennett on 14 March 2024 and instructed Bennett to register the Security as a matter of urgency;
- 16.2 by 15 March 2024 Realtek had registered the Security on the PPSR. Essentially, Realtek acted very quickly from the moment it knew of the legal requirement to register the Security. This is a critical factor;

- 16.3 Realtek's officers were unaware of the legal requirements to register the Security in Australia;
- 16.4 Realtek did not receive any advice or information to the effect that it needed to register the Security in Australia until 13 March 2024. Accordingly, there can be no suggestion that Realtek was careless in protecting its legal interests after the Agreement was signed;
- 16.5 there was and is publicly available information about the grant of the Security announced by the Company on the ASX averting to the existence of the Security from at least 8 September 2022;
- 16.6 given the date on which the Security was ultimately registered and when the Company was placed into Administration, it is open to infer that all if not the majority of the unsecured creditors of the Company who were capable of being prejudiced by the delay in Registration have already been paid by the Company. If this is disputed, please confirm and provide details of any unpaid unsecured creditors who have been owed money by the Company since before 15 March 2024; and
- 16.7 no other parties have taken security from the Company from the date of the Agreement to date of the registration of the Security nor since. In this regard we *attach* PPSR grantor search summary dated 26 August 2024.
- 17 Realtek needs to understand the Administrators' position prior to making the proposed application. The Administrators' position is critical including in relation to the timing and costs the application. Accordingly, could you please let us know by **4pm on 3 September 2024**, whether the Administrators:

- 17.1 will consent to orders to the effect that Realtek be granted an extension of time for the Registration of the Security to 15 March 2024; or
- 17.2 oppose the application. If the Administrators oppose the application, please explain the basis for the opposition; or
- 17.3 neither consent nor oppose the application.

18 In any event, please let us know whether you have instructions to accept service on behalf of the Administrators as they would need to be named as a party to any application irrespective of the position taken by the Administrators.

19 We are available to confer with you.

Yours sincerely

Dear Sir

**Nuheara Limited (Administrators Appointed) (Company) and Realtek Semiconductor Corporation (Realtek)**

We refer to your letter dated 27 August 2024, the contents of which are noted.

Your letter seeks our client's position in respect of a foreshadowed application (**Application**) pursuant to s 588FM of the *Corporations Act 2001 (Cth)* (**Act**) to extend time for the registration of a security interest.

Our clients accept that:

- 1 the Convertible Note Subscription Agreement dated 7 September 2022 conferred on Realtek a security interest within the meaning of the *Personal Property Securities Act 2009 (Cth)* (**PPSA**);
- 2 it was the mutual intention of Realtek and the Company that Realtek's security interest was intended to be secured by way of registration on the register maintained pursuant to the PPSA being the Personal Property Securities Register (**PPSR**). The grant of that interest was specifically approved by the Company's members at an annual general meeting held 29 November 2022, the results of which were published that day; and
- 3 no party has, at least to date, asserted any claim as a secured creditor of the Company which might be prejudiced by an order under s 588FM of the Act.

As Administrators of the Company, our clients must act in the best interests of its creditors. The Application, if granted, will inherently prejudice creditors of the Company, other than your client. That is a factor which we consider should be considered by the Court on such an application.

In these circumstances and where our clients are obliged to act in the best interests of the Company's creditors, it would not be appropriate for them to consent to the proposed orders. However, given what you say in your letter and the matters referred to above, our clients do not presently intend to oppose the Application based on their current knowledge of the matter, particularly where they are unaware of any specific prejudice which would might be sustained if the foreshadowed orders were obtained. However, they reserve their position should any evidence which contradicts those circumstances, subsequently emerge.

As a matter of fairness to the Company's creditors our client will be obliged to give them notice of the Application (or ensure that Realtek does so). In the normal course this would involve providing creditors

with, at least, a copy of any Originating Application filed. The Commonwealth, as administrator of the Fair Entitlements Guarantee, has also notified that it is a contingent creditor and likewise the Administrators consider that notice should be given to the Commonwealth. If any creditor does raise any matter of specific prejudice, our clients' position may change. Should that occur you will be promptly notified.

Finally, as Administrators of the Company it may be appropriate for our clients to appear on the Application and potentially to make submissions to ensure that all relevant matters are before the Court. In that respect they necessarily reserve their position on costs. They will, however, seek to minimise costs where possible.

Please let us know if you have any questions in respect of our clients' position or otherwise wish to discuss it.

Yours faithfully
