I, MARTIN BRUCE JONES care of Level 7, 235 St Georges Terrace, Perth in the State of Western Australia, Chartered Accountant and Registered Liquidator, make oath and say as follows:

1. I am a Registered Liquidator and one of the joint and several administrators of each of:
 - 1.1. Nuheara Limited (Administrators Appointed) ACN 125 167 133 (**NUH**);
 - 1.2. Nuheara IP Pty Ltd (Administrators Appointed) ACN 605 704 096 (**Nuheara IP**); and
 - 1.3. Terrace Gold Pty Ltd (Administrators Appointed) ACN 072 608 952 (**Terrace Gold**),

(together the **Companies**). In this affidavit, unless it is necessary to distinguish between the three Companies, I have referred to them collectively and the statements apply to each of the Companies.
2. I make this affidavit with the knowledge, approval and concurrence of my fellow administrators of the Companies, Matthew David Woods and Clint Peter Joseph,

who are also plaintiffs in this proceeding. In this affidavit, a reference to "we" or "us" or "our" is intended to refer to Messrs Woods and Joseph and me together, in our capacities as the administrators of each of the Companies.

3. Unless otherwise indicated, I make this affidavit from my own knowledge. Where I have made a statement based on information and belief, I have identified the source of that information and believe the same to be true.
4. I am a Chartered Accountant and partner of KPMG, based at Level 7, 235 St Georges Terrace, Perth in the State of Western Australia. I have over thirty years of corporate restructuring and insolvency experience. I have been a Registered Liquidator since 19 December 1990, originally under the (then) *Companies (Western Australia) Code*.
5. I make this affidavit in support of our application (**Application**) seeking an order extending the convening period in relation to the administration of each of the Companies, together with other consequential orders.
6. A summary of the basis for the Application is that:
 - 6.1. we intend to recapitalise the Companies by inviting offers for a Deed of Company Arrangement (**DOCA**) or alternatively attempt to sell the Companies' business as a going concern or sell the Companies' assets; and
 - 6.2. the time ordinarily allowed for us to prepare a report to creditors for the purpose of the meeting required to be convened under section 439A(1) of the Act will end before any 'go to market' strategy could be completed and is insufficient for that purpose.

Urgency of application

7. On 7 August 2024, we were appointed as joint and several administrators of each of the Companies pursuant to section 436A of the Act. We were appointed by the Companies' directors who had resolved that, amongst other things, each of the Companies was, or was likely to become, insolvent.
8. Unless orders are made extending the convening period, the convening period will end, in accordance with s 439A(5) of the Act, on 5 September 2024. For this reason I respectfully say that this Application is urgent.

The Companies

9. Attached and marked "MBJ-1" is a copy of a current and historical ASIC search

for NUH.

10. Attached and marked "MBJ-2" is a copy of a current and historical ASIC search for Nuheara IP.
11. Attached and marked "MBJ-3" is a copy of a current and historical ASIC search for Terrace Gold.
12. Based on my preliminary investigations into the Companies' affairs, I believe that NUH:
 - 12.1. develops and sells headphone products known as 'earbuds' including for medical purposes. NUH's earbud product is known as an 'IQbud';
 - 12.2. is listed on the Australian Securities Exchange (**ASX**) with the company code "NUH". It is currently suspended from trading and remains suspended as a result of our appointment as administrators;
 - 12.3. has an international business but primarily markets and sells its products in the United States of America;
 - 12.4. owns all of the shares in Nuheara IP;
 - 12.5. owns 80% of the issued shares of Terrace Gold; and
 - 12.6. is the main trading entity in the group which also includes its two subsidiaries Nuheara IP and Terrace Gold.
13. As at the time of swearing this affidavit, and subject to what I say in paragraphs 15-22 below (in particular in relation to the position of Realtek Semiconductor Corporation (**Realtek**)), I have identified that:
 - 13.1. there are two entities with security interests registered on the Personal Property Securities Register (**PPSR**) where NUH is the grantor. Those security interests are discussed further below;
 - 13.2. there are 44 known unsecured creditors of the Companies with debts totalling approximately \$3,500,000 to \$3,550,000 (excluding Realtek). All of them appear to be creditors of NUH rather than either of the subsidiaries; and
 - 13.3. there are approximately 23 employees of NUH whom are (and continue to be) employed by NUH, and who together are owed approximately \$496,000 by NUH. The subsidiaries do not have any employees of their own.

14. We have not called for nor adjudicated formal proofs of debt in accordance with the provisions of the Act in relation to the Companies. If and when we do so, we will need to undertake a formal adjudication process. The findings summarised in the paragraphs which follow do, however, represent my present understanding and preliminary belief as to debts owing by the Companies.
15. Realtek is a supplier of electronic microchips which are used in NUH's earbuds. In addition, Realtek and NUH are parties to a Convertible Note Subscription Agreement dated 7 September 2022 (**Agreement**). I have not attached a copy of the Agreement to this affidavit because it is confidential.
16. I understand from my review of the Agreement that, pursuant to the Agreement, Realtek lent NUH the sum of AU\$2,500,000 and the obligation to repay that loan could be converted, at Realtek's option, to equity in NUH. If not converted to equity, the loan becomes repayable two years after the date the Convertible Notes were issued pursuant to the Agreement (which was 7 September 2022).
17. I also understand from my review of the Agreement that the Agreement provided that Realtek would have security over NUH's assets defined within as the 'Collateral'.
18. Attached and marked "MBJ-4" is a copy of a search of the records of the PPSR in relation to NUH as "grantor".
19. Based on my review of that search, I believe that Realtek did not register any security until 15 March 2024, which was less than six months before our appointment as administrators. I have therefore formed the preliminary view that, subject to anything that Realtek might put to me, any security interest conferred on Realtek pursuant to the Agreement vested in the Administrators immediately prior to our appointment pursuant to s 588FL of the Act.
20. On 20 August 2024, the Administrators' solicitors wrote to Realtek's Australian solicitors regarding the security. Attached and marked "MBJ-5" is a copy of that letter.
21. At the time of swearing this affidavit, I have not received a response to that letter.
22. As a matter of fairness to Realtek I have not reached a final view in relation to the matter and will consider any response that Realtek makes before doing so. I am also conscious that an application might be made to extend time for the registration of any interest by Realtek pursuant to section 588FM of the Act, though at present I do not know if any application is contemplated and if so what

might be its basis.

23. Other than Realtek, the PPSR search identifies one (further) secured creditor of NUH being Iraklion Group Pty Ltd but only in respect of particular goods. According to NUH's books and records Iraklion Group Pty Ltd is owed \$52,779.34 (including GST) by NUH.
24. The top five known creditors of NUH other than Realtek and Iraklion Group Pty Ltd, who are all unsecured (and subject to the qualification in paragraph 14 above that we have neither called for nor received formal proofs of debt, and so all views remain tentative and subject to further investigation and proof), are as follows:
 - 24.1. Salutica Allied Solutions in the sum of \$2,621,716;
 - 24.2. the Deputy Commissioner of Taxation in the sum of \$443,444;
 - 24.3. Bonar Dickson in the sum of \$53,048;
 - 24.4. Jones Lang Lasalle (WA) Pty Ltd in the sum of \$52,779; and
 - 24.5. Automic Markets Pty Ltd in the sum of \$46,373.
25. It appears to me from our preliminary investigations that NUH's primary assets are:
 - 25.1. shares that it owns in its subsidiary Nuheara IP, which I understand owns the intellectual property associated with the product it sells; and
 - 25.2. stock on hand.
26. I have deliberately not placed a value on these assets in this affidavit, in part because of uncertainty as to their value, but predominantly because I intend to attempt to recapitalise the business or alternatively invite offers to buy the assets, and as such the value is commercially sensitive. Regardless, it is my view that NUH is insolvent in that it cannot pay its debts which are due and payable.
27. In relation to Nuheara IP, and based on our investigations to date, I believe that:
 - 27.1. as stated in paragraph 25 above, Nuheara IP owns the intellectual property associated with the product sold by NUH;
 - 27.2. as at 19 August 2024 when I caused a search to be conducted, there were no registrations made on the PPSR in respect of any of its assets;
 - 27.3. Nuheara IP is indebted to NUH in relation to loans made by NUH to it but otherwise has no known creditors or employees;

- 27.4. Nuheara IP is insolvent in that it cannot pay its debts which are due and payable, namely the loans made to it by NUH (which I understand are payable on call); and
- 27.5. Nuheara IP is reliant on NUH (and its staff) for administrative support and to meet its statutory obligations. Without the support of NUH, there is no mechanism controlling an orderly realisation of Nuheara IP's assets and achieving a distribution to creditors.
28. In relation to Terrace Gold, and based on our investigations to date, I believe that:
- 28.1. Terrace Gold is an 80% subsidiary of NUH. The remaining 20% of its shares are owned by a number of other shareholders as outlined in the ASIC search that is attached as "MBJ-3". At the time of swearing this affidavit, I have not had the opportunity to contact the other shareholders of Terrace Gold specifically, and have not had any contact from any of them;
- 28.2. Terrace Gold's main asset appears to be a potential entitlement to a deferred payment being consideration payable for a non-core mining royalty it sold in May 2022. A further payment of USD\$450,000 is (or may be or become) due, in cash or shares of Vox Royalty Corp., but the recovery is currently uncertain due to, amongst other things, there being unfulfilled conditions precedent to the payment becoming due;
- 28.3. as at 19 August 2024 when I caused a search to be conducted there were no registrations made on the PPSR in respect of any of its assets;
- 28.4. is indebted to NUH pursuant to loans made by NUH to it but otherwise has no known creditors or employees;
- 28.5. is insolvent in that it cannot pay debts which are due and payable, namely the loans made to it by NUH (which I understand are payable on call); and
- 28.6. Terrace Gold is also reliant on NUH (and its staff) for administrative support and to meet its statutory obligations. Without the support of NUH there is no mechanism controlling an orderly realisation of Terrace Gold's assets and achieving a distribution to creditors.

First meeting of creditors

29. The first meeting of creditors of each of the Companies occurred on 19 August 2024. The meeting occurred concurrently for each of the three Companies.
30. At the first meeting of creditors of the Companies I:
- 30.1. chaired the meeting;
 - 30.2. explained to those in attendance in general terms the administration process and ordinary timeframe for conducting the second meeting of creditors. I explained that the convening period, as that term is used in section 439A(5) of the Act, is a period of 20 business days commencing on 8 August 2024 (being the day after the administration began on 7 August 2024) and concluding on 5 September 2024; and
 - 30.3. made a statement to those in attendance that I would be making this Application for an extension of the convening period for an additional period of 90 days in order to pursue a restructure or a potential sale of the Companies' business on a going concern basis. No creditors asked any questions, raised any objection to or otherwise commented on that proposed course of action at the first meeting, and none have done so subsequently.
31. No creditor or person present called for a vote to replace the Administrators and there was no vote to establish a committee of creditors in relation to any of the Companies.
32. Attached and marked "MBJ-6" is a copy of the minutes of the first meeting of creditors.

Extension to the convening period

33. We are in the early stages of undertaking a 'go to market' process for the restructure or the sale of the Companies' business and/or assets. A corporate advisory firm (Azure Capital (**Azure**)) is being engaged to assist with this process. I explain, at a high level, that process at paragraph 36 below.
34. We seek an extension to the convening period because we believe that it is in the best interests of the creditors of each of the Companies, as:
- 34.1. such an extension will allow a more orderly disposal of the Companies' business or assets than might be possible without an extension to the convening period;

- 34.2. there is insufficient time to embark on a 'go to market' process such that it would be sufficiently advanced by 5 September 2024, for me to report on to creditors as to the likely outcome of that process; and
- 34.3. any restructure or sale is likely to produce a better return to the Companies' creditors, including its unsecured creditors (though potentially subject to any claim that might be made by Realtek as to its status as a creditor), than an immediate winding up.
35. I consider that, if the Companies' business or assets can be subject to a restructure or sold, it will likely produce a better return to the Companies' creditors than an immediate winding up, because:
- 35.1. at present, the Companies are insolvent and no Deed of Company Arrangement (**DOCA**) has been proposed. That being so, absent a DOCA being proposed which, to my knowledge, is not presently contemplated and has not been notified to me, the Companies will go in to liquidation at the second meeting of creditors if it is convened without any extension being granted; and
- 35.2. in relation to NUH, key contracts (including potentially for the supply of critical hardware being the electronic microchips supplied by Realtek, though I understand there is some uncertainty as to the current status of this agreement) may be capable of being terminated because the restriction on enforcing rights under section 451E will come to an end. In my experience, when selling a business as a going concern the preservation of key contracts can increase the sale price.
36. In broad terms, I anticipate that the following steps will be involved in seeking an offer for the restructure or sale of the Companies' business or assets (and provide an outline of the status and timeframes of those steps):
- 36.1. directly identifying parties who may be interested in buying the business or assets: Azure has already identified a number of potential buyers and will be contacting each directly to ascertain their interest in a restructure of the Companies via or DOCA or purchase of the Companies' businesses as a going concern. I anticipate that this process can be completed by 30 August 2024;
- 36.2. (subject to Azure's advice) advertising the Companies' assets and business more broadly: as yet a marketing strategy has not been agreed,

in part because we consider it prudent to bring this Application and obtain certainty as to the time available to attempt to sell the Companies' assets and business before finalising a sales strategy. I anticipate that developing and implementing an advertising and sales strategy (in conjunction with Azure) that can maximise the chances of the business or assets being sold at the most advantageous price will take approximately three to four weeks;

- 36.3. providing more detailed information to potential purchasers: materials for a data room have been collated and a data room will be established. Parties will be required to sign non-disclosure/confidentiality agreements before being given access;
 - 36.4. a due diligence period will commence upon execution of a non-disclosure/confidentiality agreement: it is anticipated that potential buyers will be allowed three weeks to conduct due diligence;
 - 36.5. negotiations with potential buyer/s: it is difficult to anticipate at this stage what this may involve and how long it may take;
 - 36.6. formalisation of offer and meeting of creditors: it is anticipated that once a buyer is selected, it will take approximately 2 weeks to document the transaction and convene a meeting of creditors to consider the proposal; and
 - 36.7. settlement will occur sometime thereafter.
37. In total, I estimate, based on my experience in selling other international businesses, that a minimum of two to three months would be required to properly market and sell assets of the kind owned by the Companies. I consider this likely, in part, because the Companies' business might be of interest to foreign entities such that there is at least the potential need to obtain approval from the Foreign Investment Review Board before settlement could proceed.
38. In addition, while my expectation is that any sale transaction would most likely involve a sale of assets, as I stated in paragraph 12.2 NUH is listed on the ASX. It may be that a purchaser wishes to acquire shares in NUH in order to preserve that listing. Such a transaction would be complicated from a regulatory approval perspective and invariably could not be completed within the convening period.
39. It is for the reasons in the foregoing paragraphs that an extension of the convening period for an additional period of 90 days is sought.

40. I accept that some of the steps outlined above are tentative and will only be undertaken if the Application is granted. In setting out these anticipated steps I do not in any way intend to be presumptuous as to what the Court might order. Rather, I intend to convey what steps would be taken, and the time it would take, if the Application is granted, but I respect that this is ultimately a matter for the Court.

Notice to creditors

41. As stated in paragraphs 29-31 above, the first meeting of creditors of each of the Companies occurred concurrently on 19 August 2024 and I foreshadowed to creditors who were in attendance at that meeting that we anticipated bringing this Application.
42. On 23 August 2024, I caused staff of my firm KPMG to email a copy of a letter of that date (**Creditor Letter**) to the known creditors of the Companies, foreshadowing an intention to seek an extension of the convening period until midnight on 11 December 2024. The Creditor Letter enclosed a draft of the Originating Process to be filed in this proceeding.
43. Attached to this affidavit and marked "MBJ-7" is a true copy of the Creditor Letter dated 23 August 2024.
44. KPMG maintains a portal on its website to provide information to creditors of insolvency files undertaken by its partners and staff. That portal contains a site for the Companies (**Creditor Portal**) located at the following address: <https://kpmg.com/au/en/home/creditors/nuheara.html>. Creditors have been notified of the Creditor Portal and given instructions on how to access it in previous correspondence regarding the administration.
45. On 23 August 2024, I caused a copy of the Creditor Letter to be uploaded to the Creditor Portal.
46. Once this Application has been filed and a date listed for hearing it, I will make that information available to the creditors through a further letter (to be emailed to creditors and uploaded in the Creditor Portal).
47. At the time of swearing this affidavit, I am unaware of any creditor expressing any view in opposition to the Administrators seeking an extension to the convening period.
48. I am unaware of any reason why this Honourable Court should not grant the extension to the convening period sought, and I am unaware of any materials

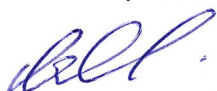

which might be relevant to this application which I have not brought to the attention of the Court. I am unaware of any party who might suffer prejudice if the Application is granted.

49. It is my intention, if an extension to the convening period sought is granted, to notify the Companies' creditors of that fact in the same manner as they were notified of my intention to seek it, that is:

49.1. to write to the known creditors of the Companies by email and to enclose with that communication a copy of any orders made by the Court; and

49.2. by uploading an update to the Creditor Portal.

Dear Sir

Nuheara Limited (Administrators Appointed) - Realtek Semiconductor Corporation

As you are aware, on 7 August 2024, Messrs Martin Jones, Matthew Woods and Clint Joseph were appointed as joint and several administrators (**Administrators**) of Nuheara Limited (Administrators Appointed) (**Company**).

We act for the Administrators.

We understand that, prior to the Administrators' appointment, you acted as the local legal representative of Realtek Semiconductor Corporation (**Realtek**), and that you represented Realtek at the first meeting of the Company's creditors on 19 August 2024. For that reason we write to you in relation to the matters below rather than your client directly.

A search of the Personal Property Securities Register for the Company discloses, amongst other things, a registration made 15 March 2024 in favour of Realtek being Registration Number 202403150083941 (**Registration**). You are listed as the service address for the Registration.

For the reasons that follow, the Administrators consider that any security interest Realtek held in respect of the Company, had vested in the Administrators immediately prior to their appointment on 7 August 2024. The Administrators were concerned to put this to Realtek and its advisers as soon as they reached this conclusion and to invite Realtek, if it wishes to do so, to put anything in response to what is said below.

Meanwhile, the Administrators can only proceed on the basis that the security taken by Realtek has vested and cannot be relied on by Realtek.

1 Background

1.1 The Company and Realtek are parties to a Convertible Note Subscription Agreement dated 7 September 2022 (**Agreement**) by which Realtek subscribed for, and the Company agreed to issue, 2.5m Convertible Notes for the Subscription Amount, being AU\$2.5m. The Convertible Notes were issued on the Note Conditions being the terms and conditions contained in Schedule 2 to the Agreement (**Conditions**). The Conditions included that, subject to shareholder approval, Realtek would have a security interest in the "Collateral" as defined in the Conditions as security for the

performance by the Company of its obligations under the Agreement. In substance the Collateral is all of the Company's present and after acquired property.

- 1.2 The Subscription Amount was received on or about 9 September 2022.
- 1.3 An ASX release by the Company dated 29 November 2022, states that shareholders had resolved to approve the grant of security to Realtek, thus making the grant of security in favour of Realtek unconditional.
- 1.4 On 18 March 2024, Realtek registered an interest as against the Company on the Personal Property Securities Register being the Registration which is an "All-PAP" registration. Based on the Administrators' review of the Company's books and records, the Registration could only be in respect of the Agreement, there being no other known grant of any security interest by the Company to Realtek. However, if they are mistaken about that please let us know, as it may be relevant to the Administrators' position. The balance of this letter is premised on the assumption that the Registration is made in respect of the security interest conferred by the Agreement and there is no other agreement which is relevant to the issues referred to in this letter.
- 1.5 Prior to 18 March 2024, Realtek did not have possession or control of the Collateral as defined in the Agreement and, as noted above, on 7 August 2024, the Administrators were appointed to the Company (and its two subsidiaries).

2 Vesting of security interest

- 2.1 The Agreement confers a 'security interest' in 'personal property' on Realtek within the meaning of sections 12 and 10 of the *Personal Property Securities Act 2009* (Cth) respectively.
- 2.2 Realtek did not perfect its security interest until it lodged the Registration on or about 18 March 2024, because until 18 March 2024 Realtek did not have possession or control of the personal property defined in the Agreement as the Collateral.
- 2.3 Section 588FL of the *Corporations Act 2001* (Cth) applies in this situation because:
 - (a) of the appointment of Administrators to the Company on 7 August 2024 such that s 588FL(1)(a)(ii) is engaged; and
 - (b) for the purposes of s 588FL, the 'critical time' is 7 August 2024 being the date on which Administrators were appointed to the Company. As at 7 August 2024:
 - (i) Realtek held a security interest under the Agreement which was enforceable against third parties under the law of Australia. That is because as at that date:
 - (A) the security interest had attached to the goods (being the Collateral) because:
 - (I) the grantor (the Company) had rights in the Collateral; and
 - (II) value was given for the security interest being payment by Realtek to the Company in accordance with the Agreement;
 - (ii) Realtek did not possess the Collateral, or perfect the security interest by controlling the same;
 - (iii) a security agreement (the Agreement) covered the Collateral in accordance with subsection 20(2) of the *Personal Property Securities Act 2009* (Cth) because the Agreement is evidenced by writing signed by the Company which contained either a statement that Realtek took a security interest in either all of the Company's present and after- acquired property; and
 - (c) the security interest was perfected by the Registration, and by no other means (that is, not by possession or control);

- (d) the registration time for the Collateral (18 March 2024) is after the latest of the following:
 - (i) 6 months before the critical time (which would be on or about 7 February 2024) being 6 months prior to the appointment of the Administrators;
 - (ii) the earlier of 20 business days after the Agreement came in to force (7 September 2022 being 7 October 2022), or the critical time (being 7 August 2024) (that is, for the purpose of this requirement the relevant date is 7 October 2022 and not the date of appointment of Administrators);
 - (iii) a date only relevant to agreements in force under foreign laws;
 that is the registration time (18 March 2024) occurred after the latest of the above dates being 7 February 2024; and
- (e) none of the exceptions to the vesting of interests in s 588FN of the Corporations Act apply.

2.4 The effect of the above, is that the security interest conferred by the Agreement vested in the Administrators immediately before their appointment on 7 August 2024. Accordingly Realtek is:

- (a) an unsecured creditor of the Company; and
- (b) is unable to exercise any of the rights which the Agreement purported to grant in its favour in respect of the enforcement of any security, which Realtek might consider it held under the Agreement.

3. Conclusion

The Administrators consider it prudent to allow Realtek a period of time to consider this issue and put any submissions to them as it might wish in relation to the matter, which they will consider. If Realtek wishes to do so the Administrators ask that it do so within 14 days.

However, in dealing with Realtek as creditor of the Company, the Administrators are obliged to consider it to be an unsecured creditor of the Company.

If you wish to discuss the matter, please do not hesitate to contact us.

Yours faithfully
Thomson Geer

The Chairperson advised that he chose to hold the meetings concurrently to allow for efficient communication to all stakeholders with common interests and in order to minimise costs and generally allow an efficient Administration process without prejudicing creditor rights.

7 Convening the meeting

The Chairperson advised that, in accordance with IPR 75-30, the meeting was being held at a date, time and place convenient to the majority of persons entitled to receive notice of the meeting.

8 Purpose of the meeting

- Any other business.

9 Declaration of Independence, Relevant Relationships and Indemnities (DIRRI)

The Chairperson advised that in the circular to creditors of the Companies dated 8 August 2024, the Administrators made a declaration of all of their relevant relationships and indemnities in connection with the Companies and the administration.

That declaration confirmed that:

- i. the appointment was referred to us by Cor Cordis, The Companies' safe harbour advisors who contacted Martin Jones on 1 August 2024. We provided an overview of the VA process and explained the various options to the Companies. This led to our appointment on 7 August 2024.
- ii. the Administrators, and our firm, have assessed their independence and are not aware of any reasons that would prevent us from accepting the appointment.
- iii. the Administrators, and our firm did **not** have, or have had within the preceding 2 years relationships with the Companies as disclosed in the DIRRI, which would prevent us from accepting the appointment
- iv. there has been no update to that declaration.

10 Company Information and Voluntary Administration process

The Chairperson then discussed PowerPoint slide numbers 7 to 11 attached in **Annexure B** (of 17 pages) which gave creditors an overview of the Companies' group structure and voluntary administration process.

The meeting was then opened for discussion.

11 Questions from creditors

The Chairperson then asked whether there were any questions which creditors wished to raise and requested that questions be directed to the Chairperson in the first instance and that questioners identify themselves and the creditors they represent. The Chairperson also advised questions in relation to creditors' specific circumstances can be discussed on a separate call after the meeting if required.

There were no questions from creditors in attendance.

12 Resolutions

The Chairperson advised that pursuant to IPR 75-110(1) and IPR 75-75(3), votes taken at virtual meetings must be taken:

 - (b) A poll is requested by the person presiding at the meeting or by a person participating and entitled to vote at the meeting; or
- otherwise, on a show of hands

The Chairperson advised that a resolution by poll is carried if:

- A majority of creditors voting (whether in person, by attorney or by proxy) vote in favour; and
- The value of the debts owed by the corporation to those voting in favour is more than half the total debts owed to all creditors voting (IPR 75-115).

The Chairperson noted that:

- In accordance with IPR 75-115, the Chairperson may exercise a casting vote if no result is reached for or against. The Chairperson's decision to exercise this vote is subject to review by the Court upon application by a creditor (Sections 75-42 and 75-43 of Schedule 2 to the Act).
- A secured creditor may vote with respect to the whole of its debt or claim, without being required to estimate the value of its security (IPR 75-87).
- The Administrator will abstain from exercising any general proxies in his favour to vote on any resolutions where the Administrator have any financial interest in the outcome of the resolution.
- A related party is permitted to vote as a creditor at the meeting, provided its claim has been admitted by the Administrator for the purposes of voting (IPR 75-100).
- Where a debt claimed by a related creditor (within the meaning of Section 75-41(4) of Schedule 2 to the Act) has been assigned to that related creditor, the value for the purposes of voting is to be determined by taking the value of the assigned debt to be equal to the value of the consideration given by the related creditor for the assignment of the debt (IPR 75-110(7)).
- Proofs of debt have been admitted in full for voting purposes where the amounts claimed agree to the company's records, or where additional documentation was provided by the creditor to support their claim.
- A resolution will be proposed for each individual company within the group.

14 Alternative Administrators

The Chairperson advised that pursuant to the Instrument of Appointment dated 7 August 2024 Matthew Woods, Clint Joseph and himself were appointed Administrators of the Company.

The Chairperson also advised that in accordance with Section 90-35 of Schedule 2 to the Corporations Act 2001, creditors may, by resolution, appoint someone else as Administrator of the Companies.

The Chairperson noted that there were no other nominations for Administrator and announced that the Companies' appointment stands and accordingly, Matthew Wood, Clint Joseph and himself remain as Administrators of the Companies.

15 Committee of Inspection (COI)

The Chairperson advised that the functions of the COI are:

- To consult with the Administrators about matters relating to the Administration; and
- To receive and consider periodic updates and reports by the Administrators.

The Chairperson advised creditors that Section 80-55 of Schedule 2 of the Act provides that a member of a COI must not directly or indirectly derive any profit or advantage from the external administration of the Company unless creditors resolve otherwise. Section 80-55(2) of Schedule 2 of the Act provides that a member of a COI is taken to derive a profit or advantage from the external administration of the Company if:

- the member directly or indirectly derives a profit or advantage from a transaction (including a sale or purchase) entered into for or on account of the Company; or
- the member directly or indirectly derives a profit or advantage from a creditor of the Company; or
- a related entity of the member directly or indirectly derives a profit or advantage from the administration of the Company.

In the event that the Administrators enter(s) into any transaction with a member of the COI that may result in that member deriving a profit or advantage from the external administration of the Company, it will be necessary for creditors to consider a separate resolution to consent to that arrangement.

The Chairperson stated given the scale and nature of the Companies operations, his view is that a COI would be beneficial. The Chairperson then called for any nominations from those in attendance.

There were no nominations received and the Chairperson announced that a COI would therefore not be formed.

16 Other business

The Chairperson inquired whether there was any other business to be properly conducted, or if there were any further questions regarding the Administration of the Companies before close of the meeting.

The Chairperson advised the meeting that it was the Administrators' intention to apply to Court for an extension of time to the convening period of the Second Meeting of Creditors, having regard to the complexity of the appointment and to allow sufficient time for the Administrators to invite offers for the restructure of the Companies via a Deed of Company Arrangement (DOCA) or alternatively attempt to sell the Companies' business as a going concern. The extension will also allow the Administrator to be able to prepare a comprehensive and detailed report to creditors and analyse the options available to creditors in order to provide a recommendation as options available on the future of the Companies.

The Chairperson also advised the meeting that all creditors would receive notification of the Court application and the relevant Court hearing dates.

The Chairperson asked creditors if they had any questions or comments in relation to the application.

There were no questions / comments, and no other business was discussed.

17 Next steps and close of meeting

There being no further business, the Chairperson thanked those present for attending and advised that a further meeting of creditors for the Companies would be held on or before 11 September 2024, unless that date is extended by way of an application to Court, to receive the Administrators' report on each company's business, property, affairs and financial circumstances, and resolve:

- Whether a Deed of Company Arrangement shall be entered into; or
- Whether the administration should come to an end; or
- Whether the Companies should be wound up.

The Chairperson advised that a circular would be forwarded to creditors advising them of the time and place of the meeting and that proxy forms would accompany the notice of meeting for any creditors who wished to send a proxy.

The Chairperson declared the meeting closed at 11:31 AM AWST.

Signed as a correct record.

Update on the Voluntary Administration

Voluntary Administration Process

The VA is designed to resolve a company's future direction quickly. The Administrator takes control of a company to assess its financial position to try to work out a way to save the business or maximise returns to creditors.

206

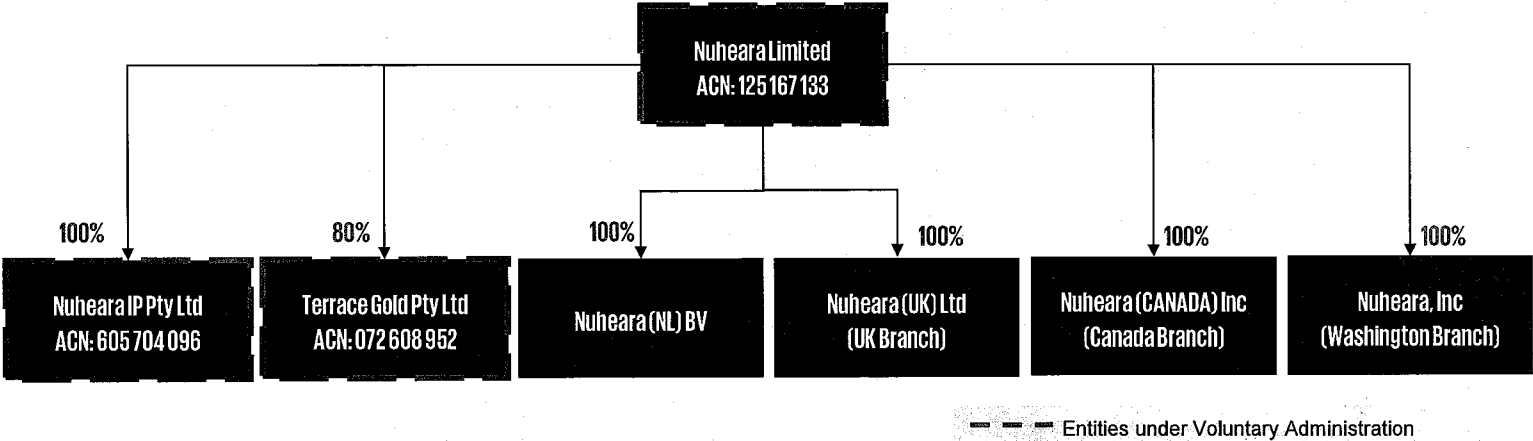

Background information

- Nuheara Limited is an ASX-listed medical device company with smart hearing technology. Nuheara is headquartered in Perth, Australia and was the first consumer wearables technology company to be listed on the ASX.
- Since from at least April 2024, the Companies had undertaken a Strategic Review process to explore potential strategic and corporate opportunities to reposition the Companies and its capital structure for the longer term or otherwise maximise value.
- The Company appointed Azure Capital as its independent financial advisor to conduct this process and evaluate all relevant opportunities to maximise value for the Company and its stakeholders.
- The Administrators are continuing to trade the business while we explore the best options for the restructure & sale of the Companies.

207

Group Structure

208

Key tasks undertaken to date

Key tasks undertaken by the Administrators to date are:

- Written to creditors, employees and key stakeholders to advise of our appointment and this meeting;
- Communicated with the Companies directors and key management to obtain access to books and records for the purpose of our investigations and preparation of a ROCAP;
- Addressed the employees to advise of our appointment and to confirm with them that the Companies would continue to trade as usual whilst the financial position of the Companies were being assessed;
- Instructed the Administrators' insurance broker to liaise with the Companies' pre-appointment insurers and obtained initial information with respect to the pre-appointment insurance;
- Attended the Nuheara office in order to secure the Companies' assets and implement the Administration procedures and controls on the business, including preparation of cashflow forecasts to assess the Companies trading position;
- Maintained regular contact with various stakeholders such as Realtek in relation to aspects of the Administration.

As Administrators, we have an obligation to the creditor group as a whole to conduct an extensive investigation into the Companies affairs and reasons for failure which will be detailed in our report to creditors in due course.

To Creditors as addressed

Dear Sir/Madam

**Nuheara Limited ACN 057 140 922
And its subsidiaries set out in Annexure A
(All Administrators Appointed) (Collectively referred to as 'the Companies')**

I confirm that Clint Joseph, Matthew Woods, and I, Martin Jones, of KPMG, were appointed as Joint and Several Voluntary Administrators (Administrators) of the Companies on Wednesday, 7 August 2024 pursuant to section 436A of the *Corporations Act 2001* (Cth) (**the Act**).

Outcome of the concurrent First Meeting of Creditors

The First Meeting of Creditors of the Companies was held on 19 August 2024 at which the Administrators appointment was confirmed.

Creditors resolved at the First Meeting of Creditors not to appoint a Committee of Inspection.

Extension of the Convening Period for the Second Creditors Meeting

At the concurrent First Meeting of Creditors of the Companies held on 19 August 2024, I advised creditors in attendance that the Administrators intended to make an application to the Supreme Court of Western Australia seeking an extension of the period of the administration of each of the Companies due to the complexity of the matter and to allow sufficient time for the Administrators to invite offers for the restructure of the Companies via a Deed of Company Arrangement or alternatively attempt to sell the Companies' business as a going concern.

I also advised that an extension would allow the Administrators adequate time to prepare a comprehensive and detailed report to creditors and analyse the options available to creditors in order to provide a recommendation on the future of the Companies.

If the application is granted, the effect will be that the administration of the Companies will last longer than usual. The reason for this extension being sought is that the Administrators are of the view that it will maximise the chances to restructure the affairs of the Companies, or failing that to sell the Companies' business and/or assets, which would be very difficult if the extension is not granted. We consider that this is in the best interests of creditors.

Please find **enclosed** a copy of the draft Originating Process which will be finalised and filed with the Supreme Court of Western Australia on Monday, 26 August 2024. The primary orders sought are the following:

- a. pursuant to section 439A(6) of the Act, an order that the convening period for the meetings of creditors of each of the individual Companies be extended until midnight on 11 December 2024; and
- b. pursuant to section 447A(1) of the Act, an order that the meetings of creditors of each of the individual Companies required by section 439A of the Act may be held at any time during the period composed of the convening period and the period of five business days thereafter, notwithstanding the provisions of section 439A(2) of the Act.

Your ability to be heard

You are not required to take any action in relation to this update. However, if you either support, do not object to, or alternatively oppose the Administrators' application set out above, please inform us via email at nuheara@kpmg.com.au, as soon as possible and these responses will be brought to the Court's attention.

Once the application is lodged with the court and hearing date has been confirmed, we will write to creditors and provide those details. Creditors may be entitled to appear at the hearing to put forward their views to the Court. If you intend to do so (in which case you should seek your own legal advice), please let us know as soon as possible.

If you have any questions, please contact either Bohan Teakle or Kieran Chu of this office at nuheara@kpmg.com.au

Yours faithfully

Martin Jones
