## Bahrain

The due date for 2020 Economic Substance (ES) returns is Sunday 12 September 2021. Those entities that have previously filed either by email or through the old portal will need to refile their returns in the updated [ITIES](#) portal.

Click [here](#) to access the circular issued by the Ministry of Industry Commerce and Tourism (MoICT) stating that the filing period for ES returns for the fiscal year end of 2020 will be from 8 August 2021 to 12 September 2021.

Entities that are carrying out a relevant activity but do not have a relevant activity stated on their commercial registration may face an issue with registering on the ITIES portal. We recommend all entities carefully consider their ES return compliance obligations adopting a substance over form approach. Entities that fail to comply with the ES reporting requirements may face sanctions such as suspension of their CR, referral to public prosecution and/or fines.
