Mandatory submission of bank account details to Sijilat

The Ministry of Industry and Commerce (MoIC) has recently confirmed that, as part of regulatory compliance, all entities are now mandated to submit their bank account details on Sijilat, the official electronic system for commercial registration (CR) and licensing in Bahrain.

All entities are required to ensure the timely and accurate submission of their bank account details on the Sijilat platform. Failure to comply with this requirement may result in having a violation imposed on the company's CR, which could hinder the company's ability to renew its CR or submit any applications to the MoIC to make changes to the CR information. Therefore, it is important to adhere to this compliance obligation to ensure the uninterrupted operations of your entity.

Our team is available to assist you in ensuring your compliance with the MoIC's requirement. If you have any questions or need further guidance, please do not hesitate to contact us.
