July/August 2019

In this edition of *Latest insights on Asset Management*, we are pleased to share our latest thought leadership on evolving regulation, new tasks for Compliance teams, the findings from the 21st Annual Harvey Nash / KPMG CIO survey, and more.

We are proud to have been recognised by Forrester Research as a leader among global cyber security consulting providers, also receiving one of the highest scores of any vendor evaluated in the 'Current Offering' category. Find out more [here](#).

Financial Crime Compliance Survey

Today's business issues are complex. Regulator and stakeholder demands are changing and the role of compliance must change right along with it. Please take a moment and share your opinion in our [Financial Crime Compliance Survey](#) – it is open until July 15.

Thank You

As you will have likely heard, after nearly two decades with KPMG, I will be heading to industry and will be taking on a new role this Fall. My colleague, [Gary Pickering](#), is your new Sector Lead for Asset Management, and he brings a wealth of audit and advisory experience for this industry.

Once you have reviewed the materials, please get in touch with your KPMG contact, Gary or me, as we welcome the opportunity to discuss these or any other business issues with you.

Sincerely,

Craig I.V. Bridgewater
Managing Director,
Sector Lead, Asset Management & Banking
