

# January's Asset Management insights

[Featured articles](#)[Related articles](#)[Newsletters](#)[KPMG Asset  
Management  
homepage](#)

In this edition of *Latest insights on Asset Management*, we are pleased to share our information on the Economic Substance Act and how we can help you. Also inside, you will find our latest thought leadership on cloud metrics for strategic insights, the future-ready finance survey results, our annual financial statements guides, and much more.

Once you have reviewed the materials, please get in touch with your KPMG contact or me, as we welcome the opportunity to discuss these topics or any other business ideas or issues with you.

## Featured articles

[Economic Substance Provisions in Bermuda](#)  
The Economic Substance Act 2018 (ESA) came into effect at the start of 2019, and it has implications for multinational firms

[Your business in the cloud - Metrics that matter](#)

Finance organisations are investing in cloud metrics for strategic insights that drive growth, agility, predictability, and valuation across an enterprise.

conducting businesses in low and no-tax jurisdictions around the world.

#### [Future-ready finance global survey](#)

Explore what high-performing finance organisations are doing differently to drive revenue growth and profitability. This global survey from KPMG International provides key insights on finance's priorities, challenges, and capabilities from more than 850 senior finance and management executives across industries and geographies.

Discover challenges that companies face in implementing cloud metrics.

#### [Annual financial statements](#)

The 2019 editions of our guides to annual financial statements – incorporating [Illustrative disclosures](#) and a companion [Disclosure checklist](#) – are out now. The illustrative disclosures illustrate one possible way of applying the new requirements. These updated guides reflect standards in issue at 31 August 2019 that are required to be applied by a company with an annual reporting period beginning on 1 January 2019. Find out more in our [web article](#). With [Insights into IFRS](#) and our newly effective standards [web tool](#), they are part of your reporting toolkit for the year end.
