In this edition of *Asset Management insights*, we focus on COVID-19 and the effects of its global impact on the sector. This includes the regulatory challenges of having a largely work from home workforce through to the impacts on investment strategies and the consequence of the market slowdown.

To assist, we have provided some insightful articles from our global [homepage](#) and [blog](#), centred around COVID-19, to guide you towards successful business continuity during these uncertain times.

Once you have reviewed the materials, please get in touch with your KPMG contact or me, as we welcome the opportunity to discuss these topics or any other business ideas or issues with you.
