[KPMG Asset
Management
homepage](#)

In this edition of Latest insights on Asset Management, we highlight [It's time to decarbonize the technology industry](#), [Can Capital Markets Save the Planet?](#), and the [Net Zero Readiness Index Key insights](#). On the heels of COP 26, we would like to echo the ESG messages that were heard across the globe and have become so important in the financial industry.

You will also find [The Future of Asset Management](#), our [Asset Management podcast series](#), which provides insights from KPMG leaders and major market players from around the world, and much more.

Once you have reviewed the materials, please get in touch with your KPMG contact or me, as we welcome the opportunity to discuss these topics or any other business ideas or issues with you.

Sincerely,

Gary Pickering
Managing Director,
Sector Lead, Asset Management
