Training is essential to every job and here at KPMG we take are professionalism very seriously. That's why we highlight [KPMG's live virtual training](#) in this edition of latest insights on Asset Management. On the heels of COP 26, we would like to echo the ESG messages that were heard across the globe and outlined in [COP26 Reflections](#). The importance and effects of having a detailed decarbonization plan and greater transparency on both, companies and the financial industry are outlined in [Climate-related risks: It's time to enhance disclosures](#) and [Net-zero commitments: where's the plan?](#)

You will also find a number of [KPMG IMPACT podcasts](#), which provide insights from KPMG leaders, major market players from around the world, and much more.

Once you have reviewed the materials, please get in touch with your KPMG contact or me, as we welcome the opportunity to discuss these topics or any other business ideas or issues with you.

Sincerely,

Gary Pickering
Managing Director,
Sector Lead, Asset Management
