Please be advised that on September 15, 2022, BR Capital Inc., BR Capital LP, First Response International GP LP, First Response International Inc., First Response International LP, Health Education GP LP, Health Education LP, HELP Inc., ICE Health Systems GP LP, ICE Health Systems Inc. and SESCO Health Services Inc., (together, the “**Companies**”) filed Notices of Intention to Make a Proposal (the “**NOIs**”), pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*, and KPMG Inc. was appointed as Proposal Trustee of the Companies (the “**Proposal Trustee**”).

Enclosed with this letter are the following documents for your records:

- a) Copies of the NOIs;
- b) A list of creditors with claims over \$250 per the Companies’ records;
- c) Certificates of filing of the NOIs issued by the Official Receiver; and
- d) The consents of the Proposal Trustee.

The Companies are not bankrupt, but have availed themselves of a procedure whereby an insolvent person, with creditor and Court approval, restructures its financial affairs. The role of KPMG Inc. as Proposal Trustee in this matter is to monitor the cash flows of the Companies during the restructuring process, to assist with the development of the Proposal, to liaise with creditors to explain same to them and to aid in the decision that creditors will ultimately make regarding the Proposal.

Pursuant to section 69(1) of the *Bankruptcy and Insolvency Act*, upon the filing of the NOIs, that being September 15, 2022, no creditor shall have any remedy against the Companies or their property or shall commence or continue any action, execution or other proceedings for the recovery of a claim provable in bankruptcy until the filing of a Proposal under section 62(1) or the bankruptcy of the Companies. You should

consult with your legal counsel if you require further explanation as to the provisions of section 69(1) of the *Bankruptcy and Insolvency Act* and the operation of same.

Subject to seeking an extension from the Court, the Companies are required to file a Proposal within thirty (30) days from the date of filing of the NOIs. The amounts showing on the attached list of creditors were estimated by the Companies as at the date of filing the NOIs, and, as such, may not be the correct amount of your claim. However, you do not need to notify the Proposal Trustee of any discrepancies in the claim amount at this time; you will be provided with an opportunity to prove the full amount of your claim when a Proof of Claim form and related documentation is sent to you at a later date.
