IN THE SUPREME COURT OF BRITISH COLUMBIA

IN BANKRUPTCY AND INSOLVENCY

IN THE MATTER OF THE NOTICE OF INTENTION TO MAKE A PROPOSAL BY
ECOATION INNOVATIVE SOLUTIONS INC.

PETITIONERS

AFFIDAVIT

I, Saber Miresmailli, businessperson, of 1209 Haywood Ave, West Vancouver, British Columbia, AFFIRM THAT:

1. I am the Chief Executive Officer of 0876120 B.C. Ltd., formerly known as Ecoation Innovative Solutions Inc., ("**Ecoation**"), the petitioner in these proceedings. I am a co-founder of Ecoation and am responsible for overseeing the day-to-day operations of the company, its liquidity management, and, ultimately, for assisting in its restructuring. I am familiar with the business and have relied upon the various books and records of Ecoation in preparing this affidavit. As such, I have personal knowledge of the matters deposed to herein. Where I have relied on other sources of information, I have so stated and I believe them to be true. In preparing this affidavit, I have also consulted with Ecoation's co-founder and Chief Technology Officer, Maryam Antikchi, as well as the financial and legal advisors to Ecoation.

2. This affidavit is made in support of an application by Ecoation for an order:

   (a) approving the sale of certain physical assets for $25,000, contemplated by the bill of sale (the "**Bogaerts Sale Agreement**") between Ecoation, as vendor, and Bogaerts GL North America Ltd. ("**Bogaerts**"), as purchaser, substantially on the terms attached hereto as **Exhibit A**;

(b) approving the sale of certain intellectual property assets for $20,000, contemplated by the intellectual property assignment agreement (the "**Viscon Sale Agreement**") between Ecoation, as vendor, and Viscon Group Holding B.V. ("**Viscon**"), as purchaser, substantially on the terms attached hereto as **Exhibit B**;

(c) adding one additional Ecoation employee to the key employee retention plan ("**KERP**") approved by order of this Court pronounced on May 7, 2025 (the "**KERP Order**"), to remedy the employee's inadvertent omission from the KERP Order; and

(d) extending the time for Ecoation to file a proposal pursuant to Section 50.4(9) of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 ("***BIA***"), to September 29, 2025.

A. Background

3. Ecoation is in the business of providing industry-leading technology platforms for greenhouse growers. Ecoation's technology platforms include:

(a) technology applications known as "Cropscanner", "OKO IPM", "OKO Yield", and "OKO IPM + Yield" (collectively, the "**Cropscanner OKO Assets**"); and

(b) assets related to a "ROYA" robot (the "**ROYA Assets**"). The ROYA Assets include both physical and intellectual property assets.

4. Ecoation's revenues suffered as a result of the COVID-19 pandemic beginning in 2020, and the Russian invasion of Ukraine in 2022. These events caused financial hardship or uncertainty for many of Ecoation's customers, including through global shortages of fertilizers and agricultural materials. Ecoation moved to sell simpler, lower cost products, and while demand increased, Ecoation was unable to generate sufficient revenue to meet company expenses.

5. Given its liquidity issues, Ecoation undertook restructuring efforts prior to these proceedings. Ecoation pitched its business to potential buyers and investors, and ultimately selected an entity related to Biobest Group NV ("**Biobest**") as the best and only viable option for a sale transaction.

6. Unfortunately, delays in the diligence process coincided with Ecoation's largest creditor requiring a 1-year lump-sum payment on Ecoation's unsecured loan in January 2025. This payment further reduced Ecoation's available liquidity and forced Ecoation to enter these proceedings.

B. NOI Proceedings

7. On April 8, 2025, Ecoation filed a notice of intention ("**NOI**") to make a proposal under Section 50.4 of the *BIA* with the Office of the Superintendent of Bankruptcy, commencing these proceedings (the "**NOI Proceedings**"). KPMG Inc. was appointed as the proposal trustee (the "**Proposal Trustee**").

8. On April 15, 2025, this Court granted an initial order, among other things:

   (a) approving a super-priority charge against Ecoation's property and assets in the maximum amount of $150,000 to secure the fees of Ecoation's counsel and the Proposal Trustee and its counsel (the "**Administration Charge**");

   (b) approving debtor-in-possession financing from an entity related to Biobest, providing Ecoation with up to $1,000,000 of interim financing in these NOI Proceedings (the "**DIP Loan**"); and

   (c) approving a super-priority charge against Ecoation's property and assets as security for the DIP Loan, subject only to the Administration Charge.

9. On May 7, 2025, this Court granted the KERP Order, among other things:

   (a) approving a $50,000 key employee retention plan and corresponding charge against Ecoation's property and assets;

   (b) approving the sale solicitation process (the "**SISP**"), to solicit bids for a sale of all or part of Ecoation's property or business;

   (c) authorizing and directing Ecoation to execute and enter into a stalking horse asset purchase agreement for sale of the Cropscanner OKO Assets (the "**Stalking Horse APA**") to an entity related to Biobest; and

(d) extending the time for filing a proposal pursuant to Section 50.4(9) of the *BIA* to June 22, 2025.

10. On June 12, 2025, this Court granted an order further extending the time for filing a proposal pursuant to Section 50.4(9) of the *BIA* to July 22, 2025.

11. On July 3, 2025, this Court granted an order, among other things:

(a) approving the sale of the Cropscanner OKO Assets for $1.5 million (and other consideration) pursuant to the Stalking Horse APA; and

(b) extending the time for filing a proposal pursuant to Section 50.4(9) of the *BIA* to August 15, 2025.

12. The sale of the Cropscanner OKO Assets under the Stalking Horse APA closed on July 16, 2025.

13. Ecoation formally changed its name from Ecoation Innovative Solutions Inc. to 0876120 B.C. Ltd. on July 17, 2025, as required under the Stalking Horse APA.

C. Marketing the ROYA Assets

14. The SISP marketed all of Ecoation's business and assets for a period of approximately 33 days beginning on May 8, 2025. In the SISP:

(a) the Proposal Trustee contacted 56 potential bidders to solicit interest, providing a copy of the teaser letter and form of nondisclosure agreement ("**NDA**"); and

(b) of the 56 potential bidders, three parties executed NDAs and were granted access to the virtual dataroom;

(c) no bids were received for the Cropscanner OKO Assets other than the Stalking Horse APA; and

(d) one bid was received for the ROYA Assets (the "**ROYA SISP Bid**").

15. Following negotiations between the party making the ROYA SISP Bid, Ecoation, and the Proposal Trustee, the ROYA SISP Bid offered approximately $32,500 to purchase the ROYA Assets.

16. Ultimately, Ecoation and the Proposal Trustee formally declined the ROYA SISP Bid on June 16, 2025, after determining that the bid:

(a) offered less consideration than the likely liquidation value of the ROYA Assets;

(b) was not in the best interests of Ecoation or its stakeholders; and

(c) was not compliant with the SISP.

17. Ecoation continued to market the ROYA Assets after the conclusion of the SISP, with the supervision of the Proposal Trustee. This continued marketing resulted in:

(a) the Bogaerts Sale Agreement to purchase most of the physical ROYA Assets for $25,000; and

(b) the Viscon Sale Agreement to purchase most of the intellectual property ROYA Assets for $20,000.

D. The KERP Missed Employee

18. The KERP Order approved the KERP described in the Second Affidavit of Saber Miresmailli made on May 1, 2025 ("**Miresmailli Affidavit #2**").

19. The KERP:

(a) listed nine Ecoation personnel (the "**Ecoation Personnel**") who were essential to the viability and marketability of Ecoation as it proceeded through the SISP; and

(b) provided for the payment of $50,000 to be divided equally amongst each Ecoation Personnel who remained employed upon the closing of a transaction through the SISP.

20. All nine of the Ecoation Personnel remained employed by Ecoation upon the closing of the sale under the Stalking Horse APA and are now eligible to receive a KERP payment.

21. One Ecoation employee, Nicholas Rimmer (the "**Missed Employee**"), was inadvertently omitted from the list of Ecoation Personnel in Miresmailli Affidavit #2 and the KERP. The Missed Employee:

(a) was Ecoation's Senior Manager of Accounting and Finance; and

(b) was essential to Ecoation's business during the SISP, managing Ecoation's accounts payable and receivable, and working closely with the Proposal Trustee.

22. Ecoation and the Proposal Trustee believe the Missed Employee ought to have been included in the KERP. Ecoation and the Proposal Trustee believe the most fair and efficient way to address the omission of the Missed Employee is by:

(a) adding the Missed Employee as an additional personnel entitled to the KERP; and

(b) increasing the amount of payable KERP from $50,000 to $55,555, to ensure that none of the Ecoation Personnel receive a lower KERP payment than was expected pursuant to the terms of the KERP Order.

E. Extension of time

23. Since the commencement of the NOI Proceedings, Ecoation operated its business, supervised by the Proposal Trsutee, with a view to preserving and maximizing value for the benefit of Ecoation's stakeholders. To realize this value, Ecoation has worked with the Proposal Trustee to:

(a) implement the SISP;

(b) close the sale of Cropscanner OKO Assets under the Stalking Horse APA; and

(c) solicit buyers for the remaining ROYA Assets.

24. Pursuant to Section 50.4(8) of the *BIA* and orders of this Court, Ecoation will be deemed assigned into bankruptcy on August 15, 2025, if a further extension of the NOI proposal deadline is not granted before that date.

25. Ecoation seeks a further 45-day extension of the NOI proposal deadline to September 29, 2025 (the "**Fourth Extension**"). Ecoation intends to use this time, in consultation with the Proposal Trustee, to negotiate and make a viable proposal to its creditors as the final step in these NOI Proceedings.

26. Ecoation, in consultation with the Proposal Trustee, has prepared an updated cash flow forecast up to the end of the proposed Fourth Extension, confirming that Ecoation will have sufficient liquidity during this time.

27. The proposed Fourth Extension is supported by the Proposal Trustee.
