AFFIDAVIT OF JASON STERLING

Affirmed on September 12, 2024

# I, JASON STERLING, of the City of London, in the Province of Ontario, **MAKE OATH AND SAY THAT**:

1. I am an Industry Sector Specialist, Cannabis Unit, with the Excise Duty Division of the Excise and Specialty Tax Directorate, Legislative Policy and Regulatory Affairs Branch of the Canada Revenue Agency ("CRA") and as such have personal knowledge of the facts and matters hereinafter deposed to, save and except what is stated to be on information and belief, and where so stated, I verily believe them to be true.

# Regulatory Overview Excise Act, 2001

- 2. Cannabis is jointly regulated by the CRA and Health Canada. The CRA regulates cannabis pursuant to the *Excise Act*, 2001. Health Canada regulates cannabis pursuant to the *Cannabis Act*.
- 3. In this affidavit I will focus on the regulation of cannabis by the CRA.

#### The Excise Act, 2001

- 4. Under the *Excise Act*, 2001, the CRA is responsible for the regulation of cannabis products including the production of cannabis (licensing), possession of cannabis, removal of cannabis, sale and distribution of cannabis (stamping requirements), re-work and destruction.
- 5. The CRA is also responsible for the imposition of excise duties.

# CRA licences under the Excise Act, 2001

6. Subsection 158.02(1) of the *Excise Act*, 2001 requires a CRA licence in order to cultivate, produce or package cannabis.

7. The CRA's objectives in issuing licences under the *Excise Act, 2001* are to regulate the production of cannabis, the possession of non-duty paid product, ensure the stamping requirements are met and ensure the imposition and payment of excise duties.

# Applying for a CRA licence

- 8. Subsection 2(1) of the *Regulations Respecting Excise Licences and Registrations* ("Regulations") requires every person wishing to obtain a CRA licence to complete Form L300, Cannabis Licence Application (A true copy of Form L300 is attached to this my affidavit and marked as **Exhibit "A"**).
- 9. An application for a new CRA licence must include:
  - A business plan that includes a business overview, sales and marketing plan and a financial plan, which includes documents demonstrating sources of funds;
  - A completed Form L300SCHA, which lists all of the premises where business
    activities are being carried out (A true copy of Form L300SCHA is attached to this
    my affidavit and marked as Exhibit "B"); and
  - A completed Form L300SCHB is required if the applicant is a corporation, which
    provides information on individuals or partners, directors, officers or shareholders
    (A true copy of Form L300SCHB is attached to this my affidavit and marked as
    Exhibit "C").

# General Eligibility for a CRA Licence

- 10. The general eligibility requirements for a CRA licence are set out in paragraphs 2(2)(a) and (b) of the Regulations.
- 11. An applicant is not eligible for a CRA licence if they:
  - Are subject of a receivership in respect of their debts;

- Have failed in the 5 years immediately before the date of the CRA licence application to comply with any Act of Parliament (other than the *Excise Act*, 2001) or of a provincial or territorial legislature that deals with the taxation or controls of tobacco, alcohol or vaping products, or any regulations made under it; and
- Have acted to defraud His Majesty in the 5 years immediately before the date of the licence application.
- With respect to corporations, paragraph 2(2)(e) of the Regulations also states that a licence will be issued only if the corporation has sufficient financial resources to conduct its business in a responsible manner.
- 12. Subsection 23(1) of the *Excise Act*, 2001, also allows the Minister to refuse to issue a CRA licence if they have reason to believe that access to the person's premises will be denied or impeded by any person or that the refusal is otherwise in the public interest.

# **Security Requirements**

- 13. In addition to the eligibility requirements, an applicant must provide financial security for a CRA licence pursuant to paragraphs 23(3)(b) of the *Excise Act*, 2001 and 5(1)(b) of the Regulations. The security must be an amount of not less than \$5,000 and be sufficient to ensure payment of the total cannabis duty owed in a given reporting period up to a maximum of \$5 million per licence. The security may be in the form of a bank draft, certified cheque, Canada Post money order or surety bond.
- 14. Financial solvency is important to the integrity of the excise duty framework because the *Excise Act*, 2001 regulates the production and possession of non-duty paid cannabis. Licensees who are insolvent or do not have sufficient financial resources to operate their businesses in a responsible manner may be seen as being at risk for diversion to the illicit market.

### **Health Canada Licence Requirement**

15. Subsection 14(1.2) of the *Excise Act*, 2001 states that a CRA licence cannot take effect until a licence has been issued by Health Canada pursuant to the *Cannabis Act*.

# **Approval of a CRA Licence**

- 16. If an applicant demonstrates they meet the eligibility requirements, the application will generally be approved within 30-45 days. There are no limitations on the number of CRA licences that may be approved and, if an applicant meets the application requirements, the application will be approved.
- 17. There is no fee associated with applying for a CRA cannabis licence. However, there is, as previously mentioned, the requirement to provide financial security representing one reporting period (in the minimum amount of \$5,000 and up to a maximum of \$5 million) based on their forecasted sales for the first twelve months of operations.

# **Cannabis Packaging and Stamps**

- 18. Any person who intends to package cannabis products subject to duty must also register under the cannabis excise stamping regime by completing and submitting Form L301, Registration for the Cannabis Stamping Regime (A true copy of Form L301 is attached to this my affidavit and marked as **Exhibit "D"**).
- 19. With a few exceptions, cannabis excise stamps are required for all packaged cannabis products removed from the premises of a CRA licensee to enter the Canadian duty-paid market for retail sale.
- 20. Cannabis excise stamps have specified colours indicating the province or territory where the product is intended to be sold.
- 21. The CRA licensee is responsible for determining and applying the appropriate cannabis excise stamp and paying the applicable cannabis excise duties.

# **Expiry of a CRA Licence**

22. Pursuant to section 4 of the Regulations, a CRA cannabis licence is valid for the period specified at the time of approval of the licence to a maximum of five years, expiring either before or when the associated Health Canada licence expires.

#### Renewal of a CRA Licence

- 23. In order to renew a CRA licence, section 9 of the Regulations requires that a licensee continue to meet the eligibility requirements discussed above.
- 24. A licensee must also submit a renewal application to CRA at least thirty days prior to the expiry of the licence.

#### Conditions on a CRA licence

25. Pursuant to paragraph 23(3)(a) of the *Excise Act*, 2001, on issuing a licence, or at any time after a licence has been issued, the CRA may specify the activities that may be carried on under the licence. Paragraph 23(3)(c) states that the CRA may impose any other conditions that the CRA deems appropriate with respect to the carrying on of activities under the licence.

# Suspension of a CRA licence

- A CRA licence may be suspended pursuant to subsections 23(2) of the *Excise Act*, 2001 and 10(1) of the Regulations if, for example:
  - The licensee no longer meets the above noted eligibility requirements for a CRA licence, such as being subject of a receivership;
  - The licensee becomes bankrupt;
  - The licensee ceases to carry on the business for which the licence or registration was issued; or

- It is otherwise in the public interest for the licence to be cancelled.
- 27. Upon suspension, the Minister must immediately give the licensee notice of the suspension and the licensee has 90 days to respond.

#### Cancellation of a CRA licence

- 28. A CRA licence may be cancelled pursuant to subsections 23(2.1) of the *Excise Act*, 2001 and 12(1) of the Regulations for reasons similar to justifying its suspension, such as:
  - The licensee no longer meets the above noted eligibility requirements for a CRA licence, such as being subject of a receivership;
  - The licensee becomes bankrupt;
  - The licensee ceases to carry on the business for which the licence or registration was issued; or
  - It is otherwise in the public interest for the licence to be cancelled.
  - 29. The CRA may also propose cancellation of a corporation's CRA cannabis licence if it can no longer demonstrate that it possesses sufficient financial resources to operate in a responsible manner. For example, there could be significant arrears owing in respect of cannabis duties payable or an inability to meet current monthly obligations in respect of cannabis duties.
  - 30. The CRA will send a written notice to the licensee 90 days before a CRA licence is cancelled that includes all the relevant information concerning the grounds for the cancellation.
  - 31. A CRA licensee who has received a notice of the cancellation may, within 90 days from the date of the notice, make representations to the CRA regarding why the licence should

not be cancelled. During this period, the licensee can continue to conduct activities under the licence.

- 32. The CRA will review the representations and confirm its decision in writing.
- 33. When a CRA licence is cancelled, the licensee can no longer carry on any activities under that licence and the licensee can no longer possess stamped or unstamped cannabis products or cannabis excise stamps.
- 34. Upon cancellation of a CRA licence:
  - Arrangements must be made to dispose of or destroy all cannabis and cannabis excise stamps on site;
  - CRA officials will conduct a final review to ensure all cannabis products and cannabis excise stamps have been disposed of in accordance with the legislation;
     and
  - Any financial security that has been posted by the licensee that is in excess of any liabilities of the licensee to pay cannabis duty and, where applicable, additional cannabis duty will be returned to the licensee.

#### Freedom Cannabis Inc.

- 35. Freedom Cannabis Inc. ("Freedom") was originally granted a CRA licence on May 27, 2019. The licence allows Freedom to cultivate, produce, and package cannabis.
- 36. It is the CRA's understanding that Freedom entered into insolvency proceedings on August 8, 2024, and specifically that they had sought an order under the *Companies' Creditors Arrangement Act*, RSC 1985, c. C-36, as amended (the "CCAA"). The order appointed KPMG Inc. as the Monitor and provided a 10-day stay period.
- 37. It is also the CRA's understanding that on August 15, 2024, an Amended and Restated Initial Order (the "ARIO") was granted by the Court of King's Bench of Alberta

extending the stay period to September 18, 2024 and that another application will be heard on September 18, 2024 requesting an additional extension of the stay period to October 18, 2024.

- 38. Since May 27, 2023, the CRA has been issuing short-term renewals to Freedom, primarily due to the fact that they had excise duty arrears owing to CRA in excess of \$5 million. Freedom also had insufficient financial security posted with CRA. The purpose of short-term renewals is to allow the licensee to address their arrears to the CRA, as well as to increase their financial security to meet the requirements of the Regulations.
- 39. On May 25, 2023, the CRA issued a 6-month renewal to Freedom, with their licence expiring on November 26, 2023. At the time of this renewal, Freedom was advised of their shortfall in financial security (A true copy of the Licence Renewal letter dated May 25, 2023, is attached to this my affidavit and marked as **Exhibit "E"**).
- 40. From November 2023 up to the day on which Freedom filed for insolvency under the CCAA (that being August 8, 2024), the CRA has renewed Freedom's licence on roughly a monthly basis summarized as follows:
  - Renewal letter issued November 20, 2023 with an expiry date of January 26, 2024
     (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "F").
  - Renewal letter issued January 24, 2024 with an expiry date of February 26, 2024
     (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "G").
  - Renewal letter issued February 19, 2024 with an expiry date of April 10, 2024 (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "H").
  - Renewal letter issued April 8, 2024 with an expiry date of May 10, 2024 (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "I").

- Renewal letter issued May 9, 2024 with an expiry date of June 10, 2024 (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "J").
- Renewal letter issued June 7, 2024 with an expiry date of July 10, 2024 (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "K").
- Renewal letter issued July 4, 2024 with an expiry date of August 10, 2024 (A true copy of the Licence Renewal letter is attached to this my affidavit and marked as Exhibit "L").
- 41. In each of the seven aforementioned renewal letters, Freedom was advised of the following conditions required to be met during the term of the licence:
  - All monthly excise duty filings and duty payable are paid by the due date (last day
    of the calendar month following your reporting period);
  - Ensure that the Payment Arrangement (the "PA") with Collections is mutually agreed to and maintained.
- 42. These conditions were further elaborated in each renewal letter to explain that honouring the PA with Collections and keeping current with monthly cannabis duty filings and payments is required to demonstrate that Freedom has sufficient financial resources to conduct business in a responsible manner in accordance with section 2 of the Regulations.
- 43. The CRA also provided a letter to Freedom on October 12, 2023 reminding them of the eligibility requirements of a cannabis licence, including entering into and honouring a PA with Collections to demonstrate that they have sufficient financial resources to conduct business in a responsible manner in accordance with section 2 of the Regulations. At that time, Freedom's excise duty arrears to CRA were \$6,358,125.

- 44. Freedom was also reminded that in the letter of October 12, 2023 that an increase to their financial security of \$383,500 was required to satisfy amount determined by the Regulations (A true copy of the Eligibility for Renewal of a Cannabis Licence letter is attached to this my affidavit and marked as **Exhibit "M"**).
- 45. Freedom did generally remain current during the period from November 2023 to April 2024; however, no payments were made directly to CRA for the B300 returns for the periods ended May 31, 2024, June 30, 2024, or July 31, 2024. The only amounts received by CRA subsequent to May 2024 were from garnishments seized by Collections, the totals of which would typically cover the monthly duty obligations.
- 46. The excise duty payable reported by Freedom for the periods ending May 31<sup>st</sup>, June 30<sup>th</sup>, and July 31<sup>st</sup>, 2024 were as follows:

Period ending	Return filed	<b>Excise Duty Reported</b>
May 31, 2024	Aug. 30, 2024	\$337,857.99
June 30, 2024	Aug. 8, 2024	\$335,759.47
July 31, 2024	July 3, 2024	\$140,915.27

47. On January 18, 2024, Freedom entered into a PA with Collections but never fully honoured the payment requirements. The PA to address the arrears to CRA was \$200,000/month and payments were made as follows:

•	February 6, 2024	\$100,000
•	March 6, 2024	\$25,000
•	April 3, 2024	\$25,000
•	April 4, 2024	\$25,000
•	May 6, 2024	\$75,000
•	May 13, 2024	\$25,000
•	June 6, 2024	\$25,000

• June 6, 2024 \$125,000

• August 6, 2024 \$4,000

48. In August of 2023, Freedom had outstanding excise duty arrears to CRA totalling around \$5.8M and as of September 11, 2024, their balance has increased to \$9,676,637.24.

Case Number: 12781351

Dear Enrico Potestio:

### Renewal of Cannabis Licence under the Excise Act, 2001

We have reviewed your cannabis licence renewal application, and are writing to inform you that your cannabis licence under the Excise Act, 2001 has been renewed effective May 27, 2023.

#### Cannabis licence number

The following licence number should be recorded on all correspondence with the Canada Revenue Agency (CRA):

> 73115 8929 RD0001 9827 279th Street Acheson AB T7X 6J4

## Acknowledgement of Security

A person renewing a cannabis licence under the Act is required to maintain security in a form satisfactory to the CRA and in an amount determined by the Regulations Respecting Excise Licences and Registrations. At this time, we have determined that your financial security is insufficient, and amount held will become invalid by July 8, 2023. If you do not have a replacement financial security when the surety is cancelled, it would render you ineligible for a cannabis license. Please ensure your posted security remains valid and is sufficient to ensure payment of the total amount of duty payable for each reporting period as required in paragraph 160(b) of the Act. If you have questions regarding the security requirement, please contact our office.

#### **Renewal of Cannabis Licence**

Information related to renewing a cannabis licence is provided in Excise Duty Notice EDN52, Obtaining and Renewing a Cannabis Licence. Subject to meeting the requirements for maintaining a cannabis licence, the licence will remain in effect for the period specified in the licence.

The expiry date for your licence will be November 26, 2023. In order to renew the cannabis licence, a completed Form L300, Cannabis Licence Application must be submitted to your regional office not later than 30 days before the expiry date.

# **Obligations of a Cannabis Licensee**

### Changes to Information

The CRA must be informed of any changes to the name, legal entity, business or mailing address, location of books and records or changes to any other information provided in the licence application form. The CRA must also be informed if your business/operations have been discontinued or sold.

#### **Books and Records**

All cannabis licensees are required to maintain adequate books and records and provide access to those books and records to excise officers. Denied access to books and records could result in a suspension or the cancellation of a cannabis licence.

### Filing of Returns

A form B300, Cannabis Duty and Information Return for each filing division under your cannabis licence must be filed for each calendar month whether or not any duty is payable. Your returns are due at the end of the month following the calendar month for the production being reported.

Electronic filing of the monthly B300 Cannabis Duty and Information Return, the B301 Application for a Refund of Cannabis Duty, as well as other account information, such as account transactions and balances, licence status and account maintenance activities, is available at canada.ca/my-cra-business-account. Electronic filing of returns provides immediate confirmation that your return has been received by the CRA. Enrollment can be completed online, and further information is available at canada.ca/my-cra-business-account or by phone at 1-800-959-5525.

Monthly excise cannabis returns may also be printed from our website at canada.ca/cannabis-excise so that they may be completed and submitted by mail. Please note that should a return and any payment due not be filed or received within the time limits, penalty and interest charges may be applied in accordance with the Act.

# Methods of Destruction and Analysis

As a reminder, methods for destruction and analysis of cannabis products must be approved by the Minister. Any changes to the previously approved methods must be submitted in writing to the Regional Manager for Excise Duty for approval, prior to implementation of the revised procedures.

Page 2 of 3 036

Although we reserve the right to be present during any destruction, mandatory notification and witnessing of destruction is not required for regular, routine destruction. However, unusual destruction or the destruction of packaged goods returned from a purchaser are required to be reported and may require witnessing of the destruction by an officer.

Should you have any questions or require clarification regarding the above information, please do not hesitate to contact Olafolahan Babalola at 306-216-0501. For general information regarding the excise duty on cannabis products please go to canada.ca/cannabis-excise.
