APPLICATION

THE APPLICANTS MAKE APPLICATION FOR:

1. An initial order (the “**Initial Order**”) pursuant to the *Companies Creditors’ Arrangement Act*, R.S.C. 1985, c C-36, as amended (the “**CCAA**”) substantially in the form attached as Tab 4 to the Application Record of the Applicants,¹ among other things:
 - (a) abridging the time for service of this Notice of Application and the materials filed in support of the Application so that this Application is properly returnable on the return date and dispensing with further service thereof;
 - (b) declaring that the Applicants are companies to which the CCAA applies and granting the Applicants the authority to file a plan of compromise or arrangement;
 - (c) appointing KPMG Inc. (“**KPMG**”) as an officer of this Court to monitor the assets, businesses and affairs of the Applicants (in such capacity, the “**Monitor**”);
 - (d) authorizing the Applicants to pay certain expenses incurred prior to, on or after the Filing Date in the ordinary course of business on terms consistent with existing arrangements or past practice;
 - (e) staying all Proceedings taken or that might be taken in respect of the Applicants, their directors and officers, the Monitor, or affecting the Business or the Property until September 28, 2020 (the “**Stay Period**”), except with the written consent of the Applicants and the Monitor, or with leave of this Court;
 - (f) staying and suspending all rights and remedies of any Person against or in respect of the Affected Parties arising out of the Cross-Default Matters during the Stay Period except with the written consent of the relevant Applicant, the relevant Affected Party and the Monitor, or leave of this Court;

¹ Capitalized terms used but not defined herein have the meanings given to them in the affidavit of Jacques Nadeau, sworn September 17, 2020, attached as Tab 2 to the Application Record of the Applicants (the “**Nadeau Affidavit**”), or the draft Initial Order attached as Tab 4 to the Application Record of the Applicants.

- (g) authorizing the Applicants to obtain and borrow under the DIP Facility from the DIP Lender on the terms and subject to the conditions set forth in the DIP Loan Agreement;
 - (h) granting priority Charges as described in the proposed Initial Order; and
 - (i) granting such further and other relief as this Honourable Court deems just.
2. An order (the “**Amended and Restated Initial Order**”) pursuant to the CCAA, to be sought at a subsequent hearing to be scheduled with the supervising judge prior to the expiry of the initial 10-day stay period, among other things:
- (a) extending the Stay Period;
 - (b) increasing the maximum amount of the priority Charges; and
 - (c) granting such further and other relief as this Honourable Court deems just.
3. Such further and other relief as this Honourable Court deems just.

THE GROUNDS FOR THIS APPLICATION ARE:

General

- 1. The Applicants are insolvent.
- 2. The Applicants are companies to which the CCAA applies.
- 3. The claims against the Applicants exceed \$5 million.
- 4. The relief sought in the Initial Order is reasonably necessary for the continued operation of the Applicants in the ordinary course of business during the initial 10-day stay period.

Background

5. Hematite is primarily a tier 1 supplier of component parts to the automotive manufacturing industry and counts Toyota, Fiat Chrysler Automobiles and Ford among its major customers.
6. Hematite has operated in Canada since 1978, and currently operates from facilities in Brantford and Guelph, Ontario.
7. Over the past several years, Hematite has pursued an expansion of its manufacturing operations into the United States to allow it to better serve existing and new customers in that market. Hematite has begun production at a facility in Englewood, Ohio and has begun outfitting another facility in Fayetteville, Tennessee.
8. In order to finance the significant real estate, equipment and other capital expenditures for this expansion, Hematite was required to reduce its cash reserves and take on significant secured indebtedness.
9. The COVID-19 pandemic and the resulting government-mandated shutdowns, including in the automotive industry, had a significant adverse impact on Hematite's financial position. From March-May 2020, Hematite's gross sales were approximately 70% below expectations due primarily to the impact of the COVID-19 pandemic and it experienced a significant and unexpected operating loss.
10. Hematite's primary operating lender provided bulge financing, forbearances and payment deferrals for several months, however it has indicated that it is not prepared to provide any further financing or accommodations.
11. Hematite's customers also agreed to provide advance payments and more favourable payment terms for several months, however they similarly have indicated that they are not able to provide any further relief in this regard due to Hematite's deteriorating financial condition.

12. The only viable path to preserving Hematite's business was a strategic transaction that included a capital injection and a restructuring on terms acceptable to Hematite's existing lenders and customers. Hematite has found that strategic partner in Woodbridge.
13. Since mid-August 2020, Hematite and Woodbridge (as Hematite's proposed restructuring plan sponsor) have engaged with Hematite's key lenders, its key customers, and certain of its key suppliers and have successfully reached agreements and arrangements with each that are necessary to support a financial restructuring of Hematite and see it emerge from these CCAA proceedings as a going concern in short order.
14. Hematite and Woodbridge have entered into a plan sponsor agreement which contemplates that Woodbridge will provide interim financing during the pendency of these CCAA proceedings. Hematite intends to emerge from these CCAA proceedings by the end of the year.

Applicants are Insolvent

15. In light of the present circumstances, each of the Applicants is insolvent as they are each facing an immediate liquidity crisis. The Applicants are unable to obtain any further financing from their existing lenders and cannot obtain any further advance payments from their major customers. The Applicants will run out of cash by the week of September 21, 2020 and will be unable to meet payroll and other obligations coming due.

Stay of Proceedings

16. A stay of proceedings against the Applicants and their directors and officers, and the Affected Parties with respect to the Cross-Default Matters, is necessary at this time to, among other things, maintain the status quo and obtain the breathing room and emergency financing required to pursue Hematite's restructuring strategy supported by Woodbridge.

Monitor

17. KPMG has consented to act as the Monitor and is very experienced in similar matters.

DIP Facility

18. Pursuant to the DIP Loan Agreement, Woodbridge has agreed to provide the DIP Facility in the maximum principal amount of \$6 million at an interest rate of 15% per annum, payable on a monthly basis.
19. The advances under the DIP Facility will be limited to \$2.3 million during the initial 10-day stay period, with an additional tranche of \$3.7 million made available afterwards, subject to the conditions in the DIP Loan Agreement being met.
20. Hematite's access to the DIP Facility is conditional upon the Court granting an order approving the DIP Loan Agreement and approving the amount and priority of the DIP Lender's Charge on all of the present and after-acquired real and personal property of the Applicants.

Court-Ordered Charges

21. The Applicants are seeking an Administration Charge and Directors' Charge in the Initial Orders to secure the professional services required to complete the CCAA proceedings and ensure the continued cooperation of the Applicants' directors and officers.
22. The maximum amount of the Administration Charge, DIP Lender's Charge and Directors' Charge in the Initial Order is limited to what is reasonably necessary for the initial 10-day stay period.

Service and Notice

23. Given the limitations imposed as a result of the COVID-19 pandemic, it is appropriate for this Court to authorize the Applicants and Monitor to deliver the prescribed notices to known creditors by e-mail instead of physical mail.

Other Grounds

24. The Applicants also rely on:

- (a) the provisions of the CCAA and the inherent and equitable jurisdiction of this Honourable Court;
 - (b) Sections 97 and 106 of the *Courts of Justice Act*, RSO 1990, c. C.43;
 - (c) Rules 2.03, 3.02, 14.05(3)(d), 14.05(2), 16, 38 and 57 of the *Rules of Civil Procedure*, RRO 1990, Reg 194; and
 - (d) Such further and other grounds as counsel for the Applicants may advise and this Honourable Court may permit.
25. The following documentary evidence will be used at the hearing of the application:
- (a) The affidavit of Jacques Nadeau, sworn September 17, 2020;
 - (b) The pre-filing report of KPMG, to be filed;
 - (c) The consent of KPMG to act as the Monitor; and
 - (d) Such further and other materials as counsel for the Applicant may advise and this Honourable Court may permit.

**AFFIDAVIT OF JACQUES NADEAU
(Sworn September 17, 2020)**

I, Jacques Nadeau, of the City of Guelph, in the Province of Ontario, MAKE OATH
AND SAY:

1. I am the Chief Treasury Officer of Hematite.¹ I am a Chartered Professional Accountant and have been involved in the financial and operational management of Hematite for over 25 years. From 1988 to 2002, I was a controller and then the chief financial officer of Hematite. Upon returning to Hematite in 2007, I served as a general manager and then the chief operations officer until 2019. I resumed the role of chief financial officer in the summer of 2019 until June 2020 when my role became more focused on treasury and cash management, given Hematite's increasing challenges in that area, as set out herein.

2. Through my various roles, I am familiar with the operations, financial results and strategies of Hematite. As such, I have personal knowledge of the matters to which I depose in this affidavit. Where I do not possess personal knowledge, I have stated the source of my

¹ For ease of reference, the Applicants will be collectively referred to herein as "**Hematite**".

knowledge and believe it to be true.

3. This affidavit is sworn in support of an application by the Applicants pursuant to the *Companies' Creditors Arrangement Act* (Canada) (the "**CCAA**") seeking an order (the "**Initial Order**") substantially in the form of the draft order included at Tab 3 of the Application Record, among other things, granting relief that is reasonably necessary for the continued operations of the Applicants within an initial 10-day stay period.

4. All dollar references herein are Canadian dollars unless otherwise referenced.

I. OVERVIEW

5. Hematite is primarily a tier 1 supplier of component parts to the automotive manufacturing industry and counts Toyota, Fiat Chrysler Automobiles ("**FCA**") and Ford among its major customers. Hematite reduces the costs and carbon footprint of its customers by utilizing a closed-loop process (known as Reform™) which takes manufacturing scrap from customers and produces re-useable materials that are used in Hematite's products. Through this process, Hematite has diverted over 10 million pounds of trim scrap waste annually that was destined for landfill sites.

6. Hematite has operated in Canada since 1978, and currently operates from facilities in Brantford and Guelph, Ontario. Over the past several years, Hematite has pursued an expansion of its manufacturing operations into the United States to allow it to better serve existing and new customers in that market. Hematite has begun production at a facility in Englewood, Ohio and has begun outfitting another facility in Fayetteville, Tennessee. In order to finance the significant real estate, equipment and other capital expenditures for this

expansion, Hematite was required to reduce its cash reserves and take on significant secured indebtedness.

7. The COVID-19 pandemic and the resulting government-mandated shutdowns, including in the automotive industry, had a significant adverse impact on Hematite's financial position. From March-May 2020, Hematite's gross sales were approximately 70% below expectations due primarily to the impact of the COVID-19 pandemic and it experienced a significant and unexpected operating loss. Hematite took a number of cash conservation measures, including temporarily laying off approximately 140 employees, and applied for and received government subsidies and programs in response to COVID-19, in an attempt to weather this storm.

8. Hematite retained an advisory firm, BDO Canada Limited ("**BDO**"), and appointed a chief restructuring officer, Blair Davidson (the "**CRO**"), to provide assistance in evaluating the paths forward and managing discussions with its lenders and other key stakeholders.

9. Hematite's primary operating lender, The Toronto-Dominion Bank ("**TD**"), provided bulge financing, forbearances and payment deferrals for several months, however it has indicated that it is not prepared to provide any further financing or accommodations, including any debtor-in-possession financing under formal insolvency proceedings. Hematite's customers also agreed to provide advance payments and more favourable payment terms for several months, however they similarly have indicated that they are not able to provide any further relief in this regard due to Hematite's deteriorating financial condition. As a result, it became clear to Hematite that it would run out liquidity.

10. The only viable path to preserving Hematite's business was a strategic transaction that included a capital injection and a restructuring on terms acceptable to Hematite's existing lenders and customers. With the assistance of BDO and the CRO, Hematite had discussions with several potential strategic partners and determined that its preferred strategic partner was Woodbridge Foam Corporation ("**Woodbridge**").

11. Woodbridge is a well-known global automotive parts manufacturer primarily focused on foam products and technologies. Woodbridge operates more than 50 facilities across 10 countries – employing over 7,500 teammates and serving more than 600 customers. Woodbridge will bring significant Canadian and international experience, including in the automotive industry, pivotal turnaround expertise, operational support and liquidity backing to shepherd Hematite through its restructuring.

12. Since mid-August 2020, Hematite and Woodbridge (as Hematite's proposed restructuring plan sponsor) have engaged with Hematite's key lenders (TD and BDC Capital Inc. ("**BDC**")), its key customers (Toyota, FCA and Ford), and certain of its key suppliers and have successfully reached agreements and arrangements with each that are necessary to support a financial restructuring of Hematite and see it emerge from these CCAA proceedings as a going concern in short order.

13. Hematite and Woodbridge have entered into a plan sponsor agreement which contemplates that Woodbridge will provide interim financing during the pendency of these CCAA proceedings. Hematite anticipates running a claims process to identify claims against it and, with the support of Woodbridge, expects to develop a CCAA plan to address these claims and allow Hematite to emerge as a going concern with a restructured business and

balance sheet and fresh financing from Woodbridge, which will acquire 100% ownership in Hematite upon the completion of the restructuring. Hematite intends to seek recognition of these proceedings, and certain of the orders issued by this Court, in the United States Bankruptcy Court, District of Delaware, given the significant operations that it has in the United States. Hematite intends to emerge from these CCAA proceedings by the end of the year.

14. Hematite's restructuring plan with Woodbridge is supported by all of Hematite's key stakeholders, including its secured lenders, major customers and certain key suppliers. Hematite requires the stability and breathing room provided by the CCAA process to enable Hematite and Woodbridge to have further discussions with other stakeholders and facilitate the implementation of this restructuring plan. The restructuring plan is in the best interests of Hematite and its stakeholders and will preserve its operations for the benefit of its approximately 275 employees, creditors and stakeholders generally.

A. Products

26. Founded in 1978, Hematite is primarily a tier 1 supplier of component parts to the automotive manufacturing industry in Canada and the United States. Hematite manufactures parts related to:

- (a) acoustics management, such as various insulators, body plugs and acoustic wheel liners and under body shields;

Hematite also employs unique processes to recycle and reuse waste generated from its own manufacturing environment.

29. Since Reform™ began, Hematite has removed over 10 million pounds of trim scrap waste annually that was destined for landfill sites. Reform™ has also successfully reduced each customer's reliance on virgin materials, thus reducing their costs and carbon footprint.

35. Currently, approximately 125 employees are based at the Brantford Facility. As outlined further below, at the onset of the pandemic, Hematite temporarily laid off approximately 80 employees, most of whom returned to work commencing in late May.

Speedvale Facility

36. Hematite also currently has another manufacturing facility located at 669 Speedvale Ave. W. in Guelph, Ontario (the "**Speedvale Facility**"). The Speedvale Facility is owned by 123 and leased to Hematite Manufacturing pursuant to a lease renewal and amending

agreement dated July 3, 2007. The Speedvale Facility was previously operated by Pavaco Plastics Inc. which was amalgamated into Hematite Manufacturing on March 29, 2020.

37. Currently, approximately 25 employees work in the manufacturing operations at the Speedvale Facility. As outlined further below, at the onset of the pandemic, several employees were temporarily laid off but returned to work a few weeks later once Hematite Manufacturing began to produce ASTM Level 3 face masks at this facility.

38. The corporate headquarters of Hematite are also located at the Speedvale Facility. There are approximately 25 employees that are based at the corporate headquarters from which human resources, marketing, purchasing, cash management and other shared services are conducted with respect to the entire Hematite business. I am primarily based at the Speedvale Facility, as is John Pavanel, who is the sole director and officer of each of the Applicants.

39. Hematite is currently in negotiations with a potential purchaser to sell the Speedvale Facility and consolidate its manufacturing operations at the Branford Facility and the Industrial Plants (defined below). As a result, Hematite began winding down its manufacturing operations at the Speedvale Facility in 2020.

Hematite Industrial Facilities

40. Hematite Industrial operates from two leased facilities located in Guelph at 659 Speedvale Ave. W. and 551 Imperial Rd. N. (the “**Industrial Plants**”). The plastic products segment of the Hematite Industrial business is operated from 659 Speedvale Ave. W. and the rubber products segment is operated from 551 Imperial Rd. N. The Industrial Plants are

owned by 123 and leased to Hematite Industrial although there is no formal written lease agreement between the two related parties.

41. Currently, Hematite Industrial employs approximately 15 employees at the Industrial Plants. The COVID-19 pandemic had a relatively minor impact on Hematite Industrial's operations and accordingly it was not forced to temporarily lay-off any employees.

Englewood Facility

42. The primary manufacturing facility of Hematite in the United States is located at 300 Lau Parkway in Englewood, Ohio (the "**Englewood Facility**"). The Englewood Facility was acquired by Hematite through RE 1 in June 2017. and Hematite constructed a 106,000 square foot manufacturing facility as the first phase of its expansion into the US. The Englewood Facility commenced production in April 2018.

43. As set out further below, the Englewood Facility is leased from RE 1 to Hematite US pursuant a sublease agreement dated June 15, 2017.

44. Currently, Hematite US employs approximately 90 employees at the Englewood Facility. As outlined further below, at the onset of the pandemic, Hematite US temporarily laid off approximately 50 employees, most of whom returned to work commencing in late May.

Fayetteville Facility

45. Hematite US also occupies another 60,000 square foot manufacturing facility located at 49 East Park Drive, Fayetteville, Tennessee (the "**Fayetteville Facility**"). The Fayetteville

Facility is owned by Volunteer Industrial, LLC and leased to Hematite US pursuant a lease agreement dated April 26, 2019 for a term of 16 years. The monthly lease payments for the Fayetteville Facility are currently \$20,079.

46. Hematite commenced occupancy of the Fayetteville Facility in October 2019. The Fayetteville Facility was expected to allow Hematite to better serve existing and new customers in southeastern United States. Prior to the onset of the COVID-19 pandemic, Hematite had begun steps to outfit the Fayetteville Facility, however production had yet to commence. Hematite was initially projecting production to commence in early 2021, however Hematite expects that shutdowns related to the pandemic have pushed that timeline out a further six months into the summer of 2021.

D. Banking Arrangements

47. Hematite holds eight bank accounts with TD denominated either in CAD or USD, including four accounts held by Hematite Manufacturing, two accounts held by Hematite Industrial, one account held by Hematite US and one account held by HAPI.

48. All cash management, payment and accounting activity is planned, managed and executed by myself and the accounting staff based at the Speedvale Facility.

(iii) Impact of COVID-19 Pandemic on Business

A. Impact on Production

49. The COVID-19 pandemic and the resulting government shutdowns had a significant adverse impact on Hematite's financial position. In mid to late March, auto manufacturers suspended all North American production and temporarily ceased to purchase component parts from Hematite for approximately nine weeks commencing in late March.

50. As a result of customers temporarily suspending their production of automobiles, Hematite was forced to temporarily cease the production of all automobile parts, which comprise the majority of Hematite's sales. Hematite completely shut down its operations at the Brantford Facility and the Englewood Facility, which solely produce automotive products.

51. Only a portion of the Speedvale Facility is used for the production of automotive products and it was already in the process of reducing production before being shut-down in late August 2020. Production at the Speedvale Facility was initially reduced from two shifts to one in April. However, in the last week of April, additional staff were brought back to begin production of ASTM Level 3 face masks.

52. As noted above, Hematite Industrial's customers are not in the automotive industry and therefore Hematite Industrial experienced a minimal impact on production due to COVID-19.

53. The Brantford Facility and Englewood Facility were reopened for production on May 21, 2020. However, it took several weeks before production returned to pre-COVID-19 levels as a result of Hematite implementing employee safety measures such as physical distancing.

B. Impact on Revenues

54. As a result of these production impacts, the gross sales of Hematite for the period between March and May 2020 were significantly below projection. On a consolidated basis, Hematite estimates that its gross sales between March and May 2020 were approximately \$6.6 million. By comparison, Hematite's gross sales over the same period in 2019 were \$21.4 million and its projected sales for the period pursuant to monthly financial projections issued in December 2019 were \$21.7 million. Accordingly, Hematite's gross sales were approximately 70% below expectations due primarily to the impact of the COVID-19 pandemic.

55. In June 2020, when production was still in the process of ramping back up, Hematite's gross sales were approximately \$3.3 million, compared to \$4.9 million over the same period in 2019. In July and August 2020, Hematite's gross sales returned to a level comparable to the same period in 2019.

C. Cash Conservation Measures and Relief from Government Programs

56. In an attempt to combat the negative impacts caused by COVID-19, Hematite took a number of measures to reduce expenses and delay payments where possible, including:

- (a) temporarily laying off approximately 140 employees commencing in late March (including approximately 90 employees at the Brantford Facility and approximately 50 employees at the Englewood Facility), the majority of which consisted of hourly production employees;
- (b) temporarily reducing the salaries and workloads of 55-65 salaried staff by 20% to 40% commencing in April;
- (c) negotiating lease and rent payment deferrals of approximately \$1.6 million over the 9 month period from April to December 2020, which provided short-term cash flow improvements; and
- (d) limiting purchases wherever determined to be possible without having further negative consequences on operations.

57. Furthermore, Hematite applied for both Canadian and United States government subsidies and support programs directly related to COVID-19. The subsidies and programs include:

- (a) The Canada Emergency Wage Subsidy (“**CEWS**”) for all of the initial eligibility periods from March 15, 2020 to September 5, 2020. Hematite has received approximately \$1.5 million under the CEWS program over this period.
- (b) The United States Paycheck Protection Program Note in the amount of USD \$463,750 (or CAD \$649,250). The PPP Note may be forgiven, pursuant to and

subject to, the terms of the PPP Note and the guidance issued in relation thereto by the Small Business Administration and/or the U.S. Department of Treasury. Hematite US anticipates that the entirety of the PPP Note will be forgiven.

- (c) The State of Ohio has waived the calendar 2020 requirement to contribute to the State's worker's compensation fund. Hematite estimates costs savings of USD \$50,000 (or CAD \$70,000).
- (d) The Province of Ontario granted deferrals of Workers Safety and Insurance Board premium remittances for the periods March to July until August 31, 2020. It is anticipated that this provided Hematite with a combined deferral of \$49,000.

58. Despite these cash conservation measures and help from government programs, Hematite still experienced a dramatic drop in its operating income due primarily to the impact of the COVID-19 pandemic. On a combined basis, the Hematite estimates that it experienced an operational loss of \$3.95 million between March and May 2020. By comparison, Hematite's had operating income of approximately \$111,000 over the same period in 2019 and was projected to have operating income of approximately \$30,000 during that period in 2020.

(iv) ***Financial Position of the Company***

A. **Financial Statements**

59. The most recent financial statements produced with respect to Hematite are for the year ended March 30, 2019. Copies of the financial statements for Hematite Holdings, Hematite Manufacturing, Pavaco Plastics Inc. (which was subsequently amalgamated into Hematite Manufacturing) and Hematite US for the year ended March 30, 2019 are attached hereto as **Exhibits “I” to “L”**.

60. In order to provide the Court with more accurate and current information regarding the financial position of Hematite, especially given the significant impact of COVID-19, Hematite has prepared internal unaudited financial statements as at July 31, 2020 (the “**2020 Financial Statements**”). Consistent with Hematite’s traditional accounting and reporting practices, the financial statements reference geographic location and correspond to the following operating entities and facilities:

Financial Statements	Operating Entity	Facility
Hematite – Brantford	Hematite Manufacturing	Brantford Facility
Hematite – Guelph	Hematite Manufacturing	Speedvale Facility
Hematite – Englewood	Hematite US	Englewood Facility
HIP	Hematite Industrial Products	Industrial Plants

61. The 2020 Financial Statements are not intended to be, and may not be, relied upon for any other purpose. Copies of the 2020 Financial Statements are attached hereto as **Exhibit**

“M”.

B. Secured Indebtedness

TD Facilities

62. Pursuant to a credit agreement dated December 29, 2017, as amended (the “**TD Credit Agreement**”), TD extended revolving facilities to Hematite Manufacturing, Hematite US and Hematite Industrial in the aggregate amount of approximately \$9 million (the “**Initial TD Facilities**”). Additionally, on March 16, 2020, TD extended a temporary revolving loan bulge of approximately \$1.8 million (the “**Bulge**” and collectively with the Initial TD Facilities, the “**TD Facilities**”).

63. All of the advances under the TD Facilities are guaranteed by Hematite Manufacturing, Hematite US, Hematite Industrial Products and 123 (the “**Guarantees**”).

64. Hematite Manufacturing is the lessee under two capital leases provided by TD Equipment Finance Canada, a division of TD, which were each entered into in April 2018 for a term of 84 months and relate to a Fabriweld Thermal Forming Line and a Robotic Waterjet Trimming System located at the Brantford Facility (the “**TD Capital Leases**”). The amount owing under these capital leases as at August 31, 2020 is approximately \$3 million.

65. The amounts owing under the TD Facilities, Guarantees and TD Capital Leases, as applicable, are secured by, among other things, (i) first-ranking general security agreements on all of the assets and undertakings of Hematite Manufacturing and Hematite Industrial Products; (ii) second-ranking general security agreements on all of the assets and

undertakings of 123; (iii) a security agreement from Hematite US granting a first-ranking security interest over accounts receivable and inventory and a second-ranking security interest over equipment; and (iv) collateral mortgages against the Speedvale Facility and the Industrial Plants.

66. As a result of its financial challenges caused by the COVID-19 pandemic and other factors, Hematite was unable to maintain the borrowing covenants set out in the TD Credit Agreement. Hematite entered into a Forbearance Agreement with TD on June 26, 2020, as amended and extended on August 6, 2020 (the “**TD Forbearance Agreement**”). Pursuant to the TD Forbearance Agreement, TD provided certain relief to support Hematite’s working capital needs, including combining the TD Facilities and increasing the credit limit to \$14.5 million and suspending monthly payments under the TD Capital Leases.

67. The forbearance period under the TD Forbearance Agreement expired on September 8, 2020 and TD has indicated that it is not prepared to provide any further working capital relief or extend the forbearance period any further. The aggregate amount owing under the TD Facilities as at August 31, 2020 is approximately \$14.5 million.

BDC Loan

68. Pursuant to a letter of offer dated December 21, 2017, BDC extended a loan of \$3 million to Hematite Manufacturing (the “**BDC Loan**”). The BDC Loan is guaranteed by, among others, Hematite Industrial, 123, Canadian Pavaco, US Pavaco, Hematite US and HAPI. The BDC Loan is secured by, among other things, a general security agreement on all of the assets and undertakings of Hematite Manufacturing and the various guarantors, which

ranks first with respect to intellectual property and subordinated in rank to TD with respect to receivables and inventory and subordinated to TD and other lenders with respect to equipment. TD and BDC have entered into a subordination and priorities agreement dated April 10, 2014, as amended, which governs the priority of their respective security.

69. BDC has also indicated that it is not prepared to provide any further financing to Hematite. The aggregate amount owing under the BDC Loan as at August 31, 2020 is approximately \$2.8 million.

US Capital Leases

70. Hematite US is the lessee under five capital leases for equipment at its Englewood Facility, as follows:

- (a) two leases entered into with Key Equipment Finance Canada Ltd. in August 2018 for a term of 60 months. The lease is guaranteed by Hematite Holdings and Hematite Manufacturing. The amount owing under these leases as at August 31, 2020 is approximately \$5.7 million in aggregate;
- (b) a lease entered into with Siemens Financial Services Inc. in July 2019 for a term of 72 months. The lease is guaranteed by Hematite Holdings. The amount owing under this lease as at August 31, 2020 is approximately \$1.1 million; and
- (c) two commercial finance agreements entered into with Engs Commercial Finance Co. in September 2019 for a term of 60 months, and in March 2019

for a term of 84 months. The amount owing under these leases is approximately \$2.9 million.

Englewood Facility Debt

71. RE 1 purchased the lands upon which the Englewood Facility is located (the “**Englewood Lands**”) from the City of Englewood pursuant to an agreement of purchase and sale dated June 1, 2017. RE 1 financed the purchase of the land and the construction of the Englewood Facility through the following lending and lease arrangements with JobsOhio and the Dayton-Montgomery County Port Authority (the “**Port Authority**”):

- (a) Pursuant to a ground lease dated June 1, 2017, RE 1 leased the Englewood Lands to the Port Authority (the “**Englewood Ground Lease**”);
- (b) Pursuant to a Loan Agreement dated June 15, 2017 between JobsOhio as lender, the Port Authority and Hematite US as borrowers, and Hematite Holdings, Hematite Manufacturing, Hematite Industrial, Pavaco US and Hematite US, among others, as guarantors (the “**JobsOhio Loan Agreement**”), JobsOhio agreed to advance a \$3.5 million term loan to the Port Authority to support construction of the Englewood Facility on the Englewood Lands, and a \$1.5 million term loan to support the acquisition of machinery and equipment by Hematite US (the “**JobsOhio Facilities**”);
- (c) Pursuant to an Amended and Restated Trust Indenture dated as of April 1, 2015 and a Sixteenth Supplemental Trust Indenture dated June 1, 2017 between, among others, the Port Authority and The Bank of New York Mellon

Trust Company, N.A., the Port Authority issued Series 2017B Bonds to also finance a portion of the construction costs of the Englewood Facility (the “**Bonds**”);

- (d) Pursuant to a lease agreement dated June 1, 2017 between the Port Authority and RE 1, the Port Authority agreed to lease the Englewood Facility to RE 1 for a period of 15 years (the “**Englewood Lease**”). RE 1 is required to make monthly rental payments that include debt service payments on the Bonds and the JobsOhio Facilities. On the lease termination date, RE 1 is required to purchase the Englewood Facility by paying the amounts outstanding under the Bonds and the JobsOhio Facilities. RE1 also has the option to purchase the Englewood Facility at certain optional termination dates beforehand provided that it pays these outstanding amounts; and
- (e) Pursuant to a sublease agreement dated June 15, 2017 between RE 1 and Hematite US, RE1 agreed to sublease the Englewood Facility to Hematite US.

72. In the JobsOhio Loan Agreement, Hematite US committed to making a total fixed asset investment of \$18.4 million and creating 100 full-time jobs at the Englewood Facility by December 31, 2021.

73. The JobsOhio Facilities are secured by a first mortgage on the Englewood Lands and a security agreement against all equipment and machinery owned by Hematite US and located at the Englewood Facility.

74. The aggregate amount owing to JobsOhio under the JobsOhio Facilities as at August

31, 2020 is approximately USD \$4.5 million. The aggregate amount owing to the Port Authority under the Lease Agreement and the Bonds as at August 31, 2020 is approximately \$4 million.

Other Secured Obligations

75. Hematite also has various other secured obligations primarily relating to equipment leases and purchase-money security interests. A summary of the security interests registered against the Applicants is attached hereto as **Exhibit “N”**.

C. Accommodations from Customers

76. In addition to forbearances and working capital assistance from its lenders, Hematite also approached its main customers, Toyota, FCA and Ford, for assistance with its short-term cash needs. Pursuant to an accommodation agreement between Toyota Motor Engineering & Manufacturing North America, Inc., FCA US LLC, Ford Motor Company (collectively, the “**Accommodating OEMs**”) and certain Hematite entities dated August 26, 2020 (the “**Accommodation Agreement**”), the Accommodating OEMs agreed to provide accelerated payments and more favourable payment terms to Hematite. These terms in the Accommodation Agreement were contingent on, among other things, Hematite obtaining further financing from its existing lenders, which it has been unable to obtain as outlined above.

D. Intercompany Arrangements

77. The US operations of Hematite are generally funded through the TD Facilities, and not

typically through intercompany advances from the Canadian entities. In connection with the acquisition of the Englewood Facility, Hematite Manufacturing made a CAD \$1.3 million advance to Canadian Pavaco which, in turn, made a USD \$1 million advance to RE 1. As at August 31, 2020, there were no other material intercompany amounts owing between the Applicants.

E. Ordinary Course Obligations

78. As at September 11, 2020, Hematite had approximately \$15.8 million in outstanding trade debt.

79. Hematite's employees are paid biweekly in arrears. All ordinary course payments to employees are currently being made and are proposed to continue if the DIP Facility is approved by the Court.

III. RESTRUCTURING SUPPORT AND ACCOMMODATIONS

80. As a result of its financial challenges and its inability to obtain further financing from its existing lenders and further advances from its customers, it became clear to Hematite that it would run out of liquidity. Hematite determined that it needed to restructure its business and financial picture if it was to survive. Hematite sought a strategic partner to provide the financial resources and expertise necessary to allow it to complete this restructuring.

81. Following work with BDO and its CRO to explore its options, Hematite Holdings entered into a letter of intent in August 2020 (the "**LOI**") with Woodbridge, which summarized the terms and conditions pursuant to which Woodbridge or its affiliate were

prepared to sponsor a court supervised financial restructuring of Hematite which would result in Woodbridge or its affiliate acquiring the post-restructuring equity of Hematite Holdings. Since that time, Hematite and Woodbridge have negotiated with Hematite's key lenders (TD and BDC), its key customers (Toyota, FCA and Ford), and certain of its key suppliers in order to reach agreements and arrangements necessary to support the restructuring of Hematite contemplated in the LOI.

82. To further memorialize and finalize the terms of Woodbridge's investment in and support of Hematite's restructuring as set out in the LOI, Hematite has entered into a plan sponsor agreement with Woodbridge (the "**Plan Sponsor Agreement**") dated September 17, 2020. The Plan Sponsor Agreement is attached hereto as **Exhibit "O"**.

83. The Plan Sponsor Agreement requires that Hematite commence CCAA proceedings and meet the following milestones:

- (a) September 18, 2020: the commencement of CCAA proceedings by Hematite and the issuance of an initial order providing, among other things, a stay of proceedings for the initial 10-day period;
- (b) September 28, 2020: the issuance of an amended and restated initial order, among other things, extending the stay of proceedings;
- (c) October 9, 2020: the issuance of an order, among other things, establishing a process to determine and confirm the quantum of claims against Hematite;

- (d) November 13, 2020: the issuance of an order authorizing the filing of a CCAA Plan and the conduct of a meeting of creditors affected thereby to vote on the CCAA Plan; and
- (e) December 18, 2020: the issuance of an order sanctioning the CCAA Plan should it be approved by the required majorities of affected creditors pursuant to the CCAA.

84. Woodbridge has made arrangements with each of TD and BDC whereby, subject to finalization and execution of definitive documentation and conditional upon the granting of the Initial Order, Woodbridge will acquire part of the debt and all of the security of TD (other than in respect of capital leases) as against the Applicants and BDC will agree to forbear from enforcing its rights and will amend its credit agreement to convert its debt into a post-restructuring facility, pursuant to terms mutually agreed upon between Woodbridge and each of TD and BDC.

85. Woodbridge and Hematite have also entered into customer support and consent agreements with each of the Accommodating OEMs whereby they have agreed to certain ongoing purchase commitments to support the ongoing operation of the Hematite business during and following these CCAA proceedings.

86. As outlined further below, Woodbridge has also agreed to provide Hematite Holdings with the DIP Facility in an amount up to \$6 million for the purpose of allowing Hematite to meet its immediate cash needs during the pendency of these CCAA proceedings. Approval of the first \$2.3 million of this DIP Facility will be sought as part of the Initial Order to meet the

Applicants' most urgent cash flow needs, with the remainder to be sought at the comeback hearing.

IV. CCAA PROCEEDINGS

(i) Applicants are Insolvent

87. I am advised by James Gage of McCarthy Tétrault LLP and verily believe that, for the purposes of the CCAA, a company is insolvent if, among other things:

- (a) the aggregate of its property is not, at a fair valuation, sufficient, or, if disposed of at a fairly conducted sale under legal process, would not be sufficient to enable payment of all its obligations, due and accruing due;
- (b) it is, for any reason, unable to meet its obligations as they generally become due; or
- (c) it is facing a looming liquidity crisis.

88. In light of the present circumstances, each of the Applicants is insolvent as they are each facing an immediate liquidity crisis. As the Cash Flow Forecast, defined and discussed below, indicates, the Applicants will run out of cash by the week of September 21, 2020 and will be unable to meet payroll and other obligations coming due. As it is unable to obtain any further financing from its existing lenders and cannot obtain any further advance payments from its major customers, Hematite requires CCAA protection and emergency financing to remain in business.

(ii) Stay of Proceedings

89. A stay of proceedings against Hematite is necessary at this time to, among other things, maintain the status quo and maintain the breathing room and emergency financing required to pursue its restructuring strategy supported by Woodbridge. With the benefit of the protection afforded by the CCAA, Hematite will be able to maintain its value, preserve jobs for its approximately 275 employees and generally stabilize its business operations for the benefit of its stakeholders.

90. The proposed Initial Order provides for a stay of all proceedings against or in respect of the Applicants or the Monitor or affecting the Business or Property (as defined in the proposed Initial Order).

91. The Applicants are also seeking a stay of all rights and remedies against or in respect of 123 and RE 1 (the “**Affected Parties**”) arising out of, relating to, or triggered by the insolvency of the Applicants or the commencement of these proceedings (the “**Cross-Default Rights**”). The Affected Parties own certain of the facilities where the manufacturing operations of Hematite are carried out. Specifically, 123 owns the Speedvale Facility and RE 1 owns the Englewood Facility. If counterparties were able to rely on Cross-Default Rights in certain financing agreements and other contracts with the Affected Parties, it may affect the ability of Hematite to access these facilities, which would have a significant negative impact on the financial position of Hematite. The counterparties affected by this stay would be entitled to rely on all other contractual rights and remedies that are not related to these proceedings commenced by the Applicants.

(iii) Appointment of Monitor

92. The Applicants are seeking the appointment of KPMG Inc. (“**KPMG**”) as the proposed CCAA monitor in these proceedings (in such capacity, the “**Proposed Monitor**”). The consent of KPMG to act as the Monitor is attached at Tab 3 of the Application Record.

(iv) Payments During the CCAA Proceedings

93. As set out in the proposed Initial Order, Hematite is seeking authorization to pay certain expenses, whether incurred prior to, on or after the Initial Filing Date, in respect of:

- (a) outstanding and future wages, salaries, employee and pension benefits, vacation pay and expenses payable on or after the Initial Filing Date, in each case incurred in the ordinary course of business and consistent with existing compensation policies and arrangements;
- (b) the fees and disbursements of any Assistants (as such term is defined in the proposed Initial Order) retained or employed by Hematite.

94. The continued payment of these obligations is necessary for the continued operation of the Business or in connection with the CCAA proceedings and efforts to address Hematite’s current financial circumstances. Hematite believes it is in the best interests of its stakeholders that such expenses continue to be paid in the normal course, regardless of whether such expenses were incurred prior to, on or after the Initial Filing Date.

95. In the proposed Initial Order, Hematite is also seeking the authority to pay all reasonable expenses incurred in carrying on the Business in the ordinary course after the

Initial Filing Date, including (a) expenses and capital expenditures reasonably necessary for the preservation of Hematite's Business or property; (b) expenses required to ensure compliance with any governmental, regulatory, or other enforcement action; and (c) payment for goods and services supplied or to be supplied to Hematite after the date of the Initial Filing Date.

(v) DIP Facility

96. As noted above, pursuant to a Revolving DIP Loan Agreement dated September 17, 2020 between Woodbridge and Hematite (the "**DIP Loan Agreement**"), Woodbridge has agreed to provide a revolving debtor-in-possession financing facility (the "**DIP Facility**") in the maximum principal amount of \$6 million at an interest rate of 15% per annum, payable on a monthly basis. A copy of the DIP Loan Agreement is attached hereto as **Exhibit "P"**. The following are certain material terms of the DIP Loan Agreement:

- (a) Borrowers: Each of the Applicants are borrowers under the DIP Facility (the "**Borrowers**");
- (b) Advances: The advances under the DIP Facility will be limited to \$2.3 million during the initial 10-day stay period, with an additional tranche of \$3.7 million made available afterwards, subject to the conditions in the DIP Loan Agreement being met;
- (c) Use of Proceeds: Advances will be used by the Borrowers for the purpose of
 - (i) meeting the Borrowers' immediate cash needs for general operating purposes; and
 - (ii) its restructuring, including payment of professional fees and

expenses and its working capital requirements during the pendency of these CCAA proceedings; and

- (d) DIP Charge: The DIP Facility will be secured by a super-priority charge (the “**DIP Lender’s Charge**”) on all of the present and after-acquired real and personal property of the Borrowers pursuant to the Initial Order.

(vi) Cash Flow Forecast

97. Attached hereto as **Exhibit “Q”** is the projected 13-week cash flow forecast of Hematite for the week ending September 18, 2020 to the week ending December 11, 2020 (the “**Cash Flow Forecast**”). The Cash Flow Forecast was prepared by the Applicants with the assistance of the Proposed Monitor.

98. The Cash Flow Forecast demonstrates that if the relief requested is granted, including approving the DIP Loan Agreement and the DIP Charge, Hematite will have sufficient liquidity to meet its obligations during the initial 13-week period of the CCAA filing.

(vii) Charges

A. Administration Charge

99. The proposed Initial Order provides for a Court-ordered charge over the assets, property and undertaking of the Applicants (the “**Administration Charge**”) in favour of the Proposed Monitor, legal counsel to the Proposed Monitor and legal counsel to the Applicants in respect of their fees and disbursements incurred at their standard rates and charges, in order to ensure the active involvement and assistance of such persons during the CCAA

proceedings.

100. The proposed Administration Charge is in an aggregate amount of \$250,000 in the Initial Order, which is the amount that is reasonably necessary for the initial 10-day stay period. The Applicants intend to seek an increase in the maximum amount of the Administration Charge to \$500,000 at the comeback hearing. The amount of the proposed Administration Charge has been reviewed with the Proposed Monitor.

B. DIP Lender's Charge

101. Hematite's access to the DIP Facility is conditional upon the provision of an order of this Court, among other things, approving the DIP Loan Agreement and approving the amount and priority of the DIP Lender's Charge. As noted above, advances under the DIP Facility will be limited to \$2.3 million during the initial 10-day stay period and the amount of the DIP Lender's Charge will be limited accordingly. The amount of the proposed DIP Lender's Charge is reasonable necessary for the initial 10-day stay period and has been reviewed with the Proposed Monitor. The Applicants intend to seek an increase in the maximum amount of advances, and the DIP Lender's Charge, to \$6 million at the comeback hearing.

C. Directors' Charge

102. As noted above, John Pavanel is the sole director and officer of each of the Applicants. Mr. Pavanel will be actively involved in overseeing and directing, among other things, the operation of the Business during the CCAA proceedings, the progress of the restructuring transaction and efforts to resolve Hematite's current financial situation.

103. It is my understanding that, in certain circumstances, directors and officers can be held personally liable for certain of a company's obligations, including in connection with payroll remittances, workers' compensation remittances, harmonized sales taxes and goods and services taxes. Furthermore, I understand it may be possible for directors and officers of a corporation to be held personally liable for certain employment-related obligations. Hematite has limited or no directors and officers insurance.

104. Accordingly, the proposed Initial Order provides for a Court-ordered charge over the assets, property and undertaking of the Applicants (the "**Directors' Charge**") to indemnify the directors and officers of the Applicants in respect of liabilities they may incur during the CCAA proceedings in their capacities as directors and officers. The proposed Directors' Charge is in an aggregate amount of \$250,000 in the Initial Order, which is the amount that is reasonably necessary for the initial 10-day stay period. The Applicants intend to seek an increase in the maximum amount of the Directors' Charge to \$500,000 at the comeback hearing. The amount of the proposed Directors' Charge has been reviewed with the Proposed Monitor.

D. Priorities of Charges

105. The Applicants believe that the amounts of the Administration Charge, the DIP Lender's Charge and the Directors' Charge (collectively, the "**Charges**") in the Initial Order are appropriate in the circumstances.

106. It is contemplated that the priorities of the Charges will be as follows:

- (a) First – Administration Charge (to the maximum initial amount of \$250,000);

(b) Second – DIP Lender’s Charge; and

(c) Third – Directors’ Charge (to the maximum initial amount of \$300,000).

107. The Initial Order sought by the Applicants provide for the Charges to rank in priority to all other security interests, trusts, liens, charges, encumbrances and claims of secured creditors, statutory or otherwise, (collectively, the “**Encumbrances**”), other than certain specified exceptions, such as purchase-money security interests, statutory deemed trusts for source deductions, certain pension plan amounts, municipal property tax and utility liens (each to the extent it is a super-priority). I am advised by James Gage of McCarthy Tétrault LLP and I believe that the specified exceptions are intended to represent those claims that have priority outside of CCAA proceedings.

108. At the comeback hearing, the Applicants intend to request that the Charges rank in priority to the Encumbrances as well, on notice to the creditors that may be impacted by such relief.

(viii) Service and Notice

109. Hematite is also seeking approval of its proposed manner of service and notice of the Initial Order and the comeback motion authorized pursuant to the Initial Order. In particular, the Applicants propose that the Monitor shall provide notice by way of publication, by making the Initial Order publicly available as prescribed in the CCAA, and by sending a notice (which shall include the date of the comeback motion) to known creditors with claims over \$1000 by e-mail (or physical mail if the Applicants do not have e-mail addresses on file for a particular known creditor).

110. The proposed Initial Order also provides that Hematite may rely on the notice provided by the Monitor (as described above) to provide notice of the comeback motion and shall only be required to serve motion materials in relation to the comeback motion on those parties who serve a Notice of Appearance in the proceeding or otherwise request service of such materials or to be added to the service list, in writing, in advance of the comeback motion.

(ix) *Foreign Proceedings*

111. In light of the significant operations that Hematite has in the United States, the Applicants intend to seek recognition of these proceedings and the Initial Order as soon as practicable from the United States Bankruptcy Court for the District of Delaware pursuant to Chapter 15 of title 11 of the United States Code. The Initial Order contemplates that Hematite Holdings Inc. will be appointed as the foreign representative and authorized to seek recognition of these proceedings in the United States.

112. As set out above, there are three Applicants that are incorporated and existing in the United States: US Pavaco, Hematite US and HAPI. However, it is appropriate for proceedings to be commenced under the CCAA with respect to these Applicants as they are each part of the integrated business of Hematite that has its centre of main interests in Ontario for the following reasons, among others:

- (a) John Pavanel is the sole director and officer of each of the Applicants and he ordinarily resides in Canada and is primarily based at the Speedvale Facility;

- (b) I am responsible for overseeing the cash management and treasury functions of the entire Hematite business, including with respect to its US operations, and I ordinarily reside in Canada and am primarily based at the Speedvale Facility;
- (c) while there is a general manager and administrative staff that are based at the Englewood Facility, all material financial, strategic, management, marketing and personnel decisions are made from the corporate headquarters at the Speedvale Facility;
- (d) all intellectual property used in the Hematite business is owned by Hematite Manufacturing;
- (e) the books and records of Hematite are kept in Canada at the Speedvale Facility; and
- (f) Hematite has operated production facilities in Canada since 1978, whereas it has only been carrying out production in the US since 2018.

V. CONCLUSION

113. Hematite requires the stability and breathing room provided by the CCAA process to enable Hematite to implement its restructuring plan. The restructuring plan is supported by all of Hematite's key stakeholders, including its secured lenders, major customers and certain key suppliers. The restructuring plan is in the best interests of Hematite and its employees, creditors and other stakeholders generally as a successful restructuring will allow Hematite to emerge as a more viable enterprise able to compete and hopefully prosper in this difficult environment.

114. The relief requested in the proposed Initial Order is limited to relief that is reasonably necessary for the continued operations of Hematite in the ordinary course of business during the initial 10-day stay period.

Independent Auditor's Report

To the shareholder of Hematite Manufacturing Inc.

Opinion

We have audited the financial statements of Hematite Manufacturing Inc. (the company), which comprise the balance sheet as at March 30, 2019, and the statements of operations and retained earnings and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the company as at March 30, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Significant Accounting Policies (continued)

Research and Development	Research expenditures are expensed as incurred. Development expenditures are expensed as incurred unless they meet generally accepted accounting criteria for deferral and amortization. Investment tax credits are applied to reduce related research and development expenditures in the year qualifying expenditures are incurred provided that there is reasonable assurance that the credits will be realized.
Foreign Currency Translation	Foreign currency accounts are translated to Canadian dollars using the temporal method.
Use of Estimates	The preparation of financial statements in accordance with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from management's best estimates as additional information becomes available in the future.

2. Accounts Receivable

The company is exposed to concentration of credit risk related primarily to accounts receivable from companies that operate in the same industry. The company works to mitigate credit risk on its receivables through diversification of its customer base and limiting its exposure to any one customer. This risk has not changed from the prior year.

Included in accounts receivable is \$483,823 (2018 - \$NIL) due from related parties.

Independent Auditor's Report

To the shareholders of Pavaco Plastics Inc.

Opinion

We have audited the non-consolidated financial statements of Pavaco Plastics Inc. (the company), which comprise the non-consolidated balance sheet as at March 30, 2019, and the non-consolidated statements of operations and retained earnings and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying non-consolidated financial statements present fairly, in all material respects, the financial position of the Company as at March 30, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Non-consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these non-consolidated financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Non-consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the non-consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Non-consolidated Financial Statements

March 30, 2019

1. Significant Accounting Policies

Nature of Business Pavaco Plastics Inc. (the "company") is incorporated under the Canada Business Corporations Act and is engaged in the manufacturing of automobile components.

Basis of Accounting These non-consolidated financial statements have been prepared using Canadian accounting standards for private enterprises.

Fiscal Year-end The company's fiscal year ends on the last Saturday in March. Unless otherwise stated, reference to years in this report relate to the fiscal years below:

<u>Fiscal year</u>	<u>Year Ended</u>
2019	March 30, 2019
2018	March 31, 2018

Inventories Inventories are stated at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Included in the cost of work in process and finished goods are direct product costs, direct labour and an allocation of variable and fixed manufacturing overhead including amortization.

Research and Development Research expenditures are expensed as incurred. Development expenditures are expensed as incurred unless they meet generally accepted accounting criteria for deferral and amortization. Investment tax credits are applied to reduce related research and development expenditures in the year qualifying expenditures are incurred provided that there is reasonable assurance that the credits will be realized.

Investment in Subsidiaries The company accounts for its investments in Hematite Manufacturing Inc. using the cost method.

Property, Plant and Equipment Property, plant and equipment are stated at cost less accumulated amortization. Amortization is provided for using the straight-line method over the estimated useful lives as follows for the major classes of assets:

Manufacturing equipment	10 years
Manufacturing equipment under capital lease	10 years
Tooling and returnable bins	4 - 5 years
Office furniture and equipment	2 - 10 years
Vehicles	5 years
Leasehold improvements	10 years

Amortization is calculated based on the month that the asset is acquired.

March 30, 2019

1. Significant Accounting Policies (continued)

Revenue Recognition	Revenue from sales is recognized when the significant risks and rewards of ownership have been completed and there are no significant obligations remaining, the sales price is fixed and determinable, persuasive evidence of an arrangement exists and collectibility is reasonably assured. This usually occurs at the time of delivery to the customer. Revenue from tooling contracts is recognized on a completed contract basis, recognizing revenue only when a contract is completed or substantially so.
Income Taxes	The company follows the income taxes payable method of accounting for income taxes.
Foreign Currency Translation	Foreign currency accounts are translated to Canadian dollars using the temporal method.
Use of Estimates	The preparation of financial statements in accordance with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from management's best estimates as additional information becomes available in the future.

2. Prior Period Adjustment

During the current year, the company determined that a \$100,000 dividend recorded as payable in 2011 to The 1994 Pavenal Family Trust, a shareholder at the time, had not been legally declared. As a result, due to shareholders was overstated and retained earnings was understated at the prior year end. The result of this correction to the prior year is as follows:

	As Previously Reported	Adjustment	Restated
Due from shareholders	165,919	100,000	265,919
Retained earnings, opening	(4,081,725)	(100,000)	(4,181,725)
Retained earnings, closing	(3,526,416)	(100,000)	(3,626,416)

Pavaco Plastics Inc.

Notes to Non-consolidated Financial Statements

March 30, 2019

3. Accounts Receivable

The company is exposed to concentration of credit risk related primarily to accounts receivable from companies that operate in the auto industry. The company works to mitigate credit risk on its receivables through diversification of its customer base and limiting its exposure to any one customer. This risk has not changed from the prior year.

Included in accounts receivable is \$421,973 (2018 - \$NIL) due from related parties.

4. Inventories

	2019	2018
Raw materials	\$ 887,615	\$ 945,422
Work in process	147,322	138,775
Finished goods	315,809	325,161
	<u>\$ 1,350,746</u>	<u>\$ 1,409,358</u>

The cost of sales during the year consists of the following:

	2019	2018
Raw materials and consumables used	\$ 19,435,381	\$ 22,634,877
Labour costs	3,111,913	4,148,290
Other costs	2,993,925	6,785,450
	<u>\$ 25,541,219</u>	<u>\$ 33,568,617</u>

5. Investment Tax Credits Receivable

Research and development grants are cash payments and credits against taxes payable received or receivable from the federal and provincial government as an incentive to conduct research and development in Canada. This amount represents management's best estimate of grants based on its interpretation of current legislation. However, Canada Revenue Agency has not yet assessed some of these claims and therefore the amount ultimately received in the near term could be materially different than the amount recorded. The investment tax credit receivable consists of the claim filed for the current fiscal year.

6. Note Receivable

The note receivable was assigned to 1238579 Ontario Inc. in the current year.

Independent Auditor's Report

To the shareholder of Hematite Inc.

Opinion

We have audited the accompanying financial statements of Hematite Inc. (the company), which comprise the balance sheet as at March 30, 2019, and the statements of operations and retained earnings (deficit) and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the company as at March 30, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Significant Accounting Policies

Nature of Business	Hematite Inc. (the "company") is incorporated in the State of Ohio and is engaged in the manufacturing of automobile components.
Basis of Accounting	The financial statements have been prepared using Canadian accounting standards for private enterprises.
Fiscal Year-end	The company's fiscal year ends on the last Saturday in March. Unless otherwise stated, reference to years in this report relate to the fiscal years below:

<u>Fiscal year</u>	<u>Year Ended</u>
2019	March 30, 2019
2018	March 31, 2018

Inventories	Inventories are stated at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Included in the cost of finished goods are direct product costs, direct labour and an allocation of variable and fixed manufacturing overhead including amortization.
--------------------	--

Property, Plant and Equipment	Property, plant and equipment are stated at cost less accumulated amortization. Amortization is provided for using the straight-line method over the estimated useful lives as follows for the major classes of assets:
--------------------------------------	---

Manufacturing equipment	10 years
Manufacturing equipment under capital lease	10 years
Office furniture and equipment	2 - 10 years
Computer hardware	5 years
Computer software	2 years

Amortization is calculated based on the month that the asset is put into full productive use.

Leases	Leases are classified as capital or operating leases. A lease that transfers substantially all of the benefits and risks incidental to the ownership of property is classified as a capital lease. At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the property's fair value at the beginning of the lease. Assets recorded under capital leases are amortized on a straight-line basis over the term of the lease, which is the estimated useful life of the assets. All other leases are accounted for as operating leases wherein rental payments are expensed on a straight-line basis.
---------------	--

Income Taxes	The company uses the income taxes payable method of accounting for income taxes.

1. Significant Accounting Policies (continued)

Revenue Recognition	Revenue from sales is recognized when the significant risks and rewards of ownership have been completed and there are no significant obligations remaining, the sales price is fixed and determinable, persuasive evidence of an arrangement exists and collectibility is reasonably assured. This usually occurs at the time of shipment. Revenue from tooling contracts is recognized on a completed contract basis, recognizing revenue only when a contract is completed or substantially so.
Research and Development	Research expenditures are expensed as incurred. Development expenditures are expensed as incurred unless they meet the generally accepted accounting criteria for deferral and amortization. Investment tax credits are applied to reduce related research and development expenditures in the year qualifying expenditures are incurred provided there is reasonable assurance that the credits will be realized.
Foreign Currency Translation	Foreign currency accounts are translated to US dollars using the temporal method.
Use of Estimates	The preparation of financial statements in accordance with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from management's best estimates as additional information becomes available in the future.
Financial Instruments	Financial instruments are recorded at fair value at initial recognition.

2. Accounts Receivable

The company is exposed to concentration of credit risk related primarily to accounts receivable from companies that operate in the auto industry. The company works to mitigate credit risk on its receivables through diversification of its customer base and limiting its exposure to any one customer. This risk has not changed from the prior year.

Included in accounts receivable is \$160,042 (2018 - \$NIL) due from related parties.

 - (m) implementation of the CCAA Plan will have occurred by no later than December 31, 2020 (the "**Outside Date**").
- 1.4 The Hematite CCAA Applicants will file a motion to apply for the Initial Order contemplated by Section 1.2(a) in time sufficient to obtain the Initial Order by deadline contemplated in Section 1.2(a), and all members of the Hematite Group and their affiliates shall publicly and privately support of the terms thereof.
- 1.5 Subject to the terms set out herein and the satisfaction or waiver, in the Plan Sponsor's sole discretion, of the conditions set out herein, the Plan Sponsor agrees to:
- (a) provide Hematite Holdings with up to \$6 million as interim financing ("**DIP Financing**") pursuant to a revolving DIP loan agreement satisfactory to the parties for the purpose of allowing the Hematite Group to meet its immediate cash needs after the Initial Order, by way of a revolving loan to Hematite Holdings by the Plan Sponsor, to be secured by a court-ordered charge over all of property, assets and undertaking of the Hematite Group which, for greater certainty shall rank ahead of all existing secured claims against any member of the Hematite Group other than any permitted prior-ranking encumbrances agreed to by the Plan Sponsor that are expressly contemplated in the Initial Order. Such DIP Financing shall be used by the Hematite Group toward the costs of its restructuring, including payment of professional fees and expenses and its working capital requirements

during the pendency of its CCAA proceeding, subject to the Hematite Group achieving the cashflow forecasts as reviewed by the Monitor and approved by the Plan Sponsor, and the Hematite Group maintaining all of its material production contracts with its customers. The proceeds of the DIP Financing will be disbursed in accordance with weekly cashflow forecasts approved by the Monitor and the Plan Sponsor;

- (b) provide Hematite Holdings with an amount of money to be determined in consultation with Hematite Holdings and its secured lenders, to settle or acquire the claims and security of its secured lenders;
 - (c) provide Hematite Holdings with an amount of money to be determined in consultation with Hematite Holdings, to fund a cash pool to be used to settle the unsecured claims against the Hematite Group pursuant the CCAA Plan, which unsecured claims will be compromised and extinguished by the CCAA Plan, on terms that are satisfactory to the Plan Sponsor. This funding will be provided by the Plan Sponsor or its affiliate in exchange for new equity of Hematite Holdings to be issued to the Plan Sponsor or its affiliate upon implementation of the CCAA Plan, as set out in subsection (d) below;
 - (d) provide the funding described in Section 1.5(c) pursuant to a subscription agreement satisfactory to the parties, in exchange for new equity of Hematite Holdings and HIPI to be issued to the Plan Sponsor upon implementation of the CCAA Plan, wherein all existing equity of Hematite Holdings and HIPI will be cancelled for no consideration;
 - (e) cooperate with the Hematite Group in good faith and use commercially reasonable efforts to complete, and to assist the Hematite Group in completing, the transactions and steps described in Sections 1.2 and 1.3 by the deadlines associated with those steps (where applicable).
- 1.6 If the CCAA Plan fails because any required creditor approval is not obtained or if it is determined by the parties, each acting reasonably, that for any other reason it is no longer viable to implement the Transaction pursuant to the CCAA Plan, the parties will use commercially reasonable efforts to implement the material elements of the Transaction pursuant to an alternative transaction structure acceptable to the parties, each acting reasonably, so long as such alternative transaction would not result in a completion date later than the Outside Date and the alternative transaction is on terms and conditions no less favourable to the Plan Sponsor and to the Hematite Group, its creditors and its other stakeholders. In the event that the transaction structure is so modified, the relevant provisions of this Agreement will be modified as necessary in order that they will apply with full force and effect, *mutatis mutandis*, but with the adjustments necessary to reflect the revised transaction structure, and the parties hereto will negotiate in good faith with a view to executing and delivering an agreement in writing giving effect to and evidencing such amendments as may be reasonably required as a result of such modifications and adjustments.
- 1.7 The Plan Sponsor acknowledges and agrees that it is acquiring the equity of Hematite Holdings pursuant to the CCAA Plan on an “as is, where is” basis and on the basis that the Plan Sponsor has conducted to its satisfaction an independent inspection, investigation and verification of the Hematite Group and its assets, liabilities and business and all other relevant matters and has determined to proceed with the Transaction (subject to the conditions set out in this Agreement).

SECTION 2 TERMINATION

- 2.1 This Agreement may be terminated, by notice given prior to the date of Closing:
- (a) by Hematite Holdings or the Plan Sponsor if a material breach of any representation, warranty, covenant obligation or other provision of this Agreement has been committed by the other party, unless such breach is capable of being cured by the Outside Date and the other party is proceeding diligently to cure such breach following notification of such breach;
 - (b) by the Plan Sponsor if a condition in Section 1.2 or Section 1.3 becomes impossible to satisfy by the Outside Date (other than through the failure of the Plan Sponsor to comply with its obligations under this Agreement) and the Plan Sponsor has not waived such condition;
 - (c) by Hematite Holdings if a condition in Section 1.2 or in Section 1.3(j) or (m) becomes impossible to satisfy by the Outside Date (other than through the failure of Hematite Holdings to comply with its obligations under this Agreement) and, in the case of a condition in Section 1.2, Hematite Holdings has not waived such condition; or
 - (d) by written agreement of the Plan Sponsor and Hematite Holdings.
- 2.2 In the event of any termination of this Agreement, the obligations of the parties under this Agreement that have not been performed shall come to an end without any further obligation and the Plan Sponsor may enforce its rights under the DIP Financing and any other right it may have against Hematite Holdings or any other member of the Hematite Group, including any rights that assigned to it by secured lenders to any members of the Hematite Group (in each case in accordance with the terms of any applicable agreement and subject to the orders in the CCAA proceeding). Nothing in this Agreement shall prevent the exercise by the Plan Sponsor at any time of its rights under the DIP Financing or any other rights assigned to it by secured lenders to any members of the Hematite Group (in each case in accordance with the terms of this Agreement and any applicable agreement and subject to the orders in the CCAA proceeding).
- 2.3 In the event of any proposed termination of this Agreement to permit the Hematite Group (or any of its members) to enter into a transaction arising from a Superior Proposal, Hematite Holdings shall first pay or cause to be paid to the Plan Sponsor, in recognition of its out-of-pocket fees and expenses and the significant investment of time in connection with the authorization, preparation, negotiation and execution and performance of this Agreement and all of the transactions and accommodations contemplated hereunder, the amount of \$500,000 (the "**Termination Amount**"). Any payment of the Termination Amount shall be made by wire transfer in immediately available funds to an account designated by the Plan Sponsor.
- 2.4 Upon termination of this Agreement by the Plan Sponsor pursuant to Section 2.1(a), within two (2) business days of the Plan Sponsor's written request for payment, Hematite Holdings shall pay or cause to be paid to the Plan Sponsor an amount equal to the Termination Amount.
- 2.5 Each party acknowledges that the agreements contained in Section 2.3 and 2.4 are an integral part of the transactions contemplated by this Agreement, and that without these agreements it would not enter into this Agreement, and that the Termination Amount represents liquidated damages which are a genuine pre-estimate of the damages, including opportunity costs, which the Plan Sponsor

will suffer or incur as a result of the event giving rise to such damages and resultant termination of this Agreement, and is not a penalty. Hematite Holdings irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive.

SECTION 3 REPRESENTATIONS AND WARRANTIES

- 3.1 Each of the parties hereby represents and warrants to the other parties hereto that it has all requisite corporate power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement.
- 3.2 Each of the parties signatories hereto hereby represents and warrants to the other parties signatories hereto that the execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary corporate action on its part.
- 3.3 Hematite Holdings hereby represents and warrants, after making such investigations as it considers reasonably necessary to ensure its accuracy, that there is no matter, fact or event which is known to the Hematite Group which has not been disclosed to Plan Sponsor in writing prior to execution of this Agreement which is likely to have a material adverse effect on the Hematite Group or any member of the Hematite Group individually.

SECTION 4 EXCLUSIVITY

- 4.1 In consideration of the obligations of the Plan Sponsor hereunder, Hematite Holdings agrees that it will not, and shall not permit, to the extent legally possible, any officer, director, shareholder, affiliate (including any member of the Hematite Group), agent, representative or other person acting on its or their behalf to, directly or indirectly, continue, entertain, solicit or enter into any discussions, offers, agreements or negotiations with any other person (whether solicited or unsolicited), with respect to any offer or proposal from any person other than the Plan Sponsor (or an affiliate of the Plan Sponsor) relating to: (i) any sale or disposition (or any lease, license or other arrangement having the same economic effect as a sale of disposition) direct or indirect, through one more related transactions of all or substantially all of the assets of the Hematite Group or any individual member of the Hematite Group or all of the shares of Hematite Holdings or any other member of the Hematite Group; or (ii) any plan of arrangement, merger, amalgamation, consolidation, share exchange, business combination, reorganization, recapitalization, or other similar transaction or series of related transactions involving Hematite Holdings or any member of the Hematite Group, including any transaction similar to the CCAA Plan, and shall suspend any existing activities or discussions with any parties other than the Plan Sponsor and its representatives relating to a similar transaction unless such activities are contemplated by this Agreement.
- 4.2 Notwithstanding Section 4.1 or any other provision of this Agreement, to the extent the Hematite Group receives a bona fide unsolicited written proposal (a **"Superior Proposal"**) that, following receipt of legal and financial advice, and having regard to the extent of secured lender and customer support that may (or may not) exist for any such Superior Proposal and the requisite approvals of the secured lenders and customers that would be required to implement such Superior Proposal, the board of Hematite Holdings determines would reasonably be expected to result in a transaction more favourable to the Hematite Group and its stakeholders than the Transaction, then the Hematite Group is permitted to negotiate and have discussions with respect to such Superior Proposal; provided that, notwithstanding the foregoing, Hematite Holdings acknowledges that the Plan

Sponsor, to the extent it is a creditor of the Hematite Group, has not consented to, or approved, the implementation of any Superior Proposal.

- (e) the use of any term is generally applicable to any gender, and where applicable, a body corporate;
- (f) the word "or" is not exclusive, and the word "including" is not limiting (regardless of whether non-limiting language (such as "without limitation" or "but not limited to" or words of similar import) is used with reference thereto);
- (g) except as otherwise expressly provided herein, where the time for doing an act falls or expires on a day which is not a Business Day, the time for doing such act is extended to the next Business Day;

ARTICLE 2 REVOLVING FACILITY

2.1 The Facility

- (a) **Facility.** On the terms and subject to the conditions contained in this Agreement, on the Effective Date, the Lender shall make available to the Borrowers the Facility in the maximum principal amount of C\$6,000,000 (as such amount may be increased by the Lender in its sole discretion in accordance with Section 2.1(b) below, the "**Maximum**

Principal Amount"). The outstanding principal under the Facility shall not exceed the Maximum Principal Amount.

- (b) **Type of Availment.** Subject to the terms and conditions hereof, and prior to the Maturity Date, the Borrowers may, in Canadian Dollars, make Drawdowns under the Facility of Loans, in two tranches:

- (i) a first tranche (the "**First Tranche**") in the sum of C\$2,300,000; and
- (ii) a second tranche (the "**Second Tranche**") in the sum of up to C\$3,700,000;

provided that if the Court has approved an increase in the amount of the DIP Charge (as defined below), the Lender may, in its sole discretion: (A) increase the Maximum Principal Amount by an amount not to exceed the amount of such increase to the DIP Charge, and (B) approve further Drawdowns hereunder.

- (c) **Nature of Facility.** Prior to the Maturity Date, the Facility shall be a revolving credit facility: that is, the Borrowers may increase or decrease Loans under the Facility by making Drawdowns, repayments and further Drawdowns.
- (d) **Use of the Proceeds.** The Facility is being made available to the Borrowers for the purpose of: (i) meeting the Borrowers' immediate cash needs for general operating purposes; and (ii) its restructuring, including payment of professional fees and expenses and its working capital requirements during the pendency of the CCAA Proceedings. The Borrowers shall use the proceeds of the Loans solely for the purposes set forth in this Section 2.1(d) and for no other purposes.

2.2 Drawdowns

Subject to the provisions hereof, the Borrowers may request a Drawdown by delivering a Drawdown Notice, to the Lender not later than 10:00 a.m. (Toronto time) three Business Days prior to the proposed Drawdown Date (or such shorter period as the Lender may agree); provided however, the initial Drawdown under the First Tranche will be advanced by the Lender on the same Business Day as the Effective Date.

2.3 Making the Note

The Borrowers shall execute and deliver the Note to the Lender evidencing Loans, made in accordance with Section 2.2, substantially in the form of Exhibit B. The Lender shall enter in the grid attached to the Note details of all amounts from time to time owing, paid or repaid by the Borrowers hereunder. The information entered in such grid shall, absent manifest error, constitute *prima facie* evidence of the obligations of the Borrowers to the Lender hereunder with respect to all Loans and all other amounts owing by the Borrowers to the Lender hereunder.

2.4 Repayment of Loans

The Borrowers shall repay to the Lender all Loans and other obligations outstanding under the Facility in full on the Maturity Date.

2.5 Interest

- (a) **Interest Amount.** The Borrowers shall pay interest on each Loan owing by it during each month applicable thereto in Canadian Dollars at a rate per annum equal to the Applicable Interest Rate, calculated daily and payable monthly in arrears on the last day of such month, commencing with the first interest payment being made on October 31, 2020. Such interest shall accrue daily from the date a Loan was advanced, and shall be calculated on the principal amount of such Loan outstanding during such period and on the basis of the actual number of days elapsed in a year of 365 days.
- (b) **Compound Interest.** Interest that is not paid when due shall be added to the principal amount of the Loan and itself bear interest as such.
- (c) **Usury Laws.** Notwithstanding any other provision of this Agreement, no interest or fee to be paid hereunder shall be paid at a rate exceeding the maximum rate permitted by applicable law. In the event any such interest or fee exceeds such maximum rate, such interest or fee shall be reduced or refunded, as the case may be, so as to be payable at the highest rate recoverable under applicable law.

2.6 Optional Prepayments

The Borrowers shall have the right to prepay any Loans, in whole or in part, at any time without penalty or premium. Any prepayment of principal shall be accompanied by a payment of all interest accrued and unpaid on the portion of the applicable Loan being prepaid.

2.7 Payments and Computations

- (a) The Borrowers shall make each payment hereunder not later than 11:00 A.M. (Toronto time), on the day when due, in Dollars, to the Lender at an account designated from time to time by the Lender in immediately available funds or by such other means as may be agreed between the Borrowers and the Lender, without set-off or counterclaim. Payments not paid by the Borrowers before 11:00 A.M. (Toronto time) shall be deemed to be received on the next Business Day.
- (b) All computations of interest shall be made by the Lender on the basis of a year of 365 days comprised of actual days in each calendar month. In the case of a leap year one day shall be added to 365 and to the month of February. Each computation by the Lender of interest hereunder shall be prima facie evidence of the amount at issue. For the purposes of the *Interest Act* (Canada), whenever any interest or fee under this Agreement or in any other Loan Document is calculated using a rate based on a number of days less than a full year, such rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 (y) multiplied by the actual number of days in the calendar year in which the period for which such interest or fee is payable ends, and (z) divided by the number of days based on which such rate is calculated. All interest hereunder will be calculated using the nominal rate method, and not the effective rate method, and the deemed reinvestment principle shall not apply to any such

calculations. Each Borrower confirms that the interest payable hereunder and the calculation thereof has been adequately disclosed to it, and agrees not to plead to the contrary, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

2.8 Application of Payments

Notwithstanding any other provision of this Agreement or the Note to the contrary, all payments and prepayments of the principal amount in respect of any Loan shall be applied first to the costs and expenses of the Lender, second to the accrued but unpaid interest on such Loan and third to the principal amount of such Loan.

ARTICLE 3 SECURITY AND INITIAL ORDER

3.1 DIP Charge

All indebtedness, liabilities and obligations of the Borrowers to the Lender hereunder, and all obligations, indebtedness, fees (including professional fees), costs, and expenses of the Borrowers under the Loan Documents and the Facility (collectively, the "**Post-Filing Obligations**") shall be secured by super-priority DIP financing charge (the "**DIP Charge**") on all of the present and after-acquired real and personal property of the Borrowers as provided for herein and in the Initial Order.

3.2 Initial Order and Amended and Restated Initial Order

The Initial Order and the Amended and Restated Initial Order (including any amendment and restatement thereof) shall be satisfactory to the Lender in its sole discretion, including provisions addressing (among other things) the following:

- (a) approval of the financing provided for in this Agreement (including the Facility);
- (b) authorization and direction for the Borrowers to make all payments of principal, interest, fees, and expenses under this Agreement to the Lender;

- (e) a director's charge in an amount not to exceed C\$300,000 under the Initial Order (to be increased to C\$500,000 under the Amended and Restated Initial Order) which ranks junior to the DIP Charge; and
- (f) that the Lender shall be treated as unaffected in any plan of arrangement or compromise filed by or in respect of any Borrower under the CCAA, or under any proposal filed by or in respect of any Borrower under the *Bankruptcy and Insolvency Act* (Canada), with respect to any Post-Filing Obligations.

- (e) there is no matter, fact or event which is known to any Borrower which has not been disclosed to the Lender in writing which is likely to have a Material Adverse Effect on the performance of the respective obligations of such Borrower under this Agreement, and such Borrower has conducted such investigations as it considers reasonably necessary to make this representation and warranty.

4.2 Covenants

Each Borrower, jointly and severally, covenants and agrees with the Lender that while any amount owed to the Lender is outstanding under this Agreement:

- (f) each Borrower shall maintain and comply with all of its material production contracts with its material customers;
- (g) each Borrower shall cooperate fully with the Lender and its respective agents and employees by providing all information requested by the Lender, and by providing access to its books, records, property, assets, and personnel wherever they may be situated in whatever medium they may be recorded, except for confidential or privileged information, at the request of and at times convenient to the Lender, acting reasonably, which right of access shall include the right to inspect and appraise such property and assets;

Each Borrower shall ensure that the Professional Expenses are provided for in its budget. Nothing in this Agreement shall derogate from any Borrower's obligation to pay for all of the Professional Expenses or shall constitute a cap on Professional Expenses. Notwithstanding the foregoing, the Lender shall add all of the Professional Expenses to the Post-Filing Obligations if the same are not paid when due. Each Borrower hereby acknowledges, confirms and agrees that the Professional Expenses which are added to the Post-Filing Obligations shall be secured and covered by the DIP Charge.

8.3 Time

Time is of the essence of this Agreement.

8.4 No Waiver; Remedies

No failure on the part of the Lender to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

8.5 Lender's Right of Set-Off

Upon the occurrence and during the continuance of any Event of Default, the Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Lender to, or for the credit or the account of, the Borrowers against the Note now or hereafter existing whether or not the Lender shall have made any demand under (i) this Agreement, or (ii) any other Loan Document and whether or not the Note is otherwise due. The Lender agrees promptly to notify the Borrowers after any such set-off and application made by the Lender; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Lender under this Section 8.5 are in addition to the other rights and remedies (including other rights of set-off) which the Lender may have.

8.6 Governing Law and Jurisdiction

The laws of the Province of Ontario (excluding its rules governing conflicts of laws) shall govern the construction, interpretation and other matters arising out of or in connection with this Agreement.

8.7 Execution in Counterparts; Electronic Execution

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Transmission of an executed signature page by facsimile, e-mail or other electronic means is as effective as a manually executed counterpart of this Agreement. The words "execution," "execute", "signed," "signature," and words of like import in or related to any Loan Document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be.

8.8 Entire Agreement

This Agreement, together with all of the other Loan Documents, the Plan Sponsor Agreement and all certificates and documents delivered hereunder or thereunder, embodies the entire agreement of the Parties and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof.

8.9 Lost or Destroyed Note

Upon receipt by the Borrowers of evidence reasonably satisfactory to the Borrowers of the loss, theft, destruction or mutilation of the Note, and in the case of any such loss, theft or destruction, upon delivery of an indemnity reasonably satisfactory to the Borrowers or, in case of any such mutilation, upon surrender and cancellation of the Note, the Borrowers will issue a new promissory note of like tenor in lieu of the Note.

8.10 Severability

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The Parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal, or unenforceable provisions.

8.11 Joint and Several Liability

Each of the Borrowers shall be jointly and severally liable for each obligation hereunder. The Borrowers are engaged in related businesses and are integrated to such an extent that the financial strength and flexibility of each Borrower has a direct, tangible and immediate impact on the success of the other

Borrowers. Each Borrower will derive substantial direct and indirect benefit from the extensions of the Facility to the Borrowers hereunder.
