~~Counsel will provide the court with a copy of ms. Joseph's affidavit sworn July 31, 2019.~~

Having reviewed the record, I am satisfied that Fee Exemption and Bar Date Orders sought by the Applicant recognizing the U.S. orders pursuant to s. 49 of the CCAA should be granted. The granting of these orders is consistent with the purpose of the CCAA cross border regime and the objectives it promotes. Order to go in the form of the draft signed by me today. Dittell J.
