## **THE GROUNDS FOR THE MOTION ARE**

### **Background**

- 2. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Ninth Report, First Supplemental Report and Second Supplemental Report.
- 3. Maple Bank is a Canadian-owned German bank, and an authorized foreign bank in Canada under section 2 and Part XII.1 of the Bank Act. As a German bank, Maple Bank is subject to regulation in Germany by the Federal Financial Supervisory Authority (“**BaFin**”). As an authorized foreign bank under the Bank Act, Maple Bank is regulated with respect to its business in Canada by the Office of the Superintendent of Financial Institutions;

# ***1. INTRODUCTION AND PURPOSE OF THE SECOND SUPPLEMENT TO THE NINTH REPORT***

---

## **BACKGROUND**

1. This report is the second supplemental report (the “**Second Supplemental Report**”) to the ninth report to the Court of the Liquidator of the Toronto Branch of Maple Bank GmbH (the “**Ninth Report**”), and is being provided to the Court further to the filing of the first supplemental report to the Ninth Report (the “**First Supplemental Report**”) and the hearing with respect to the relief sought by the Liquidator in this matter on November 25, 2016 (the “**Amended Relief**”), as well as the relief now sought by the Liquidator on December 9, 2016 (the “**Further Relief**”).
2. Background to the Amended Relief, along with other information is set out in the Ninth Report and the First Supplemental Report (attached as **Appendix A** and **Appendix B**, respectively).
3. Since the filing of the Ninth Report, the Court has:
  - i. Authorized the Liquidator to convert or hedge amounts to be distributed (or anticipated to be distributed) to the GDPF and/or to the GIA in order to mitigate their respective foreign exchange risk (the “**FX Risk**”);
  - ii. Approved a distribution to creditors of the Toronto Branch with Proven Claims (in whole or in part), including statutory interest in accordance with the WURA, on or after December 19, 2016 (the “**Distribution Date**”);
  - iii. Approved the Notice of the Distribution and its publication in the National edition of *The Globe and Mail* and the International edition of *The Wall Street Journal* (collectively, the “**Newspapers**”); and
  - iv. Approved the Third Report and Ninth Report and the activities of the Liquidator as more particularly described in those reports.

## TERMS OF REFERENCE AND DISCLAIMER

4. In preparing this report, the Liquidator has been provided with, and has relied upon, unaudited and other financial information, books and records (collectively, the “**Information**”) prepared by the Toronto Branch and/or its representatives, and discussions with its former management and/or its former representatives. The Liquidator has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided and in consideration of the nature of evidence provided to the Court. However, the Liquidator has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants Canada Handbook and, accordingly, the Liquidator expresses no opinion or other form of assurance contemplated under CAS in respect of the Information.
5. The information contained in this report is not intended to be relied upon by any prospective purchaser or investor in any transaction with the Liquidator.
6. Capitalized terms not defined in the Second Supplemental Report are as defined in either the Winding-Up Order and/or the prior reports of the Liquidator. Unless otherwise indicated, all references to monetary amounts herein are denominated in Canadian dollars (“**CAD**”).
7. Copies of the Liquidator’s Court reports and all motion records and Orders in these proceedings are available on the Liquidator’s website at <http://www.kpmg.com/ca/maplebank>.

## PURPOSE OF THE SECOND SUPPLEMENTAL REPORT

8. The purpose of the Second Supplemental Report is to:
  - i. Provide an update on the activities of the Liquidator since the filing of the First Supplemental Report;
  - ii. Provide an update on foreign exchange transactions which have occurred in respect of the Toronto Branch regarding the FX Risk of the GDPF and the GIA;
  - iii. Request the Further Relief, namely, an order approving:
    - a) The notice to creditors of the Toronto Branch, Maple Bank and certain entities related to Maple Bank in connection with possible Claims against individuals who were a Principal Officer of the Toronto Branch and also a director and/or officer of certain related and affiliated entities of Maple Bank (as listed and described further herein), (the “**Principal Officers Claims Bar Notice**”), to be placed in the Newspapers as soon as practicable;
    - b) That January 9, 2017 be fixed as the Principal Officers’ claims bar date (the “**Principal Officers Claims Bar Date**”) with respect to any Claims that may be filed with the Liquidator against the Principal Officers of the Toronto Branch (the “**Principal Officers Additional Claims**”); and,
    - c) The activities of the Liquidator since the filing of the Ninth Report, as described in the First Supplemental Report and in this Second Supplemental Report.

## ***2. LIQUIDATOR'S ACTIVITIES SINCE NOVEMBER 25 2016***

---

9. The following activities were undertaken by the Liquidator since November 25 2016:
- i. The Liquidator has continued its dialogue with all former employees as well as a number of other creditors of the Toronto Branch to exchange information and advance the respective Proofs of Claim. During this time, the Liquidator has issued a number of Notices of Allowance and Notices of Disallowance to various claimants;
  - ii. As set out in the First Supplemental Report, Lishman filed a Proof of Claim with the Liquidator that includes, among other things, a contingent claim (the “**Lishman Contingent Claim**”) for contribution, indemnity, reimbursement, costs and other relief arising out of or on account of any claims made against Lishman due to or connected with his role as Principal Officer (as such term is used in the *Bank Act*) of the Toronto Branch or, in his capacity as a director and/or officer of Maple Financial Group Inc., Maple Futures Corp., Maple Holdings Canada Limited, Maple Securities Canada Limited, Maple Trade Finance Inc., Maple Securities U.S.A. Inc., Maple Arbitrage Inc., Maple Trade Finance Corp, Maple Commercial Finance Corp, Maple Partners America Inc. and Maple Financial US Holdings Inc. (each, an “**Affiliate**” and collectively the “**Affiliates**”). Further information regarding the Lishman Contingent Claim was provided in the First Supplemental Report. In the process of its review of the Lishman Contingent Claim, the Liquidator learned that there was a concern that Lishman might be subject to a claim advanced by the GIA, on behalf of Maple Bank, (the “**GIA Claim**”) after all the proceeds from the assets of the Toronto Branch were distributed by the Liquidator. In an effort to resolve the Lishman Contingent Claim, address the possibility of a GIA Claim and also allow for a timely distribution to the creditors and other stakeholders of the Toronto Branch in these proceedings, including a

distribution to the GIA, the Liquidator has been in discussions with Lishman and the GIA and their respective counsel, regarding the Principal Officers Claims Bar Notice and Principal Officers Claims Bar Date, as described in the Further Relief. Although there has not been a consensus as to the best approach to be adopted to actually address, or resolve these issues, the Liquidator is of the view that it would be beneficial to all creditors and stakeholders of the Toronto Branch to commence the Principal Officers Additional Claims process, without delay; and

- iii. The Liquidator continues to work with the GIA as it relates to any potential foreign currency transactions, as further described herein.
10. The Liquidator understands that the GIA and Lishman, and their respective counsel are continuing discussions with regard to the various issues surrounding the Lishman Contingent Claim and the GIA Claim.
  11. Based on the ongoing discussions that the Liquidator continues to have with Lishman, the Liquidator also understands that Lishman will continue to cooperate with the Liquidator with regard to the Liquidator's ongoing administration and winding up of the Business of the Toronto Branch. In this regard, the Liquidator notes that Lishman's cooperation and assistance to date with the Liquidator's winding up of the Business have been instrumental in maximizing realizations for the benefit of all creditors and stakeholders of the Toronto Branch. Lishman has also provided significant assistance to the Liquidator with regard to the Liquidator's ongoing review of Proofs of Claim that have been submitted to the Liquidator in accordance with the Claims Procedure.

### ***3. UPDATE ON FOREIGN CURRENCY TRANSACTIONS***

---

12. As outlined in the Ninth Report, the Toronto Branch's two largest stakeholders reside in Germany, namely the GDPF, as the assignee of German depositors with proven claims of \$686.1 million (plus accrued interest), and the GIA for the estimated surplus from the Toronto Branch which is expected to be available after the satisfaction of all Proven Claims plus interest (the "**Estimated Surplus**"). At this time and subject to a further adjudication of the Proofs of Claims that have been filed with the Liquidator, the Estimated Surplus is currently forecast at approximately \$574.3 million (as further described in the Ninth Report), plus the value of the U.S. Assets (now, all in cash form) which is currently estimated at approximately \$91.3 million.
13. On November 18, 2016 the Court issued an interim distribution order, which authorized the Liquidator, subject to the approval of the GDPF or the GIA, to either convert the amounts held for the Proven Claims of the GDPF and the Estimated Surplus to Euros or, alternatively, purchase derivative financial products that would hedge the FX Risk (the "**Interim Distribution Order**").
14. Immediately after the issuance of the Interim Distribution Order the Liquidator convened a dialogue with the Liquidator, its investment advisor RBC Dominion Securities Inc. ("**RBC DS**"), the GDPF, the GIA, and their respective counsel and Royal Bank of Canada ("**RBC**"). During the conference call, the Liquidator and RBC DS discussed various conversion and hedging options available to the GDPF and the GIA. As a result of the call, the GDPF requested a foreign exchange forward outright purchase transaction that was executed by RBC on November 21, 2016 (the earliest possible time when the foreign markets opened that day). The GIA, however, elected not to execute any foreign exchange transaction.
15. The GIA has been advised on a number of occasions by the Liquidator, in consultation with RBC, regarding the particular options available to it to hedge or convert its position. The CAD/EUR exchange rate has moved in a materially favourable manner to the GIA's position since the date of the Winding-Up Order.

It is the Liquidator's view that the improvement in the GIA's position since the date of the Winding-Up order is currently in excess of any reasonable total hedging, or conversion costs (including the expected negative yield experience on holding a Euro-denominated position) plus all of the expected interest costs relating to claims, as prescribed under WURA in these proceedings.

16. The Liquidator has been advised that the GIA continues to consider its options and may decide to hedge its position in the near future.

#### ***4. PRINCIPAL OFFICERS CLAIMS BAR DATE***

---

17. The Liquidator, subsequent to the hearing on November 25, 2016, has amended the notice period provided under the Principal Officers Claims Bar Notice to thirty (30) days.
18. The Liquidator recommends that the Principal Officers Claims Bar Notice, which includes the Principal Officer Claims Bar Date, be published in the Newspapers in the form as appended in **Appendix C**, hereto.
19. The Liquidator notes that the Affiliates do not include Maple Bank GmbH (Germany). Furthermore, neither the GIA or Maple Bank GmbH are affected by the Principal Officers Additional Claims Order, or the Principal Officers Claims Bar Date.

## ***5. FUTURE PLANS OF THE LIQUIDATOR***

---

20. The Liquidator's near term plans in connection with administering the winding-up of the Toronto Branch include the following:
- i. Continue to advance its review, analysis and settlement, if possible, of the existing Proofs of Claims (to the extent not already fully proven) and any new Proofs of Claim which may be received by the Liquidator through the Claims Procedure;
  - ii. On or after the Distribution Date to make an initial distribution to Creditors with Proven Claims as approved by the Court on November 25, 2016;
  - iii. Publish the Principal Officers Claims Bar Notice, which will include the Principal Officers Claims Bar Date, in the Newspapers as soon as practicable should the Court approve the Further Relief;
  - iv. With an appropriate reserve for unproven Claims, plus interest as prescribed under WURA, make a subsequent distribution to any further Creditors with Proven Claims after the Distribution Date, as well as a distribution of the Estimated Surplus to the GIA after the expiry of the Principal Officers Claims Bar Date (set at January 9, 2017); and
  - v. Make further distributions as all remaining Claims are settled, or finally adjudicated in accordance with the Claims Procedure.
21. The Liquidator observes that a timely distribution of the Estimated Surplus to the GIA prior to the Liquidator making a distribution to all Creditors with Proven Claims, in full, including statutory interest in accordance with the WURA, may require the cooperation and negotiation of corresponding arrangements among those creditors, the GIA and Lishman.

## ***6. LIQUIDATOR'S RECOMMENDATIONS***

---

22. The Liquidator submits this Second Supplemental Report to the Court in support of the Liquidator's Motion for the Further Relief as set out in the Notice of Motion dated December 8, 2016 and recommends that the Court grant the Principal Officers Additional Claims Order, substantially in the form of the Order appended as **Appendix D** hereto:
- i. Approving the Principal Officers Claims Bar Notice and the Principal Officers Claims Bar Date; and
  - ii. Approving the activities of the Liquidator since the filing of the Ninth Report.

All of which is respectfully submitted at Toronto, Ontario this 8<sup>th</sup> day of December, 2016.

## **BACKGROUND**

1. Maple Bank GmbH (“**Maple Bank**”) is a Canadian-owned German bank, and an authorized foreign bank in Canada under section 2 and Part XII.1 of the *Bank Act* (an “**Authorized Foreign Bank**”). In Germany, Maple Bank is subject to regulation by the Federal Financial Supervisory Authority (“**BaFin**”). As an Authorized Foreign Bank, Maple Bank was regulated with respect to its business in Canada (the “**Toronto Branch**”) by the Office of the Superintendent of Financial Institutions (“**OSFI**”).
2. As more fully described in the Liquidator’s first report to this Court dated March 2, 2016 (the “**First Report**”), in the period leading up to the commencement of the *Winding Up and Restructuring Act* (“**WURA**”) proceeding, the Toronto Branch had three major lines of business: (i) the origination and securitization of real property mortgages in Canada; (ii) structured secured lending; and (iii) security financing transactions (collectively, the “**Business**”).
3. The emergence of significant German tax claims against Maple Bank and the resulting indebtedness of Maple Bank led to:
  - i. BaFin imposing a moratorium on Maple Bank’s business activities, which caused Maple Bank to cease business and institute insolvency proceedings in Germany (the “**Moratorium**”);
  - ii. The appointment of a German insolvency administrator (the “**GIA**”) over Maple Bank GmbH (the “**German Estate**”);
  - iii. The issuance of default notices and the termination of agreements by financial institutions that were counterparties to financial contracts (primarily swaps and hedging instruments) with the Toronto Branch in respect of their dealings with Maple Bank’s business in Canada;

- iv. Canada Mortgage and Housing Corporation (“**CMHC**”), after the issuance of a default notice to Maple Bank, taking control of the Mortgage Backed Securities (“**MBS**”) business of the Toronto Branch and the corresponding mortgage pools (totaling approximately \$3.5 billion); and
  - v. OSFI issuing orders under section 619 of the *Bank Act* for the taking of control of the assets of Maple Bank in respect of the Business.
4. The events described above prompted OSFI to request that the Attorney General of Canada seek a winding-up order pursuant to section 10.1 of the WURA in respect of the Business in Canada of Maple Bank. On February 16, 2016 (the “**Liquidation Date**”), this Court granted an order (the “**Winding-Up Order**”) to, among other things, (i) wind-up the Business; and (ii) appoint KPMG Inc. (“**KPMG**”) as liquidator (the “**Liquidator**”) of the Business and of the assets of Maple Bank as defined in section 618 of the *Bank Act* (the “**Assets**”). Attached as **Appendix A** is a copy of the Winding-Up Order.
5. On March 2, 2016, the Liquidator filed its First Report to the Court which, among other things, outlined the protocol that was agreed to between the Liquidator and the GIA regarding the existing Chapter 15 filing under the *United States Bankruptcy Code* made by the GIA with regard to Maple Bank’s non-Toronto Branch assets in the U.S. and the Assets of the Toronto Branch which reside in the U.S.
6. On March 30, 2016, the Liquidator filed its Second Report to the Court which provided: (i) an update on the actions of the Liquidator since the granting of the Winding-Up Order; (ii) an update on the Assets and liabilities of the Toronto Branch; and (iii) details of a proposed marketing process to identify a successor issuer to the Toronto Branch’s MBS program and for the sale of all or a portion of certain other Assets (the “**Marketing Process**”).
7. On June 2, 2016, the Liquidator filed its Third Report to the Court which provided information in respect of: (i) an update on the actions of the Liquidator since the issuance of the Second Report; (ii) an update on the status of the Marketing Process; (iii) a proposed claims procedure (the “**Claims Procedure**”) for use in

these proceedings, including the appointment of a Claims Officer (as defined in the Claims Procedure Order); (iv) the proposed appointment of Independent Cost Counsel (as defined in the Third Report) to review and report to the Court on the fees and disbursements of the Liquidator and its counsel; and (v) the statement of receipts and disbursements of the Toronto Branch for the period February 16 to May 13, 2016.

8. On June 17, 2016, the Liquidator filed its Fourth Report to the Court which provided information regarding the sale by the Liquidator of certain un-pooled insured residential mortgages to the originators of those mortgages; myNext Mortgage Premier Trust and Xceed Mortgage Corporation.
9. On July 25, 2016, the Liquidator filed its Fifth Report to the Court which provided information regarding three sales transactions by the Liquidator involving certain structured loans associated with the Immigrant Investor Program (“**IIP**”), which included receivable backed notes (the “**Receivable Backed Notes**”) issued by PWM Financial Trust, CTI Capital Securities Inc. and KEB Hana Bank Canada (“**KEB**”) respectively and secured by, *inter alia*, notes issued by either Citizenship and Immigration Canada (“**CIC**”) or IQ Immigrants Investisseurs Inc. (“**IQII**”). Following the closing of these sales transactions certain unsold Receivable Backed Notes remained in the possession of the Toronto Branch (the “**Residual Receivable Backed Notes**”).
10. On September 19, 2016, the Liquidator filed its Sixth Report to the Court which provided information regarding the selection by CMHC of Equitable Bank (“**Equitable**”) as the Successor Issuer for the Toronto Branch’s *National Housing Act* (“**NHA**”) MBS Program and the resulting acquisition and assumption by Equitable of all of the Toronto Branch’s rights and obligations under the CMHC NHA MBS Guide and NHA MBS Program with respect to the NHA MBS originally issued by the Toronto Branch thereunder as well as the proposed sale of MBS still owned by the Toronto Branch and certain other Toronto Branch assets to Equitable (the “**Equitable Transaction**”).

11. On October 6, 2016, the Liquidator filed its Seventh Report to the Court which provided information regarding the sale to KEB of the Residual Receivable Backed Notes issued by KEB and secured by, *inter alia*, notes issued by CIC.
12. On November 15, 2016, the Liquidator filed its Eighth Report to the Court which provided information regarding the proposed settlement between the Liquidator and the Bank of Montreal of the liabilities and obligations of each of BMO and Maple Bank arising from the Repo Transaction and the early termination of the ISDA Transactions.

## **PURPOSE OF THE NINTH REPORT**

17. The purpose of the Ninth Report is to provide information to the Court in respect of:
- i. An update on the status of the Claims Procedure implemented pursuant to the Claims Procedure Order dated June, 8 2016;
  - ii. An update on the realizations achieved by the Liquidator on the Assets of the Toronto Branch to date;
  - iii. The Liquidator's request for approval of a final distribution to creditors with proven Claims (the "**Distribution**") and an interim distribution to the German Estate of a portion of the expected total surplus funds realized from the liquidation and/or sale of the Assets and the Business of the Toronto Branch (the "**Partial Distribution**", and collectively with the Distribution, the "**Interim Distribution**");
  - iv. The proposed notice to be provided to creditors of the Toronto Branch prior to making the Interim Distribution (the "**Notice**");
  - v. The Liquidator's request for approval to convert certain amounts held by the Liquidator for the Toronto Branch, including certain funds to be distributed in accordance with the Interim Distribution, from CAD to Euros, or the purchase of an appropriate foreign exchange hedging instrument for the period of the Notice (the "**Notice Period**"); and,
  - vi. An update on the Liquidator's activities since the filing of the Third Report and to seek approval of those activities, including the activities as described in the Third Report, except for those activities related to the Marketing Process, which have been approved by the Court as the Liquidator completed various transactions as provided for in the Marketing Process.

18. The Liquidator is seeking certain relief from the Court, as follows:

An order (i) approving the Interim Distribution; (ii) approving the Notice, to be placed in the National Edition of *The Globe and Mail* and the International Edition of *The Wall Street Journal* by December 19, 2016 advising of the Interim Distribution; (iii) authorizing the Liquidator to convert certain amounts held by the Liquidator for the Toronto Branch, including the amount of the Interim Distribution, from CAD to Euros, or the purchase of an appropriate foreign exchange hedging instrument, for the Notice Period (all as further described herein); (iv) approving the Receipts and Disbursements for the Toronto Branch for the period from February 16, 2016 to October 31, 2016; and (v) approving the activities of the Liquidator since the filing of the Third Report, including the activities of the Liquidator as described in the Third Report.

21. Pursuant to the Claims Procedure Order, the Liquidator is required to file a report with the Court detailing the nature and quantum of all Claims filed. At this time the Liquidator is able to provide a brief summary of the Claims received to date.
22. As of November 16, 2016, 56 Proofs of Claim have been filed with the Liquidator as summarized in the table below.

- ii. 23 German Depositor Claims totalling \$686.1 million relate to deposits made in the Toronto Branch prior to the Liquidation that have been assigned to the Association of German Banks' Deposit Protection Fund and the Compensation Scheme of German Private Banks (collectively the “**GDPF**”);
  - iii. Seven vendor Claims totalling \$12.1 million relate to unpaid services provided to the Toronto Branch prior to Liquidation, unpaid corporate income taxes for the fiscal years ended 2010, 2013-2015 and unremitted Harmonized Sales Taxes for the years 2015 and 2016;
  - iv. 19 employee Claims totalling \$20.9 million relate to termination notice and severance pay, unpaid bonuses, out of pocket expenses due to employees prior to Liquidation, among other things;
  - v. Six non-vendor Claims totalling \$59.9 million relate primarily to a structured loan counterparty obligation and five contingent Claims filed by certain originators and servicers of the Mortgage Business and Structured Loan Portfolio. As of the date of this report, three of these parties have indicated that their claims have been satisfied as a result of the Equitable Transaction; and
  - vi. One related party Claim totalling \$0.4 million relates to a Claim from Maple Securities U.S.A. (a related party) which is claimed to have arisen as a result of a default by the Toronto Branch under a repurchase transaction.
24. The Liquidator has reviewed and continues to analyze the Proofs of Claim in accordance with its obligations pursuant to the Claims Procedure Order. As at November 16, 2016 the Liquidator has admitted and approved \$686.2 million of Claims (the “**Proven Claims**”) as summarized below:

### ***3. PROPOSED INTERIM DISTRIBUTION OF PROCEEDS AND CREDITOR NOTICE***

---

25. As discussed in the Third Report, one of the primary stated objectives of the GIA is to obtain a distribution of the expected total surplus realized from the Toronto Branch (the “**Surplus**”) as soon as practicable to the German Estate. Notwithstanding that the WURA does not explicitly provide for an interim distribution to the German Estate until all third party Claims are satisfied in full, the Liquidator is supportive of the Interim Distribution, including the Partial Distribution. The Liquidator believes it is now in a position to seek approval from the Court to effect the Interim Distribution, including the Partial Distribution, as the majority of the Assets of the Toronto Branch had been realized upon, the universe of potential Claims is now defined with a relative degree of certainty through the Claims Procedure which has been ongoing for 150 days, an appropriate Notice will be made of the Interim Distribution to potentially affected parties and an appropriate additional reserve for potential further Claims has been set.
26. As at October 31, 2016, and as further described in Section 6 of this report, the Liquidator has realized substantially all of the Assets of the Toronto Branch and currently maintains over \$1.5 billion in cash and cash equivalents (including liquid securities), a significant portion of which could be made available for distribution to creditors and stakeholders of the Toronto Branch.
27. As described in Section 2 above, in accordance with the Claims Procedure, creditors have filed Claims totalling approximately \$1.57 billion which includes the GIA Claim of approximately \$791.3 million.
28. The following table summarizes the current assets and filed Proofs of Claim in respect of the Toronto Branch and demonstrates that if all Proofs of Claim, as filed with the Liquidator, are proven and admitted as Claims by the Liquidator the Toronto Branch would be rendered insolvent.

<sup>(3)</sup> The U.S. Assets are subject to the Stipulation in the U.S. Chapter 15 proceedings and have been excluded for the purpose of estimating the solvency of the Toronto Branch.

<sup>(4)</sup> Estimate of professional fees, Toronto Branch staff and administrative costs to complete the administration of the Toronto Branch liquidation. Does not include estimated professional fees to litigate any Proofs of Claim if they cannot otherwise be adjudicated through the Claims Procedure.

<sup>(5)</sup> Includes trade, employee, Canada Revenue Agency, contract counter-party and contingent claims.

<sup>(6)</sup> Total potential Creditor deficiency on the basis of total Proofs of Claim as filed (does not include interest on Claims as prescribed under WURA which accrues at the rate of 5% per annum as interest is not payable if Toronto Branch is insolvent).

29. The Liquidator has been working towards making the Interim Distribution as:
- i. There are limited Assets of the Toronto Branch remaining to be realized;
  - ii. Statutory interest will accrue on Claims if the Toronto Branch is determined to be solvent;
  - iii. The GDPF has significant claims and the German Estate has a significant interest in Toronto Branch proceeds which are both

currently subject to unhedged foreign exchange risk to these parties (the “**FX Risk**”); and

- iv. The Claims Procedure has been implemented for in excess of 150 days, with Creditors having wide notice of such proceedings, to the point where the Liquidator is able to establish a significant, conservative Claims reserve (as described further herein), subject to the further distribution mechanics proposed herein, including further notice to existing and further potentially affected stakeholders for a reasonable period.
30. The Liquidator has discussed the GIA Claim and the Interim Distribution with the GIA. In this regard, the Liquidator has reached an agreement with the GIA pursuant to which the GIA Claim, to the extent that it is valid, shall, upon receipt of the Partial Distribution as approved as part of the Interim Distribution, and without prejudice to its right to receive for the German Estate the assets of the Toronto Branch that remain after payment of all proven Claims, be permanently reduced to the extent of any such distribution made to the GIA in respect of the GIA Claim. The GIA has further agreed that such corresponding portion of the GIA Claim shall be extinguished and released by such distribution. In addition, the remaining portion of the GIA Claim, to the extent that it is valid, after taking into account the Interim Distribution, shall be capped at an amount (which amount may from time to time increase or decrease) that results in the Toronto Branch having assets in excess of its liabilities. Accordingly, Creditors with existing proven Claims will receive 100% of their Claim amounts, plus interest to the date of the Interim Distribution.
31. A reasonable reserve will be established to provide for: (i) Claims that have been filed but not yet proven/accepted (“**Unproven Claims**”) and (ii) possible future Claims (“**Future Potential Claims**”) including interest thereon until distributions are made in respect of these Claims. The reserve is discussed in more detail below.

32. In contemplating the Interim Distribution and in accordance with the agreement with the GIA, the Liquidator has developed a reserve (the “**Estimated Reserve**”) which is summarized in the table below and is comprised of an appropriate reserve for all existing and potential future claims:

- i. The total of all Unproven Claims;
- ii. An amount for Future Potential Claims in the order of \$50 million (the Liquidator is not aware of any pending further Proofs of Claim to be received); and
- iii. Interest on items (i) and (ii) at 5% per annum up to and including March 31, 2018, a period where the Liquidator estimates it will have resolved all claims.

<sup>(2)</sup> Includes interest at 5% p.a. pursuant to the WURA from the Liquidation Date to March 2018, a conservatively assumed date upon which all unproven claims are resolved and a final distribution is made.

<sup>(3)</sup> Reserve to provide for any claims not yet identified or filed.

33. The Estimated Reserve is designed to protect any further claimants of the Toronto Branch while at the same time allow for a timely distribution to qualifying claimants. The Estimated Reserve is isolated from the U.S. Assets of \$111.2 million, insofar as the Assets available and considered for the Interim Distribution exclude the U.S. Assets as they are subject to the Stipulation arrangements in the U.S. Chapter 15 proceedings previously described.

34. Based on the estimate of Toronto Branch assets, further net asset realizations, proven claimants, unproven claimants, and the Estimated Reserve, the estimated surplus in the Toronto Branch (the “**Estimated Surplus**”) available to the German Estate is shown below.

- <sup>(2)</sup> Includes cash, securities and Assets to be realized less the U.S. Assets (\$111.2 million) and costs to administer the estate.
- <sup>(3)</sup> Includes the German Depositor Claims of \$686.1 million and other trade Claims of \$0.1 million.
- <sup>(4)</sup> Includes interest at 5% p.a. pursuant to the WURA from the Liquidation Date to the Interim Distribution Date.
- <sup>(5)</sup> Represents unproven third party Proofs of Claim as filed, as at November 16, 2016, at amounts as filed by the claimants.
- <sup>(6)</sup> Includes interest at 5% p.a. pursuant to the WURA from the Liquidation Date to March 2018, a conservatively assumed date upon which all unproven claims are resolved and a final distribution is made.
- <sup>(7)</sup> Reserve to provide for any Claims not yet filed.

35. The Liquidator is of the view that the Interim Distribution is appropriate under the circumstances and should be made for the following reasons:

- i. The Asset realization process is substantially complete and the Liquidator is holding cash or equivalents in excess of \$1.5 billion;

- ii. Pursuant to the Claims Procedure, creditors were provided in excess of 90 days to file their Claims with the Liquidator. It has now been in excess of five months since the Claims Procedure was commenced. The Liquidator is of the view that creditors of the Toronto Branch have had sufficient time to submit their Claims and that creditors who may have Claims against the Toronto Branch have done so. The Liquidator is not aware of any pending claims;
- iii. In addition to the notice of the Claims Procedure sent to all creditors by the Liquidator on June 14, 2016, all creditors will be receiving service of the Liquidator's Ninth Report and distribution motion, as well as, an additional 30 day Notice of the proposed Interim Distribution;
- iv. The Liquidator has also held without prejudice discussions with a significant creditor that has filed a contingent Claim and has verbally confirmed with the Liquidator the upper possible maximum value of its Claim which is included as an Unproven Claim in the analysis herein;
- v. The reserve for Future Potential Claims is considerable at \$50 million, plus interest to March 31, 2018, which is a provision over and above the amount set aside for Unproven Claims, which may or may not ultimately be resolved at the amounts filed by the claimants;
- vi. Pursuant to the WURA, interest is accruing on Claims at 5% per annum, which is significant given the value of certain of the largest Claims and the corresponding current low interest rate environment. The Estimated Surplus available for the German Estate decreases as interest continues to accrue on creditors' Claims;
- vii. The Interim Distribution meets the GIA's stated objectives of receiving a distribution of the Estimated Surplus as soon as practicable and mitigates the German Estate's FX Risk;

- viii. The GDPF as the largest creditor of the Toronto Branch will also have its FX Risk mitigated the sooner a distribution can be made; and
- ix. There is efficiency in the liquidation of the Toronto Branch in a timely distribution of proceeds to the Toronto Branch stakeholders.

#### Interim Distribution Notice

- 36. In order to provide notice of the proposed Interim Distribution, if the Interim Distribution is approved by the Court, the Liquidator also intends to post a notice to all creditors of the Toronto Branch in the National Edition of *The Globe and Mail* and International Edition of *The Wall Street Journal* and on the Liquidator's website within three business days of the Court approving the Interim Distribution providing notice that the Interim Distribution will be made on or about December 19, 2016 (the "**Interim Distribution Date**"). The Notice will advise that in order to participate in the Interim Distribution, creditors must have their Claim proven with the Liquidator prior to the Interim Distribution Date. A copy of the draft Notice that will be posted in the newspapers is attached hereto as **Appendix D**.
- 37. If further Claims are filed with the Liquidator during this notice period that materially affect the Estimated Reserve and in the Liquidator's judgement would also affect the solvency of the Toronto Branch or the quantum of the Expected Surplus that could be distributed to the German Estate, the GIA will consent to the reduction in the Partial Distribution, or the Liquidator will return to the Court for further advice and directions.
- 38. In addition to proceeding with the Interim Distribution, once approved, the Liquidator also intends to distribute any remaining funds held in the U.S. Joint Control Account with Citibank N.A. which have been realized on from the U.S. Assets (as further described in paragraph 60 of this Report) to the GIA as soon as practicable after the Interim Distribution Date, subject to paragraph 37 above.
- 39. For the reasons outlined above, the Liquidator is of the view that the Interim Distribution should be approved by the Court at this time.

#### ***4. PROPOSED CONVERSION OF CANADIAN FUNDS TO EUROS FOR THE BENEFIT OF GERMAN STAKEHOLDERS***

---

40. As noted above, the Toronto Branch's two largest stakeholders reside in Germany, namely the GDPF, as the assignee of German depositors with proven Claims of \$686.1 million (plus accrued interest) and the GIA for the Estimated Surplus. The quantum of these amounts is significant and these stakeholders are exposed to FX Risk on account of the Liquidator holding primarily CAD. The GDPF and the GIA have repeatedly asked for the Liquidator's assistance in mitigating their FX Risk.
41. As the universe of Claims has become clearer, and should the Court approve the mechanics of the Interim Distribution as described herein which include the Interim Distribution Notice, the Liquidator would be supportive of assisting the above parties in reducing their FX Risk for the 30-day Notice period.
42. The Liquidator is therefore seeking the Court's approval to (a) convert the amounts payable to the GDPF in respect of their Proven Claims and the Estimated Surplus distribution to the German Estate to Euros, or (b) purchase an alternative derivative financial product that will hedge the FX Risk until the Interim Distribution Date once the Interim Distribution is approved, subject, in each case, to the approval of the GDPF and/or the GIA, as the case may be. The conversion or transaction costs will be borne by the GDPF and the GIA for their proportionate shares of the same and the Liquidator will hold their respective distribution amounts in Euros (if conversion is chosen) until the Interim Distribution Date, at which time such Euros will be delivered to the GDPF and the GIA. The Liquidator will satisfy a portion of the proposed Interim Distribution with 49 million Euros that it has on hand.
43. In the event that the Liquidator receives claims before the Interim Distribution Date which will affect the Interim Distribution, the Liquidator will consider whether such funds should be converted back to CAD and the conversion costs incurred will be deducted from these stakeholders' distributions when made.

## ***5. ACTIVITIES OF THE LIQUIDATOR***

---

44. A detailed description of the Liquidator’s activities up to and including March 30, 2016, is set out in the Second Report and was approved by the Court on April 5, 2016. Since the filing of the Second Report, the Liquidator has continued to manage the liquidation of the Toronto Branch as further described below.

### **Preservation and Safeguarding of Assets**

#### Physical and Remote Access

45. Upon taking control of the Toronto Branch office premises (the “**Premises**”), the Liquidator identified the Toronto Branch’s information technology (“**IT**”) systems and processes and established control of the IT systems in a manner that secured and maintained the integrity of the data, systems and processes, including terminating remote access to the IT systems and restricting physical access to the on-site servers.
46. The Liquidator prepared a complete backup of financial and other information as of the Winding-Up Date, and continues to prepare weekly backup updates which are stored in a secure evidence vault at the Liquidator’s offices.
47. The Liquidator had arranged for attendance by security guards at the Premises during non-business hours. The Liquidator had also restricted key card access of all employees of the Toronto Branch and Maple Securities Canada Limited (“**MSCL**”), a related party that shares the Premises with the Toronto Branch, excluding select IT personnel who required access to the server room located in the Premises in the case of emergency. A daily log of authorized individuals was maintained by the security team and reviewed by Liquidator.
48. To date there have been no breaches of the security protocol implemented by the Liquidator. As the liquidation of the Toronto Branch is now substantially complete and most employees have completed their employment with the Liquidator, the Liquidator terminated this security coverage on November 4,

2016. The Premises continue to be physically secured and access is restricted to key card access holders whose access is recorded by the security system.

#### Books and Records

49. All books and records of the Toronto Branch, whether electronic or hard copy, continue to be safeguarded through the processes noted above. The Liquidator has continued to update the books and records of the Toronto Branch as transactions related to the winding-up of the Toronto Branch occurred.
50. The Liquidator continues to catalogue and maintain all of the Toronto Branch's hard copy books and records in preparation for delivery to a secure off-site storage provider which is anticipated to be completed by November 30, 2016.

#### **Cash Control, Forecasting, Monitoring and Reporting**

51. The Liquidator regularly performs the following activities to ensure the preservation of the Assets of the Toronto Branch and other resources:
  - i. The Liquidator reviews all disbursements requested by the Toronto Branch with the treasury department. The approval controls for disbursements are maintained by the Liquidator through the safeguarding of the banking access devices required to process disbursements for all bank accounts and the changing of signing authorities to only the Liquidator's senior personnel;
  - ii. A weekly bank reconciliation is prepared and reviewed by the Liquidator that compares the Liquidator's records to the Toronto Branch's bank statements to ensure no discrepancies exist;
  - iii. A cash flow forecast (the "**Cash Flow Forecast**") is prepared by the Liquidator for the purposes of estimating the cash flows of the Toronto Branch during these WURA proceedings. The Liquidator relies on the Toronto Branch's records and discussions with management to prepare the Cash Flow Forecast. The key

assumptions are reviewed regularly by the Liquidator and updated to reflect developments in the Toronto Branch's liquidation;

- iv. The Liquidator regularly reports on the Toronto Branch's cash balances to the GIA. A detailed analysis of receipts and disbursements is prepared for each report to the Court and the Liquidator comments on the movements in cash during each reporting period; and
- v. The Liquidator continues to manage the cash and securities of the Toronto Branch and engaged RBC Dominion Securities ("RBC DS") as an investment manager to manage the funds realized through asset sale transactions completed by the Liquidator and to obtain a secure rate of return on these funds.

### **Attending to Toronto Branch Operating Matters**

#### Employees

- 52. The Liquidator negotiated and granted retention arrangements and in some cases retention bonuses for certain Toronto Branch staff that were critical for the ongoing administration of the affairs of the Toronto Branch by the Liquidator. As staff needs for the Toronto Branch were reduced the affected staff were terminated in accordance with the term and task letters negotiated by the Liquidator with each applicable staff member. As of November 14, 2016, only the former CFO continues to be retained by the Liquidator in order to assist with the ongoing administration of the Toronto Branch.
- 53. The Liquidator recently held an information session for employees in order to provide direction as to how to complete their proof of claim forms in respect of amounts that may be due to them by the Toronto Branch.

### Office Lease and Other Services

54. Maple Financial Group (“**MFG**”) is a company related to Maple Bank and is the named tenant on the lease for the Premises where Toronto Branch and other entities related to Maple Bank operated. Toronto Branch funds its share of the lease costs to MFG each month. On August 4, 2016, MFG made an assignment in bankruptcy and Deloitte Inc. was appointed as Trustee in Bankruptcy (the “**Trustee**”). Both Toronto Branch and MSCL required the continued use of the Premises and negotiated an occupancy agreement with the Trustee. The Trustee exercised its statutory right of occupation pursuant to the *Bankruptcy and Insolvency Act*, and occupied the Premises until October 31, 2016. The Liquidator negotiated an agreement with the landlord for the Toronto Branch to retain the Premises on terms substantially the same as in the existing lease for a short term (i.e. until November 30, 2016) in order to permit the Liquidator to close the Equitable Transaction and wind-up the remaining business of the Toronto Branch. On November 30, 2016, the Liquidator will relinquish the Premises and has arranged temporary workspace for the sole remaining employee of the Toronto Branch.

### Tax Returns

55. The Liquidator arranged for the preparation of tax returns for the Toronto Branch for the fiscal period ended September 30, 2015 and the period October 1, 2015 to February 15, 2016. These returns were filed by the Liquidator prior to the Canada Revenue Agency (“**CRA**”) filing deadlines.
56. The Liquidator worked with the Toronto Branch’s tax advisor, Ernst & Young LLP (“**EY**”), to obtain opinions in respect of the Toronto Branch’s tax status, and tax implications resulting from (i) the asset sales completed by the Liquidator; and (ii) the Toronto Branch ceasing to carry on business as an authorized foreign bank branch as a result of its liquidation.
57. The Liquidator continues to work with EY for the preparation of the tax returns for the liquidation period and resolution of the CRA’s Claim in the Toronto Branch.

## **Development and Execution of the Marketing Process**

58. As discussed herein, the Liquidator has completed the three streams of the Marketing Process:
- i. The Structured Loans Marketing Process;
  - ii. The Maple Assets Marketing Process; and
  - iii. The Successor Issuer Marketing Process.
59. In order to execute the Marketing Process, the Liquidator engaged in on-going consultation with affected parties including CMHC, the GIA, mortgage originators and servicers, immigrant note issuers, among others.
60. The Liquidator reported to the Court on the sale of the Un-Pooled Mortgages in the Fourth Report, the sale of the Receivable Backed Notes in the Fifth Report, the sale of the Maple Assets and the appointment of a Successor Issuer in the Sixth Report and the sale of the remaining Receivable Backed Notes in the Seventh Report. The Liquidator's activities in respect of the Marketing Process as described in those reports were previously approved by the Court.

## **Monitor and Realize Upon Other Assets**

### U.S. Assets

61. As described in the Second Report, after the commencement of the German Insolvency Proceedings, the GIA filed a petition for recognition of the German Insolvency Proceedings in the U.S. Bankruptcy Court for the Southern District of New York (the "**U.S. Bankruptcy Court**") under Chapter 15 of the U.S. Bankruptcy Code (the "**Chapter 15 Proceeding**").
62. On March 2, 2016, the Liquidator and the GIA entered into the Stipulation to address the realization of Maple Bank's U.S. Assets. The Stipulation was filed with the U.S. Bankruptcy Court on March 3, 2016, as part of the GIA's revised proposed recognition order. The Stipulation is described in the Second Report.
63. Pursuant to the Stipulation, the Liquidator and the GIA opened a Joint Control Account with Citibank N.A. The Liquidator has regularly transferred funds to the

Joint Control Account as U.S. Assets are monetized. As at October 31, 2016, the Joint Control Account held a balance of approximately U.S. \$69.0 million (CAD \$111.2 million) primarily relating to realizations on various U.S. Assets, including the Global One loan, certain energy loans, the State Street stock loan, as well as, the settlement of financial derivative transactions with various U.S. based counterparties. In addition the Liquidator is holding U.S. \$14 million in its U.S. dollar denominated special trust account pending the resolution of the Claim filed by Global One. As at the date of this Report there are no other U.S. Assets relating to the Toronto Branch's Business that need to be monetized.

#### Derivative Settlements

64. As described in the Second Report, the Moratorium was an event of default under all of the derivative and financial instruments to which Toronto Branch was a party. As at the date of the Winding-Up Order, the Toronto Branch had entered into numerous derivative financial instruments with seven counterparties. To-date, the Liquidator has settled six counterparty derivative accounts, while one has yet to be settled. The Liquidator is in discussions with the respective counterparty with the goal of reaching a settlement.

#### Structured Loans Portfolio

As described in the Second Report, Toronto Branch had a structured loan portfolio consisting of Immigrant Investor Program (“IIP”) notes and various commercial loans. The book values of these assets at the date of the Winding-Up Order were approximately \$233.3 million and \$138.5 million, respectively. A significant portion of the IIP notes were sold to third parties in August, 2016 for approximately \$193.6 million. A number of the unsold IIP notes matured and have been redeemed by the Liquidator. As described in the Seventh Report, the Liquidator also sold the remaining IIP notes in October, 2016 for approximately \$14.9 million.

65. Global One has repaid the outstanding loan balance including U.S. \$14 million which is held by the Liquidator in its U.S. denominated special trust account.

66. The Liquidator has concluded a transaction that includes the sale of the Lakeview Mortgage asset which was described in the Sixth Report.
67. The Liquidator has also reached agreements with two energy loan counterparties in order to settle their respective outstanding loan balances at close to the applicable book value. These agreements also included a release of all potential future Claims against Maple Bank.

#### CED Portfolio

68. As discussed in the Third Report, the *Bank Act* requires that the Toronto Branch hold Capital Equivalency Deposits (“**CED**”) with an approved financial institution in Canada. At the date of the Winding-Up Order, the Toronto Branch had approximately \$467.5 million in CED at BMO Trust Company (“**BMO Trust**”), as custodian, which consisted primarily of municipal bonds, NHA MBS pools, Government of Canada treasury bills and Schedule 1 bankers’ acceptance notes (the “**CED Securities**”). With the terminations of the derivative instruments the CED Securities holdings were un-hedged and the Toronto Branch was vulnerable to interest rate risk.
69. To minimize the Toronto Branch’s interest rate risk exposure, the Liquidator desired to liquidate the CED portfolio. Prior to liquidating selected securities in the CED, the Liquidator performed the following activities:
  - i. Established bid spread levels from daily dealer spread runs, Bloomberg, and conversation with dealers;
  - ii. Confirmed with OSFI the Liquidator’s sale process and timing;
  - iii. Confirmed with BMO Trust the sale process and timing and discussed reinvestment execution; and
  - iv. Confirmed with BMO Capital Markets (the settlement and clearing bank) the sale processing and timing.

70. During the period May 5 to 15, 2016, the Liquidator liquidated and settled approximately \$371 million of CED account securities (e.g. municipal bonds, provincial bonds and NHA MBS pools) with maturity dates beyond December 31, 2016, and purchased Government of Canada treasury bills with one month maturities with the proceeds until the selection of an Investment Manager and subsequent investing in a portfolio of very low risk and liquid securities.

#### Selection of an Investment Manager

71. The Liquidator completed the process of selecting an investment manager for the cash portfolio of the Toronto Branch, which includes amounts realized through asset sale transactions completed by the Liquidator and amounts held by Toronto Branch on the Liquidation Date. As outlined in the Third Report, the Liquidator prepared a Request for Proposal (“RFP”) seeking a single investment manager for the Liquidator’s portfolio of the Toronto Branch’s cash and securities with the objective to earn a return on these assets while assuming very low investment risk. The RFP was sent to three Canadian Schedule 1 chartered banks. All three banks provided investment management proposals.
72. After reviewing the proposals, the Liquidator selected RBC DS as the investment manager for the Liquidator’s portfolio of Toronto Branch assets. The Liquidator transferred remaining securities and excess cash to RBC DS for investment, and continues to transfer funds as assets are realized. The balance of securities held in these managed accounts was approximately \$1.2 billion as at October 31, 2016.

#### OSFI Approval

73. In order to withdraw securities from the Toronto Branch CED account, the Liquidator was required to obtain approval from OSFI. The Liquidator engaged in numerous discussions with OSFI and prepared the necessary documentation to seek approval from OSFI to transfer CED from BMO to RBC DS. In August 2016, the Liquidator received approval from OSFI to withdraw the securities portfolio from the Toronto Branch CED account, and the securities were transferred to the Liquidator’s investment accounts at RBC DS.

### Sale of Artwork

74. The Toronto Branch owned three pieces of artwork. The Liquidator engaged a professional art advisor (the “**Art Advisor**”) to conduct an appraisal for each piece of art. Following the appraisal, the Art Advisor concluded that the combined market value of the three pieces was approximately \$27,000.
75. The Liquidator proceeded to engage the Art Advisor to sell the art on the Liquidator’s behalf. To date, two of the three pieces have been sold for a combined net realization of \$14,000, after commissions and selling costs. The Art Advisor continues to market the third piece of art.

### Intercompany Balances

76. As described in the Second Report, the Toronto Branch was in a receivable position with certain related entities primarily as a result of collateral securities provided to MSCL, and the net effect of a related party loan arrangement and interest rate swaps with Maple Holdings Canada Limited (“**MHCL**”).
77. The Liquidator has settled the majority of the MSCL receivable balance. The remaining receivable balance from MSCL as at October 31, 2016, is approximately \$103,000 and is expected to be settled in the coming weeks.
78. The remaining MHCL receivable balance as at October 31, 2016, is approximately \$4.6 million. The Liquidator has formally requested payment of this amount from MHCL and has been advised that payment will be made when the Maple Securities (U.K.) Ltd. (“**MSUK**”) estate is settled due to certain intercompany guarantee obligations.
79. The Toronto Branch also had a payable in the amount of approximately US\$ 14 million owing to MSUK relating to the back end of a repurchase transaction with Societe General in which the Toronto Branch acted as an intermediary. As at the date of this report the Liquidator and the administrator of the MSUK have reached a settlement of this payable for approximately US\$ 14 million which amount will be paid to MSUK from the Joint Control Account with the consent of the GIA.

  - i. Together with its investment advisor, the Liquidator facilitated certain foreign currency transactions, with input from the GDPF and GIA, in order to reduce the FX Risk of the GDPF, which actions which were approved by this Court in its order dated November 18, 2016 (the “**November 18 Order**”). The GIA has elected not to have any foreign currency transactions carried out to date;
  - ii. The Liquidator met or held conversations with all former employees of the Toronto Branch and a number of other creditors to further its review of the respective Proofs of Claim of those parties, and to further understand the claimants’ concerns with the Relief. These meetings included those parties who sought the adjournment of the Relief on November 18, 2016;
  - iii. In connection with (i.) above, the Liquidator has sought further clarifications and supporting information for certain of the Proofs of Claim, in some cases from the claimants and in other cases from the records of the Toronto Branch. Where possible, the Liquidator has advised certain claimants (mainly the former Toronto Branch employees) of its position regarding all or some components of their Proofs of Claim;
  - iv. The Liquidator has held discussions with Mr. Paul Lishman (“**Lishman**”), a former employee and the Principal Officer of the Toronto Branch appointed under the *Bank Act* and his counsel. Lishman has filed a Proof of Claim in the Claims Procedure that includes a contingent component relating to contribution and indemnity from the Toronto Branch in connection with his employment and his Principal Officer role with the Toronto Branch including with respect to his role as a director and/or officer of certain related and affiliated corporations to Maple Bank (the “**Lishman**”).

**Contingent Claim**”). These discussions included a review of possible alternatives which might expeditiously resolve or determine the extent of the Lishman Contingent Claim, and also allow for an eventual further and timely distribution to the stakeholders of the Toronto Branch under these proceedings. The alternative which has been proposed to address the Lishman Contingent Claim, in addition to advancing a future adjudication of Lishman’s Proof of Claim pursuant to the Claims Procedure, is the Principal Claims Bar Notice and Principal Claims Bar Date proposed in the Amended Relief. Further information regarding the Lishman Contingent Claim is provided further in this report; and

- v. The Liquidator has held further discussions with a number of claimants and the GIA regarding the Amended Relief.

### ***3. THE LISHMAN CONTINGENT CLAIM***

---

9. As stated above, the Lishman Proof of Claim asserted the Lishman Contingent Claim. Accompanying the Lishman Proof of Claim is a letter from Lishman’s counsel, Thornton Grout Finnigan LLP, (the “**TGF Letter**”) particularizing the Lishman Contingent Claim, which is attached as **Appendix B**. As set out in the TGF Letter, the Lishman Contingent Claim relates to all amounts for contribution, indemnity, reimbursement, costs and any other relief arising out of, or on account of any claims made against Lishman due to, or connected with his roles as Principal Officer of the Toronto Branch or as a director and/or officer of the Maple Affiliates (defined below), known or unknown. The list of potential liabilities is listed in the TGF Letter. The entities aside from the Toronto Branch that are listed are those where Lishman has held director and/or officer capacities and are listed in the TGF Letter and below:

- i. Maple Financial Group Inc.;
- ii. Maple Futures Corp.;
- iii. Maple Holdings Canada Limited;
- iv. Maple Securities Canada Limited;
- v. Maple Trade Finance Inc.;
- vi. Maple Securities U.S.A. Inc.;
- vii. Maple Arbitrage Inc.;
- viii. Maple Partners America Inc.;
- ix. Maple Trade Finance Corp.;
- x. Maple Commercial Finance Corp.;
- xi. MFG Guarantee Committee;
- xii. MFG Executive Committee; and/or

- xiii. any other affiliate or related entity of the Toronto Branch or the above-listed entities, in Canada or elsewhere.

(together, the “**Maple Affiliates**”)

10. In discussions with Lishman and his counsel immediately following the November 18<sup>th</sup> Court attendance, with regard to the substance and merits of the Lishman Contingent Claim, the Liquidator learned that, in addition to the potential contingent claims relating to Lishman’s roles at the Maple Affiliates, a significant unknown component of the Lishman Contingent Claim was in respect of any claims that the GIA on behalf of Maple Bank GmbH, Frankfurt might assert against him as the Principal Officer of the Toronto Branch. Accordingly, since Lishman asserts that he has a right to contribution and indemnity from the Toronto Branch with regard to any liabilities that he may be exposed to on account of him being an employee and being the Principal Officer of the Toronto Branch, that indemnity from the Toronto Branch would only be of value to him if there remained assets in Canada to satisfy the Lishman Contingent Claims once determined.
11. After discussions regarding the Lishman Contingent Claim with Lishman and his counsel, and after further discussions with the GIA, the Liquidator is recommending that the Principals Claim Bar Notice in the form as presented in **Appendix C**, be published in the Newspapers with the proposed Principals Claims Bar Date. The Liquidator is proposing this resolution mechanic in order to determine the extent of the Lishman Contingent Claim, and facilitate future distributions to stakeholders.
12. The Liquidator understands that the GIA may be making separate submissions in respect of the Lishman Contingent Claim.

# ***1. THE AMENDED NOTICE AND PROPOSED DISTRIBUTION***

---

## Amended Notice

13. As referred to above, the Liquidator is proposing the Amended Distribution Notice, substantially in the form as attached as **Appendix D**. With the approval of the Distribution and Amended Distribution Notice by the Court, the Liquidator will publish the Amended Distribution Notice in the Newspapers as soon as practicable. The Amended Distribution Notice period is proposed to end on December 19, 2016.

## Proposed Distribution

14. The Ninth Report set out a proposed distribution to creditors with Proven Claims and the GIA, and included a reserve for Proofs of Claim that have yet to be resolved at the claimants filed amounts, plus a contingency of \$50 million, plus accrued interest under WURA at 5% per annum for a future period ended March 31, 2018.
15. Certain claimants in these proceedings have voiced their concern over the originally proposed distribution for reasons which include the following:
  - i. In their view, all creditors in the Canadian liquidation proceedings should receive full distributions plus interest prior to the GIA receiving any distribution in respect what they view as a subordinate estate interest *vis a vis* regular unsecured creditors;
  - ii. The Lishman Contingent Claim is difficult to determine in terms of quantum at this time, unless there is a claims process that will provide more certainty as to a final determination of such claim; and
  - iii. Creditors would like to see an expeditious resolution of all Proofs of Claim.

16. Those who have provided their input in respect of the Distribution, including all three parties which sought an adjournment of the Relief on November 18, 2016, to date have not indicated that they would opposed to the Distribution, which provides for a payout of all Claims which are Proven Claims, or that will be proven on or before the Distribution Date. In addition to the above, and in order to facilitate the Distribution to Creditors with Proven Claims, in full, (or claims that have been allowed in whole, or in part) with accrued interest to the Distribution Date, the GIA has agreed to permanently cap the GIA Claim at an amount which results in the Toronto Branch having assets in excess of its liabilities available for distribution to Canadian creditors with proven Claims.
17. Therefore, the Liquidator is proposing the Distribution be made to all Creditors with Proven Claims, whose Claims have been allowed, in whole or in part, on or before December 19, 2016. As of November 24, 2016, the proven Claims in the estate, by general Claim category, are summarized below:

<b>Maple Bank GmbH, Toronto Branch Claims Admitted by the Liquidator As at November 24, 2016 CAD Millions</b>		
<b>Creditor</b>		<b>Claim (\$) <sup>(1)</sup></b>
Secured Claims - Office of the Superintendent of Financial Institutions	\$	0.1
GIA <sup>(2)</sup>		-
German Depositors		686.1
Vendors		0.2
Canada Revenue Agency		-
Employee		-
Non-vendor		-
Related Party		-
<b>Total Proven Claims</b>	<b>\$</b>	<b>686.4</b>

<sup>(1)</sup> Other than the claim of the Office of the Superintendent of Financial Institutions, all Proofs of Claim are unsecured.

18. The Liquidator, after discussing this matter in detail with various stakeholders, is of the view that the Distribution is proper under the circumstances, and notes that the estimated remaining estate funds, subject to the proving of further Claims, will be in excess of \$818 million inclusive of cash which is held in the U.S., and which

is subject to a Stipulation with the GIA, as approved by the U.S. Bankruptcy Court, in the order of \$111.2 million. The Principal Claims Bar Notice and the Principal Claims Bar Date, if approved, should result in the Liquidator being in a position to make timely further distributions to Creditors with Proven Claims (including Claims that have been allowed in whole or in part) of the Toronto Branch, including the GIA. In addition, the Amended Notice period will afford the Liquidator and Creditor with an opportunity to further resolve outstanding Claims issues and thereby result resulting in a timely release of monies to those Creditors with Proven Claims (that have been allowed in whole or in part) by the Distribution Date.

19. In connection with the proposed Distribution, the Liquidator has also considered the following:
  - i. Paying out all Proven Claims plus interest at the end of the Amended Notice period will result in a cessation of interest accruing on those Proven Claims, which will be for the benefit of the GIA and all creditors with unproven Claims;
  - ii. The Distribution is proposed to be made with in accordance with the time periods set out in the Amended Notice. If additional Proofs of Claim are received, which are of concern to the Liquidator, the Liquidator will re-attend before the Court in order to seek directions;
  - iii. The Liquidator contacted the Office of the Superintendent of Financial Institutions (“OSFI”) in order to determine if OSFI was prepared to consent to a distribution to the GIA pursuant to s. 158.2 of WURA. OSFI was not prepared to provide its consent under s. 158.2, but advised that it would not object to the proposed distribution under s. 158.1 (2) of WURA to the GIA;
  - iv. Aspects of the Contingent Claim, as previously described are new. In response, the Liquidator has proposed the Claims process,

as described above, in order to deal with and bring more certainty to the Lishman Contingent Claim, which neither the Liquidator or Lishman have been able to value, at this time. The Claims Procedure, through the Principal Claims Bar Notice and the Principal Claims Bar Date, should serve to bring more certainty to the Lishman Contingent Claim in a relatively short period of time (i.e. 60 days);

## ***2. LIQUIDATOR'S RECOMMENDATIONS***

---

20. The Liquidator submits this Supplemental Report to the Court in support of the Liquidator's Motion for the Amended Relief as set out in the Notice of Motion dated November 24, 2016 and recommends that the Court grant an Order to:
  - i. Approve the Distribution;
  - ii. Approve the Amended Distribution Notice;
  - iii. Approve the Principal Claims Bar Notice and the Principal Claims Bar Date;
  - iv. Approve the Receipts and Disbursements of the Toronto Branch for the period from February 16, 2016 to October 31, 2016 (as set out in the Ninth Report); and
  - v. Approve the activities of the Liquidator since the filing of the Third Report, along with the activities of the Liquidator as described in the Third Report.

All of which is respectfully submitted at Toronto, Ontario this 24<sup>th</sup> day of November, 2016.
