16. The Liquidator’s activities during the Liquidator’s Additional Fee Period included, among other things, the following:
- a) liaising with the CRA and the DOJ to settle the CRA Claims, which included, among other things:
 - i. reviewing the CRA’s draft refund calculations and, with the assistance of EY, providing to the CRA the Liquidator’s comments on same; and
 - ii. communicating with the GIA on developments associated with same, including material actions to be taken;
 - b) reviewing and filing T2 and HST returns for the year ended November 30, 2023, on behalf of the Toronto Branch;

 - ii. attending Court on April 25, 2024 and subsequently obtaining the Endorsement of Associate Justice Ilchenko dated April 25, 2024 (the **“Ilchenko Endorsement”**); and
 - iii. preparing and filing the First Supplemental Report;
 - e) acting in its capacity as the Data Custodian, pursuant to the Data Custodian Order and Data Custodian Extension Order, which among other things, included:
 - i. maintaining its power, possession and control of the Custodial Data;

- ii. negotiating and executing a contract extension with Cloud iland Internet Canada ULC (“**Cloud iland**”) as it relates to the storage of certain of the Custodial Data; and
 - iii. monitoring the operating status of the data storage servers at the Cloud iland facility;
 - f) continuing discussions with the GIA regarding its request to transfer all of the remaining Toronto Branch and MSCL data being held by the Data Custodian (including comingled data of affiliated entities such as Maple Financial Group Inc (“**MFGI**”) and personal data of employees and customers) to the custody of GIA, with the data to be stored in Germany. This included liaising with the GIA and with the Liquidator’s Counsel in respect of a draft Court order to address the Custodial Data and writing to certain stakeholders to solicit their input; and

 - iv. arranging for payment of the costs associated with the liquidation of Toronto Branch; and
 - v. maintaining an accounting of the financial activities of the Liquidator.
17. The Liquidator notes that the issues associated with both the tax disputes with the CRA and the GIA’s request that all remaining Toronto Branch and MSCL data held by the Data Custodian be transferred to it in Germany, which issues have dominated the Liquidator’s activities during the Liquidator’s Additional Fee Period, are very complex, necessitating the involvement of senior professionals.

Professional Fees as a % of Hybrid Estate Realizations ⁽²⁾⁽³⁾	0.86%	18.54%	1.20%

⁽¹⁾ Total professional fees in the table above (\$15.1M) are less than total professional fees in the Statement of Receipts and Disbursements (\$16.6M), as the former includes only the fees of the Liquidator and its counsel, while the latter includes the fees of other professional advisors engaged by the Liquidator in connection with the liquidation (e.g. tax advisors, U.S. legal counsel, etc)

⁽²⁾ Professional Fees as a % of Hybrid Realizations considers a \$20.1M increase to Estate Realizations, as outlined in Note 3 below

⁽³⁾ On September 12, 2016, the CRA filed a claim with the Liquidator in respect of unremitted corporate income taxes of \$11.7M, which included applicable interest and penalties up to February 16, 2016 (i.e. the Winding-Up Date). The Liquidator and its counsel have disputed CRA's initial claim, filed a formal tax appeal with the Tax Court of Canada, and had extensive settlement discussions with the CRA, ultimately resulting in the Liquidator and the CRA reaching a settlement agreement. In accordance with the settlement agreement, the Liquidator anticipates receiving a net refund of approximately \$3.5M. \$20.1M (i.e. the delta between the CRA's initial claim of \$11.7M plus interest in accordance with the Winding-up and Restructuring Act that would have otherwise accrued thereon, and the Liquidator's anticipated refund of \$3.5M) as this is the net amount that accrued to the estate as a result of the Liquidator's efforts in dealing with this issue. This is summarized in the calculation below.

CRA Claim

Interest	623,084.28
Penalties	69,783.39
Total unremitted corporate tax liability	11,674,126.16

A substantial portion of the fees and disbursements of the Liquidator and its Counsel incurred during the period August 1, 2017 to June 30, 2024 relate to the Liquidator's dealings with the CRA on this issue

26. The Liquidator's interim statement of receipts and disbursements for the periods of (i) February 16, 2016 to July 31, 2017, (ii) August 1, 2017 to June 30, 2024 (i.e. the Professional Fee Review Period); and February 16, 2016 to June 30, 2024.

1. INTRODUCTION AND PURPOSE OF THE SIXTEENTH REPORT

BACKGROUND

1. Maple Bank GmbH (“**Maple Bank**”) is a Canadian-owned German bank, and an authorized foreign bank in Canada under Section 2 and Part XII.1 of the *Bank Act* (an “**Authorized Foreign Bank**”). In Germany, Maple Bank is subject to regulation by the Federal Financial Supervisory Authority (“**BaFin**”). As an Authorized Foreign Bank, Maple Bank was regulated with respect to its business in Canada (the “**Toronto Branch**”) by the Office of the Superintendent of Financial Institutions (“**OSFI**”).
2. As more fully described in the Liquidator’s first report to this Court dated March 2, 2016 (the “**First Report**”), in the period leading up to the commencement of the *Winding-up and Restructuring Act* (“**WURA**”) proceeding, the Toronto Branch had three major lines of business: (i) the origination and securitization of real property mortgages in Canada; (ii) structured secured lending; and (iii) security financing transactions (collectively, the “**Business**”).
3. The emergence of significant German tax claims against Maple Bank and the resulting indebtedness of Maple Bank led to:
 - i. BaFin imposing a moratorium on Maple Bank’s business activities, which caused Maple Bank to cease business and institute insolvency proceedings in Germany;
 - ii. The appointment of a German insolvency administrator (the “**GIA**”) over Maple Bank;
 - iii. The issuance of default notices and the termination of agreements by financial institutions that were counterparties to financial contracts (primarily swaps and hedging instruments) with the Toronto Branch in respect of their dealings with Maple Bank’s Business in Canada;

- iv. Canada Mortgage and Housing Corporation, after the issuance of a default notice to Maple Bank, taking control of the mortgage backed securities business of the Toronto Branch and the corresponding mortgage pools (totaling approximately \$3.5 billion); and
 - v. OSFI issuing orders under section 619 of the *Bank Act* for the taking of control of the assets of Maple Bank in respect of the Business.
4. The events described above prompted OSFI to request that the Attorney General of Canada seek a winding-up order pursuant to section 10.1 of the WURA in respect of the Business. On February 16, 2016, Regional Senior Justice Morawetz of the Ontario Superior Court of Justice [Commercial List] (the “**Court**”) granted an order (the “**Winding-Up Order**”) to, among other things, (i) wind-up the Business; and (ii) appoint KPMG Inc. (“**KPMG**”) as liquidator (the “**Liquidator**”) of the Business and of the assets of Maple Bank as defined in section 618 of the *Bank Act* (the “**Assets**”).
5. The Liquidator has, under the supervision of the Court, subsequently realized upon substantially all of the Assets, run a claims process and paid all of the liabilities of the Toronto Branch, and made four interim distributions to the GIA. The only remaining substantive issues the Liquidator is dealing with are the receipt of a refund from the Canada Revenue Agency (the “**CRA**”) related to various tax appeals and the GIA’s request that the records of the Toronto Branch and Maple Securities Canada Limited (“**MSCL**”) be transferred to it in Germany. The Liquidator’s activities for the period up to August 20, 2021, and various Court Orders requested in connection thereto, are outlined in reports of the Liquidator numbered One through Fifteen, which are available on the Liquidator’s website at <http://www.kpmg.com/ca/maplebank>.
6. Pursuant to an Order dated June 8, 2016, the Court appointed Jonathan Wigley of the law firm Gardiner Roberts LLP as Independent Cost Counsel (the “**ICC**”) to review the fees and disbursements (collectively the “**Professional Fees**”) of the Liquidator and its counsel; Gowling WLG (Canada) LLP (“**Gowling**”), and to report to the Court (the “**ICC Report**”) with respect to the fairness and reasonableness of the Professional Fees (the “**ICC Order**”). A copy of the ICC

Order is attached hereto as **Appendix “A”**.

7. Pursuant to an Order dated March 10, 2017, the Court approved the Professional Fees of the Liquidator and Gowling for the period February 16, 2016 to November 30, 2016, along with the related ICC Report and the activities of the ICC (the **“March 2017 Distribution Order”**). The March 2017 Distribution Order also expanded the scope of the ICC’s responsibilities to include reviewing the fees and disbursements of Borden Ladner Gervais LLP (**“BLG”**), who had become the Liquidator’s primary legal counsel. A copy of the March 2017 Distribution Order is attached hereto as **Appendix “B”**.
8. Pursuant to an Order dated September 26, 2017, the Court approved the Professional Fees of the Liquidator and its counsel; BLG, for the period November 30, 2016 to July 31, 2017, along with certain fees of Gowlings related to various tax and transaction matters (the **“September 2017 Distribution Order”**). The September 2017 Distribution Order also approved the related ICC Report and the activities of the ICC. A copy of the September 2017 Distribution Order is attached hereto as **Appendix “C”**.
9. Due to the unexpected death of Mr. Wigley, on March 2, 2020, the Court issued an Order, (the **“Second ICC Order”**) pursuant to which Mr. Ilchenko, a lawyer at Pallett Valo LLP, was appointed as the replacement ICC. The ICC was ordered to review the fees and disbursements of the Liquidator and its counsel and make submissions to the Court with respect to the fairness and reasonableness of the Professional Fees and whether the Professional Fees ought to be assessed and allowed by the Court as filed. A copy of the Second ICC Order is attached hereto as **Appendix “D”**.
10. Thereafter, Mr. Ilchenko commenced a review of certain KPMG and BLG invoices covering the period subsequent to those last approved by the Court (i.e. subsequent to July 31, 2017) but did not complete the review prior to his appointment to the bench.
11. On August 16, 2021, Mr. Ilchenko was sworn in as a Bankruptcy Registrar (the **“Registrar”**) for Toronto. As a result of this appointment, Mr. Ilchenko was no longer able to continue as ICC.

12. Pursuant to an Order dated August 26, 2021, the Court, *inter alia*, discharged Mr. Ilchenko as ICC, *nunc pro tunc*, effective August 16, 2021 and authorized him, in his capacity as Registrar, to continue and complete his review and assessment of the fees and disbursements of the Liquidator and its counsel including the completion of the ICC Report (the “**Data Custodian Extension Order**”). The Data Custodian Extension Order also permitted the Registrar, in furtherance of conducting such review and assessment, to access any and all documents and materials previously utilized by the ICC. A copy of the Data Custodian Extension Order is attached hereto as **Appendix “E”**.

PURPOSE OF THE SIXTEENTH REPORT

13. The purpose of this Sixteenth Report (the “**Sixteenth Report**”) is to provide information to the Court in respect of:
- i. The Liquidator’s Professional Fees from August 1, 2017 to December 31, 2023; and
 - ii. The Professional Fees of the Liquidator’s Counsel; BLG from August 1, 2017 to January 31, 2024
- thereby assisting Associate Justice Ilchenko with his review and assessment of the Professional Fees of the Liquidator and its counsel; BLG, pursuant to the Data Custodian Extension Order.

A summary of the Liquidator's accounts for the Fee Period, including both Phase 1 and Phase 2 (each term as defined herein) is attached hereto and marked as **Appendix "F"**. Actual invoice copies are attached in the fee affidavit of Nicholas Brearton (defined and referenced below).

16. The Liquidator has split its activities in respect of the winding up of Toronto Branch into two parts; (a) those related to the transfer of certain Toronto Branch digital data to the GIA ("**Phase 2**") and (b) all other activities ("**Phase 1**").
17. With respect to the Phase 2 activities, only those activities related to the analysis of digital data which the GIA had requested be transferred to it, along with the identification and exclusion of specific data as requested by certain DTO Stakeholders (as defined below), all pursuant to the Data Transfer Order dated January 26, 2024 (the "**Data Transfer Order**") were included. For clarity, the Liquidator's activities associated with the transfer of undisputed physical and digital data (as outlined in paragraph 21 (viii) below) to the GIA (also pursuant to the Data Transfer Order), along with the Liquidator's activities associated with the Data Custodian Order dated July 23, 2020, as subsequently extended, (the "**Data Custodian Order**") were included in Phase 1. Copies of the Data Transfer Order

and the Data Custodian Order are attached hereto as **Appendices “G” and “H”** respectively.

18. The separate tracking of activities associated with Phase 2 was necessary to preserve the ability to allocate these fees, if determined appropriate, to the various parties who had an interest in the data the GIA sought to have transferred to it. However, we understand that the GIA has subsequently agreed with these parties that these fees will be paid by the estate of Toronto Branch.
19. The fee summaries and tables presented herein have been assembled based on KPMG’s fiscal year, which runs from October 1 to September 30. In the case of invoices that straddle two fiscal years (there were only four such invoices which involved periods prior to October 1, 2020), the hours, fees, disbursements and taxes were allocated to their respective fiscal year.

- ix. Acting in its capacity as the Data Custodian, pursuant to the Data Custodian Order and Data Custodian Extension Order, which among other things, included taking into its power, possession and control the Custodial Data (this included those Toronto Branch records not already transferred to the GIA along with the records of MSCL, an affiliated entity that was wound up outside of a formal insolvency process), and receiving an assignment of existing service agreements.

3. **THIS COURT ORDERS AND DIRECTS** that the Data Set shall be indexed by the Liquidator, or an agent retained by the Liquidator, with software selected by the Liquidator in consultation with the GIA, MSCL, OTPP, NB and the Trustee in order to render it searchable. The Liquidator shall ensure that any agent retained by it is subject to appropriate confidentiality obligations.

set stored at the SunGard Facility excluding any rights to transfer any portion of such data or documents the nature of which would be segregated by the terms of this Order without further order of this Court.

6. **THIS COURT ORDERS AND DIRECTS** that upon receiving an appropriate direction and authorization from the Trustee on behalf of MFGI in form satisfactory to Osler and the Trustee (the “**MFGI Authorization**”), Osler, in its capacity as former counsel to MFGI, shall make reasonable inquiries of its matter information and accounting system with a view to generating a list of the Osler legal professional timekeepers who performed legal services for MFGI, during the period 1997-2016 and Osler shall provide the resulting list to the Liquidator, OTPP, NB, the Trustee and the GIA.

7. **THIS COURT ORDERS AND DIRECTS** that upon receiving the MFGI Authorization, Osler, in its capacity as former counsel to MFGI, shall make reasonable inquiries of two current partners at Osler who have the greatest knowledge of such matters with a view to generating a list of (i) the external law firms (other than Osler), and (ii) the MFGI in-house counsel lawyers, if any, that, in each case, to the reasonable best recollection of such partners, performed legal services for MFGI, during the period 2010-2016, and Osler shall provide the resulting list to the Liquidator, OTPP, NB, the Trustee and the GIA.

8. **THIS COURT ORDERS AND DIRECTS** the Trustee to provide the MFGI Authorization to Osler on behalf of MFGI in order to facilitate the completion of Paragraphs 6 and 7 of this Order.

9. **THIS COURT ORDERS AND DIRECTS** that the Liquidator, OTPP, NB, the Trustee and the GIA are authorized to use the list and information provided by Osler pursuant to Paragraphs 6 and 7 solely for the purposes of implementing this Order.

10. **THIS COURT ORDERS AND DIRECTS** that in providing the information identified in Paragraphs 6 and 7 of this Order, Osler shall be deemed not to have breached any duty of confidentiality, any duty of loyalty or any other duty towards its former client MFGI. In addition, in complying with Paragraphs 6, 7, 8, and 9 of this Order, neither the Trustee nor Osler shall be deemed to have waived any claim of privilege on behalf of MFGI.

11. **THIS COURT ORDERS AND DIRECTS** that OTPP and NB may prepare and deliver to the GIA, the Trustee and the Liquidator, within 30 days after the receipt from Osler of the information pursuant to paragraphs 6 and 7 above (after which OTPP and NB may introduce no further search terms, except in order to correct spelling or clerical errors contained in the initial search terms or by way of qualification of existing search terms and in accordance with paragraph 15 below), a list of proposed search terms to be applied by the Liquidator to the Data Set (the “**Search Terms**”). The proposed search terms shall be limited to those reasonably required to identify any:

- (a) data or documents related to MFGI that may be reasonably considered to be subject to MFGI privilege in accordance with Canadian Law (collectively the “**MFGI Privileged Data**”);
- (b) emails and other communications to and from or documents created for or by OTPP and NB (each in their capacity as shareholders of MFGI), in relation to MFGI,

including any such communications and documents to and/or from OTPP and/or NB that involved other shareholders of MFGI in their capacities as such (collectively the “**MFGI OTPP or NB Shareholder Data**”);

- (c) MFGI board meeting minutes and materials; and
- (d) emails and other communications in relation to MFGI to and from members of the Board of Directors of MFGI in their capacities as MFGI board members or communications to and from the MFGI Board of Directors as a whole (collectively with (c) the “**MFGI Board Data**”).

12. **THIS COURT ORDERS** that to the extent that any of the proposed Search Terms or Additional MFGI Privileged Search Terms (as defined below) consist of the name of any person who acted in one or more other capacities with other Maple entities, such names shall only be applied as search terms in conjunction with reasonable and relevant qualifying search terms consistent with paragraph 11 above.

13. **THIS COURT ORDERS** that to the extent that OTPP and NB are aware of additional search terms that are reasonably required to identify any MFGI data or documents that may reasonably be considered to be MFGI Privileged Data and the disclosure of which to the GIA might reasonably reveal MFGI Privileged Data, and subject to the same condition in paragraph 12, then, OTPP and NB may within 30 days after the receipt from Osler of the information pursuant to paragraphs 6 and 7 above, provide those search terms directly to the Liquidator, on a confidential basis (the “**Additional MFGI Privileged Search Terms**”), and in so doing none of OTPP, NB, MFGI, or the Trustee shall be deemed to have waived any claim of privilege with regard to such

information as provided to the Liquidator and the Liquidator shall not otherwise use or rely on such information in any manner whatsoever.

14. **THIS COURT ORDERS** that the Liquidator shall as soon as is practicable following submission of the Search Terms and the Additional MFGI Privileged Search Terms by OTPP and NB pursuant to paragraphs 11 and 13, and notwithstanding any disputes as to the appropriateness of search terms, apply all of the proposed search terms to the Data Set and provide a report to OTPP, NB, the GIA and the Trustee setting out each proposed search term (except that the Additional MFGI Privileged Search Terms delivered pursuant to paragraph 13 can be identified by number), the number of hits associated with each search term, and, to the extent practicable, type of document/data (the “**Initial Hit Report**”).

15. **THIS COURT ORDERS** that the Liquidator and the GIA shall review the Initial Hit Report and the proposed Search Terms provided pursuant to paragraph 11, and the Liquidator confidentially shall review the Additional MFGI Privileged Search Terms provided pursuant to paragraph 13, herein, and:

- (a) should the Liquidator or GIA have any concerns with the search terms provided pursuant to paragraph 11, that cannot be resolved in consultation with OTPP, NB, and/or the Trustee, as may be applicable; or
- (b) should the Liquidator have any concerns with the search terms provided pursuant to paragraph 13, that cannot be resolved in consultation with OTPP and NB; then

the Liquidator or the GIA may seek directions from this Court, or Kevin McElcheran as the appointed Claims Officer (the “**Claims Officer**”) pursuant to the Claims Procedure Order dated June 8, 2016 (the “**Claims Procedure Order**”) as to the appropriateness of the Search Terms, and in the case of a request for directions in relation to the Additional MFGI Privileged Search Terms, the request and the Additional MFGI Privileged Search Terms shall be sealed. In considering the appropriateness of any Search Terms the Court or the Claims Officer, as the case may be, is entitled to consider, among other things, (i) whether the Search Terms appropriately identify MFGI Privileged Data, MFGI OTPP or NB Shareholder Data, or MFGI Board Data; and (ii) the number and proportion of other data and documents that the Search Terms identify.

16. **THIS COURT ORDERS** that in the event that the Liquidator, or the GIA seek directions from the Claims Officer as to the appropriateness of the Search Terms pursuant to paragraph 15, above, the resolution of claims dispute process, as set out in paragraphs 13, 14 and 15 of the Claims Procedure Order, shall apply *mutatis mutandis* to the process as set out in paragraph 15, above.

17. **THIS COURT ORDERS** that, no less than 30 days after the date on which the Liquidator circulates the Initial Hit Report pursuant to paragraph 14, or any later date to which the GIA, OTPP, and NB may consent, and each 45 days thereafter, subject to any party’s right to seek directions from this Court at any time,

- (a) the Liquidator shall, at the request of the GIA, apply all agreed, approved and remaining disputed (and not resolved) Search Terms and Additional MFGI Privileged Search Terms, as at such time, to the Data Set; and

- (b) any data not identified by means of the application of all agreed, approved and remaining disputed (and not resolved) Search Terms and Additional MFGI Privileged Search Terms in accordance with paragraph 17(a) (each, "Interim Transfer Data") shall be released to the GIA (each, an "Interim Transfer") as soon as is practicable, without further order of this Court or agreement of the parties). To the extent the Interim Transfer Data contains any personal information (including personal financial information) relating to the former employees or clients of MSCL or MBTOR, the GIA shall hold such information and not disclose or disseminate such information except as, and to the extent, permitted under applicable German laws and/or upon inquiry or request of any authority, regulatory, governmental or legal body or court.

18. **THIS COURT ORDERS** that the data and documents identified from time to time by means of the application of the then agreed, approved and remaining disputed (and not resolved) Search Terms and Additional MFGI Privileged Search Terms in accordance with paragraph 17(a) (collectively the "Interim Segregated Data") shall be removed from the Data Set by the Liquidator and shall not be released to the GIA except by agreement of the parties, or pursuant to a subsequent Interim Transfer in accordance with paragraph 17 or a Final Transfer in accordance with paragraph 20.

19. **THIS COURT ORDERS** that following the resolution of any remaining disputes relating to the Search Terms or Additional MFGI Privileged Search Terms pursuant to paragraph 15, the Liquidator shall apply the final Search Terms and Additional MFGI Privileged Search Terms to any Interim Segregated Data, and any data or documents identified by means of the final agreed

Search Terms and Additional MFGI Privileged Search Terms shall be segregated from the Interim Segregated Data by the Liquidator (the "Final Segregated Data" and together with the Interim Segregated Data, the "Segregated Data") and not be released to the GIA, pending further order of this Court. The Liquidator shall not conduct any further review of the Final Segregated Data, and any person(s) subsequently selected to conduct any further review of the Final Segregated Data, to the extent required, shall be determined at a later date by mutual agreement of the GIA, Trustee, Liquidator, OTTP, and NB or further order of this Court.

20. **THIS COURT ORDERS** that the remaining portion of the Interim Segregated Data exclusive of the Final Segregated Data identified after the steps undertaken pursuant to paragraph 19 (the "Final Transfer Data"), shall be released to the GIA without further order of this Court (the "Final Transfer"). To the extent the Final Transfer Data contains any personal information (including personal financial information) relating to the former employees or clients of MSCL or MBTOR, the GIA shall hold such information and not disclose or disseminate such information except as, and to the extent, permitted under applicable German laws and/or upon inquiry or request of any authority, regulatory, governmental or legal body or court.

21. **THIS COURT ORDERS** that this Order, the determination and application of search terms, and the segregation of the Segregated Data are all without prejudice to: (i) any rights of the GIA in respect of data and documents already in its possession or in the possession of Maple Bank, (ii) the ability of the GIA, Maple Bank, the Liquidator, MBTOR or MSCL to assert any right it may have to the transfer and release of and access to the Data Set, any of the Segregated Data, and any other data or documentation, including any right to assert that any or all of the Segregated Data should not be segregated from the Data Set or to make any submissions in relation to or in defence

of any such rights including submissions in respect of the standing of OTPP and NB; and (iii) the ability of OTPP or NB to assert any right they may have in accordance with this Order, including any right to assert that any or all of the Segregated Data should not be transferred to the GIA or to make any submissions in relation to or in defence of any such rights including asserting the standing of OTPP and NB.

22. **THIS COURT ORDERS** that in connection with any transfer of all or any portion of the Initial Transfer Data, Interim Transfer Data or the Final Transfer Data, any software licensed by MSCL at the time of such transfer which is required to enable the GIA to review the Initial Transfer Data, Interim Transfer Data, or the Final Transfer Data, as applicable, shall be made available to the GIA in accordance with, and to the extent permitted pursuant to, the terms of any applicable software license agreement to which MSCL is then a party.

23. **THIS COURT ORDERS** that the Liquidator shall, upon each application of the search terms to the Data Set (or the remaining portion thereof) pursuant to paragraph 16 of this Order, deliver a report to OTPP, NB, the GIA and the Trustee in which it shall report on the Segregated Data, setting out each search term (or remaining search term) (except that search terms delivered pursuant to paragraph 13 can be identified by number), the number of hits associated with each search term, and, to the extent practicable, a breakdown of hits by search term and type of document/data.

24. **THIS COURT ORDERS** that the GIA shall be permitted to remove and transfer the Initial Transfer Data, Interim Transfer Data and Final Transfer Data from Canada to Germany in furtherance of the Information Request, as defined in the Schildt Affidavit, without further order of this Court, or the consent of the Liquidator, or the consent of any other person, entity, individual

or corporation, provided that a duplicate copy of the Initial Transfer Data, exclusive of the Recall Records, Interim Transfer Data and the Final Transfer Data is maintained with the Liquidator in Canada and that the Liquidator shall have continuing access to the Initial Transfer Data, Interim Transfer Data and the Final Transfer Data, as it relates to MBTOR, until the Liquidator has been finally discharged by order of this Court.

25. **THIS COURT ORDERS** that the estate of MBTOR shall be responsible to pay the reasonable costs incurred by the Liquidator to assemble, transfer and release the Initial Transfer Data to the GIA and such costs shall form part of the Administration Charge as provided for in the Winding-Up Order.

26. **THIS COURT ORDERS** that all costs incurred by, or on behalf of the Liquidator in connection with the foregoing identification and application of the Search Terms, and to assemble, transfer and release of the Interim Transfer Data and Final Transfer Data to the GIA shall also form part of the Administration Charge as provided for in the Winding-Up Order, but shall be separately tracked and allocated among the Liquidator, GIA, OTPP and NB as those parties agree or, failing such an agreement, by order of this Court. Each party shall otherwise bear its own costs.

27. **THIS COURT ORDERS** that the Liquidator, KPMG, MBTOR, Maple Bank, Deloitte, the Trustee, Osler, Canada Mortgage Housing Corporation, MSCL, and any purchaser of, or successor issuer of, any of the assets or business of MBTOR, whether before or subsequent to the Winding-Up Order to date, and their respective directors, officers, partners, employees agents, representatives and legal counsel, be and are hereby forever released and discharged from any and all liability or any claim of breach of professional duty in any way arising out of, or in connection with obtaining, complying with, or carrying out the terms of this Order. The GIA, his firm, its

partners, employees, agents, representatives and legal counsel, be and are hereby forever released and discharged from any and all liability in any way arising out of, or in connection with the obtaining, complying with, or carrying out the terms of this Order, subject to the GIA complying with applicable German privacy laws with regard to any personal information and/or data that is released and transferred to the GIA pursuant to the terms of this Order.

28. **THIS COURT ORDERS** that the disclosure and transfer of data and/or records, pursuant to this Order, which may be subject to a claim of privilege by any of MBTOR, Maple Bank, the GIA, MSCL, MFGI, OTPP, or NB, including without limitation (i) the providing of any identified privileged search terms to the Liquidator by OTPP and/or NB in accordance with paragraphs 11 and 13 of this Order; and (ii) the providing of any information to the Liquidator, OTPP, NB, the Trustee and the GIA by Osler in accordance with paragraphs 6 and 7 of this Order, shall not constitute, or be deemed to constitute, a waiver of any claims for privilege that any of MBTOR, Maple Bank, the GIA, MSCL, MFGI, OTPP, or NB may have in respect of any such information, data and/or records (collectively the “**MFGI Privilege Claim**”). Notwithstanding that MBTOR, MSCL, MFGI, OTPP, NB, the Trustee or the GIA or Maple Bank have consented to, or not opposed the granting of this order, MBTOR, MSCL, MFGI, OTPP, NB, the Trustee, the GIA or Maple Bank reserve all their rights in respect of the assertion or determination of any MFGI Privilege Claim, as applicable, including, without limitation, their right to seek directions under Paragraph 30 to seek a determination of a Privilege Claim.

29. **THIS COURT ORDERS** that, notwithstanding anything else in this Order, if the GIA receives written notice from MSCL, OTPP, NB, MFGI, or the Trustee that such party reasonably asserts a privilege claim over certain specified data or documents which were transferred to the

GIA as part of the Interim Transfer Data or a Final Transfer Data, the GIA (i) shall not use, or rely on the specified data or documents in any place, wherever such data or documents may be located without the consent of such other party, or further order of this Court and (ii) in the event that such data or documents have been transferred by the GIA to a third party (a “**Transferee**”), to the extent reasonably practicable, the GIA shall advise the party or parties asserting the privilege claim of the Transferee and provide the Transferee’s contact details.

30. **THIS COURT ORDERS** that any party with any interest in the Segregated Data, shall be at liberty to bring a motion for directions, or seek any other relief before this Court, including for the determination of the status of any or all of the Segregated Data, or for the establishment of a process to determine the status of any or all of the Segregated Data.

31. **THIS COURT HEREBY REQUESTS** the aid, assistance and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada, the United States, United Kingdom, the Republic of Germany, including the assistance of the Amtsgericht Frankfurt am Main [Insolvency Court] to give effect to this Order and to assist the Liquidator and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Liquidator, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Liquidator and its agents in carrying out the terms of this Order.

THIS MOTION, made by KPMG Inc. (“**KPMG**”), in its capacity as court-appointed liquidator (the “**Liquidator**”) in respect of the winding-up of the business in Canada of Maple Bank GmbH (“**MBTOR**”) for an Order authorizing and appointing the Liquidator as custodian of certain data and records of Maple Bank (the “**Data Custodian**”) was heard this day via videoconference pursuant to the Court’s Practice Direction pertaining to the COVID-19 crisis.

ON READING the materials filed, namely the Motion Record filed by the Liquidator (the “**Motion Record**”), the Fourteenth Report of the Liquidator, and on hearing the submissions of counsel to the Liquidator, counsel to the German Insolvency Administrator (“**GIA**”), counsel to Deloitte Restructuring Inc., (“**Deloitte**”) in its capacity as trustee in bankruptcy (the “**Trustee**”) of Maple Financial Group Inc. (“**MFGI**”), counsel to Ontario Teachers’ Pension Plan (“**OTPP**”) and National Bank of Canada (“**NB**”), as former shareholders of MFGI, Osler, Hoskin & Harcourt (“**Osler**”), as counsel to Maple Securities Canada Limited (together with its predecessors “**MSCL**”) and as former counsel to MFGI, no other parties appearing although duly served with the Motion Record as evidenced by the affidavit of service of Adriana Gasparini sworn, and filed.

1. **THIS COURT ORDERS** that all defined terms used herein, not otherwise defined shall have the meaning attributed to them in the Fourteenth Report.

2. **THIS COURT ORDERS** that the Liquidator is hereby appointed as Data Custodian with respect to the Custodial Data, as defined below, and with the duties and obligations as contained in this Order.

3. **THIS COURT ORDERS** that pursuant to the Winding-Up Order dated February 16, 2016 (the “**Winding-Up Order**”) and section 7(3)(c) of the *Personal Information Protection and Electronic Documents Act*, (Canada) (“**PIPEDA**”) the Data Custodian is hereby authorized and directed to take into its power, possession and control the following:

(i) certain data and records in the possession or control of MSCL, namely

(a) all electronic data currently stored in the storage facility located in the Greater Toronto Area and known as the “SunGard Facility” (the “**SunGard Facility**”);

(b) 195 boxes of physical commingled records currently stored at RecordsXpress;
and

(c) back-up tapes of historical data previously stored at the SunGard Facility, and currently stored at RecordsXpress;

(collectively the “**MSCL Data**”)

(ii) all data and records in the possession or control of the Liquidator pursuant to the Data Transfer Order (the “**Remaining DTO Data**”); and,

(iii) certain back-up tapes taken by the Liquidator of the data stored on the SunGard Facility after the Winding-Up Date (the “**Liquidator Back-up Tapes**”),

(the MSCL Data along with the Remaining DTO Data and the Liquidator Back-up Tapes collectively, the “**Custodial Data**”)

4. **THIS COURT ORDERS** that the Liquidator, in its capacity as Data Custodian, shall take into its possession, or control the Custodial Data described at paragraph 3 (i) above on the same terms that MSCL is currently holding the data and records.

5. **THIS COURT ORDERS** that, in conjunction with the appointment of the Data Custodian, the existing SunGard Services Agreement dated September 1, 2016 shall be assigned by MSCL to the Liquidator, in its capacity as Data Custodian. The Data Custodian shall also enter into an agreement with RecordsXpress to supersede the RecordsXpress Services Agreement dated October 1, 2016, and on substantially the same terms.

6. **THIS COURT ORDERS** that the Data Custodian’s appointment shall conclude and be terminated on the earlier of (i) August 31, 2021 and (ii) the date upon which KPMG is discharged as Liquidator for MBTOR. Upon the termination of the Liquidator’s appointment as Data Custodian, the GIA may bring a motion before this Court to seek the appointment of a replacement custodian, or otherwise seek an order for alternate arrangements.

7. **THIS COURT ORDERS** that the transfer of custody of the Custodial Data shall be without prejudice to any of the rights or access of the GIA or MSCL thereto, excluding any rights to transfer any portion of such data or documents the nature of which would be segregated by the terms of the Data Transfer Order, without further order of this Court, however, any such rights or access of the GIA or MSCL to the Segregated Data (as defined in the Data Transfer Order) shall be in accordance with and subject to the Data Transfer Order.

8. **THIS COURT ORDERS** that with the prior consent of the Data Custodian and upon MSCL providing the Data Custodian with three (3) business days written notice, MSCL shall have the right to access, use and copy any MSCL Data that is solely related to MSCL and its subsidiaries (and their respective predecessors) in order to complete the winding-up and dissolution of MSCL, copies of such data may be provided to the GIA and its counsel.

9. **THIS COURT ORDERS** that the transfer of the Custodial Data pursuant to this Order, which may be subject to a claim of privilege by any of MBTOR, Maple Bank, the GIA, MSCL, MFGI, OTPP or NB, shall not constitute or be deemed to constitute a waiver of any claims for privilege that the aforementioned parties may have in respect of the Custodial Data.

10. **THIS COURT ORDERS** and declares that the Liquidator has duly and properly satisfied, discharged, and performed all of its obligations, liabilities, responsibilities and duties in respect of the Data Transfer Order.

11. **THIS COURT ORDERS** that, effective as of the date upon which the Custodial Data is fully taken into the possession, or control of the Data Custodian (the “**Custody Date**”), the Liquidator shall be discharged and shall have no further duties, obligations, liabilities, or responsibilities under the Data Transfer Order, including without limitation with regard to the Remaining DTO Data.

shall not include any claim or liability arising out of any gross negligence or wilful misconduct on the part of the Released Persons.

13. **THIS COURT ORDERS** that, upon the Custody Date, MSCL and its counsel and each of their respective affiliates, officers, directors, partners, employees and agents shall be and are hereby released and discharged from and shall possess no further obligation or responsibility with respect to possession and control of the MSCL Data.

14. **THIS COURT ORDERS** that the estate of MBTOR shall be responsible to pay the reasonable costs incurred by the Data Custodian and its counsel to assemble, transfer and maintain in its custody, or control the Custodial Data, and take all necessary attendant steps and measures.

15. **THIS COURT ORDERS** that the Data Custodian and its counsel, Borden Ladner Gervais LLP, shall be the beneficiaries of a reserve of \$750,000, as established by the Liquidator in order to satisfy their reasonable costs, as provided for at paragraph 6 of the Fourth Interim Distribution Order, including their respective fees and disbursements, until the Liquidator's appointment as Data Custodian has been terminated by Order of this Court.

16. **THIS COURT ORDERS** that, in addition to the rights and protections afforded the Data Custodian under the *WURA* and as an officer of this Court, the Data Custodian shall incur no liability or obligation as a result of its appointment or the carrying out of the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part. Nothing in this Order shall derogate from the protections afforded the Data Custodian by the *WURA* or any applicable legislation.

17. **THIS COURT HEREBY REQUESTS** the aid, assistance and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada, the United States, United Kingdom, the Republic of Germany, including the assistance of the Amtsgericht Frankfurt am Main [Insolvency Court] to give effect to this Order and to assist the Data Custodian and its agents in carrying out the terms of this Order. **AFFIDAVIT OF NICHOLAS BREARTON
(Sworn February 27, 2024)**

I, NICHOLAS BREARTON, of the City of Toronto, in the Province of Ontario, **MAKE
OATH AND SAY AS FOLLOWS:**

1. I am a consultant to, and former president of, KPMG Inc. (“**KPMG**”) in its capacity as court-appointed liquidator (the “**Liquidator**”) of Maple Bank GmbH’s (“**Maple Bank**”) business

and assets in Canada (“**Toronto Branch**”), as of February 16, 2016, and as such have knowledge of the matters set out below.

2. This affidavit is made in support of a motion for, *inter alia*, the approval of the fees and disbursements of the Liquidator for the period August 1, 2017 to December 31, 2023 (the “**Fee Period**”). Attached hereto and marked as **Exhibit “A”** is a summary of the accounts of Liquidator for the Fee Period, including both Phase 1 and Phase 2 (each term as defined herein) in the total amount of \$2,499,831.24.
3. Attached hereto and marked as **Exhibit “B”** are true copies of the accounts of Liquidator for the Fee Period. A summary of the Liquidator’s accounts is outlined below:

Hours	3,395.35 hours
Fees	\$2,166,391.00
Disbursements	\$45,848.99
HST	\$287,591.25
Total	\$2,499,831.24
Average Rate per Hour	\$638.05 / hour

4. The Liquidator has split its activities in respect of the winding up of Toronto Branch into two parts; those related to the transfer of certain Toronto Branch digital data to the German

Insolvency Administrator (the “**GIA**”) (“**Phase 2**”) and all other activities (“**Phase 1**”). In the case of Phase 2, only those activities related to the analysis of digital data the GIA had requested be transferred to it, along with the identification and exclusion of certain data as requested by certain stakeholders (i.e. Ontario Teachers Pension Plan and National Bank of Canada), all pursuant to the Data Transfer Order dated January 26, 2018, were included (i.e. the Liquidator’s activities associated with the transfer to the GIA, pursuant to the Data Transfer Order, of undisputed physical and digital data and any activities associated with the Data Custodian Order dated July 23, 2020, as subsequently extended, were included in Phase 1).

5. The separate tracking of activities associated with Phase 2 was necessary to preserve the ability to allocate these fees, if determined appropriate, to the various parties who had an interest in the data the GIA sought to have transferred to it. However, we understand that the GIA has subsequently agreed with these parties that these fees will be paid by the estate of Toronto Branch.
6. The disbursements during the Fee Period were primarily associated with the following:
 - i. \$36,799 in disbursements related to data processing fees from a software tool called Nuix with fees that vary between months based on the volume of data that is loaded into Nuix; and
 - ii. \$8,890 in disbursements related to advertisements in the Wall Street Journal and Globe and Mail regarding proposed interim distributions to the GIA.

While these expenses have been invoiced to Phase 1, they actually relate to Phase 2.

7. The Liquidator's professional rates and disbursements are comparable to the rates charged by other professional services firms in Toronto providing similar services.
8. I swear this affidavit in support of this motion for approval of the Liquidator's fees and disbursements and for no improper purpose.
