- (a) no co-insurance is permitted;
- (b) replacement cost wording which will not restrict replacement to the "same or adjacent site" (or deletion from the policy of any provision requiring same);

- 18 -

to require coverage from time to time with respect to the Charged Premises and the Lands for such other risks and perils, in such amounts and in such form or forms of insurance that the Chargee or its advisors consider to be reasonable and prudent and which coverage is reasonably commercially available and typical of coverage purchased by owners of similar type buildings in the City.

Section 5.05 Insurance Covenants.

- (a) The Chargor shall duly and punctually pay or cause to be paid all premiums and other sums of money payable for maintaining all insurance required to be obtained and maintained pursuant to Section 5.02 and Section 5.04, shall cause the Chargee to be added to the policies of insurance required in Section 5.02 (save and except Section 5.02(c)) and Section 5.04 as "first mortgagee and loss payee" as its interest may appear pursuant to an Insurance Bureau of Canada approved mortgage clause and shall cause the Chargee to be added to the policies of insurance required under Section 5.02(c) as an "additional insured with respect to claims arising out of the operations of the insured". Upon the occurrence of loss or damage to the Charged Premises or the Lands or any other property forming part of the security of the Chargee, the Chargor agrees to supply all proof of loss and take all necessary measures in order that the Chargee may receive the indemnities payable under each of the policies covering the loss. Upon the occurrence of a Default or Event of Default, the Chargee may require that the Chargor remit to the Chargee in addition to and at the same time(s) and in the same manner as the amounts payable pursuant to Section 2.04 hereof, monthly instalments for insurance policy premiums in an amount determined by the Chargee, to be sufficient to allow the Chargee to accumulate in a reserve fund (which fund shall be governed by the same rules as the reserve fund hereunder for Taxes) all amounts necessary for the full payment of all insurance policy premiums affecting the Charged Premises on the date such insurance policy premiums become due.
- (b) Every policy of insurance shall be effected on such terms and with such insurers as may be approved by the Chargee, which approval shall not be unreasonably withheld or delayed. In addition, each policy of insurance contemplated hereunder shall require not less than fifteen (15) days' prior written notice to the Chargee of any cancellation, material alteration or non-renewal thereof (not less than ten (10) days if the cancellation etc. is attributable to the failure to pay insurance policy premiums).
- (c) In the event of failure on the part of the Chargor to maintain or cause to be maintained any insurance required by Section 5.02 and/or Section 5.04, the Chargee may effect such insurance and the Chargor covenants to repay to the Chargee all of the premiums paid by the Chargee, the amount thereof to be added to the Principal Sum, to bear interest at the Mortgage Rate from the time of payment by the Chargee and to be payable at the time of the then next ensuing monthly payment of interest, or interest and principal, pursuant to Section 2.04.
- (d) The Chargor shall deposit with the Chargee (whether or not a request has been made) certificates of insurance evidencing the insurance required hereunder. The Chargor shall maintain the original copies of all such policies at the Chargor's address according to Section 13.01 and the Chargee or its authorized representatives shall be entitled during normal business hours upon prior written notice to have access thereto for the purpose of reviewing such policies and making extracts therefrom or copies thereof. The Chargor shall, without request, provide the Chargee with renewal or replacement certificates prior to the expiry or cancellation of any policy. The Chargor hereby authorizes the Chargee to communicate directly with any insurer, broker, agent, underwriter, adjuster or other Person in relation to the insurance required to be maintained by the Chargor and to request and obtain any information or documentation pertaining thereto, it being understood that the Chargee shall be under no obligation to do so.
- (e) All proceeds of insurance (from insurance policies) above the sum of \$200,000.00, other than liability insurance, shall be paid to the Chargee directly and, at the option of the Chargee, in its sole, absolute and unfettered discretion, may either be applied on account of the Loan indebtedness, whether or not the same may be due and payable, and interest thereon and any other sums payable in respect thereof, or held by it as part of the Security and, so long as there is then no Event of Default which is continuing, may be subject to

- 19 -

withdrawal by the Chargor in instalments, on a cost to complete basis, as the repair or replacement progresses, subject to the Chargee's receipt of appropriate certificates, opinions and other documents which may include, without limitation, cost consultant reports, evidence of payment to suppliers and contractors, as required by the Chargee, provided that:

- (i) the proceeds of insurance together with other funds held or arranged by the Chargor will be sufficient to pay the work required for the reconstruction or repair of the Charged Premises (the "required works"), the whole in accordance with plans and specifications and a construction budget and construction schedule approved by the Chargee, acting reasonably, after having received written advice by an architect acceptable to the Chargee, acting reasonably;
- (ii) the required work will start as soon as practical after the casualty and shall be completed diligently;
- (iii) except as otherwise provided in the Leases, all Leases then in place (or replacement Leases satisfactory to the Chargee, acting reasonably) shall remain in full force and effect for the balance of their term, under the same contractual terms and conditions, following completion of the required work;
- (iv) the cost of such restoration shall not exceed \$25,000.00, and such restoration can be completed, in the Chargee's judgment, acting reasonably, not less than ninety (90) days prior to the Maturity Date; and
- (v) any additional security required by the Chargee to guarantee cost overruns of the required work shall have been obtained by the Chargee.

If any of the conditions above are not fulfilled, the Chargee shall have the right to apply the proceeds of insurance to the payment of the Loan in whole or in part.

Section 5.06 Chargee's Insurance Expenses. The Chargor shall pay to the Chargee, on receipt of an invoice therefor, the reasonable out-of-pocket expenses of the Chargee, including legal fees and disbursements on a substantial indemnity basis, with respect to the administration of insurance proceeds.

Section 5.07 Notice of Damage/Destruction. The Chargor covenants to provide the Chargee with prompt Notice of all damage/destruction sustained at the Charged Premises. The Chargor covenants and agrees that if during the term hereof the Buildings, or any part or parts thereof, are totally or partially damaged or destroyed by any cause whatsoever, the Chargor shall, promptly after any such damage or destruction, provide the Chargee with written notice thereof.

Section 5.08 Insurance Proceeds. Upon receipt of any insurance proceeds the Chargee may, in its sole, absolute and unfettered discretion, either apply such proceeds on account of the indebtedness secured hereunder, whether or not such indebtedness shall then be due and payable, or hold such proceeds as further security for such indebtedness and, so long as no Event of Default shall have occurred and be continuing, permit the Chargor to withdraw the proceeds on a cost-to-complete basis, as the repair/replacement progresses, subject to the Chargee's receipt of such certificates, opinions, cost-consultant reports, proof of payments and lien waivers as shall be required by the Chargee, acting reasonably.
