CALL TO ORDER

The Chairperson called the meeting to order at 9:09 AM and introduced herself as well as the Secretary (an Official Receiver representing the Office of the Superintendent of Bankruptcy), the Licensed Insolvency Trustee (LIT), the Director of the Debtor Corporation, and the Legal Counsel for the Debtor Corporation. The Chairperson announced her authority to chair the meeting pursuant to section 51(3) of the *Bankruptcy and Insolvency Act* (BIA) and stated that any decision made by the Chairperson during the meeting may be appealed by the creditors to the court.

QUORUM

The Chairperson stated that prior to the meeting, she examined the trustee's proof of mailing for the Notice of the First Meeting of Creditors and confirmed that the Proof of Claim submitted by BDC Capital Inc., National Bank, Vulcraft, as well as several others, are valid. The Chairperson confirmed that a quorum was established and declared the meeting to be properly called and duly constituted.

PURPOSE OF THE MEETING

The Chairperson stated that in accordance with section 54 (1) of the Bankruptcy and Insolvency Act, the purpose of today's meeting was:

- To consider the proposal put forward by TAZARMC Inc. and resolve to accept or reject the proposal, or any amendment thereof; and,
- To appoint up to five Inspectors to the estate

MOTION TO ADJOURN

The Chairperson noted that the LIT had received a valid proof of claim and proxy from National Bank consenting to an adjournment of the meeting and asked the LIT to discuss this matter further.

The LIT, Pritesh Patel, noted as per the previous meeting, good progress was being made with the major unsecured creditor that will result in significant improvements to the proposal. There are, however, still unresolved issues with certain of Tazarmc's secured creditors, which were not resolved prior to this meeting. As such, a short adjournment to later this week is being sought by Tazarmc. The LIT is supportive of a short adjournment as the proposal scenario would be beneficial to all creditors. The LIT advised further delays, past this week, are not recommended as the delays are straining the company's cash flow. The delayed decision on the proposal is also harming the company's ability to obtain new business. The LIT encouraged that the proposal amendments be resolved in the next couple of days.

Lisa Corne made a motion to adjourn the meeting pursuant to section 52 of the BIA to July 15, 2022 at 3:00 PM, and thanked the creditors for their patience.

The motion was seconded via proxy by Frank Landry, National Bank.

There were no objections.

The meeting was adjourned at 9:15 AM.
