

Interim staffing

Accounting & Payroll Services

From time to time, your business lacks resources or needs additional staff in specific areas or projects. In these circumstances, you need a quick and flexible solution for a short or long period of time. We help you by providing professional and efficient staff.

KPMG's Accounting & Payroll Services offers a wide range of services in the field of interim staffing. We respond to client needs with resources that have been selected based on their expertise to fit in your environment.

Your challenges

You have to ensure that your company continues to operate despite unexpected events such as:

- Short- or long-term vacancy: maternity leave, accident, sickness, study leave
- Implementation due to new legal requirements
- New internal requirements to be put in place
- Significant company growth
- Recent acquisition of new entities/subsidiaries
- Systems upgrade or software implementation
- Busy season during the year
- Specific projects due in a limited period of time
- Unusual accounting/finance work
- Delay catch-up

Examples of services offered

Our team provides interim staffing from daily recurrent work to highly specialized activities depending on your needs. We can help you with any financial or payroll services you need:

- Assistance to the controlling function
- Assistance with particular finance projects or reporting
- Payroll assistance

- Preparation of the consolidation
- Setting-up of new accounting systems
- Daily bookkeeping (accounts receivable, payables, cash reconciliations, etc.)
- Assistance for the closing (statutory or group)
- Various financial and payroll support

Benefits

Our interim staffing gives you the freedom to concentrate on your core business and brings you a real value added such as:

- Resources available quickly
- Tailored to your needs
- Different professionals who are efficient and flexible
- Local specialists with International network
- Flexible in terms of time and workload
- No training costs
- Fresh view and ideas on your internal processes
- Process optimization
- Cost for value

Multidisciplinary road to success

Our multidisciplinary team consists of professionals with different education and experience such as accounting, finance, consolidation, social security and payroll. These professionals ensure a best practice approach for each service tailored and fit to your needs. Our clients appreciate this holistic approach as the multidisciplinary perspective means a real added value.

In brief

Finding the right service provider is important for you and therefore each mission is carefully defined to take account of your specific needs. Our professionals can successfully fulfill all types of missions and are committed to deliver high-quality solutions.

We offer to clients a partnership with a dedicated KPMG team that is effective and responsive to company needs, delivering the best possible cost-effective approach and providing maximum value for money.
