In 2025, KPMG marks "80 Years of Trust" in Hong Kong. Established in 1945, we were the first international accounting firm to set up operations in the city. Over the past eight decades, we've woven ourselves into the fabric of Hong Kong, working closely with the government, regulators, and the business community to help establish Hong Kong as one of the world's leading business and financial centres. This close collaboration has enabled us to build lasting trust with our clients and the local community – a core value celebrated in our anniversary theme: "80 Years of Trust".
