KPMG in Cyprus

KPMG is a global organisation of independent professional services firms providing Audit, Tax and Advisory services. We operate in 143 countries and territories with more than 265,000 partners and employees working in member firms around the world.

Each KPMG firm is a legally distinct and separate entity and describes itself as such. Each KPMG member firm is responsible for its own obligations and liabilities. KPMG International Limited is a private English company limited by guarantee. KPMG International Limited and its related entities do not provide services to clients.

KPMG operates in Cyprus since 1948 and today is one of the largest audit, tax and advisory organisations in the Cyprus market. It currently employs more than 800 persons in 6 offices (Nicosia, Limassol, Larnaka, Paralimni, Pafos and Polis Chrysochous). KPMG in Cyprus has close relationships with practices in other countries and provides its clients with the whole spectrum of KPMG International services.

At KPMG we aim at creating sustainable, long-term economic growth for our people, our clients and the broader society. We seek to be leaders, making a difference in the communities in which we operate.

KPMG delivers market leading, world-class professional services that are aligned with the changing needs of our clients and global markets.

Our Services

We classify the services offered into three functions, each of which includes a wide range of specialised services aiming at providing our clients with the solution that best suits their individual needs. For each of these core functions, KPMG has specialised departments with highly skilled teams of professionals, headed by partners with extensive experience. These three functions are:
