

# Regulatory Update

In today's dynamic business world, it is essential to be up to date on the latest regulatory developments in the areas of customs, foreign trade and excise taxes. With our "Regulatory update" we are offering you a tailor-made service that will help you stay informed, understand the significance of legal changes for your company and minimise legal risks.

## Our offer for you as part of our „Regulatory update“:

Virtual meetings in a cycle that can be individually defined (e.g. once a quarter)

Duration: approx. two hours

Presentation of relevant developments in customs, foreign trade and excise tax law identified for you as well as discussion of current, business-relevant issues and case law

Evaluation of various sources based on our knowledge of your business field, such as

- Legislation (if relevant also drafts and current proposals)
- Case law (German Federal Tax Court and European Court of Justice and, where relevant, Lower Tax Court) Preferential and other agreements (changes, innovations)
- Amendments to the service regulations of the Federal Financial Administration and its E-VSF-N (Electronic Collection of Regulations – News)
- General experience gained in the course of our consulting activities (e.g. administrative interpretations from relevant ministries and authorities)

The topics are defined in a way that is customised to suit your company and your area of responsibility, which gives you the choice to commission our "Regulatory update" for customs duties, excise taxes and/or export controls and sanctions.

You can request our "Regulatory update" for the following quarter. Since there is no minimum contract term, you remain flexible.

### Interested? Get in touch.

Our interdisciplinary team of experts with years of experience in the areas of customs, excise taxes, export controls and sanctions will be happy to assist you with their knowledge and interface expertise.
