

KPMG Immigration service

Mobility & People Services

For many organisations, the pressure to compete effectively has led to an increase in the size and complexity of their global workforce and cross-border projects placing greater demands on the management, human resource and project teams. Managing legal set-up, compensation, tax compliance and global mobility is becoming more costly, complex and time-consuming. KPMG's Global Mobility Services practice provides advisory, compliance and administrative services along with outstanding technology to help you manage an international workforce.

What our immigration service can offer:

KPMG immigration network is available in more than 150 countries. We offer end to end assistance, covering application for relevant registration or work permit to the Immigration authorities, advise, compliance and consulting.

In addition, we give ongoing status rapports and cover contact to the authorities.

How can KPMG Denmark assist you?

- Application for Fast-track certificate (only an option for Danish companies)
- Application for residence and work permit to the Danish Immigration Authorities
- Application for EU-registration certificate
- Application for CPR registration
- Posted workers Directive registration (RUT-registering)
- Advice regarding the work activities allowed without a work permit requirement
- De-registration notification
- Application for dispensation to prevent permit from lapsing
- Other ad hoc immigration services
