

KPMG Prom Relay 2025

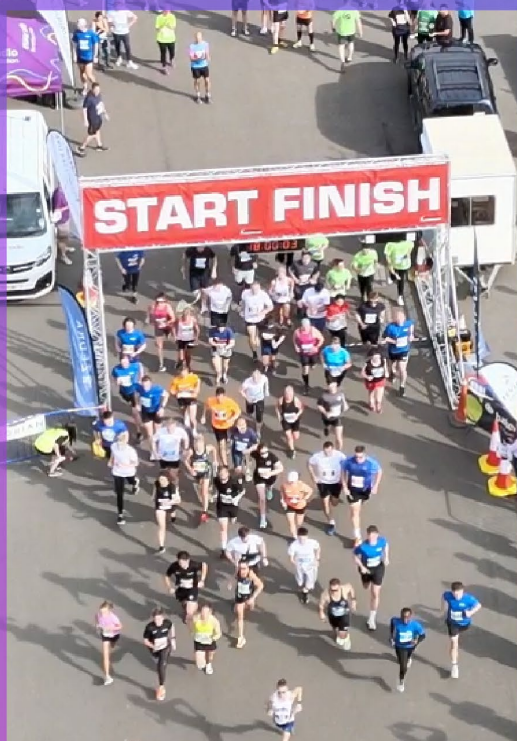

Friday 18 July 2025

Loch Promenade, Douglas

In support of Manx Breast Cancer Support Group

Every penny raised by this wonderful charity stays on the Island and is spent to help improve the pathway for breast cancer patients. Breast care service is in high demand, with approximately 6,000 breast screenings taking place each year at the Manx Breast Unit. So far, Manx Breast Cancer Support Group have successfully fund-raised around £5 million to build and equip a state-of-the-art Breast/Screening Unit at Nobles Hospital, but with such high demand for the services, work must continue to fund-raise to ensure that the Breast/Screening Unit is of the highest standard.
