VAT/GST registration	Is voluntary registration for VAT/GST and other indirect taxes possible for an overseas company (e.g. if the annual turnover is below the relevant VAT/GST and other indirect taxes registration threshold)?	No. In the past, it was possible to register for VAT purposes on a voluntary basis under a specific authorization granted by the Mexican tax authorities, but such authorities were reluctant to grant that authorization and hence, the process was fairly complex. Foreign entities with permanent establishment in Mexico must register for purposes of all taxes, not only VAT, and must comply with the obligations of all taxes.
	Does an overseas company need to appoint a fiscal representative?	Not applicable.
	Which forms and supporting documentation does an overseas company need to submit for VAT/GST and other indirect taxes registration?	Not applicable.
	Is grouping* for VAT/GST and other indirect taxes possible?	No.
VAT/GST compliance	How frequently are VAT/GST and other indirect tax returns submitted?	Monthly.
	What are the exchange rate rules in your country?	The exchange rate applied for VAT purposes is the daily rate applicable on the day the tax point of the transaction was produced. The source of the foreign exchange rate is the Mexican Central Bank. The conversion tables are available on the Mexican tax authority's website, www.sat.gob.mx .

* By 'grouping' we mean: either a consolidation mechanism between taxpayers belonging to the same group (payment and refund are compensated but taxpayers remain distinct) or a fiscal unity for VAT/GST purposes (several taxpayers are regarded as a single taxpayer).

VAT/GST recovery	Can an overseas company recover VAT/GST and other indirect taxes if it is not registered for VAT/GST and other indirect taxes locally?	No.
	Are there any exemptions with the right to recover or deduct input VAT?	There is a zero rate equal to this kind of exemption.
	Are there any restrictions to the deduction of input VAT?	Entities that exclusively perform exempt activities are not entitled to recover input VAT. In addition, certain types of imports and certain types of supplies of goods and services listed in the VAT law do not entitle taxpayers to an input tax credit.
Invoices	Is a business required to issue tax invoices?	Yes.
	Is it possible/mandatory to issue invoices electronically?	Yes. As of 1 January 2014, all taxpayers who use the digital tax invoice scheme, Comprobante Fiscal Digital (CFD), should use the internet digital tax invoice scheme (CFDI) to issue electronic invoices. From 2014, taxpayers earning more than 250,000 Mexican pesos (MXN) a year must use the CFDI scheme for issuing electronic invoices. Electronic invoicing requires: — the advanced electronic signature — processing a digital seal certificate — using the free service invoice offered by the Tax Administration Service or choosing from any of the 76 authorized provider certification found in the portal of the tax authority. An authorized provider certification is one person who is authorized by the Tax Administration Service to validate the CFDIs generated by the taxpayers, assign the folio and incorporate a digital seal from the Tax Administration Service. They are also obligated to send a copy of the CFDI validation by their customers to the tax authority.
	Is it possible for recipients to issue tax invoices/self-invoices (self-invoicing)?	No, except in very specific transactions in which small farmers act as suppliers.
Audits	Do tax audits take place on a regular basis?	Yes. Tax audits may take place on a regular basis, but there is no rule regarding their frequency.

Audits (continued)	Are there audits done electronically in your country (e-audit)? If so, what system is in use?	No.
	What penalties can arise from non-compliance?	<p>There are certain penalties for failing to fulfill formal obligations.</p> <p>The infringements for failure to register or late registration will lead to a penalty ranging between USD162 and USD490 (with an exchange rate of MXN15.00 per USD1).</p> <p>When the VAT payment is partially or completely omitted, the penalties applicable are as follows:</p> <ul style="list-style-type: none"> — There are no penalties applicable if taxpayers pay spontaneously, meaning that they pay prior to the start date of an audit by the Mexican tax authorities. — 20% of the omitted VAT amount if the taxpayer pays the amount along with inflation adjustments and interest surcharges before being notified by the authorities of a final resolution, but after an audit has begun. — 30% of the omitted VAT amount if the taxpayer pays the amount along with inflation adjustments and interest surcharges after being notified by the authorities of the final resolution. — 55% to 75% of the omitted tax amount in other cases. <p>VAT taxpayers who fail to pay VAT due are obliged to pay accrued interest.
