

We are hiring!

Finance Specialist

We are seeking a dynamic Finance Specialist specializing in Public Finance and/or Public Auditing & Accountability for an exciting opportunity with the International Development Advisory Services

Professional experience

General professional experience

Minimum 7 years of work experience in advisory work or capacity development

Specific professional experience

Minimum 7 years of work experience in the field of governance. Specifically, experience in either,

- Public finance
- Public auditing and accountability

The successful candidate will be assigned to one of two teams based on their experience:

- Team 1** – The expert should have 8 years of professional experience in the West African region, out of which 4 years should be in Ghana.
- Team 2** – The expert should have 7 years of professional experience outside of Ghana, with at least 4 years outside the West African region

Experience in gender and climate responsive budgeting will be an added advantage

Qualification and Experience

- Master of Arts or equivalent in Economics, Business Administration, Public Finance, Accounting or a related field.
- Must have an excellent command of English.

We offer

- An exciting opportunity to work on development programmes and grow within a big firm
- Exposure to multi-disciplinary client service teams
- Competitive remuneration

Location You will be based in Ghana. You may be required to undertake duty travel within and outside Ghana periodically.

Deadline 30 August 2024

Nature of Employment

This is a fixed-term contract role with KPMG International Development Advisory Services, with the potential for extension.

“KPMG is a leading provider of professional services, which include Advisory, Tax and Audit. KPMG’s International Development Advisory Services (IDAS) Africa is a business unit within KPMG. IDAS helps address challenges faced by the global development community, by working with public sector entities, bilateral and multilateral development agencies, NGOs, philanthropic foundations, and the private sector on a variety of programmes.

IDAS in West Africa is currently looking for experienced and motivated individuals to support project delivery efforts in Ghana.”

To apply, please forward your cover letter and CV, giving details of your qualifications and experience quoting **IDAS/FS/2024** to gh-fmidasrecruits@Kpmg.Com Deadline for receiving applications is **30 August 2024**

Only shortlisted candidates will be contacted
