

Shared Services and Outsourcing Advisory in Hungary

Hungary is particularly popular shared service location in Central & Eastern Europe, with Budapest being a mature location for established centres and there is a huge potential to invest in the countryside. The central location, competitive cost and the wide availability of talents make Hungary the ideal destination. Today, Hungary's SSC/BSC sector employs more than 70,000 professionals in close to 200 business centres, and is still dynamically growing.
