

Managed Legal Solutions

**KPMG Managed Legal Solutions
combines legal expertise, best in class
technology and process excellence to
deliver innovative and cost effective
solutions for our clients' challenges.**

**Our key differentiator lies in our ability
to draw on KPMG's firmwide capability
and international network to enable
customised solutions to meet our
clients' requirements.**

Overview

01 Solutions and Services

KPMG Managed Legal Solutions "KMLS" specialises in providing comprehensive managed solutions and services within the legal industry.

We offer tailored solutions and services to meet the unique needs and challenges of our Clients.

Our resourcing model and technology services can be rapidly scaled, delivering enhanced efficiency and cost-effectiveness.

02 Range of Services

We offer a wide range of solutions and services:

- Contract review
- Litigation and investigation support
- Transaction legal due diligence
- Legal operations and cost optimisation
- DSAR managed services
- Legal project management
- Augmented staffing

03 What We Do

Our managed legal service offering combines the expertise of a law firm with best-in-class technology and process excellence.

We provide a tailored mix of highly skilled professionals from across four key disciplines:

- Law
- Business
- Technology
- Project management

04 Legal Service Experience

We have a proven track record of delivering exceptional results for our clients, thanks to our extensive industry experience

At KMLS we are able to bring KPMG firmwide expertise and knowledge, including industry-leading lawyers from KPMG Law LLP, to support our Clients most challenging requirements

Our Offering

KPMG Managed Legal Solutions – alternative legal services

Our multi-faceted solution is designed to be customisable to our clients' specific needs"

Eucharia Commins
Director
KMLS

At KMLS, our alternative legal services are fully supported by expert staff who bring project management, solution design, operational excellence and KPMG tooling to support you in each engagement. We deliver successful outcomes for our clients, ensuring quality and cost management through effective design and continuous service improvement.

We have a proven track record of scaling quickly and bringing our clients smart solutions.

From delivering a single resource to cover a period of leave to delivering large programmes of work, through the right combination of People, Process and Technology we are determined to meet and exceed your expectations.

Our Managed Legal Solutions and Services division provide skilled resources, market leading technology capability and project management rigour as well as the capability to draw on support from KPMG Law LLP where required, to deliver high quality powerful solutions at compelling price points.
