## Samarthanam Trust for the Disabled

Bengaluru-based Samarthanam Trust for the Disabled is one of our NGO partners who are working extensively toward empowering persons with disabilities gain access to quality education and sustainable employment.

KPMG Global Services Management Pvt Ltd (KGSMPL) supports the three-month residential skilling program for youth with disabilities coming from marginalized sections of the society. This program is designed to provide livelihood skilling, personality development, language skills, career guidance, skilling support, and most importantly placement support and follow up at the workplace.

Through this, we aim to ensure that the youth achieve self-sufficiency through employment or self-employment. Our goal is to empower the youth to become socially and economically independent and enable them to break free of the disability related social stigma.

The program will run in Delhi.
