

Capability Statement

About Us

Passion, it's what drives entrepreneurs, it's also what inspires KPMG Private Enterprise advisers to help you maximize success. KPMG Enterprise advisers understand the trends influencing your business and are hard at work helping you uncover and capture new opportunities in new or constantly evolving markets. We can help you seize opportunities and navigate challenges — no matter the size and stage of your business.

Private businesses are primarily focused on key target segments

- Startups
- Emerging growth companies
- Family businesses
- Scaleups

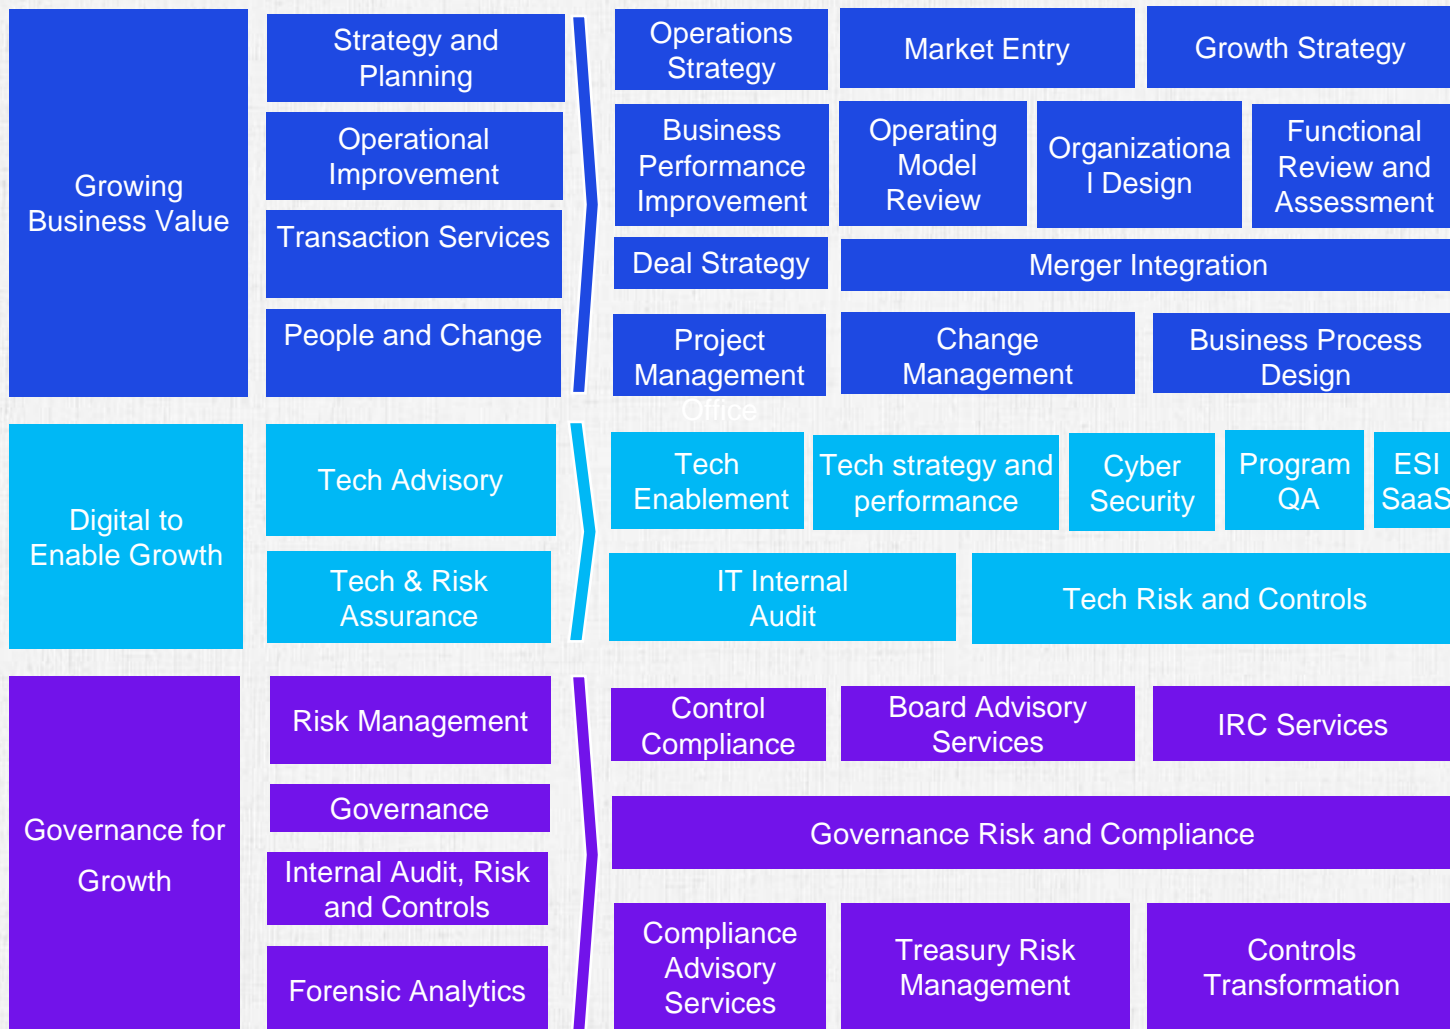

How We Can Help

Whether you're a high-growth VC or PE-backed company, family business, or family office, KPMG Private Enterprise is focused on your success now and in the future. KPMG Private Enterprise advisers understand the trends influencing the new reality and are hard at work helping private companies uncover and capture new opportunities in their markets.

The 360 Experience

What are our services?

What outcomes do we deliver?

Shareholders Value

Our team will work together to compile a comprehensive 360-degree view of your operations so that we can apply our local knowledge and global resources to help make your business even better and gain momentum.

Our Value Proposition

Why clients choose to work with us

We have the knowledge and experience to navigate the global landscape for your business' international aspirations

We have a dedicated global network of professionals.

We are always looking at the big picture to understand where you want to take your business so that we can deliver ideas, insights, and actions to help get you there faster.

We provide cross-functional services; one-stop-shop technology-enabled

“We are the clear choice”

to ambitious and fast-growing private companies throughout their business lifecycle.

Our Footprint

East Africa Top100 Mid-Sized Companies Survey

KPMG is working with East Africa's fastest-growing medium-sized companies to showcase business excellence and highlight some of the country's most successful entrepreneurship stories in Kenya, Uganda, and Tanzania

Global Tech Innovator Competition.

KPMG is working with Africa's most exciting, fast-growth, innovative businesses. Through the annual competition, we are supporting tomorrow's emerging giants.

African family business barometer.

KPMG is helping family offices and private clients stay ahead of change. Through our bi-annual African family business barometer, family businesses stay ahead of the trend with the latest changes in the business landscape

Philanthropy in Action

KPMG's Family Office & Private Client team has conducted extensive research sharing leading practices in philanthropy and how ultra-high-net-worth individuals (UHNWIs) and family offices are giving back across the globe.
