

We are hiring!

Senior Financial Analyst – Nairobi

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services, with an industry focus. Our purpose is to inspire confidence and empower change. We have a notable 'Africa Footprint' serving clients across the continent. Our East Africa practice comprises Kenya, Uganda, Tanzania and Rwanda. The Nairobi office serves as the regional coordinating office providing the required networking to facilitate delivery of services on a timely basis to meet and exceed our clients' expectations.

Deal Advisory is a fast paced area of our advisory business. Continually enhancing value for our clients across the deal and economic cycle, our specialists guide them through the entire process – from the initial concept of buying a business, to turning their business around in times of difficulty through selling, restructuring or partnering. Our wealth of experience across the deal cycle gives us access to what's happening in the heart of key sectors, and enables you to learn from the very best.

Due to continued growth in the Deal Advisory Business Unit, we are looking to recruit a Senior Financial Analyst.

Key responsibilities

- Assist the Managers, Directors and Partners in delivering services to clients in diversified sectors.
- Deliver high quality work on engagements.
- Review the work of junior members of the team and provide training where necessary.
- Assist in business development through preparation of proposals and proactively targeting business opportunities.
- Undertaking other tasks as may be required from time to time.

Skills and attributes

- Be proactive/a self-starter.
- Team and engagement management skills.
- Be a team player, capable of coaching and developing financial advisory staff.
- Strong research, analytical and problem solving capabilities.
- Good interpersonal and client relationship skills.
- Strong report writing skills.
- Strong Microsoft excel/ data analysis and manipulation skills.
- Strong written and verbal business communication skills.
- Proven ability to multitask and ensure effective delivery of competing priorities to meet targets and objectives.
- Willingness to travel within the region.

Qualifications and experience

- A Bachelor's degree in a business related course from a reputable university.
- CPA, ACCA or CFA.
- At least 4 years of experience in external audit, corporate finance or transaction services in a reputable professional services firm.
- Experience in financial modelling, valuations, due diligence, mergers & acquisitions and market entry.

We offer

- A fantastic opportunity to work on exciting corporate deals across East Africa.
- Exciting unparalleled exposure to advisory skills, competencies and tools.
- Continuous learning and development.
- Exposure to multi-disciplinary client service teams.
- Competitive remuneration alongside a range of other benefits provided to KPMG employees.
- Opportunity for travel in the region.
- Unrivalled space to grow and be innovative.
- Opportunity to go on global secondment.

If your career aspirations match this exciting opportunities, please forward your application letter and CV giving details of your qualifications and experience quoting Senior Financial Analyst – Nairobi on or before Thursday, 31 January 2019 to talentrecruit@kpmg.co.ke.
