PUBLIC NOTICE

SUBMISSION OF BENEFICIAL OWNERSHIP INFORMATION IN COMPANIES

Notice is given that the submission of Beneficial Ownership Information to Registrar of Companies is a mandatory Legal requirement under Section 459A of the Companies Act, Cap 212 and the Beneficial Ownership Regulations of 2023, published through Government Notice No. 714 dated 22nd September 2023.

In this regard, the Registrar informs the public that as of 15 April, 2025 any local company that has not submitted its beneficial ownership information will not be able to perform any transactions with the Registrar until it submits this information. Transactions that will be restricted include; the submission of Annual Returns, changes in company particulars, requests for company status reports (custom searches), registration of charges, perusals, requests for access rights (for those who have lost access rights to the Online Registration System Accounts, and certification of copies of original documents.

Be reminded that the registrar provided sufficient time for submitting of this information since 2022, however to date, there are companies that have not complied.

The submission of this information is done through an electronic system and instructions on how to register are available at <https://bo.brela.go.tz>.
