Obligation for enterprises to register a National Domain “.com.kh” and to use a National Domain email address when filing their Annual Declaration of Commercial Enterprise (ADCE)

On 1 April 2022, The Ministry of Commerce (MoC) & Ministry of Post and Telecommunication (MPTC) released Inter-Ministerial Notification No. 0837 which requires legal entities governed by the Law on Commercial Enterprise to register a national domain name (.com.kh) and to use a national domain email address when filing their (ADCE) with the MoC starting from 1 January 2023 onwards.

Any legal entities which have not already registered a national domain for their enterprise are encouraged to do so as soon as possible to meet this requirement.

Please contact us should you require any support or assistance in preparing for the registration of a domain name with the Telecommunications Regulator of Cambodia.
