Why KPMG Law is different?

1

Multidisciplinary

Our multidisciplinary, practice-oriented approach makes it possible to also take into account business, technological and tax aspects and, if necessary, to provide well-founded answers to any questions that may arise with the help of the relevant experts. Our clients thus receive holistic solution approaches – for all industries and topics.

2

Bespoke Legal Services

As a full-service law firm, we offer customized legal advice in all areas of business law, tailored to the individual needs of our clients. This expertise enables us to anticipate potential hurdles and offer proactive guidance to navigate them effectively.

3

Global Approach

We are your reliable partner in all legal matters far beyond the borders of Kazakhstan. As a member of the Global Legal Services Network, KPMG Law has a worldwide legal network and is therefore your experienced contact for cross-border issues. Our lawyers have access to the legal services of more than 3,750 colleagues in 84 countries as well as cooperation opportunities with renowned international law firms. Regionally KPMG Law Kazakhstan works closely with offices in Armenia, Azerbaijan, Georgia, and Uzbekistan.

4

Legal Process and Technology

KPMG Law has long had a special focus on the topic of LegalTech. Here, we exploit synergies created through cooperation with research and development and with other KPMG member firms worldwide. Technology and law will grow ever closer together – and we are involved in this development from the very beginning.

KPMG Law sees itself as a modern law firm of the 21st century and combines legal and technological expertise in a multidisciplinary consulting approach. Our aim is to help you understand complex interrelationships comprehensively and make the right, legally sound decisions – both economically and technologically.
