Who we are

KPMG GLD & Associés is one of the largest accounting, consulting, and auditing firm in Monaco's area.

Backed by KPMG's **global network** and **half a century of presence** in the Principality, KPMG Monaco provides innovative and relevant solutions combining **local expertise** with **international standards**.

Through its **sectoral approach** and its **local presence**, KPMG GLD et Associés provides **high added value** solutions that allow you to improve your performance while reducing your risks and refine your understanding of local issues.

Our firm is recognized for its **drive for constant development**, continuously adopting the necessary skills and resources to support the steady expansion of both our missions and areas of intervention, in line with your needs and those of the Monegasque market.

For KPMG GLD et Associés, **certifying accounting and financial information** means serving as well as developing investor confidence, along with contributing to business development, in particular through better risk management.

Our personality stems from our **local and family roots**. Our behavior reflects the **values** we share: to us it matters as much as the expertise we offer.

Our story

KPMG GLD et Associés Monaco was born from the union of **GLD Experts**, one of the leading players in accounting and auditing in Monaco, and **KPMG International**, one of the world's leading service providers in audit, accounting, and consulting services.

Our activities

Contractual and Statutory Audit

KPMG Monaco assists Monaco's largest companies and subsidiaries of international groups with **legal and contractual audits**.

Our auditors work with group subsidiaries, SMEs, as well as the public sector and the social economy.

Advisory

KPMG Monaco's Advisory teams advise and support their clients in their **growth, transformation and digitalization** challenges, in the **three main areas**:

- **Risk Consulting**, which focuses on corporate risk management and the implementation of risk prevention tools.
- **Management Consulting**, which advises on transforming company organization and outlook.
- **Deal Advisory**, consulting on growth operations.

Our teams have extensive experience in the banking and financial sector. We provide **the only dedicated Regulatory Watch service for Monaco**.

Accounting / Outsourcing

As the privileged day-to-day contact for managers and shareholders, we help players in the Monegasque economy to produce **reliable financial information** to steer their activities and projects, **improving performance and reducing risks**.

In addition to our core business as **chartered accountants**, we have developed a strong expertise in advising entrepreneurs in a wide variety of sectors, whatever the size of their business.

Our legal and social teams will help you set up in Monaco and manage your obligations towards your employees (pay slips, declarations, etc.).

Multi Family Office

The latest addition to the KPMG Monaco family, **KPMG Multi Family Office** offers access to impartial professionals and **exclusive wealth management strategies and technologies**.

Accountancy services tailored to families: consolidation of wealth accounts, tax management, legal management, expert coordination... KPMG MFO is a hub providing access to the skills of the entire "KPMG International Private Clients" network.

KPMG can act as a **multi-service family office** or provide a balanced mix of all or some of these activities, to determine and build the model best suited to your family.

IT Advisory

KPMG Monaco is an **Official Partner** of the digital transition program for Monegasque companies.

Our teams of **experienced and certified consultants** can support you in the fields of Cybersecurity and Information Systems.

Backed by our **solid business expertise**, we can help you adopt a digital plan that **generates value** for your organization, in line with your strategy.

Cybersecurity

KPMG Monaco supports companies of all sizes in assessing or improving their security, with **a local team dedicated to Cybersecurity**.

- Organizational and technical audits, penetration tests
- Assistance with business continuity plans
- Support for security function governance
- Support for cyber crisis management
- Advice on configuration hardening and secure architecture

Our teams

Our teams of experts work with companies and organizations in the private, public and voluntary sectors as **statutory auditors** or **certified public accountants**, advising you on the reliability of your accounts, risk prevention, strategy, information systems and earnings management.
