MFRS 16, Leases (Run 5)

MFRS 16, *Leases* introduces a single lessee accounting model which requires lessee to recognise assets and liabilities for the rights and obligations created by all leases. This workshop is designed to provide accounting and finance personnel with a thorough understanding in applying the new lease standard (MFRS 16) and how it would impact your business. Participants will also be assessing contract using the assessment binder developed by KPMG.

(Note: Participants to bring a lease contract as a sample for this session.)

Speakers

Chong Chen Kian, Partner

Chen Kian is an Audit Partner of KPMG in Malaysia. He has 20 years of experience with KPMG auditing public listed and multi-national companies, including 2 years with KPMG in the UK. In addition to audit, he is also involved in providing technical accounting advisory services and reporting accountants work for capital market transactions. Chen Kian's industry experience includes oil and gas, power, trading, manufacturing, construction and agriculture sectors. Chen Kian is a member of both MIA and MICPA, and a fellow member of CPA Australia.

Oh Sye Yi, Director

Sye Yi is attached to the Audit Technical Department of KPMG in Malaysia. Sye Yi's audit experience includes clients from various industries such as consumer markets, manufacturing and trading, hotel and real estate. She has extensive experience in initial public offering ("IPO") exercise both locally and in Taiwan. She is also a speaker for KPMG's various MFRS public seminars and workshops, and conducts in-house technical trainings on accounting topics for the Firm's professional staff as well as client in-house trainings.
