KPMG in Malaysia

Tax Insights for Property Transactions and Investments

There are specific tax laws and regulations that govern property transactions and investments in Malaysia, whether for income tax or Real Property Gains Tax ("RPGT") purposes.

For property developers and construction companies, it is important to be conversant with relevant tax laws / rulings, tax issues, recent tax audit trends and court cases.

This course will cover relevant income tax implications for property developers and construction companies from a practical perspective. It will also share insights on how income tax and RPGT impact various arrangements and transactions.

A digital certificate of attendance will be issued for **3.5 CPE** hours.

RM150 (inclusive of 6% service tax and participants material).

Who should attend?

CFO / Finance Managers

Accountants & Accounts Executives

Tax Managers & Executives

Course Highlights

TAXES

In this webinar, we will explore:

01

Overview of income tax for property developers and construction companies

02

Practical tax issues for property developers and construction companies

03

Recent tax audit trends and relevant case law developments

04

Interaction between income tax and RPGT

05

In-depth understanding of RPGT

06

Recent RPGT updates and relevant case law discussion

07

Practical case studies on RPGT related transactions

The event is interactive with polling questions and the opportunity for Q&A.
