

## Insights and news that matter

### June 2022

Kia ora

Welcome to our first edition of **IMPACT insights and news**. From decarbonisation to ethical supply chains to sustainable finance, business leaders are required to know more than ever about their organisation's impact. With decades of experience supporting New Zealand's businesses, we're bringing you local and global updates to help shape your approach and keep you informed about the issues that matter.

If you have any questions, feedback, or topics you'd like to see in future editions please feel free to [contact us](#).

## KPMG IMPACT is about making real IMPACT for New Zealand

WATCH VIDEO

KPMG IMPACT is our approach to help organisations be sustainable, resilient, inclusive, and focused on their impact. It brings to life five focus areas to help Māori, public and private sector organisations drive positive social and environmental outcomes for Aotearoa and all New Zealanders.

## Agribusiness agenda

In the 2022 Agenda just launched, KPMG's Global Head of Agribusiness, Ian Proudfoot, says New Zealand's priority should be to focus on the factors that are within our control to catch the many opportunities inherent in the crises and challenges faced by the sector.

READ MORE

## A healthy catch

In this world-first study, New Zealand leaders and experts from government, iwi, industry, banking, research, and environmental NGOs came together through the Aotearoa Circle to develop the Seafood Sector Adaptation Strategy. The learnings were shared globally on World Ocean Day.
