The deadline for updating the Single Taxpayer Registry has been extended to September 16th, 2022

Through Resolution No. 201-6256, published in the Official Gazette on August 30, 2022, the General Directorate of Income (DGI) of the Ministry of Economy and Finance (MEF), decided to extend the deadline established by Resolution No. 201-4393 of June 21, 2022, modified by Resolution No. 201-5297 of July 21, 2022, which establishes the obligation to update the Single Taxpayer Registry (RUC). The new deadline was extended to September 16, 2022.

In order to cover the need for all taxpayers to update the information provided through the RUC, the DGI had established a deadline for August 31, 2022 for updating all the mandatory fields of the registry. Since this deadline was about to be met and that the DGI is making the necessary technological adaptations for the correct updating of the RUC, it was decided to extend this deadline to September 16, 2022.
