Broker Services Australia Pty Ltd ACN 074 976 364
(Both in Liquidation)

Dear former employees,

During the Liquidators' investigations into the affairs of the BBY companies, a number of former employees have provided valuable information that has been of assistance in our inquiries into the affairs of BBY.

In order to facilitate and encourage others to provide any further information that you think may be of assistance we have implemented a dedicated disclosure hotline and inbox.

The hotline and inbox are open to all past and present employees and related parties who would like to share any information with the Liquidators that may be relevant to the circumstances leading to the failure of the business, matters that should be reported to regulators and possible causes of action that may lead to recoveries on behalf of creditors and clients.

The hotline is available during the hours of 8.30am to 6pm Monday to Friday and will be answered by dedicated members of the KPMG team. A voicemail system will be in operation outside of these hours. Any information provided will be kept confidential within KPMG* and you have the option of remaining anonymous if you wish.

BBY Disclosure Hotline: [1800 606 399](tel:1800606399)
BBY Disclosure Inbox: BBYdisclosures@kpmg.com.au

We encourage you to provide any information that you think might help with our enquiries. Please note this hotline will not be able to respond to general inquiries, which should still be directed to AU-FMBBY@kpmg.com.au.

Thank you for your assistance.

Regards
